Sec. 392.003. LEGISLATIVE FINDINGS. The legislature finds that:

(1) there is a shortage of safe or sanitary housing at rents that persons of low income can afford that forces persons of low income to live in unsanitary or unsafe housing and in overcrowded and congested housing;

(2) these housing conditions are responsible for an increase in and spread of disease and crime, are a menace to the health, safety, morals, and welfare of the residents of the state, impair economic values, and necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities;

(3) the unsafe and unsanitary housing cannot be
cleared and the shortage of safe and sanitary housing for persons of low income cannot be relieved by private enterprise;

(4) the construction of housing projects for persons of low income would not be competitive with private enterprise;

(5) the clearance, replanning, and reconstruction of the areas in which unsanitary or unsafe housing exists and the providing of safe and sanitary housing for persons of low income are public uses and purposes and governmental functions of state concern for which public money may be spent and private property acquired;

(6) it is in the public interest that work on low income housing projects commence as soon as possible to relieve the unemployment emergency; and

(7) this chapter is necessary in the public interest.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 392.004. OPERATION NOT FOR PROFIT. It is the policy of the state that a housing authority manage and operate its housing projects in an efficient manner to enable it to set rentals at the lowest possible rates consistent with providing decent, safe, and sanitary housing and that a housing authority may not construct or operate a project for profit or as a source of revenue to a municipality or county. For this purpose, an authority shall set rentals at a rate not higher than the rate necessary, together with other available money, revenue, income, and receipts, to produce revenue that is sufficient to:

(1) pay the principal and interest as it becomes due on bonds of the authority;

(2) meet the cost of and provide for maintaining and operating the projects, including insurance;

(3) pay the administrative expenses of the authority;

(4) create, to the extent determined necessary and advisable by the authority, a reserve for the bonds and to maintain the reserve; and

(5) create, to the extent determined necessary and advisable by the authority, a capital and improvements fund to be used by the authority to accomplish the public purposes of this
Sec. 392.005. TAX EXEMPTION. (a) The property of an authority is public property used for essential public and governmental purposes. The authority and the authority's property are exempt from all taxes and special assessments of a municipality, a county, another political subdivision, or the state.

(b) If a municipality, county, or political subdivision furnishes improvements, services, or facilities for a housing project, an authority may, in lieu of paying taxes or special assessments, agree to reimburse in payments to the municipality, county, or political subdivision an amount not greater than the estimated cost to the municipality, county, or political subdivision for the improvements, services, or facilities.

(c) An exemption under this section for a multifamily residential development which is owned by (i) a public facility corporation created by a housing authority under Chapter 303, (ii) a housing development corporation, or (iii) a similar entity created by a housing authority and which does not have at least 20 percent of its units reserved for public housing units, applies only if:

(1) the authority holds a public hearing, at a regular meeting of the authority's governing body, to approve the development; and

(2) at least 50 percent of the units in the multifamily residential development are reserved for occupancy by individuals and families earning less than 80 percent of the area median family income.

(d) For the purposes of Subsection (c), a "public housing unit" is a dwelling unit for which the owner receives a public housing operating subsidy. It does not include a unit for which payments are made to the landlord under the federal Section 8 Housing Choice Voucher Program.

Sec. 392.006. UNIT OF GOVERNMENT; GOVERNMENTAL FUNCTIONS. For all purposes, including the application of the Texas Tort Claims Act (Chapter 101, Civil Practice and Remedies Code), a housing authority is a unit of government and the functions of a housing authority are essential governmental functions and not proprietary functions. Provided, however, a housing authority shall be subject to all landlord obligations and tenant remedies, other than a suit for personal injuries, as set forth in any lease or rental agreement and in Chapters 24, 54, 91, 92, and 301 of the Property Code.

SUBCHAPTER B. CREATION AND AREA OF OPERATION OF A HOUSING AUTHORITY

Sec. 392.011. CREATION OF A MUNICIPAL HOUSING AUTHORITY. (a) A housing authority is created in each municipality in the state.

(b) A municipal housing authority is a public body corporate and politic.

(c) A municipal housing authority may not transact business or exercise its powers until the governing body of the municipality declares by resolution that there is a need for the authority.

(d) The governing body of a municipality may determine on its own motion if there is a need for an authority.

(e) The governing body of a municipality shall determine if there is a need for an authority on the filing of a petition signed by at least 100 qualified voters of the municipality.

(f) The governing body of a municipality shall adopt a resolution declaring that there is a need for a housing authority if it finds that there is:

(1) unsanitary or unsafe inhabited housing in the municipality; or
(2) a shortage of safe or sanitary housing in the municipality available to persons of low income at rentals that they can afford.

(g) In determining whether housing is unsafe or unsanitary, the governing body may consider the degree of overcrowding, the percentage of land coverage, the availability to inhabitants of light, air, space, and access, the size and arrangement of rooms, the sanitary facilities, and the extent to which conditions in the housing subject life or property to the danger of fire or other hazard.

(h) In a proceeding involving the validity or enforcement of, or relating to, a contract of the authority, proof of the adoption of a resolution by the governing body that declares that there is a need for the authority and makes the finding that either or both of the requirements of Subsection (f) exist is conclusive evidence of the establishment of the authority and of its authority to transact business and exercise its powers under this chapter. A copy of the resolution that is certified by the clerk of the municipality is admissible in evidence in the proceeding.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 392.012. CREATION OF A COUNTY HOUSING AUTHORITY. (a) A housing authority is created in each county in the state.

(b) A county housing authority is a public body corporate and politic.

(c) A county housing authority may not transact business or exercise its powers until the commissioners court of the county declares by resolution that there is a need for the authority.

(d) The commissioners court of a county may determine on its own motion if there is a need for an authority.

(e) The commissioners court of a county shall determine if there is a need for an authority on the filing of a petition signed by at least 100 qualified voters of the county.

(f) The commissioners court of a county shall adopt a resolution declaring that there is a need for a housing authority if it finds that there is:

(1) unsanitary or unsafe inhabited housing in the
county; or

(2) a shortage of safe or sanitary housing in the county available to persons of low income at rentals that they can afford.

(g) In determining whether housing is unsafe or unsanitary, the commissioners court may consider the degree of overcrowding, the percentage of land coverage, the availability to inhabitants of light, air, space, and access, the size and arrangement of rooms, the sanitary facilities, and the extent to which conditions in the housing subject life or property to the danger of fire or other hazard.

(h) In a proceeding involving the validity or enforcement of, or relating to, a contract of the authority, proof of the adoption of a resolution by the commissioners court that declares that there is a need for the authority and makes the finding that either or both of the requirements of Subsection (f) exist is conclusive evidence of the establishment of the authority and of its authority to transact business and exercise its powers under this chapter. A copy of the resolution that is certified by the county clerk is admissible in evidence in the proceeding.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 392.013. CREATION OF A REGIONAL HOUSING AUTHORITY.
(a) If the commissioners courts of two or more contiguous counties declare by resolution that there is a need for a housing authority to exercise the powers of a regional housing authority under this chapter in the counties, a regional housing authority is created for the counties.

(b) A regional housing authority is a public body corporate and politic.

(c) A commissioners court shall adopt a resolution declaring that there is a need for a regional housing authority only if the commissioners court finds that:

(1) there is unsanitary or unsafe inhabited housing in the county or a shortage of safe or sanitary housing in the county available to persons of low income at rentals that they can afford; and
(2) A regional housing authority would be a more efficient or economical administrative unit than a county housing authority to carry out the purposes of this chapter for the county.

(d) In determining whether housing is unsafe or unsanitary, the commissioners court shall consider the safety and sanitation of the housing, the availability to inhabitants of light and air space, the degree of overcrowding, the size and arrangement of rooms, and the extent to which conditions in the housing subject life or property to the danger of fire or other hazard.

(e) If a county housing authority has outstanding obligations, the commissioners court may not adopt a resolution declaring a need for a regional housing authority unless:

1. Each obligee of the county housing authority and each party to a contract, bond, note, or other obligation of the authority agrees to the substitution of a regional housing authority on the contract, bond, note, or other obligation; and

2. The commissioners of the county housing authority adopt a resolution consenting to the transfer of the rights, contracts, obligations, and real and personal property of the county housing authority to a regional housing authority.

(f) Before a resolution authorized by this section may be adopted, the commissioners court must hold a public hearing. Before the 10th day before the date of the hearing, the county clerk shall publish notice of the time, place, and purpose of the hearing in a newspaper published in the county or, if no newspaper is published in the county, in a newspaper published in the state with general circulation in the county. At the hearing, the commissioners court shall grant an opportunity to be heard to residents of the county and other interested persons.

(g) In a proceeding involving the validity or enforcement of, or relating to, a contract of a regional housing authority, proof of an adoption of a resolution by the commissioners court of each county in the regional housing authority that declares that there is a need for the authority and makes the finding that the requirements of Subsection (c) exist is conclusive evidence that the regional housing authority is created and established as a public body corporate and politic that is authorized to transact
business and exercise its powers under this chapter. A copy of the resolution of a commissioners court that is certified by the county clerk is admissible in evidence in the proceeding.

(h) When a regional housing authority is created:

(1) the rights, contracts, agreements, obligations, and property of the county housing authority become those of the regional housing authority;

(2) the county housing authority shall execute a deed of the property to the regional housing authority, which shall file the deed with the county clerk of the county where the real property is located; and

(3) a person with rights or remedies against the county housing authority may assert, enforce, and prosecute those rights or remedies against the regional housing authority.

(i) The vesting of the real property in the regional housing authority is not contingent on compliance with the provisions of Subsection (h)(2).

(j) At the time a regional housing authority is created, the county housing authority in a county for which the regional housing authority is created ceases to exist except for the purpose of winding up its affairs and executing the deed of its real property to the regional housing authority.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 392.0131. MERGER OF CERTAIN COUNTY HOUSING AUTHORITIES INTO MUNICIPAL HOUSING AUTHORITIES. (a) This section applies only to the merger of housing authorities operating in:

(1) a county that has a population of 800,000 or more and is located on the international border; and

(2) a municipality that has a population of more than 600,000 and less than 700,000 and is located in a county described by Subdivision (1).

(b) If the commissioners court of a county described by Subsection (a)(1) and the governing body of a municipality described by Subsection (a)(2) declare by resolutions that there is a need for the county housing authority to consolidate its powers with the municipal housing authority under this chapter, the county
housing authority is merged into the housing authority for the municipality.

(c) The commissioners court and the governing body of the municipality may adopt a resolution declaring that there is a need for a merger as described by Subsection (b) only if the commissioners court and the governing body of the municipality each find that a merged housing authority would be more efficient or economical than separate county and municipal housing authorities in carrying out the purposes of this chapter.

(d) In a proceeding involving the validity or enforcement of, or relating to, a contract of a merged housing authority, proof of a resolution adopted under Subsection (b) by the commissioners court of the county and the governing body of the municipality is conclusive evidence that the merged housing authority is authorized to transact business and exercise its powers under this chapter.

(e) When housing authorities are merged in the manner provided by this section:

(1) the rights, contracts, agreements, obligations, and property of the county housing authority become those of the municipal housing authority;

(2) the county housing authority shall execute deeds of the property to the municipal housing authority, which shall file the deeds with the county clerk of the county where the real property is located; and

(3) a person with rights or remedies against the county housing authority may assert, enforce, and prosecute those rights or remedies against the municipal housing authority.

(f) The vesting of the real property in the municipal housing authority is not contingent on compliance with Subsection (e)(2).

(g) At the time housing authorities are merged in the manner provided by this section, the county housing authority ceases to exist, except for the purpose of winding up the affairs of the authority and executing the deeds of real property to the municipal housing authority.

Sec. 392.017. OPERATION OF HOUSING AUTHORITY IN OTHER POLITICAL SUBDIVISIONS. (a) A county housing authority may not undertake a housing project in a municipality unless a resolution is adopted by the governing body of the municipality and by the housing authority authorized to exercise its powers exclusively in the municipality, if any:

(1) declaring a need for the county housing authority to exercise its powers in the municipality; and
(2) authorizing a cooperation agreement under Section...

(1) declaring a need for the municipal housing authority to exercise its powers in the political subdivision; and

operaTo. The area of operation of the authority 
is increased to include that part of the county not within the 
territorial boundaries of a municipality.

(b) The commissioners of the authority, the commissioners 
court of each county in the authority, and the commissioners court 
of the county outside the authority shall adopt the resolution 
required for expansion under Subsection (a) if:

(1) the commissioners court of the county outside the 
authority finds that there is unsanitary or unsafe inhabited 
housing in the county or a shortage of safe or sanitary housing in 
the county available to persons of low income at rentals they can 
afford; and

commissioners court of each county in the authority, and the 
commissioners court of the county outside the authority find that 
the regional housing authority would be a more efficient or 
economical administrative unit to carry out the purposes of this 
chapter if the county outside the authority is included in the area 
of operation of the authority.

(c) In determining whether housing is unsafe or unsanitary, 
the commissioners court shall consider the safety and sanitation of 
the housing, the availability to inhabitants of light and air 
space, the degree of overcrowding, the size and arrangement of 
rooms, and the extent to which conditions in the housing subject 
life or property to the danger of fire or other hazard.

(d) If the housing authority of the county outside the 
regional housing authority has outstanding obligations, the 
resolutions required for expansion under Subsection (a) may not be

(4) an address where objections to the substitution may be sent.

(f) The failure to receive an objection to the substitution of the regional housing authority on the obligations of the county housing authority on or before the 30th day after the date of the publication of the notice is equivalent to the unknown obligee's consent to the substitution.

(g) Before a resolution may be adopted under this section by the commissioners court, the court must hold a public hearing. Before the 10th day before the date of the hearing, the county clerk shall publish notice of the time, place, and purpose of the hearing in a newspaper published in the county or, if no newspaper is published in the county, in a newspaper published in the state with general circulation in the county.
