Sec. 1702.163. QUALIFICATIONS FOR SECURITY OFFICER COMMISSION. (a) An applicant employed by a company license holder is not eligible for a security officer commission unless the applicant submits as part of the application satisfactory evidence that the applicant has:

(1) completed the basic training course at a school or under an instructor approved by the department;
(2) met each qualification established by this chapter and administrative rule;
(3) achieved the score required by the department on the examination under Section 1702.1685; and
(4) demonstrated to the satisfaction of the firearm training instructor that the applicant has complied with other department standards for minimum marksmanship competency with a handgun.

(b) An individual is not eligible for a security officer commission if the individual:

(1) is disqualified by state or federal law from owning or possessing a firearm;
(2) is incapable of exercising sound judgment in the proper use and storage of a handgun;
(3) is a fugitive from justice for a felony or a Class A or Class B misdemeanor;

(c) An individual who has been convicted twice in the 10-year period preceding the date on which the person applies for a security officer commission of an offense of the grade of Class B misdemeanor or greater that involves the use of alcohol or a controlled substance as a statutory element of the offense is a chemically dependent person for purposes of this section and is not qualified to receive a security officer commission under this subchapter. This subsection does not preclude the disqualification of an individual for being a chemically dependent
person if other evidence exists to demonstrate that the person is a chemically dependent person.

(d) For purposes of Subsection (b)(2), a person is incapable of exercising sound judgment with respect to the proper use and storage of a handgun if the person:

1. has been diagnosed by a licensed physician as suffering from a psychiatric disorder or condition that causes or is likely to cause substantial impairment in judgment, mood, perception, impulse control, or intellectual ability;

3. inpatient or residential substance abuse treatment in the five years preceding the date of the application;

(B) bipolar disorder;
(C) chronic dementia, whether caused by illness, brain defect, or brain injury;
(D) dissociative identity disorder;
(E) intermittent explosive disorder; or
(F) antisocial personality disorder.

(f) Notwithstanding Subsection (d), a person who has previously been diagnosed as suffering from a psychiatric disorder or condition described by Subsection (d) or listed in Subsection (e) is not because of that disorder or condition incapable of exercising sound judgment with respect to the proper use and storage of a handgun if the person provides the department with a certificate from a licensed physician whose primary practice is in the field of psychiatry stating that the psychiatric disorder or condition is in remission and is not reasonably likely to develop at a future time.

(g) An individual's eligibility under this section is not affected by a relationship or lack of relationship between the nature of a criminal charge or conviction and the regulated occupation.

Except as provided by Subsection (d), each applicant shall submit at the time of application, including an application for the renewal of a license or security officer commission issued under this chapter, fingerprints in the manner prescribed by the department accompanied by the fee set by the commission.

If the applicant fails to provide either the letter of reference or documentary proof of the final disposition of the arrest, the application is considered incomplete and the applicant may not be issued a license or security officer commission under this chapter.
