Sec. 12.106. STATE FUNDING.

(a) A charter holder is entitled to receive for the open-enrollment charter school funding under Chapter 42 equal to the amount of funding per student in weighted average daily attendance, excluding enrichment funding under Section 42.302(a), to which the charter holder would be entitled for the school under Chapter 42 if the school were a school district without a tier one local share for purposes of Section 42.253.

(a-1) In determining funding for an open-enrollment charter school under Subsection (a):

(1) adjustments under Sections 42.102, 42.104, and 42.105 are based on the average adjustment for the state; and

(2) the adjustment under Section 42.103 is based on the average adjustment for the state that would have been provided under that section as it existed on January 1, 2018.

(a-2) In addition to the funding provided by Subsection (a), a charter holder is entitled to receive for the open-enrollment charter school enrichment funding under Section 42.302 based on the state average tax effort.

(b) An open-enrollment charter school is entitled to funds that are available to school districts from the agency or the
commissioner in the form of grants or other discretionary funding unless the statute authorizing the funding explicitly provides that open-enrollment charter schools are not entitled to the funding.

(c) The commissioner may adopt rules to provide and account for state funding of open-enrollment charter schools under this section. A rule adopted under this section may be similar to a provision of this code that is not similar to Section 12.104(b) if the commissioner determines that the rule is related to financing of open-enrollment charter schools and is necessary or prudent to provide or account for state funds.

(d) Subject to Subsection (e), in addition to other amounts provided by this section, a charter holder is entitled to receive, for the open-enrollment charter school, funding per student in average daily attendance in an amount equal to the guaranteed level of state and local funds per student per cent of tax effort under Section 46.032(a) multiplied by the lesser of:

1. the state average interest and sinking fund tax rate imposed by school districts for the current year; or
2. a rate that would result in a total amount to which charter schools are entitled under this subsection for the current year equal to $60 million.

(e) A charter holder is entitled to receive funding under Subsection (d) only if the most recent overall performance rating assigned to the open-enrollment charter school under Subchapter C, Chapter 39, reflects at least acceptable performance. This subsection does not apply to a charter holder that operates a school program located at a day treatment facility, residential treatment facility, psychiatric hospital, or medical hospital.

(f) Funds received by a charter holder under Subsection (d) may only be used:

1. to lease an instructional facility;
2. to pay property taxes imposed on an instructional facility;
3. to pay debt service on bonds issued to finance an instructional facility; or
4. for any other purpose related to the purchase, lease, sale, acquisition, or maintenance of an instructional facility.
(g) In this section, "instructional facility" has the meaning assigned by Section 46.001.

Sec. 12.1061. RECOVERY OF CERTAIN FUNDS. The commissioner may not garnish or otherwise recover funds paid to an open-enrollment charter school under Section 12.106 if:

(1) the basis of the garnishment or recovery is that:

(A) the number of students enrolled in the school during a school year exceeded the student enrollment described by the school's charter during that period; and

(B) the school received funding under Section 12.106 based on the school's actual student enrollment;

(2) the school:

(A) submits to the commissioner a timely request to revise the maximum student enrollment described by the school's charter and the commissioner does not notify the school in writing of an objection to the proposed revision before the 90th day after the date on which the commissioner received the request, provided that the number of students enrolled at the school does not exceed the enrollment described by the school's request; or

(B) exceeds the maximum student enrollment described by the school's charter only because a court mandated that a specific child enroll in that school; and

(3) the school used all funds received under Section 12.106.

Sec. 12.1071. EFFECT OF ACCEPTING STATE FUNDING. (a) A charter holder who accepts state funds under Section 12.106 after the effective date of a provision of this subchapter agrees to be subject to that provision, regardless of the date on which the charter holder's charter was granted.

(b) A charter holder who accepts state funds under Section 12.106 after September 1, 2001, agrees to accept all liability under this subchapter for any funds accepted under that section before September 1, 2001. (b) The application form must provide for including the information required under Section 12.111 to be contained in a charter.

(c) As part of the application procedure, the commissioner may require a petition supporting a charter for a school signed by a specified number of parents or guardians of school-age children residing in the area in which a school is proposed or may hold a public hearing to determine parental support for the school.

(d) The commissioner shall approve or deny an application based on:
(1) documented evidence collected through the application review process;

(2) merit; and

(3) other criteria as adopted by the commissioner, which must include:

(A) criteria relating to the capability of the applicant to carry out the responsibilities provided by the charter and the likelihood that the applicant will operate a school of high quality;

Sec. 12.1141. RENEWAL OF CHARTER; DENIAL OF RENEWAL; EXPIRATION. (a) The commissioner shall develop and by rule adopt a procedure for renewal, denial of renewal, or expiration of a charter for an open-enrollment charter school at the end of the term of the charter. The procedure must include consideration of the performance under Chapters 39 and 39A of the charter holder and each campus operating under the charter and must include three distinct processes, which must be expedited renewal, discretionary consideration of renewal or denial of renewal, and expiration. To renew a charter at the end of the term, the charter holder must submit a petition for renewal to the commissioner in the time and manner established by commissioner rule.

(b) At the end of the term of a charter for an open-enrollment charter school, if a charter holder submits to the commissioner a petition for expedited renewal of the charter, the charter automatically renews unless, not later than the 30th day after the date the charter holder submits the petition, the commissioner provides written notice to the charter holder that expedited renewal of the charter is denied. The commissioner may not deny expedited renewal of a charter if:

(1) the charter holder has been assigned the highest or second highest performance rating under Subchapter C, Chapter 39, for the three preceding school years;

(2) the charter holder has been assigned a financial performance accountability rating under Subchapter D, Chapter 39, indicating financial performance that is satisfactory or better for the three preceding school years; and

(3) no campus operating under the charter has been assigned the lowest performance rating under Subchapter C, Chapter
39, for the three preceding school years or such a campus has been closed.

(c) At the end of the term of a charter for an open-enrollment charter school, if a charter holder submits to the commissioner a petition for renewal of the charter and the charter does not meet the criteria for expedited renewal under Subsection (b) or for expiration under Subsection (d), the commissioner shall use the discretionary consideration process. The commissioner's decision under the discretionary consideration process must take into consideration the results of annual evaluations under the performance frameworks established under Section 12.1181. The renewal of the charter of an open-enrollment charter school that is registered under the agency's alternative education accountability procedures for evaluation under Chapter 39 shall be considered under the discretionary consideration process regardless of the performance ratings under Subchapter C, Chapter 39, of the open-enrollment charter school or of any campus operating under the charter, except that if the charter holder has been assigned a financial accountability performance rating under Subchapter D, Chapter 39, indicating financial performance that is lower than satisfactory for any three of the five preceding school years, the commissioner shall allow the charter to expire under Subsection (d). In considering the renewal of the charter of an open-enrollment charter school that is registered under the agency's alternative education accountability procedures for evaluation under Chapter 39, such as a dropout recovery school or a school providing education within a residential treatment facility, the commissioner shall use academic criteria established by commissioner rule that are appropriate to measure the specific goals of the school. The criteria established by the commissioner shall recognize growth in student achievement as well as educational attainment. For purposes of this subsection, the commissioner shall designate as a dropout recovery school an open-enrollment charter school or a campus of an open-enrollment charter school:

(1) that serves students in grades 9 through 12 and has an enrollment of which at least 50 percent of the students are 17
years of age or older as of September 1 of the school year as reported for the fall semester Public Education Information Management System (PEIMS) submission; and

(2) that meets the eligibility requirements for and is registered under alternative education accountability procedures adopted by the commissioner.

(d) At the end of the term of a charter for an open-enrollment charter school, if a charter holder submits to the commissioner a petition for renewal of the charter, the commissioner may not renew the charter and shall allow the charter to expire if:

(1) the charter holder has been assigned the lowest performance rating under Subchapter C, Chapter 39, for any three of the five preceding school years;

(2) the charter holder has been assigned a financial accountability performance rating under Subchapter D, Chapter 39, indicating financial performance that is lower than satisfactory for any three of the five preceding school years;

(3) the charter holder has been assigned any combination of the ratings described by Subdivision (1) or (2) for any three of the five preceding school years; or

(4) any campus operating under the charter has been assigned the lowest performance rating under Subchapter C, Chapter 39, for the three preceding school years and such a campus has not been closed.

(e) Notwithstanding any other law, a determination by the commissioner under Subsection (d) is final and may not be appealed.

(f) Not later than the 90th day after the date on which a charter holder submits a petition for renewal of a charter for an open-enrollment charter school at the end of the term of the charter, the commissioner shall provide written notice to the charter holder, in accordance with commissioner rule, of the basis on which the charter qualified for expedited renewal, discretionary consideration, or expiration, and of the commissioner's decision regarding whether to renew the charter, deny renewal of the charter, or allow the charter to expire.

(g) Except as provided by Subsection (e), a decision by the
commissioner to deny renewal of a charter for an open-enrollment charter school is subject to review by the State Office of Administrative Hearings. Notwithstanding Chapter 2001, Government Code:

(1) the administrative law judge shall uphold a decision by the commissioner to deny renewal of a charter for an open-enrollment charter school unless the judge finds the decision is arbitrary and capricious or clearly erroneous; and

(2) a decision of the administrative law judge under this subsection is final and may not be appealed.

(h) If a charter holder submits a petition for renewal of a charter for an open-enrollment charter school, notwithstanding the expiration date of the charter, the charter term is extended until the commissioner has provided notice to the charter holder of the renewal, denial of renewal, or expiration of the charter.

(i) The term of a charter renewed under this section is 10 years for each renewal.

(j) The commissioner shall adopt rules to modify criteria for renewal, denial of renewal, or expiration of a charter for an open-enrollment charter school under this section to the extent necessary to address changes in performance rating categories or in the financial accountability system under Chapter 39.

Sec. 12.115. BASIS FOR CHARTER REVOCATION OR MODIFICATION OF GOVERNANCE. (a) Except as provided by Subsection (c), the commissioner shall revoke the charter of an open-enrollment charter school or reconstitute the governing body of the charter holder if the commissioner determines that the charter holder:

(1) committed a material violation of the charter,
including failure to satisfy accountability provisions prescribed by the charter;

(2) failed to satisfy generally accepted accounting standards of fiscal management;

(3) failed to protect the health, safety, or welfare of the students enrolled at the school;
