Sec. 25.001. ADMISSION. (a) A person who, on the first day of September of any school year, is at least five years of age and under 21 years of age, or is at least 21 years of age and under 26 years of age and is admitted by a school district to complete the requirements for a high school diploma is entitled to the benefits of the available school fund for that year. Any other person enrolled in a prekindergarten class under Section 29.153 or Subchapter E-1, Chapter 29, is entitled to the benefits of the available school fund.

(b) The board of trustees of a school district or its designee shall admit into the public schools of the district free of tuition a person who is over five and younger than 21 years of age on the first day of September of the school year in which admission is sought, and may admit a person who is at least 21 years of age and under 26 years of age for the purpose of completing the requirements for a high school diploma, if:

1. the person and either parent of the person reside in the school district;
2. the person does not reside in the school district but a parent of the person resides in the school district and that parent is a joint managing conservator or the sole managing conservator or possessory conservator of the person;
3. the person and the person's guardian or other person having lawful control of the person under a court order reside within the school district;
4. the person has established a separate residence...
under Subsection (d);

(5) the person is homeless, as defined by 42 U.S.C. Section 11302, regardless of the residence of the person, of either parent of the person, or of the person's guardian or other person having lawful control of the person;

(6) the person is a foreign exchange student placed with a host family that resides in the school district by a nationally recognized foreign exchange program, unless the school district has applied for and been granted a waiver by the commissioner under Subsection (e);

(7) the person resides at a residential facility located in the district;

(B) provides a substantial amount of after-school care for the person as determined by the board.

(b-1) A person who is 21 years of age or older and is admitted by a school district for the purpose stated in Subsection (b) is not eligible for placement in a disciplinary alternative education program or a juvenile justice alternative education program if the person engages in conduct that would require or authorize such placement for a student under the age of 21. If the student engages in conduct that would otherwise require such placement, the district shall revoke admission of the student into the public schools of the district.

(b-2) A person who is 21 years of age or older who is admitted by a school district to complete the requirements for a high school diploma and who has not attended school in the three preceding school years may not be placed with a student who is 18 years of age or younger in a classroom setting, a cafeteria, or another district-sanctioned school activity. Nothing in this subsection prevents a student described by this subsection from attending a school-sponsored event that is open to the public as a
(c) The board of trustees of a school district or the board's designee may require evidence that a person is eligible to attend the public schools of the district at the time the board or its designee considers an application for admission of the person. The board of trustees or its designee shall establish minimum proof of residency acceptable to the district. The board of trustees or its designee may make reasonable inquiries to verify a person's eligibility for admission.

(d) For a person under the age of 18 years to establish a residence for the purpose of attending the public schools separate and apart from the person's parent, guardian, or other person having lawful control of the person under a court order, it must be established that the person's presence in the school district is not for the primary purpose of participation in extracurricular activities. The board of trustees shall determine whether an applicant for admission is a resident of the school district for purposes of attending the public schools and may adopt reasonable guidelines for making a determination as necessary to protect the best interests of students. The board of trustees is not required to admit a person under this subsection if the person:

(1) has engaged in conduct or misbehavior within the preceding year that has resulted in:
   (A) removal to a disciplinary alternative education program; or
   (B) expulsion;
(2) has engaged in delinquent conduct or conduct in need of supervision and is on probation or other conditional release for that conduct; or
(3) has been convicted of a criminal offense and is on probation or other conditional release.

(e) A school district may request that the commissioner waive the requirement that the district admit a foreign exchange student who meets the conditions of Subsection (b)(6). The commissioner shall respond to a district's request not later than the 60th day after the date of receipt of the request. The commissioner shall grant the request and issue a waiver effective
for a period not to exceed three years if the commissioner determines that admission of a foreign exchange student would:

(1) create a financial or staffing hardship for the district;

(2) diminish the district's ability to provide high quality educational services for the district's domestic students; or

(3) require domestic students to compete with foreign exchange students for educational resources.

(f) A child placed in foster care by an agency of the state or by a political subdivision shall be permitted to attend the public schools in the district in which the foster parents reside free of any charge to the foster parents or the agency. A durational residence requirement may not be used to prohibit that child from fully participating in any activity sponsored by the school district.

(g) A student who was enrolled in a primary or secondary public school before the student entered the conservatorship of the Department of Family and Protective Services and who is placed at a residence outside the attendance area for the school or outside the school district is entitled to continue to attend the school in which the student was enrolled immediately before entering conservatorship until the student successfully completes the highest grade level offered by the school at the time of placement without payment of tuition. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of the department for the duration of the student's enrollment in the school.

(g-1) If a student who is in the conservatorship of the department is enrolled in a primary or secondary public school, other than the school in which the student was enrolled at the time the student was placed in the conservatorship of the department, the student is entitled to continue to attend that school without payment of tuition until the student successfully completes the highest grade level offered by the school at the time of enrollment in the school, even if the child's placement is changed to a residence outside the attendance area for that school or outside
the school district. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of the department for the duration of the student's enrollment in the school.

(h) In addition to the penalty provided by Section 37.10, Penal Code, a person who knowingly falsifies information on a form required for enrollment of a student in a school district is liable to the district if the student is not eligible for enrollment in the district but is enrolled on the basis of the false information. The person is liable, for the period during which the ineligible student is enrolled, for the greater of:

1. the maximum tuition fee the district may charge under Section 25.038; or
2. the amount the district has budgeted for each student as maintenance and operating expenses.

Sec. 25.002. REQUIREMENTS FOR ENROLLMENT. (a) If a parent or other person with legal control of a child under a court order enrolls the child in a public school, the parent or other person or the school district in which the child most recently attended school shall furnish to the school district:

(1) the child's birth certificate or another document suitable as proof of the child's identity;

(2) a copy of the child's records from the school the child most recently attended if the child has been previously enrolled in a school in this state or another state; and
(3) A record showing that the child has the immunizations as required under Section 38.001, in the case of a child required under that section to be immunized, proof as required by that section showing that the child is not required to be immunized, or proof that the child is entitled to provisional admission under that section and under rules adopted under that section.

(a-1) Information a school district furnishes under Subsections (a)(1) and (2) must be furnished by the district not later than the 10th working day after the date a request for the information is received by the district. Information a parent or other person with legal control of a child under a court order furnishes under Subsections (a)(1) and (2) must be furnished by the parent or other person not later than the 30th day after the date a child is enrolled in a public school. If a parent or other person with legal control of a child under a court order requests that a district transfer a child's student records, the district to which the request is made shall notify the parent or other person as soon as practicable that the parent or other person may request and receive an unofficial copy of the records for delivery in person to a school in another district.

(b) If a child is enrolled under a name other than the child's name as it appears in the identifying document or records, the school district shall notify the missing children and missing persons information clearinghouse of the child's name as shown on the identifying document or records and the name under which the child is enrolled. The information in the notice is confidential and may be released only to a law enforcement agency.

(c) If the information required by Subsection (a) is not furnished to the district within the period provided by that subsection, the district shall notify the police department of the municipality or sheriff's department of the county in which the district is located and request a determination of whether the child has been reported as missing.

(d) When accepting a child for enrollment, the school district shall inform the parent or other person enrolling the child that presenting a false document or false records under this
section is an offense under Section 37.10, Penal Code, and that enrollment of the child under false documents subjects the person to liability for tuition or costs under Section 25.001(h).

(e) A person commits an offense if the person enrolls a child in a public school and fails to furnish an identifying document or record relating to the child on the request of a law enforcement agency conducting an investigation in response to a notification under Subsection (c). An offense under this subsection is a Class B misdemeanor.

(f) Except as otherwise provided by this subsection, for a child to be enrolled in a public school, the child must be enrolled by the child's parent or by the child's guardian or other person with legal control of the child under a court order. A school district shall record the name, address, and date of birth of the person enrolling a child.

(g) A school district shall accept a child for enrollment in a public school without the documentation required by Subsection (a) if the Department of Protective and Regulatory Services has taken possession of the child under Chapter 262, Family Code. The Department of Protective and Regulatory Services shall ensure that the documentation required by Subsection (a) is furnished to the school district not later than the 30th day after the date the child is enrolled in the school.

Sec. 25.0021. USE OF LEGAL SURNAME. In each public school a student must be identified by the student's legal surname as that name appears:

(1) on the student's birth certificate or other document suitable as proof of the student's identity; or

(2) in a court order changing the student's name.
Sec. 25.0022. FOOD ALLERGY INFORMATION REQUESTED UPON ENROLLMENT. (a) In this section, "severe food allergy" means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

(b) On enrollment of a child in a public school, a school district shall request, by providing a form or otherwise, that a parent or other person with legal control of the child under a court order:

(1) disclose whether the child has a food allergy or a severe food allergy that, in the judgment of the parent or other person with legal control, should be disclosed to the district to enable the district to take any necessary precautions regarding the child's safety; and

(2) specify the food to which the child is allergic and the nature of the allergic reaction.

(c) A school district shall maintain the confidentiality of information provided under this section, and may disclose the information to teachers, school counselors, school nurses, and other appropriate school personnel only to the extent consistent with district policy under Section 38.009 and permissible under the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g).

(d) Except as provided by Subsections (e) and (f), information regarding a child's food allergy, regardless of how it is received by the school or school district, shall be retained in the child's student records but may not be placed in the health record maintained for the child by the school district.

(e) If the school receives documentation of a food allergy from a physician, that documentation shall be placed in the health record maintained for the child by the school district.

(f) A registered nurse may enter appropriate notes about a child's possible food allergy in the health record maintained for the child by the school district, including a notation that the child's student records indicate that a parent has notified the

(a) Notwithstanding any other provision of this code, a school district shall charge tuition for a child who resides at a residential facility and whose maintenance expenses are paid in whole or in part by another state or the United States.

(b) A tuition charge under this section must be submitted to the commissioner for approval.

(c) The attendance of the child is not counted for purposes of allocating state funds to the district.

Sec. 25.0031. TUITION FOR STUDENTS HOLDING CERTAIN STUDENT VISAS. (a) Notwithstanding any other provision of this code, if a student is required, as a condition of obtaining or holding the appropriate United States student visa, to pay tuition to the school district or open-enrollment charter school that the student attends to cover the cost of the student's education provided by the district or charter school, the district or charter school shall accept tuition for the student in an amount equal to the full unsubsidized per capita cost of providing the student's education for the period of the student's attendance at school in the district or at the charter school.

(b) The commissioner shall, for purposes of Subsection (a), develop guidelines for determining the amount of the full unsubsidized per capita cost of providing a student's education. A school district or open-enrollment charter school may not accept tuition in an amount greater than the amount computed under the commissioner's guidelines unless the commissioner approves a greater amount as a more accurate reflection of the cost of education to be provided by the district or charter school.

(c) Notwithstanding any other provision of this code, the
attendance of a student for whom a school district or open-enrollment charter school accepts tuition under this section is not counted for purposes of allocating state funds to the district or charter school.

Sec. 25.004. TUITION FOR CERTAIN MILITARY DEPENDENTS PROHIBITED. A school district may not charge tuition for the attendance of a student who is domiciled in another state and resides in military housing that is located in the district but is exempt from taxation by the district.

Sec. 25.005. RECIROCITY AGREEMENTS REGARDING MILITARY PERSONNEL AND DEPENDENTS. (a) To facilitate the transfer of military personnel and their dependents to and from the public schools of this state, the agency shall pursue reciprocity agreements governing the terms of those transfers with other states that are not parties to the Interstate Compact on Educational Opportunity for Military Children adopted under Chapter 162.

(b) A reciprocity agreement must:

(C) permitting a student to satisfy the requirements of Section 39.025 through successful performance on comparable end-of-course or other exit-level assessment instruments administered in another state; and

(2) include appropriate criteria developed by the agency.

SUBCHAPTER B. ASSIGNMENTS AND TRANSFERS

Sec. 25.031. ASSIGNMENTS AND TRANSFERS IN DISCRETION OF GOVERNING BOARD. In conformity with this subchapter, the board of trustees of a school district or the board of county school trustees or a school employee designated by the board may assign and transfer any student from one school facility or classroom to another within its jurisdiction.

Sec. 25.032. BASIS FOR ASSIGNMENT OR TRANSFER. The board of trustees of a school district, the board of county school trustees,
or the person acting for the board must make the decision concerning
the assignment or transfer of a student on an individual basis and
may not consider as a factor in its decision any matter relating to
the national origin of the student or the student's ancestral
language.

Sec. 25.033. ASSIGNMENT OR TRANSFER ON PETITION OF PARENT.
The parent or person standing in parental relation to any student
may by petition in writing either:

(1) request the assignment or transfer of the student
to a designated school or to a school to be designated by the board; or

(2) file objections to the assignment of the student
to the school to which the student has been assigned.

Sec. 25.034. HEARING; ACTION ON PETITION; APPEAL. (a) On
receiving a petition under Section 25.033, the board of trustees of
the school district or the board of county school trustees shall:

(1) if a hearing is not requested, act on the petition
not later than the 30th day after the date the petition is submitted
and notify the petitioner of the board's conclusion; or

(2) if a hearing is requested, designate a time and
place for holding a hearing not later than the 30th day after the
date the petition is submitted.

(b) If a hearing is requested, it shall be conducted by the
board in compliance with this section.

(c) The petitioner may present evidence relevant to the
individual student.

(d) The board may conduct investigations as to the objection
or request, examine any student involved, and employ agents,
professional or otherwise, for the purpose of examinations and
investigations.

(e) The board must grant the request made in the petition
unless the board determines that there is a reasonable basis for
denying the request. The decision of the board, either with or
without hearing, is final unless the student, or the parent, guardian, or custodian of the student as next friend, files exception to the decision of the board as constituting a denial of any right of the student guaranteed under the United States Constitution.

(f) If an exception is filed under Subsection (e), the board may reconsider its decision. If the board has not ruled on the exception before the 16th day after the date of the filing, the exception is considered overruled. If the exception is overruled, an appeal of the board’s decision may be filed in the district court of the county in which the board is located. The petition must:

(1) be filed not later than the 30th day after the date of the board's final decision; and

(2) state the facts relevant to the student that relate to the alleged denial of the student's rights under the United States Constitution.

Sec. 25.0341. TRANSFER OF STUDENTS INVOLVED IN SEXUAL ASSAULT. (a) This section applies only to:

proportionate to the transfer of attendance.
(b) The school district in which the students reside shall
pay tuition to any district with which it has a contract under this
section for each of its students attending school in that district
at a grade level for which the district has contracted. The amount
of the tuition paid may not exceed the greater of the amount
provided for by Section 25.038 or an amount specified by
commissioner rule.
(c) A school district is not required to pay tuition to any district with which it has not contracted for the attendance by any of its students at a grade level for which it has contracted under this section with another district.

(d) At the end of the first grading period following the multiple birth siblings' enrollment in the school, if the principal of the school, in consultation with the teacher of each classroom in which the multiple birth siblings are placed, determines that the requested classroom placement is disruptive to the school, the principal may determine the appropriate classroom placement for the siblings.

shall remain in the classroom chosen by the parent.

Sec. 25.0915. TRUANCY PREVENTION MEASURES. (a) A school district shall adopt truancy prevention measures designed to:

(1) address student conduct related to truancy in the school setting before the student engages in conduct described by Section 65.003(a), Family Code; and

(2) minimize the need for referrals to truancy court for conduct described by Section 65.003(a), Family Code.

(a-1) As a truancy prevention measure under Subsection (a), a school district shall take one or more of the following actions:

(1) impose:

(A) a behavior improvement plan on the student that must be signed by an employee of the school, that the school district has made a good faith effort to have signed by the student and the student's parent or guardian, and that includes:

(i) a specific description of the behavior that is required or prohibited for the student;

(ii) the period for which the plan will be effective, not to exceed 45 school days after the date the contract becomes effective; or
(iii) the penalties for additional absences, including additional disciplinary action or the referral of the student to a truancy court; or

(B) school-based community service; or

(2) refer the student to counseling, mediation, mentoring, a teen court program, community-based services, or other in-school or out-of-school services aimed at addressing the student's truancy.

(a-2) A referral made under Subsection (a-1)(2) may include participation by the child's parent or guardian if necessary.

(a-3) A school district shall offer additional counseling to a student and may not refer the student to truancy court if the school determines that the student's truancy is the result of:

(1) pregnancy;
(2) being in the state foster program;
(3) homelessness; or
(4) being the principal income earner for the student's family.

(a-4) If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described by Section 25.0951(a), the school district shall initiate truancy prevention measures under this section on the student.

(b) Each referral to truancy court for conduct described by Section 65.003(a), Family Code, must:

(1) be accompanied by a statement from the student's school certifying that:

(A) the school applied the truancy prevention measures adopted under Subsection (a) or (a-4) to the student; and

(B) the truancy prevention measures failed to meaningfully address the student's school attendance; and

(2) specify whether the student is eligible for or receives special education services under Subchapter A, Chapter 29.

(c) A truancy court shall dismiss a petition filed by a truant conduct prosecutor under Section 65.054, Family Code, if the court determines that the school district's referral:

(1) does not comply with Subsection (b);
(2) does not satisfy the elements required for truant conduct;

(3) is not timely filed, unless the school district delayed the referral under Section 25.0951(d); or

(4) is otherwise substantively defective.

(d) Except as provided by Subsection (e), a school district shall employ a truancy prevention facilitator or juvenile case manager to implement the truancy prevention measures required by this section and any other effective truancy prevention measures as determined by the school district or campus. At least annually, the truancy prevention facilitator shall meet to discuss effective truancy prevention measures with a case manager or other individual designated by a truancy court to provide services to students of the school district in truancy cases.

(e) Instead of employing a truancy prevention facilitator, a school district may designate an existing district employee or juvenile case manager to implement the truancy prevention measures required by this section and any other effective truancy prevention measures as determined by the school district or campus.

(f) The agency shall adopt rules:

(1) creating minimum standards for truancy prevention measures adopted by a school district under this section; and

(2) establishing a set of best practices for truancy prevention measures.

(g) The agency shall adopt rules to provide for sanctions for a school district found to be not in compliance with this section.

Sec. 25.092. MINIMUM ATTENDANCE FOR CLASS CREDIT OR FINAL GRADE. (a) Except as provided by this section, a student in any grade level from kindergarten through grade 12 may not be given credit or a final grade for a class unless the student is in attendance for at least 90 percent of the days the class is offered.

(a-1) A student who is in attendance for at least 75 percent but less than 90 percent of the days a class is offered may be given credit or a final grade for the class if the student completes a plan approved by the school's principal that provides for the student to meet the instructional requirements of the class. A student under the jurisdiction of a court in a criminal or juvenile justice proceeding may not receive credit or a final grade under this subsection without the consent of the judge presiding over the student's case.

(a-2) Subsection (a) does not apply to a student who receives credit by examination for a class as provided by Section 28.023.

(b) The board of trustees of each school district shall appoint one or more attendance committees to hear petitions for class credit or a final grade by students who are in attendance fewer than the number of days required under Subsection (a) and have not earned class credit or a final grade under Subsection (a-1). Classroom teachers shall comprise a majority of the membership of the committee. A committee may give class credit or a final grade to a student because of extenuating circumstances. Each board of trustees shall establish guidelines to determine what constitutes extenuating circumstances and shall adopt policies establishing alternative ways for students to make up work or regain credit or a final grade lost because of absences. The alternative ways must include at least one option that does not require a student to pay a fee authorized under Section 11.158(a)(15). A certified public school employee may not be assigned additional instructional duties as a result of this section outside of the regular workday unless the employee is compensated for the duties at a reasonable rate of pay.

(c) A member of an attendance committee is not personally liable for any act or omission arising out of duties as a member of
an attendance committee.

(d) If a student is denied credit or a final grade for a class by an attendance committee, the student may appeal the decision to the board of trustees. The decision of the board may be appealed by trial de novo to the district court of the county in which the school district's central administrative office is located.

(e) This section does not affect the provision of Section 25.087(b) regarding a student's excused absence from school to observe religious holy days.

(f) The availability of the option developed under Subsection (b) must be substantially the same as the availability of the educational program developed under Section 11.158(a)(15). Sec. 25.093. PARENT CONTRIBUTING TO NONATTENDANCE. (a) If a warning is issued as required by Section 25.095(a), the parent with criminal negligence fails to require the child to attend school as required by law, and the child has absences for the amount of time specified under Section 65.003(a), Family Code, the parent commits an offense.

(b) The attendance officer or other appropriate school official shall file a complaint against the parent in:

(1) the constitutional county court of the county in
which the parent resides or in which the school is located, if the county has a population of 1.75 million or more;

(2) a justice court of any precinct in the county in which the parent resides or in which the school is located; or

(3) a municipal court of the municipality in which the parent resides or in which the school is located.

(c) An offense under Subsection (a) is a misdemeanor, punishable by fine only, in an amount not to exceed:

(1) $100 for a first offense;
(2) $200 for a second offense;
(3) $300 for a third offense;
(4) $400 for a fourth offense; or
(5) $500 for a fifth or subsequent offense.

(c-1) Each day the child remains out of school may constitute a separate offense. Two or more offenses under Subsection (a) may be consolidated and prosecuted in a single action. If the court orders deferred disposition under Article 45.051, Code of Criminal Procedure, the court may require the defendant to provide personal services to a charitable or educational institution as a condition of the deferral.

(d) A fine collected under this section shall be deposited as follows:

(1) one-half shall be deposited to the credit of the operating fund of, as applicable:
   (A) the school district in which the child attends school;
   (B) the open-enrollment charter school the child attends; or
   (C) the juvenile justice alternative education program that the child has been ordered to attend; and

(2) one-half shall be deposited to the credit of:
   (A) the general fund of the county, if the complaint is filed in the justice court or the constitutional county court; or
   (B) the general fund of the municipality, if the complaint is filed in municipal court.

(e) At the trial of any person charged with violating this
section, the attendance records of the child may be presented in court by any authorized employee of the school district or open-enrollment charter school, as applicable.

(f) The court in which a conviction, deferred adjudication, or deferred disposition for an offense under Subsection (a) occurs may order the defendant to attend a program for parents of students with unexcused absences that provides instruction designed to assist those parents in identifying problems that contribute to the students' unexcused absences and in developing strategies for resolving those problems if a program is available.

(g) If a parent refuses to obey a court order entered under this section, the court may punish the parent for contempt of court under Section 21.002, Government Code.

(h) It is an affirmative defense to prosecution for an offense under Subsection (a) that one or more of the absences required to be proven under Subsection (a) was excused by a school official or should be excused by the court. The burden is on the defendant to show by a preponderance of the evidence that the absence has been or should be excused. A decision by the court to excuse an absence for purposes of this section does not affect the ability of the school district to determine whether to excuse the absence for another purpose.

(i) In this section, "parent" includes a person standing in parental relation.

Sec. 25.095. WARNING NOTICES. (a) A school district or open-enrollment charter school shall notify a student's parent in writing at the beginning of the school year that if the student is absent from school on 10 or more days or parts of days within a six-month period in the same school year:

(1) the student's parent is subject to prosecution under Section 25.093; and

(2) the student is subject to referral to a truancy court for truant conduct under Section 65.003(a), Family Code.

(b) A school district shall notify a student's parent if the student has been absent from school, without excuse under Section 25.087, on three days or parts of days within a four-week period. The notice must:

(1) inform the parent that:

(A) it is the parent's duty to monitor the student's school attendance and require the student to attend school; and

(B) the student is subject to truancy prevention measures under Section 25.0915; and

(2) request a conference between school officials and the parent to discuss the absences.

(c) The fact that a parent did not receive a notice under Subsection (a) or (b) does not create a defense under Section 25.093 or under Section 65.003(a), Family Code.

(d) In this section, "parent" includes a person standing in parental relation.

Sec. 25.0951. SCHOOL DISTRICT COMPLAINT OR REFERRAL FOR FAILURE TO ATTEND SCHOOL. (a) If a student fails to attend school
without excuse on 10 or more days or parts of days within a six-month period in the same school year, a school district shall within 10 school days of the student's 10th absence refer the student to a truancy court for truant conduct under Section 65.003(a), Family Code.

(b) If a student fails to attend school without excuse as specified by Subsection (a), a school district may file a complaint against the student's parent in a county, justice, or municipal court for an offense under Section 25.093 if the school district provides evidence of the parent's criminal negligence. In this subsection, "parent" includes a person standing in parental relation.

(c) A court shall dismiss a complaint made by a school district under Subsection (b) that:

(1) does not comply with this section;

(2) does not allege the elements required for the offense;

(3) is not timely filed, unless the school district delayed the referral under Subsection (d); or

(4) is otherwise substantively defective.

(d) Notwithstanding Subsection (a), a school district may delay a referral of a student for truant conduct, or may choose to not refer a student for truant conduct, if the school district:

(1) is applying truancy prevention measures to the student under Section 25.0915; and

(2) determines that the truancy prevention measures are succeeding and it is in the best interest of the student that a referral be delayed or not be made.

SUBCHAPTER D. STUDENT/TEACHER RATIOS; CLASS SIZE

Sec. 25.111. STUDENT/TEACHER RATIOS. Except as provided by Section 25.112, each school district must employ a sufficient number of teachers certified under Subchapter B, Chapter 21, to maintain an average ratio of not less than one teacher for each 20 students in average daily attendance. Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

The following section was amended by the 86th Legislature. Pending publication of the current statutes, see H.B. 3, 86th Legislature, Regular Session, for amendments affecting the following section.

Sec. 25.112. CLASS SIZE. (a) Except as otherwise authorized by this section, a school district may not enroll more than 22 students in a kindergarten, first, second, third, or fourth grade class. That limitation does not apply during:

(1) any 12-week period of the school year selected by the district, in the case of a district whose average daily attendance is adjusted under Section 42.005(c); or
(2) the last 12 weeks of any school year in the case of any other district.

(b) Not later than the 30th day after the first day of the 12-week period for which a district whose average daily attendance is adjusted under Section 42.005(c) is claiming an exemption under Subsection (a), the district shall notify the commissioner in writing that the district is claiming an exemption for the period stated in the notice.

(c) In determining the number of students to enroll in any class, a school district shall consider the subject to be taught, the teaching methodology to be used, and any need for individual instruction.

(d) On application of a school district, the commissioner may except the district from the limit in Subsection (a) if the commissioner finds the limit works an undue hardship on the district. An exception expires at the end of the school year for which it is granted.

(e) A school district seeking an exception under Subsection (d) shall notify the commissioner and apply for the exception not later than the later of:

   (1) October 1; or

   (2) the 30th day after the first school day the district exceeds the limit in Subsection (a).

(f) If a school district repeatedly fails to comply with this section, the commissioner may take any appropriate action authorized to be taken by the commissioner under Section 39.131.

(g) Expired.

the parent of or person standing in parental relation to each student affected by the exception. The notice must be in conspicuous bold or underlined print and:

(1) specify the class for which an exception from the limit imposed by Section 25.112(a) was granted;

(2) state the number of children in the class for which the exception was granted; and

(3) be included in a regular mailing or other communication from the campus or district, such as information sent home with students.

(b) The notice required by Subsection (a) must be provided not later than the 31st day after:

(1) the first day of the school year; or

(2) the date the exception is granted, if the exception is granted after the beginning of the school year.

Sec. 25.114. STUDENT/TEACHER RATIOS IN PHYSICAL EDUCATION CLASSES; CLASS SIZE. (a) In implementing the curriculum for physical education under Section 28.002(a)(2)(C), each school district shall establish specific objectives and goals the district intends to accomplish through the curriculum, including, to the extent practicable, student/teacher ratios that are small enough to enable the district to:

(1) carry out the purposes of and requirements for the physical education curriculum as provided under Section 28.002(d); and

(2) ensure the safety of students participating in physical education.

(b) If a district establishes a student to teacher ratio greater than 45 to 1 in a physical education class, the district shall specifically identify the manner in which the safety of the students will be maintained.

Added by Acts 2009, 81st Leg., R.S., Ch. 773 (S.B. 891), Sec. 2, eff. June 19, 2009.

SUBCHAPTER E. STUDENT EXPRESSION OF RELIGIOUS VIEWPOINTS
Sec. 25.151. STUDENT EXPRESSION. A school district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.
Added by Acts 2007, 80th Leg., R.S., Ch. 261 (H.B. 3678), Sec. 2, eff. June 8, 2007.

Sec. 25.152. LIMITED PUBLIC FORUM; SCHOOL DISTRICT POLICY. (a) To ensure that the school district does not discriminate against a student's publicly stated voluntary expression of a religious viewpoint, if any, and to eliminate any actual or perceived affirmative school sponsorship or attribution to the district of a student's expression of a religious viewpoint, if any, a school district shall adopt a policy, which must include the establishment of a limited public forum for student speakers at all school events at which a student is to publicly speak. The policy regarding the limited public forum must also require the school district to:

(1) provide the forum in a manner that does not discriminate against a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject;

(2) provide a method, based on neutral criteria, for the selection of student speakers at school events and graduation ceremonies;

(3) ensure that a student speaker does not engage in obscene, vulgar, offensively lewd, or indecent speech; and

(4) state, in writing, orally, or both, that the student's speech does not reflect the endorsement, sponsorship, position, or expression of the district.

(b) The school district disclaimer required by Subsection (a)(4) must be provided at all graduation ceremonies. The school district must also continue to provide the disclaimer at any other event in which a student speaks publicly for as long as a need
exists to dispel confusion over the district's nonsponsorship of
the student’s speech.

(c) Student expression on an otherwise permissible subject
may not be excluded from the limited public forum because the
subject is expressed from a religious viewpoint.

Added by Acts 2007, 80th Leg., R.S., Ch. 261 (H.B. 3678), Sec. 2,

Sec. 25.153. RELIGIOUS EXPRESSION IN CLASS ASSIGNMENTS.
Students may express their beliefs about religion in homework,
artwork, and other written and oral assignments free from
discrimination based on the religious content of their
submissions. Homework and classroom assignments must be judged by
ordinary academic standards of substance and relevance and against
other legitimate pedagogical concerns identified by the school
district. Students may not be penalized or rewarded on account of
the religious content of their work.

Added by Acts 2007, 80th Leg., R.S., Ch. 261 (H.B. 3678), Sec. 2,

Sec. 25.154. FREEDOM TO ORGANIZE RELIGIOUS GROUPS AND
ACTIVITIES. Students may organize prayer groups, religious clubs,
"see you at the pole" gatherings, or other religious gatherings
before, during, and after school to the same extent that students
are permitted to organize other noncurricular student activities
and groups. Religious groups must be given the same access to
school facilities for assembling as is given to other noncurricular
groups without discrimination based on the religious content of the
students' expression. If student groups that meet for
nonreligious activities are permitted to advertise or announce
meetings of the groups, the school district may not discriminate
against groups that meet for prayer or other religious speech. A
school district may disclaim school sponsorship of noncurricular
groups and events in a manner that neither favors nor disfavors
groups that meet to engage in prayer or religious speech.

Added by Acts 2007, 80th Leg., R.S., Ch. 261 (H.B. 3678), Sec. 2,
Sec. 25.155. ADOPTION OF POLICY. A school district shall adopt and implement a local policy regarding a limited public forum and voluntary student expression of religious viewpoints. If a school district voluntarily adopts and follows the model policy governing voluntary religious expression in public schools as provided by Section 25.156, the district is in compliance with the provisions of this subchapter covered by the model policy.

Added by Acts 2007, 80th Leg., R.S., Ch. 261 (H.B. 3678), Sec. 2, eff. June 8, 2007.

Sec. 25.156. MODEL POLICY GOVERNING VOLUNTARY RELIGIOUS EXPRESSION IN PUBLIC SCHOOLS. In this section, "model policy" means a local policy adopted by the school district that is substantially identical to the following:

ARTICLE I
STUDENT EXPRESSION OF RELIGIOUS VIEWPOINTS
The school district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

ARTICLE II
STUDENT SPEAKERS AT NONGRADUATION EVENTS
The school district hereby creates a limited public forum for student speakers at all school events at which a student is to publicly speak. For each speaker, the district shall set a maximum time limit reasonable and appropriate to the occasion. Student speakers shall introduce:

(1) football games;
(2) any other athletic events designated by the district;
(3) opening announcements and greetings for the school day; and
(4) any additional events designated by the district,
which may include, without limitation, assemblies and pep rallies.

The forum shall be limited in the manner provided by this article.

Only those students in the highest two grade levels of the school and who hold one of the following positions of honor based on neutral criteria are eligible to use the limited public forum: student council officers, class officers of the highest grade level in the school, captains of the football team, and other students holding positions of honor as the school district may designate.

An eligible student shall be notified of the student's eligibility, and a student who wishes to participate as an introducing speaker shall submit the student's name to the student council or other designated body during an announced period of not less than three days. The announced period may be at the beginning of the school year, at the end of the preceding school year so student speakers are in place for the new year, or, if the selection process will be repeated each semester, at the beginning of each semester or at the end of the preceding semester so speakers are in place for the next semester. The names of the volunteering student speakers shall be randomly drawn until all names have been selected, and the names shall be listed in the order drawn. Each selected student will be matched chronologically to the event for which the student will be giving the introduction. Each student may speak for one week at a time for all introductions of events that week, or rotate after each speaking event, or otherwise as determined by the district. The list of student speakers shall be chronologically repeated as needed, in the same order. The district may repeat the selection process each semester rather than once a year.

The subject of the student introductions must be related to the purpose of the event and to the purpose of marking the opening of the event, honoring the occasion, the participants, and those in attendance, bringing the audience to order, and focusing the audience on the purpose of the event. The subject must be designated, a student must stay on the subject, and the student may not engage in obscene, vulgar, offensively lewd, or indecent speech. The school district shall treat a student's voluntary
expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

For as long as there is a need to dispel confusion over the nonsponsorship of the student's speech, at each event in which a student will deliver an introduction, a disclaimer shall be stated in written or oral form, or both, such as, "The student giving the introduction for this event is a volunteering student selected on neutral criteria to introduce the event. The content of the introduction is the private expression of the student and does not reflect the endorsement, sponsorship, position, or expression of the school district."

Certain students who have attained special positions of honor in the school have traditionally addressed school audiences from time to time as a tangential component of their achieved positions of honor, such as the captains of various sports teams, student council officers, class officers, homecoming kings and queens, prom kings and queens, and the like, and have attained their positions based on neutral criteria. Nothing in this policy eliminates the continuation of the practice of having these students, irrespective of grade level, address school audiences in the normal course of their respective positions. The school district shall create a limited public forum for the speakers and shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

ARTICLE III

STUDENT SPEAKERS AT GRADUATION CEREMONIES

The school district hereby creates a limited public forum consisting of an opportunity for a student to speak to begin graduation ceremonies and another student to speak to end
graduation ceremonies. For each speaker, the district shall set a maximum time limit reasonable and appropriate to the occasion.

The forum shall be limited in the manner provided by this article.

Only students who are graduating and who hold one of the following neutral criteria positions of honor shall be eligible to use the limited public forum: student council officers, class officers of the graduating class, the top three academically ranked graduates, or a shorter or longer list of student leaders as the school district may designate. A student who will otherwise have a speaking role in the graduation ceremonies is ineligible to give the opening and closing remarks. The names of the eligible volunteering students will be randomly drawn. The first name drawn will give the opening and the second name drawn will give the closing.

The topic of the opening and closing remarks must be related to the purpose of the graduation ceremony and to the purpose of marking the opening and closing of the event, honoring the occasion, the participants, and those in attendance, bringing the audience to order, and focusing the audience on the purpose of the event.

In addition to the students giving the opening and closing remarks, certain other students who have attained special positions of honor based on neutral criteria, including, without limitation, the valedictorian, will have speaking roles at graduation ceremonies. For each speaker, the school district shall set a maximum time limit reasonable and appropriate to the occasion and to the position held by the speaker. For this purpose, the district creates a limited public forum for these students to deliver the addresses. The subject of the addresses must be related to the purpose of the graduation ceremony, marking and honoring the occasion, honoring the participants and those in attendance, and the student's perspective on purpose, achievement, life, school, graduation, and looking forward to the future.

The subject must be designated for each student speaker, the student must stay on the subject, and the student may not engage in obscene, vulgar, offensively lewd, or indecent speech. The school
district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

A written disclaimer shall be printed in the graduation program that states, "The students who will be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the school district or the board of trustees, or the district's administration, or employees of the district, or the views of any other graduate. The contents of these messages were prepared by the student volunteers, and the district refrained from any interaction with student speakers regarding the student speakers' viewpoints on permissible subjects."

ARTICLE IV

RELIGIOUS EXPRESSION IN CLASS ASSIGNMENTS

Students may express the students' beliefs about religion in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of the students' submission. Homework and classroom work shall be judged by ordinary academic standards of substance and relevance and against other legitimate pedagogical concerns identified by the school. Students may not be penalized or rewarded on account of religious content. If a teacher's assignment involves writing a poem, the work of a student who submits a poem in the form of a prayer (for example, a psalm) should be judged on the basis of academic standards, including literary quality, and not penalized or rewarded on account of its religious content.

ARTICLE V

FREEDOM TO ORGANIZE RELIGIOUS GROUPS AND ACTIVITIES

Students may organize prayer groups, religious clubs, "see you at the pole" gatherings, and other religious gatherings before,
during, and after school to the same extent that students are permitted to organize other noncurricular student activities and groups. Religious groups must be given the same access to school facilities for assembling as is given to other noncurricular groups, without discrimination based on the religious content of the group's expression. If student groups that meet for nonreligious activities are permitted to advertise or announce the groups' meetings, for example, by advertising in a student newspaper, putting up posters, making announcements on a student activities bulletin board or public address system, or handing out leaflets, school authorities may not discriminate against groups that meet for prayer or other religious speech. School authorities may disclaim sponsorship of noncurricular groups and events, provided they administer the disclaimer in a manner that does not favor or disfavor groups that meet to engage in prayer or other religious speech.

Added by Acts 2007, 80th Leg., R.S., Ch. 261 (H.B. 3678), Sec. 2, eff. June 8, 2007.

SUBCHAPTER Z. MISCELLANEOUS PROVISIONS RELATING TO STUDENTS

Sec. 25.901. EXERCISE OF CONSTITUTIONAL RIGHT TO PRAY. A public school student has an absolute right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt the instructional or other activities of the school. A person may not require, encourage, or coerce a student to engage in or refrain from such prayer or meditation during any school activity.
