The Texas Facilities Commission may make additional recommendations regarding the use of the real property. The state agency that owns or controls real property named in the report may comment on any findings or recommendations made by the commissioner. The Texas Facilities Commission and any state agency that owns or controls real property named in the report shall complete a review of the draft report within 60 days of the receipt of the report and forward all recommendations and comments to the commissioner.

(d) If under the Texas Military Department's report submitted as provided by Section [437.154](#), Government Code, the department determines that real property under the management and

Sec. 31.1571. GOVERNOR'S REPORT. (a) At any time, the commissioner may make a report to the governor recommending real estate transactions or other actions involving any real property included in the most recent evaluation report and identified as not used or substantially underused.

(b) After the commissioner recommends a real estate transaction to the governor under this section, the commissioner shall notify the state agency that owns or controls the real property and the Texas Department of Housing and Community Affairs. Not later than the 60th day after the date the written recommendation is received, the state agency and the Texas Department of Housing and Community Affairs may file with the governor their comments on or objections to the recommendation.

(c) If the commissioner recommends a real estate transaction to the governor involving real property identified as not used or substantially underused and the division's analysis of the highest and best use for the real property is determined to be residential, the Texas Department of Housing and Community Affairs shall evaluate the property and identify any property suitable for affordable housing. The Texas Department of Housing and Community Affairs shall submit comments concerning any property suitable for affordable housing and any documents supporting the comments to the governor not later than the 60th day after the date it receives the report prepared under this section.

(d) Any unused or underused state property may be sold or leased, or an easement over the property may be granted, to the United States for the use and benefit of the United States armed

forces if the commissioner or the commissioner's designee, after consultation with appropriate military authorities, determines that the sale, lease, or easement would materially assist the military in accomplishing its mission. A sale, lease, or easement under this subsection must be at market value. The state shall retain all minerals it owns with respect to the land, but it may relinquish the right to use the surface to extract them.

(e) Notwithstanding any other law, real property that the commissioner has reported as unused or substantially underused and recommended for a real estate transaction may not be developed, sold, or otherwise disposed of by the state agency that owns or controls the real property before the earlier of:

(1) the date the governor rejects a recommended real estate transaction involving the real property; or

(2) two years from the date the recommendation is approved, unless extended by the governor.

(f) If a state agency that owns or controls real property reported as unused or substantially underused intends to dispose of or change the use of the real property prior to the time provided by Subsection (e), the governor may require a general development plan for future use of the real property or any other information. At any time, the governor may request that the state agency provide its general development plan or any other information to the land office for evaluation and may consult with the commissioner. The plan shall be submitted no later than 30 days prior to the time that the real estate transaction would be approved by operation of law if not disapproved by the governor. The governor may take such plan into consideration in determining whether to reject the commissioner's recommendation.

(g) The commissioner may conduct the transaction unless the governor gives the commissioner written notice disapproving the recommendation. The governor must provide written notice of disapproval under this subsection not later than the 90th day after the date the governor receives the commissioner's written recommendation.

Sec. 31.1573. REAL ESTATE TRANSACTIONS AUTHORIZED BY GOVERNOR. (a) The land office shall take charge and control of real property as necessary to conduct and close a real estate transaction authorized by the governor.

(b) The expenses incurred by the land office in conducting a real estate transaction, including the payment of reasonable brokerage fees, may be deducted from the proceeds of the transaction before the proceeds are deposited. The land office may adopt rules relating to the payment of reasonable brokerage fees.

(c) Unless otherwise dedicated by the Texas Constitution, the proceeds of the transaction shall be deposited:

(1) to the credit of the Texas capital trust fund if the agency is eligible under Chapter 2201, Government Code, to participate in that fund;

(2) in the state treasury to the credit of the affected agency if the agency is not eligible under Chapter 2201, Government Code, to participate in the Texas capital trust fund; or

(3) notwithstanding Subdivisions (1) and (2), as otherwise directed under the procedures of Chapter 317, Government Code.

(d) The grant of an interest in real property owned by the state under this section must:

(1) comply with the requirements of Section 31.158 to the extent the requirements do not conflict with a recommendation in the governor's report under Section 31.1571; and

(2) be conveyed by an instrument signed by the commissioner and, if the transaction was conducted under Section 31.158(c)(7), by the governor.

Sec. 31.158. REAL ESTATE TRANSACTIONS AUTHORIZED BY LEGISLATURE. (a) If the legislature authorizes a real estate transaction involving real property owned by the state, the division shall take possession and control of the real property and shall negotiate and close such real estate transaction on behalf of the state. In performing such duties, the division shall act on behalf of the state agency which owns or controls the subject state real property. Proceeds from the real estate transaction shall be deposited in the Texas capital trust fund unless the proceeds are dedicated by the constitution of this state to another fund or unless the enabling legislation ordering the real estate transaction provides otherwise.

(b) The division may not take possession and control under this section of real property administered by a state agency that, under Chapter 2201, Government Code, is ineligible to benefit from the Texas capital trust fund.

(c) Unless the enabling legislation or general law authorizing the real estate transaction specifies a different procedure, the division shall transact the sale or lease of state real property in the following manner:

(1) The sale or lease shall be by sealed bid, by public auction, or as provided by Subsection (d); provided, however, the School Land Board shall have the first option to purchase such real property pursuant to Section 31.159 of this code. Subdivisions (2)-(7) apply only to a sale or lease by sealed bid or public auction.

(2) Notice of the sale or lease shall be published at least 30 days prior to the date of sale or lease in at least three issues of four daily newspapers in the state. One of the papers must be of general circulation in the county where the real property is located.

(3) The notice shall state that real property is to be offered for sale or lease on a certain date and that lists describing the real property and terms of sale or lease can be obtained from the division.

(4) No bid may be accepted that does not meet the minimum value established by the commissioner, which shall not be less than market value.

(5) The division may reject any and all bids, but if the division elects not to reject any and all bids, it is required to accept the best bid submitted.

(6) If the award of a bid does not result in a final transaction with the bidder, the land office may solicit proposals, negotiate, and sell, exchange, or lease the real property, provided that the sales price may not be less than market value.

(7) If, after proper notice has been posted, no bids meeting the minimum requirements are received at the appointed time and place for the sale or lease, the division may solicit proposals and negotiate the sale, exchange, or lease of the real property to any person, provided that the sales price may not be less than the market value of the real property. The governor must approve any sale or lease of real property negotiated under this section. Failure of the governor to approve the sale or lease constitutes a veto of the transaction.

(8) Each grant of an interest in real property made pursuant to this section shall be made by an instrument signed by the commissioner and, if the governor's approval is required, by the governor.

(9) The expenses incurred by the division in conducting the sale, exchange, or lease, including the payment of reasonable brokerage fees, may be deducted from the proceeds of the sale prior to deposit in the Texas capital trust fund or other appropriate depository account. The division may promulgate rules relating to the payment of reasonable brokerage fees.

(10) These procedures will not apply to sales or leases of real property that are possessed by an agency that under Chapter [2201](#), Government Code, is ineligible to use the Texas capital trust fund or real property which belongs to the permanent school fund.

(11) Prior to the actual sale or lease, the state representative and state senator in the district where the subject real property is located shall be notified of all efforts to sell or

lease the real property and shall be provided with copies of all brokerage contacts relating to the sale or lease.

(d) The division may contract for the services of a real estate broker or a private brokerage or real estate firm in the course of a real estate transaction under this section if the commissioner determines contracting for those services is in the best interest of the state.

(a) If the legislature authorizes or the governor approves the transfer of title to real property to an entity for use as affordable housing, the division shall take possession and control of the real property and shall conduct the transaction as provided by the policy adopted under Subsection (b).

(b) The division shall adopt a policy regarding the method of transferring title to real property designated as suitable for affordable housing to an entity for use as affordable housing. Sec. 31.1582. SALE OF CERTAIN MINERAL INTERESTS. (a) If the General Land Office receives from a landowner an offer to buy the state's interest in the mineral estate in real property to which the landowner holds title, the General Land Office may sell to the landowner, for fair market value, any fractional mineral interest held by the state that:

(1) is a fractional mineral interest of 1/32 or less;

and

(2) is severed from a parcel of land that:

(A) is 80 acres or less; and

(B) is located in a county with a population of less than 11,000.

(b) This section does not apply to land under the management and control of the board of regents of a public or private institution of higher education.

Sec. 31.1585. CERTAIN PROCEEDS. Notwithstanding any other law, proceeds from the sale of real property purchased with general revenue funds that was recommended for sale by the division and not disapproved for sale by the governor during the calendar years 1995 through 2002 shall be deposited in the unobligated portion of the general revenue fund and may only be appropriated to the state agency that possessed the property at the time of the sale for use by the state agency in performing its duties.

Added by Acts 2003, 78th Leg., ch. 1091, Sec. 18, eff. June 20, 2003.

Sec. 31.159. FIRST OPTION TO PURCHASE. (a) The School Land Board has a first option to purchase real property authorized for sale by the legislature or the governor. The board may exercise its option by tendering cash for market value as mutually agreed on by the board and the state agency that owns the real property, but the purchase price may not be less than market value. For purposes of this section, the division may request more than one appraisal to determine market value. If the parties cannot agree on a value, the board and the state agency that owns the real property shall follow the procedures provided by Subsections (d) and (e). The board may not pay more than market value.

(b) The division shall inform the School Land Board of the proposed sale and its first option to purchase state agency real property. If the board decides to exercise its option under this section, the division shall appoint an appraiser not later than the

30th day after the date the board notifies the division of its decision.

(c) The School Land Board must complete the cash purchase not later than the 120th day after the date the board exercises its first option to purchase. If the School Land Board fails to complete the purchase within the time permitted, the division may extend the time for completing the purchase or disposing of the real property as authorized by the legislature or approved by the governor.

(d) If the state agency that owns the real property disputes the market value, the School Land Board shall request a second appraisal. If the School Land Board fails to request a second appraisal, the division shall appoint a second appraiser not later than the 21st day after the date the state agency notifies the School Land Board that it disputes the market value. On completion of the second appraisal, the two appraisers shall meet promptly and attempt to reach agreement on the market value. If the two appraisers fail to reach agreement within 10 days of the meeting, the land office shall request a third appraiser to reconcile the two previous appraisals. The determination of value by the third appraiser may not be less than the lower or more than the higher of the first two appraisals. The market value determined by the third appraiser is final and binding on all parties.

(e) The division may appoint an appraiser employed by the land office for the performance of any one of the required appraisals. Any other appraiser employed under this section must be selected in accordance with Subchapter A, Chapter 2254, Government Code. The party requesting the appraisal shall award the appraisal services contract to the provider of professional services after considering the factors identified in Chapter 2254, Government Code. The division shall pay the expenses of appraisal. Added by Acts 1985, 69th Leg., ch. 102, Sec. 2, eff. May 15, 1985. Amended by Acts 1985, 69th Leg., ch. 270, Sec. 5, eff.
