During the succeeding thirty days of the regular session of the Legislature the various committees of each House shall hold hearings to consider all bills and resolutions and other matters then pending; and such emergency matters as may be submitted by the Governor. During the remainder of the session the Legislature shall act upon such bills and resolutions as may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature.

(c) Notwithstanding Subsection (b), either House may determine its order of business by an affirmative vote of four-fifths of its membership.

(Amended Nov. 4, 1930, and Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 5: See Appendix, Note 1.)

Sec. 6. QUALIFICATIONS OF SENATORS. No person shall be a Senator, unless he be a citizen of the United States, and, at the time of his election a qualified voter of this State, and shall have been a resident of this State five years next preceding his election, and the last year thereof a resident of the district for which he shall be chosen, and shall have attained the age of twenty-six years.

(Amended Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 6: See Appendix, Note 1.)

(Amended Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 7: See Appendix, Note 1.)

Sec. 8. EACH HOUSE JUDGE OF QUALIFICATIONS AND ELECTION OF ITS MEMBERS; ELECTION CONTESTS. Each House shall be the judge of the qualifications and election of its own members; but contested elections shall be determined in such manner as shall be provided by law.

Sec. 9. PRESIDENT PRO TEMPORE OF SENATE; LIEUTENANT GOVERNOR VACANCY; SPEAKER OF HOUSE OF REPRESENTATIVES; OTHER OFFICERS. (a) The Senate shall, at the beginning and close of each session, and at such other times as may be necessary, elect one of its members President pro tempore, who shall perform the duties of the Lieutenant Governor in any case of absence or temporary disability of that officer. If the office of Lieutenant Governor becomes vacant, the President pro tempore of the Senate shall convene the Committee of the Whole Senate within 30 days after the vacancy occurs. The Committee of the Whole shall elect one of its members to perform the duties of the Lieutenant Governor in addition to the member's duties as Senator until the next general election. If the Senator so elected ceases to be a Senator before the election of a new Lieutenant Governor, another Senator shall be elected in the same manner to perform the duties of the Lieutenant Governor until the next general election. Until the Committee of the Whole elects one of its members for this purpose, the President pro tempore shall perform the duties of the Lieutenant Governor as provided by this subsection.

Sec. 11. RULES OF PROCEDURE; PUNISHMENT OR EXPULSION OF MEMBER. Each House may determine the rules of its own proceedings, punish members for disorderly conduct, and, with the consent of two-thirds, expel a member, but not a second time for the same offense.

Sec. 12. JOURNALS OF PROCEEDINGS; RECORD VOTES. (a) Each house of the legislature shall keep a journal of its proceedings, and publish the same.

(b) A vote taken by either house must be by record vote with the vote of each member entered in the journal of that house if the vote is on final passage of a bill, a resolution proposing or ratifying a constitutional amendment, or another resolution other than a resolution of a purely ceremonial or honorary nature. Either house by rule may provide for exceptions to this requirement for a bill that applies only to one district or political subdivision of this state. For purposes of this subsection, a vote on final passage includes a vote on third reading in a house, or on second reading if the house suspends the requirement for three readings, on whether to concur in the other house's amendments, and on whether to adopt a conference committee report.

(c) The yeas and nays of the members of either house on any other question shall, at the desire of any three members present, be entered on the journals.

(d) Each house shall make each record vote required under

For a record vote on a bill or on a resolution proposing or ratifying a constitutional amendment, the record vote must be accessible to the public by reference to the designated number of the bill or resolution and by reference to its subject.

No member of either House shall vote for any other member for any office whatever, which may be filled by a vote of the Legislature, except in such cases as are in this Constitution provided, nor shall any member of the Legislature be interested, either directly or indirectly, in any contract with the State, or any county thereof, authorized by any law passed during the term for which he was elected.

(Amended Nov. 5, 1968.)

Sec. 19. INELIGIBILITY OF PERSONS HOLDING OTHER OFFICES. No judge of any court, Secretary of State, Attorney General, clerk of any court of record, or any person holding a lucrative office

under the United States, or this State, or any foreign government shall during the term for which he is elected or appointed, be eligible to the Legislature.

Sec. 20. ELIGIBILITY OF COLLECTORS OF TAXES OR PERSONS ENTRUSTED WITH PUBLIC MONEY. No person who at any time may have been a collector of taxes, or who may have been otherwise entrusted with public money, shall be eligible to the Legislature, or to any office of profit or trust under the State government, until he shall have obtained a discharge for the amount of such collections, or for all public moneys with which he may have been entrusted.

Sec. 21. WORDS SPOKEN IN DEBATE. No member shall be questioned in any other place for words spoken in debate in either House.

Sec. 22. DISCLOSURE OF PERSONAL OR PRIVATE INTEREST IN MEASURE OR BILL; NOT TO VOTE. A member who has a personal or private interest in any measure or bill, proposed, or pending before the Legislature, shall disclose the fact to the House, of which he is a member, and shall not vote thereon.

Sec. 23. VACANCY FOLLOWING REMOVAL FROM DISTRICT OR COUNTY FROM WHICH ELECTED. If any Senator or Representative remove his residence from the district or county for which he was elected, his office shall thereby become vacant, and the vacancy shall be filled as provided in section 13 of this article.

Sec. 23a. (Repealed Nov. 4, 1997.)

Sec. 24. COMPENSATION AND EXPENSES OF MEMBERS OF

LEGISLATURE; DURATION OF REGULAR SESSIONS. (a) Members of the Legislature shall receive from the Public Treasury a salary of Six Hundred Dollars (\$600) per month, unless a greater amount is recommended by the Texas Ethics Commission and approved by the voters of this State in which case the salary is that amount. Each member shall also receive a per diem set by the Texas Ethics Commission for each day during each Regular and Special Session of the Legislature.

(b) No Regular Session shall be of longer duration than one hundred and forty (140) days.

(c) In addition to the per diem the Members of each House shall be entitled to mileage at the same rate as prescribed by law for employees of the State of Texas.

(Amended Nov. 4, 1930, Nov. 2, 1954, Nov. 8, 1960, April 22, 1975, and Nov. 5, 1991.)

Sec. 24a. TEXAS ETHICS COMMISSION; LEGISLATIVE SALARIES AND PER DIEM. (a) The Texas Ethics Commission is a state agency consisting of the following eight members:

(1) two members of different political parties appointed by the governor from a list of at least 10 names submitted by the members of the house of representatives from each political party required by law to hold a primary;

(2) two members of different political parties appointed by the governor from a list of at least 10 names submitted by the members of the senate from each political party required by law to hold a primary;

(4) two members of different political parties appointed by the lieutenant governor from a list of at least 10 names submitted by the members of the senate from each political party required by law to hold a primary.

(b) The governor may reject all names on any list submitted under Subsection (a)(1) or (2) of this section and require a new

list to be submitted. The members of the commission shall elect annually the chairman of the commission.

(c) With the exception of the initial appointees, commission members serve for four-year terms. Each appointing official will make one initial appointment for a two-year term and one initial appointment for a four-year term. A vacancy on the commission shall be filled for the unexpired portion of the term in the same manner as the original appointment. A member who has served for one term and any part of a second term is not eligible for reappointment.

(d) The commission has the powers and duties provided by law.

(e) The commission may recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. The commission shall set the per diem of members of the legislature and the lieutenant governor, and the per diem shall reflect reasonable estimates of costs and may be raised or lowered biennially as necessary to pay those costs, but the per diem may not exceed during a calendar year the amount allowed as of January 1 of that year for federal income tax purposes as a deduction for living expenses incurred in a legislative day by a state legislator in connection with the legislator's business as a legislator, disregarding any exception in federal law for legislators residing near the Capitol.

(f) At each general election for state and county officers following a proposed change in salary, the voters shall approve or disapprove the salary recommended by the commission if the commission recommends a change in salary. If the voters disapprove the salary, the salary continues at the amount paid immediately before disapproval until another amount is recommended by the commission and approved by the voters. If the voters approve the salary, the approved salary takes effect January 1 of the next odd-numbered year.

(Added Nov. 5, 1991.)

Said Board shall assemble in the City of Austin within ninety (90) days after the final adjournment of such regular session. The Board shall, within sixty (60) days after assembling, apportion the state into senatorial and representative districts, or into senatorial or representative districts, as the failure of action of such Legislature may make necessary. Such apportionment shall be in writing and signed by three (3) or more of the members of the Board duly acknowledged as the act and deed of such Board, and, when so executed and filed with the Secretary of State, shall have force and effect of law. Such apportionment shall become effective at the next succeeding statewide general election. The Supreme Court of Texas shall have jurisdiction to compel such Board to perform its duties in accordance with the provisions of this section by writ of mandamus or other extraordinary writs conformable to the usages of law. The Legislature shall provide necessary funds for clerical and technical aid and for other expenses incidental to the work of the Board, and the Lieutenant Governor and the Speaker of the House of Representatives shall be entitled to receive per diem and travel expense during the Board's session in the same manner and amount as they would receive while attending a special session of the Legislature.

(b) The legislature, by joint resolution approved by at least two-thirds of the members of each house, may from time to time call an election and submit to the eligible voters of this State one or more propositions that, if approved by a majority of those voting on the question, authorize the legislature to create State debt for the purposes and subject to the limitations stated in the applicable proposition. Each election and proposition must conform to the requirements of Subsections (c) and (d) of this section.

(c) The legislature may call an election during any regular session of the legislature or during any special session of the legislature in which the subject of the election is designated in the governor's proclamation for that special session. The election may be held on any date, and notice of the election shall be given for the period and in the manner required for amending this constitution. The election shall be held in each county in the manner provided by law for other statewide elections.

(d) A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. Except as provided by law under Subsection (f) of this section, the amount of debt stated in the proposition may not be exceeded and may not be renewed after the debt has been created unless the right to exceed or renew is stated in the proposition.

(e) The legislature may enact all laws necessary or appropriate to implement the authority granted by a proposition that is approved as provided by Subsection (b) of this section. A law enacted in anticipation of the election is valid if, by its terms, it is subject to the approval of the related proposition.

(f) State debt that is created or issued as provided by Subsection (b) of this section may be refunded in the manner and amount and subject to the conditions provided by law.

(g) State debt that is created or issued as provided by Subsections (b) through (f) of this section and that is approved by the attorney general in accordance with applicable law is

incontestable for any reason.

(Subsec. (a) amended and (b)-(g) added Nov. 5, 1991.)

Sec. 49a. FINANCIAL STATEMENTS AND REVENUE ESTIMATE BY COMPTROLLER OF PUBLIC ACCOUNTS; LIMITATION OF APPROPRIATIONS AND CERTIFICATION OF BILLS CONTAINING APPROPRIATIONS. (a) It shall be the duty of the Comptroller of Public Accounts in advance of each Regular Session of the Legislature to prepare and submit to the Governor and to the Legislature upon its convening a statement under oath showing fully the financial condition of the State Treasury at the close of the last fiscal period and an estimate of the probable receipts and disbursements for the then current fiscal year. There shall also be contained in said statement an itemized estimate of the anticipated revenue based on the laws then in effect that will be received by and for the State from all sources showing the fund accounts to be credited during the succeeding biennium and said statement shall contain such other information as may be required by law. Supplemental statements shall be submitted at any Special Session of the Legislature and at such other times as may be necessary to show probable changes.

(b) Except in the case of emergency and imperative public necessity and with a four-fifths vote of the total membership of each House, no appropriation in excess of the cash and anticipated revenue of the funds from which such appropriation is to be made shall be valid. No bill containing an appropriation shall be considered as passed or be sent to the Governor for consideration until and unless the Comptroller of Public Accounts endorses his certificate thereon showing that the amount appropriated is within the amount estimated to be available in the affected funds. When the Comptroller finds an appropriation bill exceeds the estimated revenue he shall endorse such finding thereon and return to the House in which same originated. Such information shall be immediately made known to both the House of Representatives and the Senate and the necessary steps shall be taken to bring such appropriation to within the revenue, either by providing additional revenue or reducing the appropriation.

(Added Nov. 3, 1942; amended Nov. 2, 1999.) (TEMPORARY TRANSITION

PROVISIONS for Sec. 49a: See Appendix, Note 1.)

Sec. 49-b. VETERANS' LAND BOARD; BOND ISSUES; VETERANS' LAND AND HOUSING FUNDS. (a) The Veterans' Land Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

(b) The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

(c) The Veterans' Land Board may provide for, issue and sell bonds or obligations of the State of Texas as authorized by constitutional amendment or by a debt proposition under Section 49 of this article for the purpose of creating the Veterans' Land Fund, the Veterans' Housing Assistance Fund, and the Veterans' Housing Assistance Fund II.

(d) Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the

moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

(e) For purposes of this section, "veteran" means a person who satisfies the definition of "veteran" as set forth by the laws of the State of Texas.

(f) The Veterans' Housing Assistance Fund shall be administered by the Veterans' Land Board and shall be used for the purpose of making home mortgage loans to veterans for housing within the State of Texas in such quantities, on such terms, at such rates of interest, and under such rules and regulations as may be authorized by law. The expenses of the board in connection with the issuance of the bonds for the benefit of the Veterans' Housing Assistance Fund and the making of the loans may be paid from money in the fund. The principal of and interest on the general obligation bonds authorized by this section for the benefit of the Veterans' Housing Assistance Fund shall be paid out of the money of the fund, but the money of the fund which is not immediately committed to the payment of principal and interest on such bonds, the making of home mortgage loans as herein provided, or the payment of expenses as herein provided may be invested as authorized by law until the money is needed for such purposes.

(g) The Veterans' Land Fund shall be used by the Veterans' Land Board to purchase lands situated in the state owned by the United States government, an agency of the United States government, this state, a political subdivision or agency of this state, or a person, firm, or corporation.

(h) Lands purchased and comprising a part of the Veterans' Land Fund are declared to be held for a governmental purpose, but the individual purchasers of those lands shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent School Fund. The lands shall be sold to veterans in quantities, on terms, at prices, and at fixed, variable, floating, or other rates of interest, determined by the

Board and in accordance with rules of the Board. Notwithstanding any provisions of this section to the contrary, lands in the Veterans' Land Fund that are offered for sale to veterans and that are not sold may be sold or resold to the purchasers in quantities, on terms, at prices, and at rates of interest determined by the Board and in accordance with rules of the Board.

(i) The expenses of the Board in connection with the issuance of the bonds for the benefit of the Veterans' Land Fund and the purchase and sale of the lands may be paid from money in the Veterans' Land Fund.

(j) The Veterans' Land Fund shall consist of:

(1) lands heretofore or hereafter purchased by the Board;

(2) money attributable to bonds heretofore or hereafter issued and sold by the Board for the fund, including proceeds from the issuance and sale of the bonds;

(3) money received from the sale or resale of lands or rights in lands purchased from those proceeds;

(4) money received from the sale or resale of lands or rights in lands purchased with other money attributable to the bonds;

(5) proceeds derived from the sale or other disposition of the Board's interest in contracts for the sale or resale of lands or rights in lands;

(6) interest and penalties received from the sale or resale of lands or rights in lands;

(7) bonuses, income, rents, royalties, and other pecuniary benefits received by the Board from lands;

(8) money received by way of indemnity or forfeiture for the failure of a bidder for the purchase of bonds to comply with the bid and accept and pay for the bonds or for the failure of a bidder for the purchase of lands comprising a part of the Veterans' Land Fund to comply with the bid and accept and pay for the lands;

(9) payments received by the Board under a bond enhancement agreement with respect to the bonds; and

(10) interest received from investments of money in the fund.

(k) The principal of and interest on the general obligation bonds for the benefit of the Veterans' Land Fund, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be paid out of the money of the Veterans' Land Fund, but the money in the fund that is not immediately committed to the payment of principal and interest on the bonds, the purchase of lands, or the payment of expenses may be invested as authorized by law until the money is needed for those purposes.

(1) The Veterans' Housing Assistance Fund II is a separate and distinct fund from the Veterans' Housing Assistance Fund. Money in the Veterans' Housing Assistance Fund II shall be administered by the Veterans' Land Board and shall be used to make home mortgage loans to veterans for housing within this state in quantities, on terms, and at fixed, variable, floating, or other rates of interest, determined by the Board and in accordance with rules of the Board. The expenses of the Board in connection with the issuance of the bonds for the benefit of the Veterans' Housing Assistance Fund II and the making of the loans may be paid from money in the Veterans' Housing Assistance Fund II.

(m) The Veterans' Housing Assistance Fund II shall consist of:

(1) the Board's interest in home mortgage loans the Board makes to veterans from money in the fund under the Veterans' Housing Assistance Program established by law;

(2) proceeds derived from the sale or other disposition of the Board's interest in home mortgage loans;

(3) money attributable to bonds issued and sold by the Board to provide money for the fund, including the proceeds from the issuance and sale of bonds;

(4) income, rents, and other pecuniary benefits received by the Board as a result of making loans;

(5) money received by way of indemnity or forfeiture for the failure of a bidder for the purchase of bonds to comply with the bid and accept and pay for the bonds;

(6) payments received by the Board under a bond enhancement agreement with respect to the bonds; and

(7) interest received from investments of money.

(n) The principal of and interest on the general obligation bonds for the benefit of the Veterans' Housing Assistance Fund II, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be paid out of the money of the Veterans' Housing Assistance Fund II, but the money in the fund that is not immediately committed to the payment of principal and interest on the bonds, the making of home mortgage loans, or the payment of expenses may be invested as authorized by law until the money is needed for those purposes.

(o) The Veterans' Housing Assistance Fund shall consist of:

(1) the Board's interest in home mortgage loans the Board makes to veterans from money in the fund under the Veterans' Housing Assistance Program established by law;

(2) proceeds derived from the sale or other disposition of the Board's interest in home mortgage loans;

(3) money attributable to bonds issued and sold by the Board to provide money for the fund, including proceeds from the issuance and sale of bonds;

(4) income, rents, and other pecuniary benefits received by the Board as a result of making loans;

(5) money received by way of indemnity or forfeiture for the failure of a bidder for the purchase of bonds to comply with the bid and accept and pay for the bonds;

(6) payments received by the Board under a bond enhancement agreement with respect to the bonds; and

(7) interest received from investments of money.

(p) The principal of and interest on the general obligation bonds for the benefit of the Veterans' Housing Assistance Fund, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be paid out of money in the Veterans' Housing Assistance Fund.

(q) If there is not enough money in the Veterans' Land Fund, the Veterans' Housing Assistance Fund, or the Veterans' Housing Assistance Fund II, as the case may be, available to pay the principal of and interest on the general obligation bonds benefiting those funds, including money to make payments by the

Board under a bond enhancement agreement with respect to principal of or interest on the bonds, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of and interest on the general obligation bonds that mature or become due during that fiscal year or to make bond enhancement payments with respect to those bonds.

(r) Receipts of all kinds of the Veterans' Land Fund, the Veterans' Housing Assistance Fund, or the Veterans' Housing Assistance Fund II that the Board determines are not required for the payment of principal of and interest on the general obligation bonds benefiting those funds, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, may be used by the Board, to the extent not inconsistent with the proceedings authorizing the bonds to:

(1) make temporary transfers to another of those funds to avoid a temporary cash deficiency in that fund or make a transfer to another of those funds for the purposes of that fund;

(2) pay the principal of and interest on general obligation bonds issued to provide money for another of those funds or make bond enhancement payments with respect to the bonds; or

(3) pay the principal of and interest on revenue bonds of the Board or make bond enhancement payments with respect to the bonds.

(s) If the Board determines that assets from the Veterans' Land Fund, the Veterans' Housing Assistance Fund, or the Veterans' Housing Assistance Fund II are not required for the purposes of the fund, the Board may:

(1) transfer the assets to another of those funds;

(2) use the assets to secure revenue bonds issued by the Board;

(3) use the assets to plan and design, operate, maintain, enlarge, or improve veterans cemeteries; or

(4) use the assets to plan and design, construct, acquire, own, operate, maintain, enlarge, improve, furnish, or equip veterans homes.

(t) The revenue bonds shall be special obligations of the

Board and payable only from and secured only by receipts of the funds, assets transferred from the funds, and other revenues and assets as determined by the Board and shall not constitute indebtedness of the state or the Veterans' Land Board. The Board may issue revenue bonds from time to time, which bonds may not exceed an aggregate principal amount that the Board determines can be fully retired from the receipts of the funds, the assets transferred from the funds, and the other revenues and assets pledged to the retirement of the revenue bonds. Notwithstanding the rate of interest specified by any other provision of this constitution, revenue bonds shall bear a rate or rates of interest the Board determines. A determination made by the Board under this subsection shall be binding and conclusive as to the matter determined.

(u) The bonds authorized to be issued and sold by the Veterans' Land Board shall be issued and sold in forms and denominations, on terms, at times, in the manner, at places, and in installments the Board determines. The bonds shall bear a rate or rates of interest the Board determines. The bonds shall be incontestable after execution by the Board, approval by the Attorney General of Texas, and delivery to the purchaser or purchasers of the bonds.

(v) This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Housing Assistance Program and the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

(w) The Veterans' Land Board may provide for, issue, and sell general obligation bonds of the state for the purpose of selling land to veterans of the state or providing home or land mortgage loans to veterans of the state in a principal amount of outstanding bonds that must at all times be equal to or less than the aggregate principal amount of state general obligation bonds previously authorized for those purposes by prior constitutional amendments. Bonds and other obligations issued or executed under

the authority of this subsection may not be included in the computation required by Section 49-j of this article. The bond proceeds shall be deposited in or used to benefit and augment the Veterans' Land Fund, the Veterans' Housing Assistance Fund, or the Veterans' Housing Assistance Fund II, as determined appropriate by the Veterans' Land Board, and shall be administered and invested as provided by law. Payments of principal and interest on the bonds, including payments made under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be made from the sources and in the manner provided by this section for general obligation bonds issued for the benefit of the applicable fund.

(TEMPORARY TRANSITION PROVISIONS for Sec. 49-b: See Appendix, Note 1.)

Sec. 49-c. TEXAS WATER DEVELOPMENT BOARD; BOND ISSUE; TEXAS WATER DEVELOPMENT FUND. (a) The Texas Water Development Board, an agency of the State of Texas, shall exercise such powers as necessary under this provision together with such other duties and restrictions as may be prescribed by law. The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law.

(b) The Texas Water Development Board shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas as authorized by constitutional amendment or by a debt proposition under Section 49 of this article. The bonds shall be called "Texas Water Development Bonds," shall be executed in such form, denominations and upon such terms as may be prescribed by law, and may be issued in such installments as the Board finds feasible and practical in accomplishing the purpose set forth

herein.

(c) All moneys received from the sale of the bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Water Development Fund to be administered (without further appropriation) by the Texas Water Development Board in such manner as prescribed by law.

(d) Such fund shall be used only for the purpose of aiding or making funds available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized or authorized to be created or organized under Article XVI, Section 59 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party and municipal corporations, in the conservation and development of the water resources of this State, including the control, storing and preservation of its storm and flood waters and the waters of its rivers and streams, for all useful and lawful purposes by the acquisition, improvement, extension, or construction of dams, reservoirs and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods.

(e) Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

(f) While any of the Texas Water Development Bonds, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

(g) The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and

sinking funds established for the payment of bonds issued by the Texas Water Development Board. Income from such investment shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund for paying administrative expenses of the Board.

(h) From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds. If any year moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Water Development Fund, and may be used for administrative expenses of the Board and for the same purposes and upon the same terms and conditions prescribed for the proceeds derived from the sale of such State bonds.

(i) All Texas Water Development Bonds shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

(Added Nov. 5, 1957; amended Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-c: See Appendix, Note 1.)

Sec. 49-d. DEVELOPMENT OF RESERVOIRS AND WATER FACILITIES; SALE, TRANSFER, OR LEASE OF FACILITIES OR PUBLIC WATERS. (a) It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public, and to encourage the optimum regional development of systems built for the filtration, treatment, and transmission of water and wastewater. The proceeds from the sale of bonds deposited in the Texas Water Development Fund may be used by the Texas Water

Development Board, under such provisions as the Legislature may prescribe by General Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water or waste water, or for any one or more of such purposes or methods, whether or not such a system or works is connected with a reservoir in which the state has a financial interest; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

(b) Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works which the Texas Water Development Board has financed in whole or in part.

(c) Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in

reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of Section 49-c of this article, and the provisions of Section 49-c of this article with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

(d) The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired facilities or the right to use such facilities at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the state authorizing the acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of facilities shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such facilities shall be deposited and used as provided by law. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

(Added Nov. 6, 1962; amended Nov. 8, 1966, Nov. 5, 1985, and Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-d: See Appendix, Note 1.)

Sec. 49-d-1. ADDITIONAL TEXAS WATER DEVELOPMENT BONDS.

(a) The Texas Water Development Board may issue Texas Water Development Bonds as authorized by constitutional amendment or by a debt proposition under Section 49 of this article to provide grants, loans, or any combination of grants and loans for water quality enhancement purposes as established by the Legislature to political subdivisions or bodies politic and corporate of the State of Texas, including municipal corporations, river authorities, conservation and reclamation districts, and districts created or organized or authorized to be created or organized under Article XVI, Section 59, or Article III, Section 52, of this Constitution, State agencies, and interstate agencies and compact commissions to which the State of Texas is a party, and upon such terms and conditions as the Legislature may authorize by general law. The bonds shall be issued for such terms, in such denominations, form and installments, and upon such conditions as the Legislature may authorize.

(b) The Texas Water Development Fund shall be used for the purposes heretofore permitted by, and subject to the limitations in this Section and Sections 49-c and 49-d; provided, however, that the financial assistance may be made subject only to the availability of funds.

(Added May 18, 1971; Subsec. (a) amended Nov. 2, 1976; Subsec. (a) amended, Subsecs. (b) and (c) deleted, Subsec. (d) amended and redesignated Subsec. (b), and Subsecs. (e) and (f) deleted Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-d-1: See Appendix, Note 1.)

Sec. 49-d-2. ADDITIONAL BONDING AUTHORITY OF TEXAS WATER DEVELOPMENT BOARD FOR FLOOD CONTROL. The Texas Water Development Board may issue Texas Water Development Bonds for flood control projects and for any acquisition or construction necessary to achieve structural and nonstructural flood control purposes.

(Added Nov. 5, 1985; Subsec. (a) amended and Subsecs. (b)-(e) deleted Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-d-2: See Appendix, Note 1.)

Sec. 49-d-3. CREATION AND USE OF SPECIAL FUNDS FOR WATER

PROJECTS. (a) The legislature by law may create one or more special funds in the state treasury for use for or in aid of water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agricultural soil and water conservation, desalinization or any combination of those purposes, may make money in a special fund available to cities, counties, special governmental districts and authorities, and other political subdivisions of the state for use for the purposes for which the fund was created by grants, loans, or any other means, and may appropriate money to any of the special funds to carry out the purposes of this section.

(b) Money deposited in a special fund created under this section may not be used to finance or aid any project that contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable water requirements for the next ensuing 50-year period within the river basin of origin, except on a temporary, interim basis.

(Added Nov. 5, 1985.)

Sec. 49-d-4. BOND INSURANCE PROGRAM FOR WATER PROJECTS.

(a) In addition to other programs authorized by this constitution, the legislature by law may provide for the creation, administration, and implementation of a bond insurance program to which the state pledges its general credit in an amount not to exceed \$250 million to insure the payment in whole or in part of the principal of and interest on bonds or other obligations that are issued by cities, counties, special governmental districts and authorities, and other political subdivisions of the state as defined by law for use for or in aid of water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control, desalinization, or any combination of those purposes.

(b) The legislature by law shall designate the state agency to administer the bond insurance program and may authorize that agency to execute insurance contracts that bind the state to pay the principal of and interest on the bonds if the bonds are in default or the bonds are subject to impending default, subject to the limits

provided by this section and by law.

(c) The payment by the state of any insurance commitment made under this section must be made from the first money coming into the state treasury that is not otherwise dedicated by this constitution.

(d) Notwithstanding the total amount of bonds insured under this section, the total amount paid and not recovered by the state under this section, excluding the costs of administration, may not exceed \$250 million.

(e) Except on a two-thirds vote of the members elected to each house of the legislature, the ratio of bonds insured to the total liability of the state must be two to one.

(f) Except on a two-thirds vote of the members elected to each house of the legislature, the state agency administering the bond insurance program may not authorize bond insurance coverage under the program in any state fiscal year that exceeds a total of \$100 million.

(g) Unless authorized to continue by a two-thirds vote of the members elected to each house, this section and the bond insurance program authorized by this section expire on the sixth anniversary of the date on which this section becomes a part of the constitution. However, bond insurance issued before the expiration of this section and the program is not affected by the expiration of this section and the program and remains in effect according to its terms, and the state is required to fulfill all of the terms of that previously issued insurance.

(Added Nov. 5, 1985.)

Sec. 49-d-5. EXTENSION OF BENEFITS TO NONPROFIT WATER SUPPLY CORPORATIONS. For the purpose of any program established or authorized by this article and administered by the Texas Water Development Board, the legislature by law may extend any benefits to nonprofit water supply corporations that it may extend to a district created or organized under Article XVI, Section 59, of this constitution.

(Added Nov. 5, 1985; amended Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-d-5: See Appendix, Note 1.)

Sec. 49-d-6. REVIEW AND APPROVAL OF TEXAS WATER DEVELOPMENT BONDS. The legislature may require review and approval of the issuance of Texas Water Development Bonds, of the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Notwithstanding any other provision of this constitution, any entity created or directed to conduct this review and approval may include members or appointees of members of the executive, legislative, and judicial departments of state government.

(Added Nov. 3, 1987; Subsecs. (a), (c), and (d) deleted and Subsec. (b) amended Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-d-6: See Appendix, Note 1.)

Sec. 49-d-7. USE OF PROCEEDS OF TEXAS WATER DEVELOPMENT BONDS. (a) The Texas Water Development Board may use the proceeds of Texas water development bonds issued for the purposes provided by Section 49-c of this article for the additional purpose of providing financial assistance, on terms and conditions provided by law, to various political subdivisions and bodies politic and corporate of the state and to nonprofit water supply corporations to provide for acquisition, improvement, extension, or construction of water supply projects that involve the distribution of water to points of delivery to wholesale or retail customers.

(b) The legislature may provide by law for subsidized loans and grants from the proceeds of Texas water development bonds to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state as defined by law, provided, the principal amount of bonds that may be issued for the purposes under this subsection may not exceed \$250 million. Separate accounts shall be established in the water development fund for administering the proceeds of bonds issued for purposes under this subsection, and an interest and sinking fund separate from and not subject to the limitations of the interest and sinking fund created for other Texas water development bonds is established in the State Treasury to be used for paying the principal of and interest on bonds for the purposes of this subsection. While any of

the bonds authorized for the purposes of this subsection or any of the interest on those bonds is outstanding and unpaid, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of and interest on those bonds issued for the purposes under this subsection that mature or become due during that fiscal year.

(Added Nov. 7, 1989; Subsec. (e) amended Nov. 5, 1991; Subsec. (a) deleted, Subsec. (b) redesignated Subsec. (a), Subsecs. (c) and (d) deleted, Subsec. (e) amended and redesignated Subsec. (b), and Subsec. (f) deleted Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-d-7: See Appendix, Note 1.)

Sec. 49-d-8. TEXAS WATER DEVELOPMENT FUND II; ADDITIONAL BONDS; SALE, TRANSFER, OR LEASE OF FACILITIES OR PUBLIC WATERS. (a) The Texas Water Development Fund II is in the state treasury as a fund separate and distinct from the Texas Water Development Fund established under Section 49-c of this article. Money in the Texas Water Development Fund II shall be administered without further appropriation by the Texas Water Development Board and shall be used for any one or more of the purposes currently or formerly authorized by Sections 49-c, 49-d, 49-d-1, 49-d-2, 49-d-5, 49-d-6, and 49-d-7 of this article, as determined by the Texas Water Development Board. Separate accounts shall be established in the Texas Water Development Fund II for administering proceedings related to the purposes described in Section 49-d of this article, the purposes described in Subsection (b) of Section 49-d-7 of this article, and all other authorized purposes. The Texas Water Development Board is hereby authorized, at its determination, to issue general obligation bonds for one or more accounts of the Texas Water Development Fund II in an aggregate principal amount equal to the amount of bonds previously authorized pursuant to former Section 49-d-6 and Sections 49-d-2 and 49-d-7 of this article less the amount of bonds issued pursuant to those sections to augment the Texas Water Development Fund and the amount of bonds issued to augment the Texas Water Development Fund II. Nothing in this section, however, shall grant to the Texas Water Development Board

the authority to issue bonds in excess of the total amount of those previously authorized bonds or to issue bonds for purposes described in Subsection (b) of Section 49-d-7 of this article in excess of \$250 million. The expenses of the Texas Water Development Board in connection with the issuance of bonds for an account of the Texas Water Development Fund II and administration of such account may be paid from money in such account.

(b) The Texas Water Development Board is hereby authorized, at its determination, to issue general obligation bonds for one or more accounts of the Texas Water Development Fund II in order to refund outstanding bonds previously issued to augment the Texas Water Development Fund, as long as the principal amount of the refunding bonds does not exceed the outstanding principal amount of the refunded bonds, and to refund the general obligation of the State of Texas under long-term contracts entered into by the Texas Water Development Board with the United States or any of its agencies under authority granted by Section 49-d of this article, as long as the principal amount of the refunding bonds does not exceed the principal amount of the contractual obligation of the Texas Water Development Board. Money and assets in the Texas Water Development Fund attributable to such refunding bonds shall be transferred to the appropriate account of the Texas Water Development Fund II, as determined by the Texas Water Development Board, to the extent not inconsistent with the proceedings authorizing any outstanding bonds issued to augment the Texas Water Development Fund and the terms of any long-term contracts entered into by the Texas Water Development Board with the United States or any of its agencies. In addition, the Texas Water Development Board may transfer other moneys and assets in the Texas Water Development Fund to the appropriate account of the Texas Water Development Fund II, as determined by the Texas Water Development Board, without the necessity of issuing refunding bonds to effect the transfer, to the extent not inconsistent with the proceedings authorizing any outstanding bonds issued to augment the Texas Water Development Fund. Further, at such time as all bonds issued to augment the Texas Water Development Fund and all such contractual obligations have been paid or otherwise discharged, all money and assets in the

Texas Water Development Fund shall be transferred to the credit of the Texas Water Development Fund II and deposited to the accounts therein, as determined by the Texas Water Development Board.

(c) Subject to the limitations set forth in Section 49-d of this article, the legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer, or lease, in whole or in part, facilities held for the account established within the Texas Water Development Fund II for administering proceedings related to the purposes described in Section 49-d of this article, and the legislature may provide terms and conditions under which the Texas Water Development Board may sell any unappropriated public waters of the state that may be stored in such facilities. Money received from any sale, transfer, or lease of such facilities or water shall be credited to the account established within the Texas Water Development Fund II for the purpose of administering proceedings related to the purposes described in Section 49-d of this article.

(d) Each account of the Texas Water Development Fund II shall consist of:

(1) the Texas Water Development Board's rights to receive repayment of financial assistance provided from such account, together with any evidence of such rights;

(2) money received from the sale or other disposition of the Texas Water Development Board's rights to receive repayment of such financial assistance;

(3) money received as repayment of such financial assistance;

(4) money and assets attributable to bonds issued and sold by the Texas Water Development Board for such account, including money and assets transferred from the Texas Water Development Fund pursuant to this section;

(5) money deposited in such account pursuant to Subsection (c) of this section;

(6) payments received by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to bonds issued for such account; and

(7) interest and other income received from investment

of money in such account.

(e) Notwithstanding the other provisions of this article, the principal of and interest on the general obligation bonds issued for an account of the Texas Water Development Fund II, including payments by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to principal of or interest on such bonds, shall be paid out of such account, but the money in such account that is not immediately committed to the purposes of such account or the payment of expenses may be invested as authorized by law until the money is needed for those purposes. If there is not enough money in any account available to pay the principal of and interest on the general obligation bonds issued for such account, including money to make payments by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to principal of or interest on such bonds, there is appropriated out of the first money coming into the state treasury in each fiscal year not otherwise appropriated by this constitution an amount that is sufficient to pay the principal of and interest on such general obligation bonds that mature or become due during that fiscal year or to make bond enhancement payments with respect to those bonds.

(f) The general obligation bonds authorized by this section may be issued as bonds, notes, or other obligations as permitted by law and shall be sold in forms and denominations, on terms, at times, in the manner, at places, and in installments, all as determined by the Texas Water Development Board. The bonds shall bear a rate or rates of interest the Texas Water Development Board determines. The bonds authorized by this section shall be incontestable after execution by the Texas Water Development Board, approval by the attorney general, and delivery to the purchaser or purchasers of the bonds.

(g) This section being intended only to establish a basic framework and not to be a comprehensive treatment of the Texas Water Development Fund II, there is hereby reposed in the legislature full power to implement and effectuate the design and objects of this section, including the power to delegate such duties, responsibilities, functions, and authority to the Texas Water

Development Board as it believes necessary.

(h) The Texas Water Development Fund II, including any account in that fund, may not be used to finance or aid any project that contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing 50-year period within the river basin of origin, except on a temporary, interim basis.

(Added Nov. 4, 1997; Subsecs. (a), (b), and (e) amended Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-d-8: See Appendix, Note 1.)

Sec. 49-d-9. ISSUANCE OF ADDITIONAL GENERAL OBLIGATION BONDS FOR TEXAS WATER DEVELOPMENT FUND II. (a) The Texas Water Development Board may issue additional general obligation bonds, at its determination, for one or more accounts of the Texas Water Development Fund II, in an amount not to exceed \$2 billion. Of the additional general obligation bonds authorized to be issued, \$50 million of those bonds shall be used for the water infrastructure fund as provided by law.

(b) Section 49-d-8 of this article applies to the bonds authorized by this section. The limitation in Section 49-d-8 of this article that the Texas Water Development Board may not issue bonds in excess of the aggregate principal amount of previously authorized bonds does not apply to the bonds authorized by and issued under this section.

(c) A limitation on the percentage of state participation in any single project imposed by this article does not apply to a project funded with the proceeds of bonds issued under the authority of Section 49-d-8 of this article or this section.

(Added Nov. 6, 2001.)

Sec. 49-d-10. ADDITIONAL BONDS FOR FINANCIAL ASSISTANCE TO ECONOMICALLY DISTRESSED AREAS. (a) The Texas Water Development Board may issue additional general obligation bonds, at its determination, for the economically distressed areas program account of the Texas Water Development Fund II, in an amount not to

exceed \$250 million. The bonds shall be used to provide financial assistance to economically distressed areas of the state as defined by law.

(b) Section 49-d-8(e) of this article applies to the bonds authorized by this section.

(Added Nov. 6, 2007.)

Sec. 49-d-11. CONTINUING AUTHORIZATION FOR ADDITIONAL BONDS FOR TEXAS WATER DEVELOPMENT FUND II. (a) In addition to the bonds authorized by the other provisions of this article, the Texas Water Development Board may issue general obligation bonds, at its determination and on a continuing basis, for one or more accounts of the Texas Water Development Fund II in amounts such that the aggregate principal amount of the bonds issued by the board under this section that are outstanding at any time does not exceed \$6 billion.

(b) Section 49-d-8 of this article applies to the bonds authorized by this section. The limitation in Section 49-d-8 of this article that the Texas Water Development Board may not issue bonds in excess of the aggregate principal amount of previously authorized bonds does not apply to the bonds authorized by and issued under this section.

(c) A limitation on the percentage of state participation in any single project imposed by this article does not apply to a project funded with the proceeds of bonds issued under the authority of this section or Section 49-d-8 of this article.

(Added Nov. 8, 2011.)

Sec. 49-d-12. STATE WATER IMPLEMENTATION FUND FOR TEXAS. (a) The State Water Implementation Fund for Texas is created as a special fund in the state treasury outside the general revenue fund. Money in the State Water Implementation Fund for Texas shall be administered, without further appropriation, by the Texas Water Development Board or that board's successor in function and shall be used for the purpose of implementing the state water plan that is adopted as required by general law by the Texas Water Development Board or that board's successor in function. Separate

accounts may be established in the State Water Implementation Fund for Texas as necessary to administer the fund or authorized projects.

(b) The legislature by general law may authorize the Texas Water Development Board or that board's successor in function to enter into bond enhancement agreements to provide additional security for general obligation bonds or revenue bonds of the Texas Water Development Board or that board's successor in function, the proceeds of which are used to finance state water plan projects. Bond enhancement agreements must be payable solely from the State Water Implementation Fund for Texas; provided, however, the bond enhancement agreements may not exceed an amount that can be fully supported by the State Water Implementation Fund for Texas. Any amount paid under a bond enhancement agreement may be repaid as provided by general law; provided, however, any repayment may not cause general obligation bonds that are issued under Sections 49-d-9 and 49-d-11 of this article and that are payable from the fund or account receiving the bond enhancement payment to be no longer self-supporting for purposes of Section 49-j(b) of this article. Payments under a bond enhancement agreement entered into pursuant to this section may not be a constitutional state debt payable from general revenues of the state.

(c) The legislature by general law may authorize the Texas Water Development Board or that board's successor in function to use the State Water Implementation Fund for Texas to finance, including by direct loan, water projects included in the state water plan.

(d) The Texas Water Development Board or that board's successor in function shall provide written notice to the Legislative Budget Board or that board's successor in function before each bond enhancement agreement or loan agreement entered into pursuant to this section has been executed by the Texas Water Development Board or that board's successor in function and shall provide a copy of the proposed agreement to the Legislative Budget Board or that board's successor in function for approval. The proposed agreement shall be considered to be approved unless the Legislative Budget Board or that board's successor in function

issues a written disapproval not later than the 21st day after the date on which the staff of that board receives the submission.

(e) The State Water Implementation Fund for Texas consists of:

(1) money transferred or deposited to the credit of the fund by general law, including money from any source transferred or deposited to the credit of the fund at the discretion of the Texas Water Development Board or that board's successor in function as authorized by general law;

(2) the proceeds of any fee or tax imposed by this state that by statute is dedicated for deposit to the credit of the fund;

(3) any other revenue that the legislature by statute dedicates for deposit to the credit of the fund;

(4) investment earnings and interest earned on amounts credited to the fund; and

(5) money transferred to the fund under a bond enhancement agreement from another fund or account to which money from the fund was transferred under a bond enhancement agreement, as authorized by general law.

(f) The legislature by general law shall provide for the manner in which the assets of the State Water Implementation Fund for Texas may be used, subject to the limitations provided by this section. The legislature by general law may provide for costs of investment of the State Water Implementation Fund for Texas to be paid from that fund.

(g) As provided by general law, each fiscal year the Texas Water Development Board or that board's successor in function shall set aside from amounts on deposit in the State Water Implementation Fund for Texas an amount that is sufficient to make payments under bond enhancement agreements that become due during that fiscal year.

(h) Any dedication or appropriation of amounts on deposit in the State Water Implementation Fund for Texas may not be modified so as to impair any outstanding obligation under a bond enhancement agreement secured by a pledge of those amounts unless provisions have been made for a full discharge of the bond enhancement

agreement.

(i) Money in the State Water Implementation Fund for Texas is dedicated by this constitution for purposes of Section 22, Article VIII, of this constitution and an appropriation from the economic stabilization fund to the credit of the State Water Implementation Fund for Texas is an appropriation of state tax revenues dedicated by this constitution for the purposes of Section 22, Article VIII, of this constitution.

(j) This section being intended only to establish a basic framework and not to be a comprehensive treatment of the State Water Implementation Fund for Texas, there is hereby reposed in the legislature full power to implement and effectuate the design and objects of this section, including the power to delegate such duties, responsibilities, functions, and authority to the Texas Water Development Board or that board's successor in function as the legislature believes necessary.

(Added Nov. 5, 2013.)

Sec. 49-d-13. STATE WATER IMPLEMENTATION REVENUE FUND FOR TEXAS. (a) The State Water Implementation Revenue Fund for Texas is created as a special fund in the state treasury outside the general revenue fund. Money in the State Water Implementation Revenue Fund for Texas shall be administered, without further appropriation, by the Texas Water Development Board or that board's successor in function and shall be used for the purpose of implementing the state water plan that is adopted as required by general law by the Texas Water Development Board or that board's successor in function. Separate accounts may be established in the State Water Implementation Revenue Fund for Texas as necessary to administer the fund or authorized projects.

(b) The legislature by general law may authorize the Texas Water Development Board or that board's successor in function to issue bonds and enter into related credit agreements that are payable from all revenues available to the State Water Implementation Revenue Fund for Texas.

(c) The Texas Water Development Board or that board's successor in function shall provide written notice to the

Legislative Budget Board or that board's successor in function before issuing a bond pursuant to this section or entering into a related credit agreement that is payable from revenue deposited to the credit of the State Water Implementation Revenue Fund for Texas and shall provide a copy of the proposed bond or agreement to the Legislative Budget Board or that board's successor in function for approval. The proposed bond or agreement shall be considered to be approved unless the Legislative Budget Board or that board's successor in function issues a written disapproval not later than the 21st day after the date on which the staff of that board receives the submission.

(d) The State Water Implementation Revenue Fund for Texas consists of:

(3) any other revenue that the legislature by statute dedicates for deposit to the credit of the fund;

(4) investment earnings and interest earned on amounts credited to the fund;

(5) the proceeds from the sale of bonds, including revenue bonds issued under this section by the Texas Water Development Board or that board's successor in function for the purpose of providing money for the fund; and

(6) money disbursed to the fund from the State Water Implementation Fund for Texas as authorized by general law.

(e) The legislature by general law shall provide for the manner in which the assets of the State Water Implementation Revenue Fund for Texas may be used, subject to the limitations provided by this section. The legislature by general law may provide for costs of investment of the State Water Implementation Revenue Fund for Texas to be paid from that fund.

(f) In each fiscal year in which amounts become due under the bonds or agreements authorized by this section, the Texas Water Development Board or that board's successor in function shall transfer from revenue deposited to the credit of the State Water Implementation Revenue Fund for Texas in that fiscal year an amount that is sufficient to pay:

(1) the principal of and interest on the bonds that mature or become due during the fiscal year; and

(2) any cost related to the bonds, including payments under related credit agreements that become due during that fiscal year.

(g) Any obligations authorized by general law to be issued by the Texas Water Development Board or that board's successor in function pursuant to this section shall be special obligations payable solely from amounts in the State Water Implementation Revenue Fund for Texas. Obligations issued by the Texas Water Development Board or that board's successor in function pursuant to this section may not be a constitutional state debt payable from the general revenue of the state.

(h) Any dedication or appropriation of revenue to the credit of the State Water Implementation Revenue Fund for Texas may not be modified so as to impair any outstanding bonds secured by a pledge of that revenue unless provisions have been made for a full discharge of those bonds.

(i) Money in the State Water Implementation Revenue Fund for Texas is dedicated by this constitution for purposes of Section 22, Article VIII, of this constitution.

(j) This section being intended only to establish a basic framework and not to be a comprehensive treatment of the State Water Implementation Revenue Fund for Texas, there is hereby reposed in the legislature full power to implement and effectuate the design and objects of this section, including the power to delegate such duties, responsibilities, functions, and authority to the Texas Water Development Board or that board's successor in function as the legislature believes necessary.

(Added Nov. 5, 2013.)

Sec. 49-e. TEXAS PARK DEVELOPMENT FUND; BONDS. (a) The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount authorized by constitutional amendment or by a debt proposition under Section 49 of this article. The bonds shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, not to exceed the maximum prescribed by Section 65 of this article, and may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

(b) All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the Comptroller of Public Accounts of the State of Texas to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

(c) Such fund shall be used by said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

(d) While any of the bonds, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from

admission charges to State Parks, as the Legislature may prescribe by general law.

(e) The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

(f) From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

(g) All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

(Added Nov. 11, 1967; amended Nov. 7, 1995, and Nov. 2, 1999.)

(TEMPORARY TRANSITION PROVISIONS for Sec. 49-e: See Appendix, Note 1.)

Sec. 49-f. BONDS FOR FINANCIAL ASSISTANCE TO PURCHASE FARM AND RANCH LAND AND FOR RURAL ECONOMIC DEVELOPMENT. (a) The legislature by general law may provide for the issuance of general obligation bonds of the state, the proceeds of which shall be used to make loans and provide other financing assistance for the purchase of farm and ranch land.

(b) Except as provided by Subsection (g) of this section,

all money received from the sale of the bonds shall be deposited in a fund created with the comptroller of public accounts to be known as the farm and ranch finance program fund. This fund shall be administered by the Texas Agricultural Finance Authority in the manner prescribed by law.

(c) Section 65(b) of this article applies to the payment of interest on the bonds.

(d) The principal amount of bonds outstanding at one time may not exceed \$500 million.

(e) While any of the bonds authorized by this section or any interest on those bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year not otherwise appropriated by this constitution an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

(f) The bonds shall be approved by the attorney general and registered with the comptroller of public accounts. The bonds, when approved and registered, are general obligations of the state and are incontestable.

(g) Notwithstanding Subsection (a) of this section, the proceeds of \$200 million of the bonds authorized by this section may be used for the purposes provided by Section 49-i of this article and for other rural economic development programs, and the proceeds of bonds issued for those purposes under this subsection shall be deposited in the Texas agricultural fund, to be administered in the same manner that proceeds of bonds issued under Section 49-i of this article are administered.

Sec. 49-g. SUPERCONDUCTING SUPER COLLIDER FUND.

(Added by Acts 1987, 70th Leg., R.S., H.J.R. 88; amended Nov. 7, 1995; repealed Nov. 4, 1997.)

(Text of section as proposed by Acts 1987, 70th Leg., R.S., H.J.R.

Sec. 49-g. ECONOMIC STABILIZATION FUND; ALLOCATION OF CERTAIN OIL AND GAS PRODUCTION TAX REVENUE. (a) The economic stabilization fund is established as a special fund in the state treasury.

(b) The comptroller shall, not later than the 90th day of each biennium, transfer to the economic stabilization fund one-half of any unencumbered positive balance of general revenues on the last day of the preceding biennium. If necessary, the comptroller shall reduce the amount transferred in proportion to the other amounts prescribed by this section to prevent the amount in the fund from exceeding the limit in effect for that biennium under Subsection (g) of this section.

(c) Not later than the 90th day of each fiscal year, the comptroller of public accounts shall transfer from the general revenue fund to the economic stabilization fund and the state highway fund the sum of the amounts described by Subsections (d) and (e) of this section, to be allocated as provided by Subsections (c-1) and (c-2) of this section. However, if necessary and notwithstanding the allocations prescribed by Subsections (c-1) and (c-2) of this section, the comptroller shall reduce proportionately the amounts described by Subsections (d) and (e) of this section to be transferred and allocated to the economic stabilization fund to prevent the amount in that fund from exceeding the limit in effect for that biennium under Subsection (g) of this section. Revenue transferred to the state highway fund under this subsection may be used only for constructing, maintaining, and acquiring rights-of-way for public roadways other than toll roads.

(c-1) Of the sum of the amounts described by Subsections (d) and (e) of this section and required to be transferred from the general revenue fund under Subsection (c) of this section, the comptroller shall allocate one-half to the economic stabilization fund and the remainder to the state highway fund, except as provided by Subsection (c-2) of this section.

(c-2) The legislature by general law shall provide for a procedure by which the allocation of the sum of the amounts

described by Subsections (d) and (e) of this section may be adjusted to provide for a transfer to the economic stabilization fund of an amount greater than the allocation provided for under Subsection (c-1) of this section with the remainder of that sum, if any, allocated for transfer to the state highway fund. The allocation made as provided by that general law is binding on the comptroller for the purposes of the transfers required by Subsection (c) of this section.

(d) If in the preceding year the state received from oil production taxes a net amount greater than the net amount of oil production taxes received by the state in the fiscal year ending August 31, 1987, the comptroller shall transfer under Subsection (c) of this section and allocate in accordance with Subsections (c-1) and (c-2) of this section an amount equal to 75 percent of the difference between those amounts. The comptroller shall retain the remaining 25 percent of the difference as general revenue. In computing the net amount of oil production taxes received, the comptroller may not consider refunds paid as a result of oil overcharge litigation.

(e) If in the preceding year the state received from gas production taxes a net amount greater than the net amount of gas production taxes received by the state in the fiscal year ending August 31, 1987, the comptroller shall transfer under Subsection (c) of this section and allocate in accordance with Subsections (c-1) and (c-2) of this section an amount equal to 75 percent of the difference between those amounts. The comptroller shall retain the remaining 25 percent of the difference as general revenue. For the purposes of this subsection, the comptroller shall adjust the computation of revenues to reflect only 12 months of collection.

(f) The legislature may appropriate additional amounts to the economic stabilization fund.

(g) During each fiscal biennium, the amount in the economic stabilization fund may not exceed an amount equal to 10 percent of the total amount, excluding investment income, interest income, and amounts borrowed from special funds, deposited in general revenue during the preceding biennium.

(h) In preparing an estimate of anticipated revenues for a

succeeding biennium as required by Article III, Section 49a, of this constitution, the comptroller shall estimate the amount of the transfers that will be made under Subsections (b), (d), and (e) of this section. The comptroller shall deduct that amount from the estimate of anticipated revenues as if the transfers were made on August 31 of that fiscal year.

(i) The comptroller shall credit to general revenue interest due to the economic stabilization fund that would result in an amount in the economic stabilization fund that exceeds the limit in effect under Subsection (g) of this section.

(j) The comptroller may transfer money from the economic stabilization fund to general revenue to prevent or eliminate a temporary cash deficiency in general revenue. The comptroller shall return the amount transferred to the economic stabilization fund as soon as practicable, but not later than August 31 of each odd-numbered year. The comptroller shall allocate the depository interest as if the transfers had not been made. If the comptroller submits a statement to the governor and the legislature under Article III, Section 49a, of this constitution when money from the economic stabilization fund is in general revenue, the comptroller shall state that the transferred money is not available for appropriation from general revenue.

(k) Amounts from the economic stabilization fund may be appropriated during a regular legislative session only for a purpose for which an appropriation from general revenue was made by the preceding legislature and may be appropriated in a special session only for a purpose for which an appropriation from general revenue was made in a preceding legislative session of the same legislature. An appropriation from the economic stabilization fund may be made only if the comptroller certifies that appropriations from general revenue made by the preceding legislature for the current biennium exceed available general revenues and cash balances for the remainder of that biennium. The amount of an appropriation from the economic stabilization fund may not exceed the difference between the comptroller's estimate of general revenue for the current biennium at the time the comptroller receives for certification the bill making the appropriation and

the amount of general revenue appropriations for that biennium previously certified by the comptroller. Appropriations from the economic stabilization fund under this subsection may not extend beyond the last day of the current biennium. An appropriation from the economic stabilization fund must be approved by a three-fifths vote of the members present in each house of the legislature.

(l) If an estimate of anticipated revenues for a succeeding biennium prepared by the comptroller pursuant to Article III, Section 49a, of this constitution is less than the revenues that are estimated at the same time by the comptroller to be available for the current biennium, the legislature may, by a three-fifths vote of the members present in each house, appropriate for the succeeding biennium from the economic stabilization fund an amount not to exceed this difference. Following each fiscal year, the actual amount of revenue shall be computed, and if the estimated difference exceeds the actual difference, the comptroller shall transfer the amount necessary from general revenue to the economic stabilization fund so that the actual difference shall not be exceeded. If all or a portion of the difference in revenue from one biennium to the next results, at least in part, from a change in a tax rate or base adopted by the legislature, the computation of revenue difference shall be adjusted to the amount that would have been available had the rate or base not been changed.

(m) In addition to the appropriation authority provided by Subsections (k) and (l) of this section, the legislature may, by a two-thirds vote of the members present in each house, appropriate amounts from the economic stabilization fund at any time and for any purpose.

(n) Money appropriated from the economic stabilization fund is subject to being withheld or transferred, within any limits provided by statute, by any person or entity authorized to exercise the power granted by Article XVI, Section 69, of this constitution.

(o) In this section, "net" means the amount of money that is equal to the difference between gross collections and refunds before the comptroller allocates the receipts as provided by law.

Sec. 49-h. BOND ISSUANCE FOR CORRECTIONAL AND STATEWIDE LAW ENFORCEMENT FACILITIES AND FOR INSTITUTIONS FOR PERSONS WITH INTELLECTUAL AND DEVELOPMENTAL DISABILITIES. (a) In amounts authorized by constitutional amendment or by a debt proposition under Section 49 of this article, the legislature may provide for the issuance of general obligation bonds and the use of the bond proceeds for acquiring, constructing, or equipping new facilities or for major repair or renovation of existing facilities of corrections institutions, including youth corrections institutions, and mental health and mental retardation institutions. The legislature may require the review and approval of the issuance of the bonds and the projects to be financed by the bond proceeds. Notwithstanding any other provision of this constitution, the issuer of the bonds or any entity created or directed to review and approve projects may include members or appointees of members of the executive, legislative, and judicial departments of state government.

(b) Bonds issued under this section constitute a general obligation of the state. While any of the bonds or interest on the bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds that mature or become due during the fiscal year, less any amount in any sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

(c) In addition to the purposes authorized under Subsection (a), the legislature may authorize the issuance of the general obligation bonds for acquiring, constructing, or equipping:

(1) new statewide law enforcement facilities and for major repair or renovation of existing facilities; and

(2) new prisons and substance abuse felony punishment facilities to confine criminals and major repair or renovation of existing facilities of those institutions, and for the acquisition

of, major repair to, or renovation of other facilities for use as state prisons or substance abuse felony punishment facilities.

(Added Nov. 3, 1987; Subsec. (c) added Nov. 7, 1989; Subsec. (d) added Nov. 5, 1991; Subsec. (e) added Nov. 2, 1993; Subsecs. (a) and (c) amended, Subsec. (d) amended and redesignated Subsec. (c), and Subsec. (e) deleted Nov. 2, 1999.) (TEMPORARY TRANSITION PROVISIONS for Sec. 49-h: See Appendix, Note 1.)

Sec. 49-i. TEXAS AGRICULTURAL FUND; RURAL MICROENTERPRISE DEVELOPMENT FUND. (a) The legislature by law may provide for the issuance of general obligation bonds of the state for the purpose of providing money to establish a Texas agricultural fund in the state treasury to be used without further appropriation in the manner provided by law and for the purpose of providing money to establish a rural microenterprise development fund in the state treasury to be used without further appropriation in the manner provided by law. The Texas agricultural fund shall be used only to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced primarily in this state by agricultural businesses domiciled in the state. The rural microenterprise development fund shall be used only in furtherance of a program established by the legislature to foster and stimulate the creation and expansion of small businesses in rural areas. The financial assistance offered by both funds may include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations.

(b) The principal amount of bonds outstanding at one time may not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise development fund.

(c) The legislature may establish an interest and sinking account and other accounts within the Texas agricultural fund and within the rural microenterprise development fund. The legislature may provide for the investment of bond proceeds and of the interest and sinking accounts. Income from the investment of money in the funds that is not immediately committed to the payment of the principal of and interest on the bonds or the provision of financial

assistance shall be used to create new employment and business opportunities in the state through the diversification and expansion of agricultural or rural small businesses, as provided by the legislature.

(d) Bonds authorized under this section constitute a general obligation of the state. While any of the bonds or interest on the bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds that mature or become due during the fiscal year, less any amounts in the interest and sinking accounts at the close of the preceding fiscal year that are pledged to payment of the bonds or interest.

(Added Nov. 7, 1989.)

Sec. 49-j. LIMIT ON STATE DEBT PAYABLE FROM GENERAL REVENUE FUND. (a) The legislature may not authorize additional state debt if the resulting annual debt service exceeds the limitation imposed by this section. The maximum annual debt service in any fiscal year on state debt payable from the general revenue fund may not exceed five percent of an amount equal to the average of the amount of general revenue fund revenues, excluding revenues constitutionally dedicated for purposes other than payment of state debt, for the three preceding fiscal years.

(b) For purposes of this section, "state debt payable from the general revenue fund" means general obligation and revenue bonds, including authorized but unissued bonds, and lease-purchase agreements in an amount greater than \$250,000, which bonds or lease purchase agreements are designed to be repaid with the general revenues of the state. The term does not include bonds that, although backed by the full faith or credit of the state, are reasonably expected to be paid from other revenue sources and that are not expected to create a general revenue draw. Bonds or lease purchase agreements that pledge the full faith and credit of the state are considered to be reasonably expected to be paid from other revenue sources if they are designed to receive revenues other than state general revenues sufficient to cover their debt service over

the life of the bonds or agreement. If those bonds or agreements, or any portion of the bonds or agreements, subsequently requires use of the state's general revenue for payment, the bonds or agreements, or portion of the bonds or agreements, is considered to be a "state debt payable from the general revenue fund" under this section, until:

(1) the bonds or agreements are backed by insurance or another form of guarantee that ensures payment from a source other than general revenue; or

(2) the issuer demonstrates to the satisfaction of the Bond Review Board or its successor designated by law that the bonds no longer require payment from general revenue, and the Bond Review Board so certifies to the Legislative Budget Board or its successor designated by law.

(Added Nov. 4, 1997.)

Sec. 49-k. TEXAS MOBILITY FUND. (a) In this section:

(1) "Commission" means the Texas Transportation Commission or its successor.

(2) "Comptroller" means the comptroller of public accounts of the State of Texas.

(3) "Department" means the Texas Department of Transportation or its successor.

(4) "Fund" means the Texas Mobility Fund.

(5) "Obligations" means bonds, notes, and other public securities.

(b) The Texas Mobility Fund is created in the state treasury and shall be administered by the commission as a revolving fund to provide a method of financing the construction, reconstruction, acquisition, and expansion of state highways, including costs of any necessary design and costs of acquisition of rights-of-way, as determined by the commission in accordance with standards and procedures established by law.

(c) Money in the fund may also be used to provide participation by the state in the payment of a portion of the costs of constructing and providing publicly owned toll roads and other public transportation projects in accordance with the procedures,

standards, and limitations established by law.

(d) The commission may issue and sell obligations of the state and enter into related credit agreements that are payable from and secured by a pledge of and a lien on all or part of the money on deposit in the fund in an aggregate principal amount that can be repaid when due from money on deposit in the fund, as that aggregate amount is projected by the comptroller in accordance with procedures established by law. The proceeds of the obligations must be deposited in the fund and used for one or more specific purposes authorized by law, including:

(1) refunding obligations and related credit agreements authorized by this section;

(2) creating reserves for payment of the obligations and related credit agreements;

(3) paying the costs of issuance; and

(4) paying interest on the obligations and related credit agreements for a period not longer than the maximum period established by law.

(e) The legislature by law may dedicate to the fund one or more specific sources or portions, or a specific amount, of the revenue, including taxes, and other money of the state that are not otherwise dedicated by this constitution. The legislature may not dedicate money from the collection of motor vehicle registration fees and taxes on motor fuels and lubricants dedicated by Section 7-a, Article VIII, of this constitution, but it may dedicate money received from other sources that are allocated to the same costs as those dedicated taxes and fees.

(f) Money dedicated as provided by this section is appropriated when received by the state, shall be deposited in the fund, and may be used as provided by this section and law enacted under this section without further appropriation. While money in the fund is pledged to the payment of any outstanding obligations or related credit agreements, the dedication of a specific source or portion of revenue, taxes, or other money made as provided by this section may not be reduced, rescinded, or repealed unless:

(1) the legislature by law dedicates a substitute or different source that is projected by the comptroller to be of a

value equal to or greater than the source or amount being reduced, rescinded, or repealed and authorizes the commission to implement the authority granted by Subsection (g) of this section; and

(2) the commission implements the authority granted by the legislature pursuant to Subsection (g) of this section.

(g) In addition to the dedication of specified sources or amounts of revenue, taxes, or money as provided by Subsection (e) of this section, the legislature may by law authorize the commission to guarantee the payment of any obligations and credit agreements issued and executed by the commission under the authority of this section by pledging the full faith and credit of the state to that payment if dedicated revenue is insufficient for that purpose. If that authority is granted and is implemented by the commission, while any of the bonds, notes, other obligations, or credit agreements are outstanding and unpaid, and for any fiscal year during which the dedicated revenue, taxes, and money are insufficient to make all payments when due, there is appropriated, and there shall be deposited in the fund, out of the first money coming into the state treasury in each fiscal year that is not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of the obligations and agreements and the interest on the obligations and agreements that become due during that fiscal year, minus any amount in the fund that is available for that payment in accordance with applicable law.

(h) Proceedings authorizing obligations and related credit agreements to be issued and executed under the authority of this section shall be submitted to the attorney general for approval as to their legality. If the attorney general finds that they will be issued in accordance with this section and applicable law, the attorney general shall approve them, and, after payment by the purchasers of the obligations in accordance with the terms of sale and after execution and delivery of the related credit agreements, the obligations and related credit agreements are incontestable for any cause.

(i) Obligations and credit agreements issued or executed under the authority of this section may not be included in the computation required by Section 49-j, Article III, of this

constitution, except that if money has been dedicated to the fund without specification of its source or the authority granted by Subsection (g) of this section has been implemented, the obligations and credit agreements shall be included to the extent the comptroller projects that general funds of the state, if any, will be required to pay amounts due on or on account of the obligations and credit agreements.

(j) The collection and deposit of the amounts required by this section, applicable law, and contract to be applied to the payment of obligations and credit agreements issued, executed, and secured under the authority of this section may be enforced by mandamus against the commission, the department, and the comptroller in a district court of Travis County, and the sovereign immunity of the state is waived for that purpose.

(Added Nov. 6, 2001.)

Sec. 49-1. FINANCIAL ASSISTANCE TO COUNTIES FOR ROADWAY PROJECTS TO SERVE BORDER COLONIAS. (a) To fund financial assistance to counties for roadways to serve border colonias, the legislature by general law may authorize the governor to authorize the Texas Public Finance Authority or its successor to issue general obligation bonds or notes of the State of Texas in an aggregate amount not to exceed \$175 million and to enter into related credit agreements. Except as provided by Subsection (c) of this section, the proceeds from the sale of the bonds and notes may be used only to provide financial assistance to counties for projects to provide access roads to connect border colonias with public roads. Projects may include the construction of colonia access roads, the acquisition of materials used in maintaining colonia access roads, and projects related to the construction of colonia access roads, such as projects for the drainage of the roads.

(b) The Texas Transportation Commission may, in its discretion and in consultation with the office of the governor, determine what constitutes a border colonia for purposes of selecting the counties and projects that may receive assistance under this section.

(c) A portion of the proceeds from the sale of the bonds and notes and a portion of the interest earned on the bonds and notes may be used to pay:

(1) the costs of administering projects authorized under this section; and

(2) all or part of a payment owed or to be owed under a credit agreement.

(d) The bonds and notes authorized under this section constitute a general obligation of the state. While any of the bonds or notes or interest on the bonds or notes is outstanding and unpaid, there is appropriated out of the general revenue fund in each fiscal year an amount sufficient to pay the principal of and interest on the bonds and notes that mature or become due during the fiscal year, including an amount sufficient to make payments under a related credit agreement.

(Added Nov. 6, 2001.)

Sec. 49-m. SHORT-TERM NOTES AND LOANS FOR TEXAS DEPARTMENT OF TRANSPORTATION FUNCTIONS. (a) The legislature, by law, may authorize the Texas Transportation Commission or its successor to authorize the Texas Department of Transportation or its successor to issue notes or borrow money from any source to carry out the functions of the department.

(b) Notes issued or a loan obtained under this section may not have a term of more than two years. The legislature may appropriate money dedicated by Sections 7-a and 7-b, Article VIII, of this constitution for the purpose of paying a debt created by the notes or loan.

(Text of section as proposed by Acts 2003, 78th Leg., R.S., H.J.R. No. 28.)

Sec. 49-n. PUBLIC SECURITIES AND BOND ENHANCEMENT AGREEMENTS PAYABLE FROM STATE HIGHWAY FUND FOR HIGHWAY IMPROVEMENT PROJECTS. (a) To fund highway improvement projects, the legislature may authorize the Texas Transportation Commission or its successor to issue bonds and other public securities and enter

into bond enhancement agreements that are payable from revenue deposited to the credit of the state highway fund.

(b) In each fiscal year in which amounts become due under the bonds, other public securities, or agreements authorized by this section, there is appropriated from the revenue deposited to the credit of the state highway fund in that fiscal year an amount that is sufficient to pay:

(1) the principal of and interest on the bonds or other public securities that mature or become due during the fiscal year; and

(2) any cost related to the bonds and other public securities, including payments under bond enhancement agreements, that becomes due during that fiscal year.

(c) Any dedication or appropriation of revenue to the credit of the state highway fund may not be modified so as to impair any outstanding bonds or other public securities secured by a pledge of that revenue unless provisions have been made for a full discharge of those securities.

(Added Sept. 13, 2003.)

(Text of section as proposed by Acts 2003, 78th Leg., R.S., S.J.R. No. 55.)

(a) The legislature by general law may authorize one or more state agencies to issue general obligation bonds or notes of the State of Texas in an aggregate amount not to exceed \$250 million and enter into related credit agreements. The proceeds from the sale of the bonds and notes shall be deposited in the Texas military value revolving loan account in the state treasury or its successor account to be used by one or more state agencies designated by the legislature by general law without further appropriation to provide loans for economic development projects that benefit defense-related communities, as defined by the legislature by general law, including projects that enhance the military value of military installations located in the state.

(b) The expenses incurred in connection with the issuance of

the bonds and notes and the costs of administering the Texas military value revolving loan account may be paid from money in the account. Money in the Texas military value revolving loan account may be used to pay all or part of any payment owed under a credit agreement related to the bonds or notes.

(c) A defense-related community receiving a loan from the Texas military value revolving loan account may use money from the account to capitalize interest on the loan.

(d) An agency providing a loan from the Texas military value revolving loan account to a defense-related community may require the defense-related community to pay any pro rata cost of issuing the general obligation bonds and notes.

(e) Bonds and notes authorized under this section are a general obligation of the state. While any of the bonds or notes or interest on the bonds or notes is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds or notes that mature or become due during the fiscal year, including an amount sufficient to make payments under a related credit agreement, less any amounts in the interest and sinking accounts at the close of the preceding fiscal year that are pledged to payment of the bonds or notes or interest.

The proceeds of the obligations must be deposited in the fund and used for one or more specific purposes authorized by law, including:

- (1) refunding obligations and related credit agreements authorized by this section;

(f) In addition to the dedication of specified sources or amounts of revenue, taxes, or money as provided by Subsection (d) of this section, the legislature may by law authorize the commission to guarantee the payment of any obligations and credit agreements issued and executed by the commission under the authority of this section by pledging the full faith and credit of the state to that payment if dedicated revenue is insufficient for that purpose. If that authority is granted and is implemented by the commission, while any of the bonds, notes, other obligations, or credit agreements are outstanding and unpaid, and for any fiscal year during which the dedicated revenue, taxes, and money are insufficient to make all payments when due, there is appropriated, and there shall be deposited in the fund, out of the first money coming into the state treasury in each fiscal year that is not otherwise appropriated by this constitution, an amount sufficient to pay the principal of and interest on the obligations and agreements that become due during that fiscal year, minus any amount in the fund that is available for that payment in accordance with applicable law.

(i) The collection and deposit of the amounts required by this section, applicable law, and contract to be applied to the payment of obligations and credit agreements issued, executed, and secured under the authority of this section may be enforced by mandamus against the commission, the department, and the comptroller in a district court of Travis County, and the sovereign immunity of the state is waived for that purpose.

The Legislature by general statute shall provide for the means for determining the

state budget amounts, including state and other funds appropriated by the Legislature, to be used in establishing the biennial limit.

(c) Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the state for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

(d) Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Sec. 52. RESTRICTIONS ON LENDING CREDIT OR MAKING GRANTS BY POLITICAL CORPORATIONS OR POLITICAL SUBDIVISIONS; AUTHORIZED BONDS; INVESTMENT OF FUNDS. (a) Except as otherwise provided by this section, the Legislature shall have no power to authorize any county, city, town or other political corporation or subdivision of the State to lend its credit or to grant public money or thing of value in aid of, or to any individual, association or corporation whatsoever, or to become a stockholder in such corporation, association or company. However, this section does not prohibit the use of public funds or credit for the payment of premiums on nonassessable property and casualty, life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this State.

(b) Under Legislative provision, any county, political subdivision of a county, number of adjoining counties, political subdivision of the State, or defined district now or hereafter to be described and defined within the State of Texas, and which may or may not include, towns, villages or municipal corporations, upon a

Notwithstanding any other provision of this constitution, the legislature may provide for the creation of programs and the making of loans and grants of public money, other than money otherwise dedicated by this constitution to use for a different purpose, for the public purposes of development and diversification of the economy of the state, the elimination of unemployment or underemployment in the state, the stimulation of agricultural innovation, the fostering of the growth of enterprises based on agriculture, or the development or expansion of transportation or commerce in the state. Any bonds or other obligations of a county, municipality, or other political subdivision of the state that are issued for the purpose of making loans or grants in connection with a program authorized by the legislature under this section and that are payable from ad valorem taxes must be approved by a vote of the majority of the registered voters of the county, municipality, or political subdivision voting on the issue. A program created or a loan or grant made as provided by this section that is not secured by a pledge of ad valorem taxes or financed by the issuance of any bonds or other obligations payable from ad valorem taxes of the political subdivision does not constitute or create a debt for the purpose of any provision of this constitution. An enabling law enacted by the legislature in anticipation of the adoption of this amendment is not void because of its anticipatory character.

(Added Nov. 3, 1987; amended Nov. 8, 2005.)

No contract involving the expenditure of any of such fund shall be valid unless, when it is made, money shall be on hand in such fund.

(b) At such election, the Commissioners' Court shall submit for adoption a road plan and designate the amount of special tax to be levied; the number of years said tax is to be levied; the location, description, and character of the roads and bridges; and the estimated cost thereof. A governmental entity may sell real property acquired through eminent domain to the person who owned the real property interest immediately before the governmental entity acquired the property interest, or to the person's heirs, successors, or assigns, at the price the entity paid at the time of acquisition if:

(1) the public use for which the property was acquired through eminent domain is canceled;

(2) no actual progress is made toward the public use during a prescribed period of time; or

(TEMPORARY TRANSITION PROVISION for Sec. 61: See Appendix, Note 3.)

Sec. 61-a. MINIMUM SALARIES OF CERTAIN STATE OFFICERS. The Legislature shall not fix the salary of the Governor, Attorney General, Comptroller of Public Accounts, Commissioner of the General Land Office or Secretary of State at a sum less than that fixed for such officials in the Constitution on January 1, 1953.  
(Added Nov. 2, 1954; amended Nov. 7, 1995, and Nov. 4, 1997.)

Sec. 62. CONTINUITY OF STATE AND LOCAL GOVERNMENTAL OPERATIONS FOLLOWING ENEMY ATTACK. (a) The Legislature, in order to insure continuity of state and local governmental operations in periods of emergency resulting from disasters caused by enemy attack, shall have the power and the immediate duty to provide for prompt and temporary succession to the powers and duties of public offices, of whatever nature and whether filled by election or appointment, the incumbents of which may become unavailable for carrying on the powers and duties of such offices. Provided, however, that Article I of the Constitution of Texas, known as the "Bill of Rights" shall not be in any manner affected, amended, impaired, suspended, repealed or suspended hereby.

(b) When such a period of emergency or the immediate threat of enemy attack exists, the Legislature may suspend procedural rules imposed by this Constitution that relate to:

- (1) the order of business of the Legislature;
- (2) the percentage of each house of the Legislature necessary to constitute a quorum;
- (3) the requirement that a bill must be read on three days in each house before it has the force of law;
- (4) the requirement that a bill must be referred to and reported from committee before its consideration; and
- (5) the date on which laws passed by the Legislature take effect.

(c) When such a period of emergency or the immediate threat of enemy attack exists, the Governor, after consulting with the Lieutenant Governor and the Speaker of the House of Representatives, may suspend the constitutional requirement that the Legislature hold its sessions in Austin, the seat of government. When this requirement has been suspended, the Governor shall determine a place other than Austin at which the Legislature will hold its sessions during such period of emergency or immediate threat of enemy attack. The Governor shall notify the Lieutenant Governor and the Speaker of the House of Representatives of the place and time at which the Legislature will meet. The Governor may take security precautions, consistent with the state of emergency, in determining the extent to which that information may be released.

(d) To suspend the constitutional rules specified by Subsection (b) of this section, the Governor must issue a proclamation and the House of Representatives and the Senate must concur in the proclamation as provided by this section.

(e) The Governor's proclamation must declare that a period of emergency resulting from disasters caused by enemy attack exists, or that the immediate threat of enemy attack exists, and that suspension of constitutional rules relating to legislative procedure is necessary to assure continuity of state government. The proclamation must specify the period, not to exceed two years, during which the constitutional rules specified by Subsection (b) of this section are suspended.

(f) The House of Representatives and the Senate, by concurrent resolution approved by the majority of the members present, must concur in the Governor's proclamation. A resolution of the House of Representatives and the Senate concurring in the Governor's proclamation suspends the constitutional rules specified by Subsection (b) of this section for the period of time specified by the Governor's proclamation.

(g) The constitutional rules specified by Subsection (b) of this section may not be suspended for more than two years under a single proclamation. A suspension may be renewed, however, if the Governor issues another proclamation as provided by Subsection (e)

of this section and the House of Representatives and the Senate, by concurrent resolution, concur in that proclamation.

(Added Nov. 6, 1962; Subsec. (a) amended and (b)-(g) added Nov. 8, 1983.)

Sec. 63. (Repealed Nov. 6, 2001.)

(TEMPORARY TRANSITION PROVISION for Sec. 63: See Appendix, Note 3.)

Sec. 64. CONSOLIDATION OF OFFICES AND FUNCTIONS OF POLITICAL SUBDIVISIONS; CONTRACTS BETWEEN POLITICAL SUBDIVISIONS.

(a) The Legislature may by special statute provide for consolidation of governmental offices and functions of government of any one or more political subdivisions comprising or located within any county. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these subdivisions, under such terms and conditions as the Legislature may require.

(b) The county government, or any political subdivision(s) comprising or located therein, may contract one with another for the performance of governmental functions required or authorized by this Constitution or the Laws of this State, under such terms and conditions as the Legislature may prescribe. No person acting under a contract made pursuant to this Subsection (b) shall be deemed to hold more than one office of honor, trust or profit or more than one civil office of emolument. The term "governmental functions," as it relates to counties, includes all duties, activities and operations of statewide importance in which the county acts for the State, as well as of local importance, whether required or authorized by this Constitution or the Laws of this State.

(Added Nov. 5, 1968; Subsec. (a) amended Nov. 3, 1970.)

Sec. 65. MAXIMUM INTEREST RATE ON PUBLIC BONDS.

(a) Wherever the Constitution authorizes an agency, instrumentality, or subdivision of the State to issue bonds and specifies the maximum rate of interest which may be paid on such bonds issued pursuant to such constitutional authority, such bonds

may bear interest at rates not to exceed a weighted average annual interest rate of 12% unless otherwise provided by Subsection (b) of this section. All Constitutional provisions specifically setting rates in conflict with this provision are hereby repealed.

(b) Bonds issued by the Veterans' Land Board after the effective date of this subsection bear interest at a rate or rates determined by the board, but the rate or rates may not exceed a net effective interest rate of 10% per year unless otherwise provided by law. A statute that is in effect on the effective date of this subsection and that sets as a maximum interest rate payable on bonds issued by the Veterans' Land Board a rate different from the maximum rate provided by this subsection is ineffective unless reenacted by the legislature after that date.

(Added Nov. 7, 1972; Subsec. (a) amended and (b) added Nov. 3, 1981; Subsec. (a) amended Nov. 2, 1982.)

#### Sec. 66. LIMITATION OF LIABILITY FOR NONECONOMIC DAMAGES.

(a) In this section "economic damages" means compensatory damages for any pecuniary loss or damage. The term does not include any loss or damage, however characterized, for past, present, and future physical pain and suffering, mental anguish and suffering, loss of consortium, loss of companionship and society, disfigurement, or physical impairment.

(b) Notwithstanding any other provision of this constitution, the legislature by statute may determine the limit of liability for all damages and losses, however characterized, other than economic damages, of a provider of medical or health care with respect to treatment, lack of treatment, or other claimed departure from an accepted standard of medical or health care or safety, however characterized, that is or is claimed to be a cause of, or that contributes or is claimed to contribute to, disease, injury, or death of a person. This subsection applies without regard to whether the claim or cause of action arises under or is derived from common law, a statute, or other law, including any claim or cause of action based or sounding in tort, contract, or any other theory or any combination of theories of liability. The claim or cause of action includes a medical or health care liability claim as defined

by the legislature.

(c) Notwithstanding any other provision of this constitution, after January 1, 2005, the legislature by statute may determine the limit of liability for all damages and losses, however characterized, other than economic damages, in a claim or cause of action not covered by Subsection (b) of this section. This subsection applies without regard to whether the claim or cause of action arises under or is derived from common law, a statute, or other law, including any claim or cause of action based or sounding in tort, contract, or any other theory or any combination of theories of liability.

(d) Except as provided by Subsection (c) of this section, this section applies to a law enacted by the 78th Legislature, Regular Session, 2003, and to all subsequent regular or special sessions of the legislature.

(e) A legislative exercise of authority under Subsection (c) of this section requires a three-fifths vote of all the members elected to each house and must include language citing this section.

(Added Sept. 13, 2003.)

Sec. 67. CANCER PREVENTION AND RESEARCH INSTITUTE OF TEXAS; BONDS. (a) The legislature shall establish the Cancer Prevention and Research Institute of Texas to:

(1) make grants to provide funds to public or private persons to implement the Texas Cancer Plan, and to institutions of learning and to advanced medical research facilities and collaborations in this state for:

(A) research into the causes of and cures for all forms of cancer in humans;

(B) facilities for use in research into the causes of and cures for cancer; and

(C) research, including translational research, to develop therapies, protocols, medical pharmaceuticals, or procedures for the cure or substantial mitigation of all types of cancer in humans;

(2) support institutions of learning and advanced

medical research facilities and collaborations in this state in all stages in the process of finding the causes of all types of cancer in humans and developing cures, from laboratory research to clinical trials and including programs to address the problem of access to advanced cancer treatment; and

(3) establish the appropriate standards and oversight bodies to ensure the proper use of funds authorized under this provision for cancer research and facilities development.

(b) The members of the governing body and any other decision-making body of the Cancer Prevention and Research Institute of Texas may serve four-year terms.

(c) The legislature by general law may authorize the Texas Public Finance Authority to provide for, issue, and sell general obligation bonds of the State of Texas on behalf of the Cancer Prevention and Research Institute of Texas in an amount not to exceed \$3 billion and to enter into related credit agreements. The Texas Public Finance Authority may not issue more than \$300 million in bonds authorized by this subsection in a year. The bonds shall be executed in the form, on the terms, and in the denominations, bear interest, and be issued in installments as prescribed by the Texas Public Finance Authority.

(d) Proceeds from the sale of the bonds shall be deposited in separate funds or accounts, as provided by general law, within the state treasury to be used by the Cancer Prevention and Research Institute of Texas for the purposes of this section.

(e) Notwithstanding any other provision of this constitution, the Cancer Prevention and Research Institute of Texas, which is established in state government, may use the proceeds from bonds issued under Subsection (c) of this section and federal or private grants and gifts to pay for:

(1) grants for cancer research, for research facilities, and for research opportunities in this state to develop therapies, protocols, medical pharmaceuticals, or procedures for the cure or substantial mitigation of all types of cancer in humans;

(2) grants for cancer prevention and control programs in this state to mitigate the incidence of all types of cancer in humans;

(3) the purchase, subject to approval by the Cancer Prevention and Research Institute, of laboratory facilities by or on behalf of a state agency or grant recipient; and

(4) the operation of the Cancer Prevention and Research Institute of Texas.

(f) The bond proceeds may be used to pay the costs of issuing the bonds and any administrative expense related to the bonds.

(g) While any of the bonds or interest on the bonds authorized by this section is outstanding and unpaid, from the first money coming into the state treasury in each fiscal year not otherwise appropriated by this constitution, an amount sufficient to pay the principal of and interest on bonds that mature or become due during the fiscal year and to make payments that become due under a related credit agreement during the fiscal year is appropriated, less the amount in the sinking fund at the close of the previous fiscal year.

(h) Bonds issued under this section, after approval by the attorney general, registration by the comptroller of public accounts, and delivery to the purchasers, are incontestable and are general obligations of the State of Texas under this constitution.

(i) Before the Cancer Prevention and Research Institute of Texas may make a grant of any proceeds of the bonds issued under this section, the recipient of the grant must have an amount of funds equal to one-half the amount of the grant dedicated to the research that is the subject of the grant request.

(j) The Texas Public Finance Authority shall consider using a business whose principal place of business is located in the state to issue the bonds authorized by this section and shall include using a historically underutilized business as defined by general law.
