(b) In a county with a population of more than 175,000, in establishing a county election precinct, the commissioners court shall consider the availability of buildings to use as polling places so that a voter of the precinct will not have to travel more than 25 miles from the voter's residence to reach the polling place for the precinct.

Sec. 42.0051. COMBINING CERTAIN PRECINCTS. (a) If changes in county election precinct boundaries to give effect to a redistricting plan result in county election precincts with a number of registered voters less than 500, a commissioners court for a general or special election, or for a primary election the county executive committee of a political party conducting a primary election, may combine county election precincts notwithstanding Section 42.005 to avoid unreasonable expenditures for election equipment, supplies, and personnel.

(b) County election precincts in a county with a population of 250,000 or more may also be combined under Subsection (a) if the changes result in county election precincts with 500 or more but fewer than 750 registered voters.

(c) A combined precinct under this section is subject to the maximum population prescribed for a precinct under Section 42.006.

(d) A combined precinct may not be established if it:

1) results in a dilution of voting strength of a group covered by the federal Voting Rights Act (42 U.S.C. Section 1973c et seq.);

2) results in a dilution of representation of a group covered by the Voting Rights Act in any political or electoral
process or procedure; or

(3) results in discouraging participation by a group covered by the Voting Rights Act in any political or electoral process or procedure because of the location of a polling place or other factors.

Sec. 42.006. POPULATION REQUIREMENTS. (a) Except as otherwise provided by this section, a county election precinct must contain at least 100 but not more than 5,000 registered voters.

(b) For an election precinct in a county with a population under 100,000, the minimum number of registered voters the precinct may contain is 50, except as provided by Subsection (c).

(c) In a county with a population under 50,000, a county election precinct may contain fewer than 50 registered voters if the commissioners court receives a written petition, signed by at least 25 registered voters of the county, requesting establishment or continuation of the precinct.

(d) Repealed by Acts 2007, 80th Leg., R.S., Ch. 921, Sec. 5.001, eff. September 1, 2007.

Sec. 42.007. COMBINING INCORPORATED AND UNINCORPORATED TERRITORY. A commissioners court may not establish a county election precinct containing territory inside a city with a population of 10,000 or more and unincorporated territory outside that city unless the commissioners court determines that either of the two areas:

(1) cannot constitute a separate election precinct of suitable size or shape that contains the permissible number of voters; or

(2) cannot be combined with other territory on the same side of the city boundary to form an election precinct of a suitable size or shape that contains the permissible number of voters without causing another election precinct to fail to meet those requirements.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 42.008. CONSOLIDATING PRECINCTS IN SPECIAL ELECTION.

(a) In a special election for which use of county election precincts is required, the commissioners court may consolidate, on the recommendation of the county election board, two or more county election precincts into a single precinct if the polling place is located so it will adequately serve the voters of the consolidated precinct.

(b) If county election precincts are consolidated for a countywide election, at least one consolidated precinct must be situated wholly within each commissioners precinct.

Sec. 42.009. CONSOLIDATING PRECINCTS IN PRIMARY ELECTION. The county executive committee of a political party holding a primary election may order two or more county election precincts consolidated into a single precinct if the polling place is located so it will adequately serve the voters of the consolidated precinct.

(b) After each redistricting of a territorial unit described by Section 42.005(a)(1) or (2), the commissioners court shall consider changes to the territorial units to allow the county to eliminate county election precincts with no population or a substantially small population.

(c) After each redistricting of a territorial unit described by Section 42.005(a)(3), (4), (5), or (6), the commissioners court may submit recommendations to the secretary of state on changes to the territorial units to allow the county to eliminate county election precincts with no population or a substantially small population.

(d) For purposes of this section, a "substantially small population" describes a precinct with a population of not more than 10 persons or not more than 6 registered voters, according to the most recent federal census or list of registered voters, as applicable, as of the date of the redistricting.

(e) To be considered by the secretary of state, the recommendations must be submitted in the manner prescribed by the secretary.

(f) The secretary of state shall evaluate all timely recommendations submitted in accordance with Subsection (e). The secretary shall compile all recommendations for the elimination of the county election precincts in a manner consistent with state and federal law.

(g) The secretary of state shall file a report containing the information described by Subsection (f) with the governor, the lieutenant governor, and the speaker of the house of representatives not later than the date of convening the first regular legislative session that occurs after a redistricting of a
territorial unit described by Subsection (c). If the information submitted is insufficient for the compilation required by Subsection (f), the secretary shall include a statement to that effect in the report.

SUBCHAPTER B. CHANGING COUNTY PRECINCT BOUNDARIES

Sec. 42.031. REVIEWING PRECINCTS FOR COMPLIANCE: BOUNDARY CHANGES. (a) During March or April of each odd-numbered year, each commissioners court shall determine whether the county election precincts comply with Sections 42.005, 42.006, and 42.007. The commissioners court may make that determination during March or April of an even-numbered year. Before May 1 of the year in which the determination is made, the commissioners court shall order the boundary changes necessary for compliance.

(b) The commissioners court may order a boundary change only during March or April unless the change is necessary to:

(1) comply with Section 42.005 or 42.032;

(2) reduce the number of registered voters in a precinct so it does not exceed the maximum number permitted by Section 42.006; or

(3) include within a precinct a suitable building available for use as a polling place if no suitable building is available for that purpose within the existing precinct boundary.

Sec. 42.032. REDISTRICTING: BOUNDARY CHANGES. If changes in county election precinct boundaries are necessary to give effect to a redistricting plan under Article III, Section 28, of the Texas Constitution, the county commissioners court shall order the changes as required by this article.
Constitution, each commissioners court shall order the changes before October 1 of the year in which the redistricting is done.

Sec. 42.033. EFFECTIVE DATE OF BOUNDARY CHANGE. (a) A change in a county election precinct boundary takes effect on the first day of the first even-numbered voting year following the voting year in which the change is ordered.

(b) Except as provided by Subsection (c), for a boundary change under Section 42.031(b), the commissioners court may order an earlier effective date than that prescribed by Subsection (a) if:

(1) an election for an officer of a territorial unit under Section 42.005(a) is scheduled or may be scheduled to be held before the effective date of the change under Subsection (a) and the territorial unit contains the election precinct as changed; and

(2) the voter registrar has sufficient time to correct the registration records before the effective date of the change.

(c) A change in a county election precinct boundary may not take effect on a date occurring between the date of the general primary election and the date of the general election for state and county officers unless the change is necessary to:

(1) comply with Section 42.005 after a boundary change made under Article V, Section 18, of the Texas Constitution;

(2) include within a precinct a suitable building available for use as a polling place if no suitable building is available for that purpose within the existing precinct boundary; or

(3) comply with a court order.

Sec. 42.035. PUBLIC NOTICE. (a) Beginning with the first week following the week in which an order changing a county election precinct boundary is adopted, the commissioners court shall publish notice of the change:

(1) in a newspaper in the county once a week for three consecutive weeks; and

(2) on the county's Internet website, if the county maintains an Internet website, for three consecutive weeks.

(b) The notice must include a brief, general description of the boundary change.

(c) If no newspaper is published in the county, the commissioners court shall post the notice at the county courthouse on the bulletin board used for posting notice of meetings of the commissioners court. The notice must remain posted continuously for three consecutive weeks.

(d) The county clerk shall deliver a copy of the notice to the secretary of state not later than the 20th day after the date the order changing the boundary is adopted.

Sec. 42.036. ADDITIONAL NOTICE IN POPULOUS COUNTIES. (a) This section applies only to a county with a population of one million or more.

(b) The commissioners court shall deliver written notice of each proposed change and of each order making a change in a county election precinct boundary to:

(1) the county chair of each political party that held a primary election in the county on the most recent general primary day;

(2) the political party's precinct chair of each
affected election precinct; and

(3) the presiding judge appointed by the commissioners court for each affected election precinct.

(c) The notice of a proposed boundary change must be delivered not later than the seventh day before the date of the commissioners court meeting at which the proposed change will be considered. The notice of an order making a boundary change must be delivered not later than the seventh day after the date the order is adopted.

(d) The notice of a proposed change must describe the proposed change in brief, general terms, identify the precincts to be affected by the proposed change, and state the date, hour, and place of the meeting.

(e) The notice of an order making a boundary change must describe the change in brief, general terms and identify the changed precincts. As an alternative, the notice to the county chair may be a copy of the order, and the notice to a precinct chair or presiding judge may be a copy of the portion of the order affecting the precinct served by that person.

(f) A person entitled to notice under this section may challenge a boundary change made in violation of this section by petition to the district court. The petition must be filed not later than one year after the date the change is scheduled to take effect. If the court determines that the commissioners court failed to comply with this section, the court shall declare the boundary change void. The validity of an election held before the date of a final judgment declaring a change void is not affected by the judgment. Noncompliance with this section may not be challenged in any other manner.

(g) For one year following the effective date of a change in a county election precinct boundary, the commissioners court shall maintain a record containing a copy of each notice required by this section in connection with the boundary change and showing the date the notice was delivered.

Sec. 42.037. FILING MAP OF PRECINCT BOUNDARY CHANGES WITH SECRETARY OF STATE. (a) Not later than the 120th day after the date an order changing a county election precinct boundary is adopted, the county clerk shall deliver to the secretary of state a map depicting the affected precinct's boundary as changed and showing the number of the precinct.

(b) The secretary of state shall retain each map for 10 years after receipt. After that period, the secretary shall transfer the map to the state library.

(b) If an election precinct is not located wholly within the territory of a political subdivision holding an election in the precinct or a district used to elect an office at the election, election officials shall take reasonable measures to ensure that a voter voting at that precinct may not vote in an election in which the voter is not entitled to vote.

(c) This section does not require a political subdivision to contract with a county under Section 31.092 or hold a joint election with a county under Chapter 271.

(d) The secretary of state shall prescribe procedures to implement this section.
