(6) the fact that proceeds will be sent to the owner within three business days after the provider has received the insurer or group administrator's acknowledgement that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated in accordance with the terms of the life settlement contract;

(7) the fact that entering into a life settlement contract may cause the owner to forfeit other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate of a group policy, and that assistance should be sought from a professional financial advisor;

(8) the amount and method of calculating the compensation, including anything of value, paid or given, or to be paid or given, to the broker, or any other person acting for the owner in connection with the transaction;

(9) the date by which the funds will be available to the owner and the identity of the transmitter of the funds;

(10) the fact that the commissioner requires delivery of a buyer's guide or a similar consumer advisory package in the form prescribed by the commissioner to owners during the solicitation process;

(11) the following language: "All medical, financial, or personal information solicited or obtained by a provider or broker about an insured, including the insured's identity or the identity of family members or a spouse or a significant other, may be disclosed as necessary to effect the life settlement contract between the owner and provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be

asked to renew your permission to share information every two years.";

(12) the fact that the commissioner requires providers and brokers to print separate signed fraud warnings on the applications and on the life settlement contracts as follows: "Any person who knowingly presents false information in an application for insurance or a life settlement contract is guilty of a crime and may be subject to fines and confinement in prison.";

(13) the fact that the insured may be contacted by either the provider or broker or an authorized representative of the provider or broker for the purpose of determining the insured's health status or to verify the insured's address and that this contact is limited to once every three months if the insured has a life expectancy of more than one year, and not more than once per month if the insured has a life expectancy of one year or less;

(14) the affiliation, if any, between the provider and the issuer of the insurance policy to be settled;

(15) that a broker represents exclusively the owner, and not the insurer or the provider or any other person, and owes a fiduciary duty to the owner, including a duty to act according to the owner's instructions and in the best interest of the owner;

(16) the name, address, and telephone number of the provider;

(17) the name, business address, and telephone number of the independent third party escrow agent, and the fact that the owner may inspect or receive copies of the relevant escrow or trust agreements or documents; and

(18) the fact that a change of ownership could in the future limit the insured's ability to purchase future insurance on the insured's life because there is a limit to how much coverage insurers will issue on one life.

(b) The written disclosures described by Subsection (a) must be conspicuously displayed in a life settlement contract furnished to the owner by a provider, including any affiliations or contractual arrangements between the provider and the broker.

(c) A broker shall provide the owner and the provider with at least the following disclosures not later than the date on which

the life settlement contract is signed by all parties and which must be conspicuously displayed in the life settlement contract or in a separate document signed by the owner:

(1) the name, business address, and telephone number of the broker;

(2) a full, complete, and accurate description of all the offers, counter-offers, acceptances, and rejections relating to the proposed life settlement contract;

(3) a written disclosure of any affiliations or contractual arrangements between the broker and any person making an offer in connection with the proposed life settlement contract;

(4) the name of each broker who receives compensation and the amount of compensation, including anything of value, paid or given to the broker in connection with the life settlement contract; and

(5) a complete reconciliation of the gross offer or bid by the provider to the net amount of proceeds or value to be received by the owner.

(d) For the purpose of this section, "gross offer or bid" means the total amount or value offered by the provider for the purchase of one or more life insurance policies, inclusive of commissions and fees.

(e) The failure to provide the disclosures or rights described in this section is an unfair method of competition or an unfair or deceptive act or practice.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. [2277](#)), Sec. 3, eff. September 1, 2011.

Sec. 1111A.013. DISCLOSURE TO INSURER. (a) Without limiting the ability of an insurer to assess the insurability of a policy applicant and to determine whether to issue the policy, and in addition to other questions an insurance carrier may lawfully pose to a life insurance applicant, an insurer may inquire in the application for insurance whether the proposed owner intends to pay premiums with the assistance of financing from a lender that will use the policy as collateral to support the financing.

(b) If, as described in Sections [1111A.002\(11\)](#) and (11-A),

the loan provides funds that can be used for a purpose other than paying for the premiums, costs, and expenses associated with obtaining and maintaining the life insurance policy and loan, and notwithstanding any other law, the application must be rejected as a violation of Section 1111A.017.

(c) If the financing does not violate Section 1111A.017, the insurance carrier:

(1) may make disclosures, not later than the date of the delivery of the policy, to the applicant and the insured, either on the application or on an amendment to the application that include the following or substantially similar statements:

"If you have entered into a loan arrangement in which the policy is used as collateral, and the policy does change ownership at some point in the future in satisfaction of the loan, the following may be true:

(A) a change of ownership could lead to a stranger owning an interest in the insured's life;

(B) a change of ownership could in the future limit your ability to purchase future insurance on the insured's life because there is a limit to how much coverage insurers will issue on one life;

(C) should there be a change of ownership and you wish to obtain more insurance coverage on the insured's life in the future, the insured's higher issue age, a change in health status, or other factors may reduce the ability to obtain coverage or may result in significantly higher premiums; and

(D) you should consult a professional advisor, since a change in ownership in satisfaction of the loan may result in tax consequences to the owner, depending on the structure of the loan.";

(2) may require certifications, such as the following, from the applicant or the insured:

(A) "I have not entered into any agreement or arrangement providing for the future sale of this life insurance policy";

(B) "My loan arrangement for this policy provides funds sufficient to pay for some or all of the premiums, costs, and

expenses associated with obtaining and maintaining my life insurance policy, but I have not entered into any agreement by which I am to receive consideration in exchange for procuring this policy"; and

(C) "The borrower has an insurable interest in the insured."

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.014. GENERAL RULES. (a) Before entering into a life settlement contract with an owner of a policy with respect to which the insured is terminally or chronically ill, the provider must obtain:

(1) if the owner is the insured, a written statement from a licensed attending physician that the owner is of sound mind and under no constraint or undue influence to enter into a settlement contract; and

(2) a document in which the insured consents to the release of medical records to a provider, settlement broker, or insurance agent and, if the policy was issued less than two years after the date of application for a settlement contract, to the insurance company that issued the policy.

(b) An insurer shall respond to a request for verification of coverage submitted by a provider, settlement broker, or life insurance agent not later than the 30th calendar day after the date the request is received. The request for verification of coverage must be made on a form approved by the commissioner. The insurer shall complete and issue the verification of coverage or indicate in which respects the insurer is unable to respond. In the response, the insurer shall indicate whether at the time of the response, based on the medical evidence and documents provided, the insurer intends to pursue an investigation about the validity of the insurance contract.

(c) On or before the date of execution of the life settlement contract, the provider shall obtain a witnessed document in which the owner consents to the settlement contract, represents that the owner has a full and complete understanding of the

settlement contract and of the benefits of the policy, acknowledges that the owner is entering into the settlement contract freely and voluntarily, and, for persons with a terminal or chronic illness or condition, acknowledges that the insured has a terminal or chronic illness and that the terminal or chronic illness or condition was diagnosed after the policy was issued.

(d) The insurer may not unreasonably delay effecting change of ownership or beneficiary with any life settlement contract lawfully entered into in this state or with a resident of this state.

(e) If a settlement broker or life insurance agent performs any of these activities required of the provider, the provider is deemed to have fulfilled the requirements of this section.

(f) If a broker performs the verification of coverage activities required of the provider, the provider is deemed to have fulfilled the requirements of Section [1111A.012](#).

(g) Not later than the 20th day after the date that an owner executes the life settlement contract, the provider shall give written notice to the insurer that issued that insurance policy that the policy has become subject to a life settlement contract. The notice shall be accompanied by the documents required by Section [1111A.013\(c\)](#).

(h) Medical information solicited or obtained by a license holder is subject to the applicable provision of state law relating to confidentiality of medical information, if not otherwise provided in this chapter.

(i) A life settlement contract entered into in this state must provide that the owner may rescind the contract on or before 15 days after the date the contract is executed by all parties to the contract. Rescission, if exercised by the owner, is effective only if notice of the rescission is given and the owner repays all proceeds and any premiums, loans, and loan interest paid on account of the provider within the rescission period. If the insured dies during the rescission period, the contract is rescinded subject to repayment by the owner or the owner's estate of all proceeds and any premiums, loans, and loan interest to the provider.

(j) Not later than the third business day after the date the

provider receives from the owner the documents to effect the transfer of the insurance policy, the provider shall pay the proceeds of the settlement into an escrow or trust account managed by a trustee or escrow agent in a state or federally chartered financial institution pending acknowledgement of the transfer by the issuer of the policy. The trustee or escrow agent shall transfer to the owner the proceeds due to the owner not later than the third business day after the date the trustee or escrow officer receives from the insurer acknowledgment of the transfer of the insurance policy.

(k) Failure to tender the life settlement contract proceeds to the owner on or before the date disclosed to the owner renders the contract voidable by the owner for lack of consideration until the time the proceeds are tendered to and accepted by the owner. A failure to give written notice of the right of rescission under this subsection tolls the right of rescission for 30 days after the date the written notice of the right of rescission has been given.

(l) A fee paid by a provider, an owner, or other person to a broker in exchange for services provided to the owner pertaining to a life settlement contract must be computed as a percentage of the offer obtained, not the face value of the policy. Nothing in this section prohibits a broker from voluntarily reducing the broker's fee to less than a percentage of the offer obtained.

(m) A broker shall disclose to the owner anything of value paid or given to a broker that relates to a life settlement contract.

(n) A person, at any time prior to or at the time of the application for, or issuance of, a policy, or during a two-year period beginning on the date of issuance of the policy, may not enter into a life settlement contract regardless of the date the compensation is to be provided and regardless of the date the assignment, transfer, sale, devise, bequest, or surrender of the policy is to occur. This prohibition does not apply if:

(1) the owner certifies to the provider that the policy was issued on the owner's exercise of conversion rights arising out of a group or individual policy, provided the total of the time covered under the conversion policy plus the time covered

under the prior policy is at least 24 months; or

(2) the owner submits independent evidence to the provider that one or more of the following conditions have been met during the two-year period described by this subsection:

(A) the owner or insured is terminally or chronically ill;

(B) the owner or insured disposes of the owner's or insured's ownership interests in a closely held corporation, pursuant to the terms of a buyout or other similar agreement in effect at the time the insurance policy was initially issued;

(C) the owner's spouse dies;

(D) the owner divorces the owner's spouse;

(E) the owner retires from full-time employment;

(F) the owner becomes physically or mentally disabled and a physician determines that the disability prevents the owner from maintaining full-time employment; or

(G) a final order, judgment, or decree is entered by a court of competent jurisdiction, on the application of a creditor of the owner, adjudicating the owner bankrupt or insolvent, or approving a petition seeking reorganization of the owner or appointing a receiver, trustee, or liquidator to all or a substantial part of the owner's assets.

(o) For the purposes of Subsection (n)(1), time covered under a group policy must be calculated without regard to a change in insurance carriers, provided the coverage has been continuous and under the same group sponsorship.

(p) Copies of the independent evidence described by Subsection (n)(2) must be submitted to the insurer at the time the provider submits a request to the insurer for verification of coverage. The copies must be accompanied by a letter of attestation from the provider that the copies are true and correct copies of the documents received by the provider. This section does not prohibit an insurer from exercising its right to contest the validity of a policy.

(q) If the provider submits to the insurer a copy of independent evidence provided for Subsection (n)(2)(A) at the time the provider submits a request to the insurer to effect the transfer

of the policy to the provider, the copy is deemed to establish that the settlement contract satisfies the requirements of this section. Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.015. AUTHORITY TO ADOPT RULES. (a) The commissioner may adopt rules implementing this chapter and regulating the activities and relationships of providers, brokers, insurers, and their authorized representatives.

(b) The commissioner may not adopt a rule establishing a price or fee for the sale or purchase of a life settlement contract. This subsection does not prohibit the commissioner from adopting a rule relating to an unjust price or fee for the sale or purchase of a life settlement contract.

(c) The commissioner may not adopt a rule that regulates the actions of an investor providing money to a life or viatical settlement company.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.016. CONFLICT OF LAWS. (a) If there is more than one owner on a single policy, and the owners are residents of different states, the life settlement contract is governed by the law of the state in which the owner having the largest percentage ownership resides or, if the owners hold equal ownership, the state of residence of one owner agreed on in writing by all of the owners. The law of the state of the insured shall govern in the event that equal owners fail to agree in writing on a state of residence for jurisdictional purposes.

(b) A provider licensed in this state who enters into a life settlement contract with an owner who is a resident of another state that has enacted statutes or adopted rules governing life settlement contracts is governed in the effectuation of that life settlement contract by the statutes and rules of the owner's state of residence. If the state in which the owner is a resident has not enacted statutes or adopted rules governing life settlement contracts, the provider shall give the owner notice that neither

state regulates the transaction on which the owner is entering. For transactions in those states, however, the provider shall maintain all records required by this chapter if the transactions were executed in this state. The forms used in those states need not be approved by the department.

(c) If there is a conflict in the laws that apply to an owner and a purchaser in any individual transaction, the laws of the state that apply to the owner shall take precedence and the provider shall comply with those laws.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.017. PROHIBITED PRACTICES. (a) A person may not:

(1) enter into a life settlement contract if the person knows or reasonably should have known that the life insurance policy was obtained by means of a false, deceptive, or misleading application for the policy;

(2) engage in a transaction, practice, or course of business if the person knows or reasonably should have known that the intent of engaging in the transaction, practice, or course of business is to avoid the notice requirements of this chapter;

(3) engage in a fraudulent act or practice in connection with a transaction relating to any settlement involving an owner who is a resident of this state;

(4) issue, solicit, market, or otherwise promote the purchase of an insurance policy for the purpose of, or with an emphasis on, settling the policy;

(5) if providing premium financing, receive any proceeds, fee, or other consideration from the policy or owner in addition to the amounts required to pay principal, interest, and any reasonable costs or expenses incurred by the lender or borrower in connection with the premium finance agreement, except in event of a default, unless either the default on the loan or transfer of the policy occurs pursuant to an agreement or understanding with any other person for the purpose of evading regulation under this chapter;

(6) with respect to any settlement contract or insurance policy and to a broker, knowingly solicit an offer from, effectuate a life settlement contract with, or make a sale to any provider, financing entity, or related provider trust that is controlling, controlled by, or under common control with the broker unless the relationship is fully disclosed to the owner;

(7) with respect to any life settlement contract or insurance policy and a provider, knowingly enter into a life settlement contract with an owner if, in connection with the life settlement contract, anything of value will be paid to a broker that is controlling, controlled by, or under common control with the provider or the financing entity or related provider trust that is involved in such settlement contract, unless the relationship is fully disclosed to the owner;

(8) with respect to a provider, enter into a life settlement contract unless the life settlement promotional, advertising, and marketing materials, as may be prescribed by rule, have been filed with the commissioner, provided that in no event may any marketing materials expressly reference that the insurance is free for any period of time; or

(9) with respect to any life insurance agent, insurance company, broker, or provider, make any statement or representation to the applicant or policyholder in connection with the sale or financing of a life insurance policy to the effect that the insurance is free or without cost to the policyholder for any period of time unless provided in the policy.

(b) A violation of this section is a fraudulent life settlement act.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. [2277](#)), Sec. 3, eff. September 1, 2011.

Sec. 1111A.018. FRAUD PREVENTION AND CONTROL. (a) A person may not commit a fraudulent life settlement act.

(b) A person may not interfere with the enforcement of this chapter or an investigation of a suspected or actual violation of this chapter.

(c) A person in the business of life settlements may not

knowingly or intentionally permit a person convicted of a felony involving dishonesty or breach of trust to participate in the business of life settlements.

(d) A life settlement contract and an application for a life settlement contract, regardless of the form of transmission, must contain the following, or a substantially similar, statement: "Any person who knowingly presents false information in an application for insurance or a life settlement contract is guilty of a crime and may be subject to fines and confinement in prison."

(e) The failure to include a statement as required in Subsection (d) is not a defense in any prosecution for a fraudulent life settlement act.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.019. MANDATORY REPORTING OF FRAUDULENT LIFE SETTLEMENT ACTS. A person engaged in the business of life settlements has a duty under Section 701.051 to report a fraudulent life settlement act.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.020. CONFIDENTIALITY. (a) The documents and evidence obtained by the commissioner in an investigation of a suspected or an actual fraudulent life settlement act are privileged and confidential, are not a public record, and are not subject to discovery or subpoena in a civil or criminal action.

(b) Subsection (a) does not prohibit release by the commissioner of documents and evidence obtained in an investigation of a suspected or an actual fraudulent life settlement act:

(1) in an administrative or judicial proceeding to enforce a provision of this code or another insurance law of this state;

(2) to a federal, state, or local law enforcement or regulatory agency, to an organization established for the purpose of detecting and preventing a fraudulent life settlement act, or to

the National Association of Insurance Commissioners; or

(3) at the discretion of the commissioner, to a person in the business of life settlements that is aggrieved by a fraudulent life settlement act.

(c) Release of documents and evidence under Subsection (b) does not abrogate or modify the privilege granted in Subsection (a).

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.021. OTHER LAW ENFORCEMENT OR REGULATORY AUTHORITY. This chapter does not:

(1) preempt the authority or relieve the duty of another law enforcement or regulatory agency to investigate, examine, and prosecute a suspected violation of law;

(2) preempt, supersede, or limit any provision of any state securities law or any rule, order, or notice issued under the law;

(3) prevent or prohibit a person from disclosing voluntarily information concerning life settlement fraud to a law enforcement or regulatory agency other than the department; or

(4) limit the powers granted by the laws of this state to the commissioner or an insurance fraud unit to investigate and examine a possible violation of law and to take appropriate action against wrongdoers.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.022. LIFE SETTLEMENT ANTIFRAUD INITIATIVES.

(a) A provider or broker shall implement antifraud initiatives reasonably calculated to detect, prosecute, and prevent fraudulent life settlement acts. At the discretion of the commissioner, the commissioner may order, or a license holder may request and the commissioner may grant, a modification of the following required initiatives as necessary to ensure an effective antifraud program. A modification granted under this section may be more or less restrictive than the required initiatives so long as the

modification may reasonably be expected to accomplish the purpose of this section. Antifraud initiatives must include:

(1) fraud investigators, who may be provider or broker employees or independent contractors; and

(2) an antifraud plan, which must be submitted to the commissioner and must include:

(A) a description of the procedures for detecting and investigating possible fraudulent life settlement acts and procedures for resolving material inconsistencies between medical records and insurance applications;

(B) a description of the procedures for reporting possible fraudulent life settlement acts to the commissioner;

(C) a description of the plan for antifraud education and training of underwriters and other personnel; and

(D) a description or chart outlining the organizational arrangement of the antifraud personnel who are responsible for the investigation and reporting of possible fraudulent life settlement acts and investigating unresolved material inconsistencies between medical records and insurance applications.

(b) An antifraud plan submitted to the commissioner is privileged and confidential, is not subject to disclosure under Chapter 552, Government Code, and is not subject to discovery or subpoena in a civil action.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1156 (H.B. 2277), Sec. 3, eff. September 1, 2011.

Sec. 1111A.023. INJUNCTION; CIVIL REMEDIES; CEASE AND DESIST ORDERS. (a) In addition to the penalties and other enforcement provisions of this chapter, if any person violates this chapter or any rule implementing this chapter, the commissioner may seek an injunction in a court in the county where the person resides or has a principal place of business and may apply for temporary and permanent orders that the commissioner determines necessary to restrain the person from further committing the violation.

(b) The commissioner may issue a cease and desist order against a person who violates any provision of this chapter, any

rule or order adopted by the commissioner, or any written agreement entered into with the commissioner, in accordance with Chapter 82.

(c) If the commissioner finds that an action in violation of this chapter presents an immediate danger to the public and requires an immediate final order, the commissioner may issue an emergency cease and desist order under Chapter 83.

(d) The provisions of this chapter may not be waived by agreement. No choice of law provision may prevent the application of this chapter to any settlement.

(b) A person who knowingly, recklessly, or intentionally commits a fraudulent life settlement act commits a criminal offense and is subject to penalties under Chapter 35, Penal Code.

(c) Subtitle B, Title 2, applies to a violation of this chapter.

- (2) Section [1111A.012](#); and
- (3) Sections [1111A.014](#)(1) and (m).

(b) The commissioner may exempt a broker who acts only as a life expectancy estimator from other provisions of this chapter if the commissioner finds that the application of those provisions to the broker is not necessary for the public welfare.
