Sec. 482.002. UNLAWFUL DELIVERY OR MANUFACTURE WITH INTENT TO DELIVER; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly or intentionally manufactures with the intent to deliver or delivers a simulated controlled substance and the person:

(1) expressly represents the substance to be a controlled substance;

(2) represents the substance to be a controlled substance in a manner that would lead a reasonable person to believe that the substance is a controlled substance; or

(3) states to the person receiving or intended to receive the simulated controlled substance that the person may successfully represent the substance to be a controlled substance to a third party.

(b) It is a defense to prosecution under this section that the person manufacturing with the intent to deliver or delivering the simulated controlled substance was:

(2) manufacturing the substance for or delivering the substance to a licensed medical practitioner for use as a placebo in the course of the practitioner's research or practice; or

(1) the simulated controlled substance was packaged in a manner normally used for the delivery of a controlled substance;

(2) the delivery or intended delivery included an exchange of or demand for property as consideration for delivery of the substance and the amount of the consideration was substantially in excess of the reasonable value of the simulated controlled substance; and

(3) the physical appearance of the finished product containing the substance was substantially identical to a controlled substance.

(b) Proof of an offer to sell a simulated controlled

substance must be corroborated by a person other than the offeree or by evidence other than a statement of the offeree.

Sec. 482.004. SUMMARY FORFEITURE. A simulated controlled substance seized as a result of an offense under this chapter is subject to summary forfeiture and to destruction or disposition in the same manner as is a controlled substance property under Subchapter [E](#), Chapter [481](#).
