(b) Rules adopted under this section must require that:

(1) an informal meeting in compliance with Section 2001.054, Government Code, be scheduled not later than the 180th day after the date the complaint is filed with the acupuncture board, unless good cause is shown by the acupuncture board for

whether an informal disposition is appropriate.

(b) Notwithstanding Subsection (a) and Section 205.3541(b)(4), an informal proceeding may be conducted by one panelist if the affected acupuncturist waives the requirement that at least two panelists conduct the informal proceeding. If the acupuncturist waives that requirement, the panelist may be any member of the acupuncture board.

(c) The panel requirements described by Subsection (a) apply to an informal proceeding conducted by the acupuncture board under Section 205.3541, including a proceeding to:

The attorney may ask questions of participants in the informal meeting to clarify any statement made by the participant. The attorney shall provide to the panel a historical
perspective on comparable cases that have appeared before the acupuncture board or medical board, keep the proceedings focused on the case being discussed, and ensure that the medical board's employees and the affected acupuncturist have an opportunity to present information related to the case. During the panel's deliberation, the attorney may be present only to advise the panel on legal issues and to provide information on comparable cases that have appeared before the acupuncture board or medical board.

(d) The panel and medical board employees shall provide an opportunity for the affected acupuncturist and the acupuncturist's authorized representative to reply to the board employees' presentation and to present oral and written statements and facts that the acupuncturist and representative reasonably believe could be proven by competent evidence at a formal hearing.

(e) An employee of the medical board who participated in the presentation of the allegation or information gathered in the investigation of the complaint, the affected acupuncturist, the acupuncturist's authorized representative, the complainant, the witnesses, and members of the public may not be present during the deliberations of the panel. Only the members of the panel and the attorney serving as counsel to the panel may be present during the deliberations.

(b) A rehabilitation order imposed under Section 205.356 must contain findings of fact and conclusions of law. The order may impose a revocation, cancellation, suspension, period of probation or restriction, or any other term authorized by this chapter or agreed to by the acupuncture board and the person subject to the order.
