(1) stay enforcement of the penalty by:

(A) paying the amount of the penalty to the court for placement in an escrow account; or

(B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the commissioner's order is final; or

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the department by certified mail.

(m) The department on receipt of a copy of an affidavit under Subsection (1)(2) of this section may file with the court, within five days after the date the copy is received, a contest to the affidavit. (o) Judicial review of the order of the commissioner under Subsection (i):

(1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and

(2) is under the substantial evidence rule.

(p) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(q) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is

reduced, the court shall order the release of the bond after the person pays the amount.

(r) A penalty collected under this section shall be deposited in the state treasury to the credit of the General Revenue Fund.

(a) The Texas Wine Marketing Research Institute or other qualified entity shall, as funding is available, conduct an annual study relating to the quantities and varieties of grapes and other fruit grown in this state that are used for wine making.

(b) Not later than October 15 of the study year, the Texas Wine Marketing Research Institute or other qualified entity shall submit a report to the commissioner. The report must:

(1) include:

(A) the quantities and varieties of grapes and other fruit grown in this state that are available on September 30 of the study year for use in wine making;

(B) the needs of wineries in this state for those grapes and other fruit to meet the wineries' projected production estimates for the following calendar year; and

(C) recommendations regarding the varieties of grapes and other fruit grown in this state for which a reduction in the percentage by volume of Texas grapes used should be granted under Subsection (d); or

(2) state that funding was not available to complete the study required by this section.

(c) If a statement is provided in accordance with Subsection

(b)(2), the reporting entity shall include in the report:

(1) any information that has been routinely collected or developed by the reporting entity and that might be useful in determining the quantities and varieties of grapes and other fruit grown in this state that are available for use in wine making the following calendar year; and

(2) recommendations regarding the varieties of grapes and other fruit grown in this state for which a reduction in the percentage by volume of Texas grapes used should be granted under Subsection (d).

(d) The commissioner shall review the report and, if the commissioner determines that the quantity of a variety of grapes or other fruit grown in this state is insufficient for the wineries in this state to produce their projected production estimates during the following calendar year, the commissioner may reduce the percentage by volume of fermented juice of grapes or other fruit grown in this state that wine containing that particular variety of grape or other fruit must contain under Section 16.011, Alcoholic Beverage Code. The percentage established under this subsection must ensure that the use of that variety of grape or other fruit grown in this state is maximized while allowing for the acquisition of grapes or other fruit grown outside of this state in a quantity sufficient to meet the needs of wineries in this state.

(e) The commissioner shall submit the commissioner's determination to the Texas Alcoholic Beverage Commission in writing and publish the commissioner's determination in the Texas Register and on the department's Internet website not later than December 31 of the study year.

(f) A percentage requirement established under Subsection (d) applies to wine bottled under Section 16.011, Alcoholic Beverage Code, during the calendar year following the study year.

(g) If a winery in this state finds that the determination made by the commissioner under Subsection (d) does not reduce the percentage requirement with respect to a particular variety of grape or other fruit to a level sufficient for the winery to meet the winery's planned production for the relevant year, the winery may submit documentation or other information to the commissioner

substantiating that the winery has not been able to acquire those grapes or other fruit grown in this state in an amount sufficient to meet the winery's production needs. If the commissioner determines that there is not a sufficient quantity of that variety of grapes or other fruit grown in this state to meet the needs of that winery, the commissioner may reduce the percentage requirement for wine bottled during the remainder of the calendar year that contains that variety of fruit.

(h) The commissioner may:

(1) establish a voluntary registry for vineyards and other fruit growers in this state to assist in the determination of the availability of grapes and other fruit grown in this state and facilitate communication between the wineries and fruit growers in this state regarding the availability of and need for grapes and other fruit for wine making; and

(2) assess a fee to cover the cost of administering the registry.

(i) Information gathered through a registry established under Subsection (h) shall be posted on the department's Internet website and may be made available in any other format agreed on by the commissioner and a requestor who pays the appropriate fee for reproducing the record.

(j) The vineyard and fruit growers registry fund is an account in the general revenue fund. Fees collected under Subsection (h) shall be deposited to the credit of that account. Money in the account may be appropriated only to the department and may be used only to cover administrative and personnel costs of the department associated with administering a registry established under Subsection (h).

The department may use not more than five percent of those appropriated funds for the administration of

the grant program.

(c) An organization applying to the department for a grant under this section must:

(1) be a governmental agency or a nonprofit private organization that is exempt from taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c)(3) of that code, that is a direct provider of home-delivered meals to elderly persons or persons with disabilities in this state;

(2) if it is a nonprofit private organization, have a volunteer board of directors;

(3) practice nondiscrimination;

(4) have an accounting system or fiscal agent approved by the county in which it provides meals;

(5) have a system to prevent the duplication of services to the organization's clients; and

(6) agree to use funds received under this section only to supplement and extend existing services related directly to home-delivered meal services.

(d) Before an organization may receive a grant from the department, the county in which the organization provides meals must make a grant to the organization. If the county makes a grant to the organization in an amount that is less than 25 cents for each person at least 60 years of age who resides in the county, according to the most recent federal decennial census, the maximum amount the department may provide to organizations in the county under Subsection (h) is reduced to an amount in proportion to the amount by which the county grant is less than 25 cents for each elderly resident.

(e) The department shall require an organization seeking a grant to file an application in a form approved by the department. The application must be signed or electronically acknowledged by the organization's executive director, be postmarked or electronically submitted not later than November 1, and must include:

(6) the number of meals the organization delivered to elderly persons or persons with disabilities in that county during the preceding state fiscal year that were not fully funded by the Health and Human Services Commission or an area agency on aging;

(7) appropriate documentation demonstrating that the organization:

(A) is a qualifying governmental agency or nonprofit private organization;

(B) has been awarded a grant by the county in relation to which the organization is applying, as required by Subsection (d); and

(C) has delivered the number of meals reported under Subdivision (6);

(8) the organization's most recent financial statement or audited financial report; and

(9) a list of the organization's board and officers.

(g) The department annually shall determine:

(1) the total amount of money available for grants under this section;

(2) the number of residents at least 60 years of age in this state, according to the most recent federal decennial census; and

(h) Except as provided by Subsections (d), (i), and (j),

grants from the department to qualifying organizations in a county in a state fiscal year may not exceed an amount determined by the formula:

$$CR \times (TD/SR)$$

where:

"CR" is the number of residents at least 60 years of age in the county;

"TD" is the total amount of money appropriated to the department for that state fiscal year to make grants, less the department's administrative expenses; and

"SR" is the number of residents at least 60 years of age in this state.

(i) Not later than February 1 of each year, the department shall make a grant to each qualifying organization that has submitted an approved application under this section. Subject to Subsections (d) and (h), the department shall make grants in an amount equal to one dollar for each meal that the organization delivered to homebound elderly persons or persons with disabilities in the county in the preceding state fiscal year that was not fully funded by the Health and Human Services Commission or an area agency on aging. If more than one qualifying organization delivers meals in a county, the department shall reduce the grants proportionally to each qualifying organization in that county so that the total amount of the grants to the organizations does not exceed the amount described by Subsection (h).

(j) If the total amount of the grants made by the department under Subsection (i) is less than the amount appropriated to fund the program under this section in a state fiscal year, the department shall use the unspent funds to proportionally increase the grants to each qualifying organization.

(k) The home-delivered meal fund is an account in the general revenue fund. Money in the account may be appropriated only to the department to award grants under this section and to pay for the operation of the program under this section.

(l) These funds shall not be considered by the Texas Department of Aging and Disability Services or the Area Agencies on Aging in setting unit rates.
