CHAPTER 34. STATE TEMPORARY ASSISTANCE AND SUPPORT SERVICES PROGRAM

Sec. 34.001. DEFINITIONS. In this chapter:

(1) "Related support services" means services considered under federal law to be a component of money payments for purposes of the financial assistance program authorized by Chapter 31.

(2) "Temporary assistance" means money payments for needy persons authorized by this chapter.

Added by Acts 2001, 77th Leg., ch. 1440, Sec. 1, eff. Sept. 1, 2001.

Sec. 34.002. DEVELOPMENT AND IMPLEMENTATION OF STATE PROGRAM; FUNDING. (a) The Health and Human Services Commission and the Texas Workforce Commission, with the participation of local workforce development boards, shall jointly develop and implement a state program of temporary assistance and related support services that is distinct from the financial assistance program authorized by Chapter 31.

(b) Temporary assistance and related support services may be provided under the state program only to:

(1) two-parent families; or

(2) persons residing in minimum service counties, as defined by the Texas Workforce Commission.

(c) Temporary assistance and related support services provided under the state program may not be funded with federal money provided to the state for the financial assistance program authorized by Chapter 31.

(d) If federal law is enacted that imposes work participation rate requirements on two-parent families for purposes of the financial assistance program under Chapter 31 that are substantively identical to those that federal law imposes on one-parent families for purposes of that program, the Health and Human Services Commission may, on the effective date of the federal law relating to the work participation rate requirements for

two-parent families, provide for establishment of that recipient's eligibility for financial assistance under Chapter 31 instead of under this chapter in a manner that avoids disruption of benefits for which the recipient is eligible.

Sec. 34.003. RULES. (a) The executive commissioner and the Texas Workforce Commission shall adopt all rules necessary for implementation of the state program, including rules regarding eligibility, work requirements, work exemptions, time limits, and related support services.

(b) The rules must be designed to result in a state program that is substantively identical to the financial assistance program authorized by Chapter 31, except to the extent that programmatic differences are appropriate because of the populations served by those programs and the sources of funding for those programs.

(c) The Health and Human Services Commission and the Texas Workforce Commission shall form an interagency work group to develop the rules required under this section.
