Sec. 65.46. POWERS RELATED TO ISSUANCE OF BONDS AND NOTES.

(a) In this section:

(1) "Bond" or "note" means a bond or note that the board is authorized to issue according to law, including Article VII, Section 18, of the Texas Constitution, Chapter 55 or 66 of this code, or other applicable law.

(2) "Credit agreement" means a loan agreement, revolving credit agreement, agreement establishing a line of credit, letter of credit, reimbursement agreement, insurance contract, commitment to purchase bonds or notes, purchase or sale agreement, or another commitment, contract, or agreement authorized and approved by the board in connection with the authorization, issuance, security, exchange, payment, purchase, or redemption of bonds or notes or interest on bonds or notes.

(b) To enhance the security for, or provide for the purchase, payment, redemption, or remarketing of, bonds or notes and the interest on bonds or notes, or to reduce the cost of interest payable on bonds or notes, the board may enter into credit agreements in relation to bonds or notes, and may secure its obligations under the credit agreements by pledging, encumbering, or granting liens on or security interests in revenues, funds, or other property or security that may be pledged or encumbered or made subject to a lien or security interest to secure the bonds or notes that are secured by the credit agreement. The cost to the board of the credit agreement and the obligations of the board under the credit agreement may be paid from proceeds of the sale of bonds or notes to which the credit agreement relates or from any other source that is available for the purpose of paying the bonds or notes and the interest on the bonds or notes or that may otherwise be legally available to make those payments. The credit agreement shall be submitted, together with the bonds or notes, to the attorney general for review. If the attorney general finds that the credit agreement conforms to applicable law, the attorney general shall approve the credit agreement with the bonds or notes. On approval

and delivery, the credit agreement is incontestable for any cause.

(c) The board may authorize bonds or notes to bear interest at a rate or rates (either fixed, variable, floating, adjustable, or otherwise, all as determined in accordance with the resolution authorizing the issuance of the bonds or notes, which may provide a formula, index, or contractual arrangement for the periodic determination of interest rates without the requirement of specific approval, by the board, of each determination) not to exceed the maximum net effective interest rate allowed by law. The resolution under which the bonds or notes are issued may delegate to one or more designated officers, employees, or agents of the board the authority to act on behalf of the board, while the bonds or notes remain outstanding, in fixing dates, prices, interest rates, interest payment periods, and other procedures specified in the resolution so that, among other things, the interest on the bonds or notes may be adjusted from time to time by the officer, employee, or agent to permit the bonds or notes to be sold or resold at par in conjunction with secondary market transactions.

(d) The board may enter into financing programs under which the board may issue notes for any lawful purpose for which bonds or notes may be issued and may make provision for the notes initially issued under the programs to be refinanced, renewed, or refunded throughout the period of the programs by the issuance, sale, and delivery of additional notes. The notes may be secured in any manner provided by law for securing notes or bonds, and also may be secured by the proceeds of the sale of notes, the proceeds of the sale of bonds, or credit agreements, all as the board provides in the resolution authorizing the financing program and the issuance of notes under the program. The board may:

(1) provide in the resolution authorizing the financing program for the maximum principal amount of notes to be outstanding at any time under the financing program;

(2) provide for the authorization of one or more officers or employees of the board to act on behalf of the board in selling and delivering notes and fixing their dates, prices, interest rates, terms of payment, and other procedures relating to the notes as specified in the resolution;

(3) contract for the future sale of notes under which designated purchasers are committed to purchase notes from time to time on the terms and conditions stated in the contract, including a credit agreement executed in connection with the notes;

(4) provide for the payment of consideration that the board considers proper for the purchase commitments, and provide for the payment of the consideration out of proceeds from the sale of notes or from any other source that is available for the purpose of paying the notes or that may otherwise be legally available to make the payments; and

(5) exercise any other rights and powers that are granted to issuers of obligations under Chapter 1371, Government Code, which also governs the approval by the attorney general of the notes, related credit agreements, and other contracts or instruments and the registration of the notes by the comptroller.

(e) This section shall be construed liberally to effect the legislative intent and purposes of this section, and all powers granted by this section shall be broadly interpreted to effect that intent and those purposes and not as a limitation of powers.

Added by Acts 1985, 69th Leg., ch. 919, Sec. 1, eff. June 15, 1985.
Amended by Acts 2001, 77th Leg., ch. 1420, Sec. 8.223, eff. Sept. 1, 2001.

Sec. 65.461. BOND ENHANCEMENT AGREEMENTS. (a) In this section:

(1) "Bond" or "note" means a bond or note that the board is authorized to issue according to law, including Section 18, Article VII, Texas Constitution, Chapter 55 or 66 of this code, or other applicable law.

(2) "Bond enhancement agreement" means an interest rate swap agreement, a currency swap agreement, a forward payment conversion agreement, an agreement providing for payments based on levels of or changes in interest rates or currency exchange rates, an agreement to exchange cash flows or a series of payments, or other agreement, including an option, put, or call, to hedge or modify payment, currency, rate, spread, or other exposure.

(b) The board may at any time and from time to time enter

into one or more bond enhancement agreements that the board determines to be necessary or appropriate to place the obligation of the board, as represented by the bonds or notes issued or to be issued, in whole or in part, on the interest rate, currency, cash flow, or other basis desired by the board. A bond enhancement agreement is an agreement for professional services and shall contain the terms and conditions and be for the period that the board authorizes. The fees and expenses of the board in connection with a bond enhancement agreement, including any payments due from the board under a bond enhancement agreement, may be paid from and secured by a lien on and pledge of all or any part of any of the revenue funds of the board and its institutions, proceeds of the sale of bonds or notes to which the bond enhancement agreement relates, or from any other source that is legally available for the purpose of paying the bonds or notes and the interest on the bonds or notes or that may otherwise be legally available to make those payments. Payments due from the board under a bond enhancement agreement relating to bonds or notes issued pursuant to Section 18, Article VII, Texas Constitution, are deemed to be for the support and maintenance of The University of Texas System administration and may be paid from the available university fund.

(c) The resolution of the board authorizing a bond enhancement agreement may authorize one or more designated officers or employees of the board to act on behalf of the board in entering into and delivering the bond enhancement agreement and in determining or setting the counterparty and terms of the bond enhancement agreement specified in the resolution.

(d) The resolution of the board authorizing a financing program pursuant to Section 65.46 may include authorization of one or more bond enhancement agreements.

(e) Unless the board or its designee elects otherwise in its authorization or approval of a bond enhancement agreement, the bond enhancement agreement is not a credit agreement for purposes of Chapter 1371, Government Code, or Section 65.46 of this chapter, or any successor to such laws, regardless of whether the bonds or notes relating to the bond enhancement agreement were issued in part under either such law.

(f) This section shall be construed liberally to effect the legislative intent and purposes of this section, and all powers granted by this section shall be broadly interpreted to effect that intent and those purposes and not as a limitation of powers.
