(b) In a protest under this section, the board must determine whether the rejection was reasonable under the criteria described by Section 2301.359. The burden is on the manufacturer or distributor to prove that the prospective transferee is not qualified under the criteria. The board shall enter an order holding that the prospective transferee either is qualified or is not qualified.

(c) If the board's order is that the prospective transferee is qualified, the dealer's franchise is amended to reflect the change in franchisee, and the manufacturer or distributor shall accept the transfer for all purposes.

(d) If the board's order is that the prospective transferee is not qualified, the board may include in the order:

(1) specific reasons why the prospective transferee is not qualified; and

(2) specific conditions under which the prospective transferee would be qualified.

(e) If the board's order that a prospective transferee is not qualified includes specific conditions under which the prospective transferee would be qualified, the board may retain jurisdiction of the dispute for a time certain to allow the dealer and prospective transferee to meet the conditions.

(e) If the board does not determine that the disapproval of the request or failure to respond was reasonable, the board shall order the requested rate into effect as of the 60th day after the receipt of the request by the manufacturer or distributor.

(f) Except by agreement of the parties, a warranty labor rate established under this subchapter may not be adjusted more often than once a year.

SUBCHAPTER J. MANUFACTURERS, DISTRIBUTORS, AND REPRESENTATIVES

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003.

Sec. 2301.452. DELIVERY OF MOTOR VEHICLE OR PART. (a) A manufacturer, distributor, or representative shall deliver in a reasonable quantity and within a reasonable time to a franchised dealer who holds a franchise for a motor vehicle sold or distributed by the manufacturer, distributor, or representative any new motor vehicle or part or accessory for a new motor vehicle as covered by the franchise if the vehicle, part, or accessory is publicly advertised as being available for delivery or is actually being

delivered.

(b) This section does not apply to a delivery prevented by:

- (1) an act of God;
- (2) a work stoppage or delay because of a strike or labor dispute;
- (3) a freight embargo; or
- (4) another cause beyond the control of the manufacturer, distributor, or representative.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003.

Sec. 2301.453. TERMINATION OR DISCONTINUANCE OF FRANCHISE.

(a) Notwithstanding the terms of any franchise, a manufacturer, distributor, or representative may not terminate or discontinue a franchise with a franchised dealer or directly or indirectly force or attempt to force a franchised dealer to relocate or discontinue a line-make or parts or products related to that line-make unless the manufacturer, distributor, or representative provides notice of the termination or discontinuance as required by Subsection (c) and:

- (1) the manufacturer, distributor, or representative receives the dealer's informed written consent;
- (2) the appropriate time for the dealer to file a protest under Subsection (e) has expired; or
- (3) the board makes a determination of good cause under Subsection (g).

(b) A termination or discontinuance to which this section applies includes a termination or discontinuance of a franchise that results from a change by a manufacturer, distributor, or representative of its:

- (1) distributor;
- (2) method of distribution of its products in this state; or
- (3) business structure or ownership.

(c) Except as provided by Subsection (d), the manufacturer, distributor, or representative must provide written notice by registered or certified mail to the dealer and the board stating the specific grounds for the termination or discontinuance. The notice

must:

(2) contain on its first page a conspicuous statement that reads: "NOTICE TO DEALER: YOU MAY BE ENTITLED TO FILE A PROTEST WITH THE TEXAS MOTOR VEHICLE BOARD IN AUSTIN, TEXAS, AND HAVE A HEARING IN WHICH YOU MAY PROTEST THE PROPOSED TERMINATION OR DISCONTINUANCE OF YOUR FRANCHISE UNDER THE TERMS OF CHAPTER 2301, OCCUPATIONS CODE, IF YOU OPPOSE THIS ACTION."

(d) Notice may be provided not later than the 15th day before the effective date of termination or discontinuance if a licensed dealer fails to conduct its customary sales and service operations during its customary business hours for seven consecutive business days. This subsection does not apply if the failure is caused by:

(1) an act of God;

(2) a work stoppage or delay because of a strike or labor dispute;

(3) an order of the board; or

(4) another cause beyond the control of the dealer.

(e) A franchised dealer may file a protest with the board of the termination or discontinuance not later than the latter of:

(1) the 60th day after the date of the receipt of the notice of termination or discontinuance; or

(2) the time specified in the notice.

(f) After a timely protest is filed under Subsection (e), the board shall notify the party seeking the termination or discontinuance that:

(1) a timely protest has been filed;

(2) a hearing is required under this chapter; and

(3) the party may not terminate or discontinue the franchise until the board issues its final order or decision.

(g) After a hearing, the board shall determine whether the party seeking the termination or discontinuance has established by a preponderance of the evidence that there is good cause for the proposed termination or discontinuance.

(h) If a franchise is terminated or discontinued, the

manufacturer, distributor, or representative shall establish another franchise in the same line-make within a reasonable time unless it is shown to the board by a preponderance of the evidence that the community or trade area cannot reasonably support such a dealership. If this showing is made, a license may not be issued for a franchised dealer in the same area until a change in circumstances is established.

(i) A manufacturer that changes its distributor or the method of distribution of its products in this state in a manner that results in unlawful termination or discontinuance of a franchise without good cause may not directly or indirectly distribute its products in this state.

Sec. 2301.454. MODIFICATION OR REPLACEMENT OF FRANCHISE.

(a) Notwithstanding the terms of any franchise, a manufacturer, distributor, or representative may not modify or replace a franchise if the modification or replacement would adversely affect to a substantial degree the dealer's sales, investment, or obligations to provide service to the public, unless:

(1) the manufacturer, distributor, or representative provides written notice by registered or certified mail to each affected dealer and the department of the modification or replacement; and

(2) if a protest is filed under this section, the board approves the modification or replacement.

(b) The notice required by Subsection (a)(1) must:

(1) be given not later than the 60th day before the date of the modification or replacement; and

(2) contain on its first page a conspicuous statement that reads: "NOTICE TO DEALER: YOU MAY BE ENTITLED TO FILE A PROTEST WITH THE TEXAS MOTOR VEHICLE BOARD IN AUSTIN, TEXAS, AND HAVE A HEARING IN WHICH YOU MAY PROTEST THE PROPOSED MODIFICATION OR REPLACEMENT OF YOUR FRANCHISE UNDER THE TERMS OF CHAPTER 2301, OCCUPATIONS CODE, IF YOU OPPOSE THIS ACTION."

(1) the 60th day after the date of the receipt of the notice; or

(2) the time specified in the notice.

(d) After a protest is filed, the board shall determine whether the manufacturer, distributor, or representative has established by a preponderance of the evidence that there is good cause for the proposed modification or replacement. The prior franchise continues in effect until the board resolves the protest. Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003. Notwithstanding the terms of any franchise, in determining whether good cause has been established under Section 2301.453 or 2301.454, the board shall consider all existing circumstances, including:

(1) the dealer's sales in relation to the sales in the market;

(2) the dealer's investment and obligations;

(3) injury or benefit to the public;

(4) the adequacy of the dealer's service facilities, equipment, parts, and personnel in relation to those of other dealers of new motor vehicles of the same line-make;

(5) whether warranties are being honored by the dealer;

(6) the parties' compliance with the franchise, except to the extent that the franchise conflicts with this chapter; and

(7) the enforceability of the franchise from a public policy standpoint, including issues of the reasonableness of the franchise's terms, oppression, adhesion, and the parties' relative bargaining power.

(b) The desire of a manufacturer, distributor, or representative for market penetration does not by itself constitute good cause.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003.

Sec. 2301.456. USE OF ADVERTISING. A manufacturer, distributor, or representative may not:

(a) Notwithstanding the terms of any franchise or any other law, a franchised dealer's preparation, delivery, and warranty obligations are the dealer's sole responsibility for product liability as between the dealer and a manufacturer or distributor.

(b) Notwithstanding the terms of any franchise or any other law, a manufacturer or distributor shall reimburse the dealer for any loss incurred by the dealer, including legal fees, court costs, and damages, as a result of the dealer having been named a party in a product liability action, except for a loss caused by the dealer's:

After the hearing, the board shall determine whether the manufacturer or distributor has established by a preponderance of the evidence that the grounds for the denial or withholding of approval of the relocation are reasonable.

(B) less all allowances paid to the franchised dealer by the manufacturer, distributor, or representative.

(2) "Net discount value" is the net cost multiplied by the total mileage, exclusive of mileage placed on the motor vehicle before it was delivered to the dealer, divided by 100,000.

(b) Notwithstanding the terms of any franchise, after the termination of a franchise, a manufacturer, distributor, or representative shall pay to a franchised dealer or any lienholder, in accordance with the interest of each, the following amounts:

(1) the dealer cost of each new motor vehicle in the dealer's inventory with mileage of 5,000 miles or less, exclusive of mileage placed on the vehicle before it was delivered to the dealer, reduced by the net discount value of each vehicle, except that if a vehicle cannot be reduced by the net discount value, the manufacturer or distributor shall pay the dealer the net cost of the vehicle;

(2) the dealer cost of each new, unused, undamaged, and unsold part or accessory that:

(A) is in the current parts catalogue and is still in the original, resalable merchandising package and in an unbroken lot, except in the case of sheet metal, a comparable substitute for the original package may be used; and

(B) was purchased by the dealer either directly from the manufacturer or distributor or from an outgoing authorized dealer as a part of the dealer's initial inventory;

(3) the fair market value of each undamaged sign owned by the dealer that bears a trademark or tradename used or claimed by the manufacturer, distributor, or representative and that was purchased from or at the request of the manufacturer, distributor, or representative;

(4) the fair market value of all special tools, data processing equipment, and automotive service equipment owned by the dealer that:

(B) were purchased from or at the request of the manufacturer, distributor, or representative; and

(C) are in usable and good condition except for reasonable wear and tear;

(5) the cost of transporting, handling, packing, storing, and loading any property subject to repurchase under this section; and

(6) the depreciated value of computer software that was recommended and required in writing by the manufacturer, distributor, or representative.

(c) An amount described by Subsection (b) is due:

(1) for property described by Subsection (b)(1), not later than the 60th day after the date a franchise is terminated; and

(2) for all other property described by Subsection (b), not later than the 90th day after the date a franchise is terminated.

(d) As a condition of payment, a franchised dealer must comply with reasonable requirements provided by the franchise regarding the return of inventory.

(e) A manufacturer or distributor shall reimburse a franchised dealer for the dealer's cost for storing any property covered by this section:

(1) beginning on the 91st day after the date the franchise is terminated; or

(2) before the date described by Subdivision (1) if the dealer notifies the manufacturer or distributor of the commencement of storage charges within that period.

(f) On receipt of notice under Subsection (e)(2), a manufacturer or distributor may immediately take possession of the property by repurchase under this section.

(g) A manufacturer, distributor, or representative who

fails to pay an amount within the time required by this section or at the time the dealer and any lienholder proffer good title before the time required for payment, is liable to the dealer for:

(1) the dealer cost, fair market value, or current price of the inventory, whichever amount is highest;

(2) interest on the amount due computed at the rate applicable to a judgment of a court; and

(3) reasonable attorney's fees and costs.

(h) Notwithstanding any other law, this section does not require a manufacturer, distributor, or representative to repurchase a motor vehicle that:

(1) at the time of termination of the franchise had been in the dealer's inventory for at least 24 months after the date the dealer took delivery of the vehicle; or

(2) the dealer purchased not more than 30 days before the date of termination of the franchise solely in anticipation of the termination and, in the ordinary course of business, would not have purchased.

(i) the first anniversary of the termination or discontinuance date; or

(ii) the date on which the dealer no longer owns the dealership;

(2) the dealer's costs for upgrading or substantially altering a dealership if the upgrades or alterations were completed or added in the two years preceding the date of the termination or discontinuance described by Subsection (a); and

(3) an amount equal to the value of the goodwill associated with the franchise as it existed on the day before the earlier of:

(A) the date of the termination or discontinuance described by Subsection (a); or

(B) the date on which the manufacturer, distributor, or representative announced its intention to terminate or discontinue the franchise in a manner described by Subsection (a).

(c) A franchised dealer receiving money under Subsection (b)(1)(B) shall:

(1) make a reasonable effort to earn income from a dealership after a termination or discontinuance described by

Subsection (a); and

(2) inform the manufacturer, distributor, or representative of the dealer's efforts under Subdivision (1) and of any income earned from the dealership.

(d) The amounts to be paid under Subsection (b)(1) or (2) to the dealer by a manufacturer, distributor, or representative shall be based on the percentage of the total square footage of the dealership attributable to sales, service, and parts suggested by a manufacturer or distributor and allocated to the franchise being terminated or discontinued at the time of the termination or discontinuance.

(e) A franchised dealer receiving money under Subsection (b)(1) or (2) shall mitigate damages by listing the dealership for lease or sublease with a real estate broker licensed under Chapter [1101](#) not later than the 30th day after the effective date of the termination or discontinuance described by Subsection (a) and shall reasonably cooperate with the broker in the performance of the broker's duties.

(f) A manufacturer, distributor, or representative may reduce the amount of a payment made to a franchised dealer under Subsection (b)(1)(B) by the amount of any income earned by the dealer from the dealership during the month preceding the payment.

(g) The manufacturer, distributor, or representative, as appropriate, shall pay any amount described by Subsection (b)(1)(A), (b)(2), or (b)(3) not later than the 90th day after the date of the termination or discontinuance described by Subsection (a).

(h) An amount payable under Subsection (b)(1)(A) or (b)(2) does not include any tax depreciation benefit received by the franchised dealer or any amount previously paid to the franchised dealer by the manufacturer, distributor, or representative to subsidize the costs incurred by the dealer in performing the activities described by Subsection (b)(1)(A) or (b)(2).

(b) An arbitrator shall apply this chapter in resolving a controversy. Either party may appeal to the board a decision of an arbitrator on the ground that the arbitrator failed to apply this chapter.

Sec. 2301.467. PROHIBITIONS: SALES STANDARDS, RELOCATIONS, FACILITY CHANGES, PURCHASE OF EQUIPMENT. (a) Notwithstanding the terms of any franchise, a manufacturer, distributor, or representative may not:

(1) require adherence to unreasonable sales or service standards; or

(2) unreasonably require a franchised dealer to purchase special tools or equipment.

(b) Notwithstanding the terms of any franchise, a manufacturer, distributor, or representative may not unreasonably require a franchised dealer to relocate, or to replace or substantially change, alter, or remodel the dealer's facilities. Except as provided by Subsections (b-1) and (b-2), an act is reasonable if it is justifiable in light of current and reasonably foreseeable projections of economic conditions, financial expectations, and the market for new motor vehicles in the relevant market area.

(b-1) Except as necessary to comply with health or safety laws or to comply with technology requirements necessary to sell or service a line-make, it is unreasonable for a manufacturer, distributor, or representative to require a franchised dealer to construct a new dealership or to substantially change, alter, or remodel an existing dealership before the 10th anniversary of the

date the construction of the dealership at that location was completed if the construction was in substantial compliance with standards or plans provided by a manufacturer, distributor, or representative or through a subsidiary or agent of the manufacturer, distributor, or representative.

(b-2) Except as necessary to comply with health or safety laws or to comply with technology requirements necessary to sell or service a line-make, it is unreasonable for a manufacturer, distributor, or representative to require a franchised dealer to substantially change, alter, or remodel an existing dealership before the 10th anniversary of the date that a prior change, alteration, or remodel of the dealership at that location was completed if the change, alteration, or remodel was in substantial compliance with standards or plans provided by a manufacturer, distributor, or representative or through a subsidiary or agent of the manufacturer, distributor, or representative.

considers appropriate;

(2) control the use of the dealership property after the franchise is terminated or discontinued; or

Sec. 2301.468. INEQUITABLE TREATMENT OF DEALERS OR FRANCHISEES. Notwithstanding the terms of a franchise, a manufacturer, distributor, or representative may not treat franchised dealers of the same line-make differently as a result of the application of a formula or other computation or process intended to gauge the performance of a dealership or otherwise enforce standards or guidelines applicable to its franchised dealers in the sale of motor vehicles if, in the application of the standards or guidelines, the franchised dealers are treated unfairly or inequitably in the sale of a motor vehicle owned by the manufacturer or distributor.

(1) the purchaser of the vehicle purchase any product other than the motor vehicle from the manufacturer, the distributor, or an entity owned or controlled by the manufacturer or distributor; or

(2) an insurance policy or service contract bought by the purchaser be from a specific source.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003.

(b) This section does not limit the right of a financing entity to engage in business practices in accordance with the usage of trade in retail and wholesale motor vehicle financing.

Sec. 2301.472. ADDITION OF LINE-MAKE. (a) Notwithstanding the terms of any franchise, a manufacturer, distributor, or representative may not deny or withhold approval of a franchised dealer's application to add a line-make or parts or products related to that line-make unless:

(1) the manufacturer or distributor provides written notice of the denial or withholding of approval to the applicant not later than the 60th day after the date the application is received; and

(2) if the applicant files a protest under this section, the board upholds the denial or withholding of approval.

(b) After receiving notice under Subsection (a)(1), a dealer may file a protest with the board.

(c) If the dealer files a protest, the board may uphold the manufacturer's or distributor's decision to deny or withhold approval of the addition of the line-make only if the manufacturer

or distributor establishes by a preponderance of the evidence that the denial or withholding of approval was reasonable.

(d) In determining whether a manufacturer or distributor has established that the denial or withholding of approval is reasonable, the board shall consider all existing circumstances, including:

(1) the dealer's sales in relation to the sales in the market;

(2) the dealer's investment and obligations;

(3) injury or benefit to the public;

(4) the adequacy of the dealer's sales and service facilities, equipment, parts, and personnel in relation to those of other dealers of new motor vehicles of the same line-make;

(5) whether warranties are being honored by the dealer agreement;

(6) the parties' compliance with the franchise, except to the extent that the franchise conflicts with this chapter;

(7) the enforceability of the franchise from a public policy standpoint, including issues of the reasonableness of the franchise's terms, oppression, adhesion, and the parties' relative bargaining power;

(8) whether the dealer complies with reasonable capitalization requirements or will be able to comply with reasonable capitalization requirements within a reasonable time;

(9) any harm to the manufacturer or distributor if the denial or withholding of approval is not upheld;

(10) any harm to the dealer if the denial or withholding of approval is upheld;

(A) pay an extra fee;

for the rejection.

(2) charge back to a dealer the cash value of a prize or other thing of value awarded to the dealer as a result of the incentive program; or

(3) audit the records of a dealer to determine compliance with the terms of the incentive program, unless the manufacturer or distributor has reasonable grounds to believe the dealer committed fraud with respect to the incentive program.

(c) Money paid by a manufacturer or distributor under an incentive program may only be paid to a dealer, unless the dealer agrees to the payment of the money to another person, including an employee of the dealer, before the payment is made.

Sec. 2301.476. MANUFACTURER OR DISTRIBUTOR OWNERSHIP, OPERATION, OR CONTROL OF DEALERSHIP. (a) In this section, "manufacturer" includes:

- (1) a representative; or
- (2) a person who:
 - (A) is affiliated with a manufacturer or representative; or
 - (B) directly or indirectly through an intermediary, is controlled by, or is under common control with, a manufacturer.

(b) For purposes of Subsection (a)(2)(B), a person is controlled by a manufacturer if the manufacturer is directly or indirectly authorized, by law or by agreement of the parties, to direct or influence the person's management and policies.

(c) Except as provided by this section, a manufacturer or distributor may not directly or indirectly:

- (1) own an interest in a franchised or nonfranchised dealer or dealership;
- (2) operate or control a franchised or nonfranchised dealer or dealership; or
- (3) act in the capacity of a franchised or nonfranchised dealer.

(d) A manufacturer or distributor may own an interest in a franchised dealer, or otherwise control a dealership, for a period not to exceed 12 months from the date the manufacturer or distributor acquires the dealership if:

- (1) the person from whom the manufacturer or distributor acquired the dealership was a franchised dealer; and
- (2) the dealership is for sale by the manufacturer or distributor at a reasonable price and on reasonable terms and conditions.

(e) On a showing of good cause by a manufacturer or distributor, the board may extend the time limit imposed under Subsection (d) for a period not to exceed an additional 12 months. An application for an extension after the first extension is granted is subject to protest by a dealer of the same line-make whose dealership is located in the same county as, or within 15

miles of, the dealership owned or controlled by the manufacturer or distributor.

(f) For the purpose of determining compliance with Subsection (d)(2), the price of a dealership and the other terms and conditions of a contract for the sale of a dealership are reasonable if the purchaser is a franchised dealer who:

(1) has made a significant investment in the dealership, subject to loss;

(2) has an ownership interest in the dealership; and

(3) operates the dealership under a plan to acquire full ownership of the dealership within a reasonable time and under reasonable terms and conditions.

(g) For the purpose of broadening the diversity of its dealer body and enhancing opportunities for qualified persons who are part of a group that has been historically underrepresented in its dealer body, or other qualified persons who lack the resources to purchase a dealership outright, but for no other purpose, a manufacturer or distributor may temporarily own an interest in a dealership if the manufacturer's or distributor's participation in the dealership is in a bona fide relationship with a franchised dealer who:

(1) has made a significant investment in the dealership, subject to loss;

(2) has an ownership interest in the dealership; and

(3) operates the dealership under a plan to acquire full ownership of the dealership within a reasonable time and under reasonable terms.

(h) A person who on June 7, 1995, held both a motor home manufacturer's license and a motor home dealer's license issued under this chapter may:

(1) hold:

(A) a motor home manufacturer's license;

(B) a general distinguishing number issued under Chapter 503, Transportation Code; and

(C) not more than two franchised dealer's licenses; and

(2) operate as both a manufacturer and dealer of motor

homes but of no other type of vehicle.

(h-1) A person who on January 18, 2002, held both a converter's license to convert buses with a gross vehicle weight rating of 40,000 pounds or more and a franchised dealer's license to sell buses issued under this chapter may:

- (1) regain and hold both licenses; and
- (2) operate as both a converter and franchised dealer of bus conversions with a gross vehicle weight rating of 40,000 pounds or more but of no other type of vehicle.

(i) Notwithstanding the terms of this chapter, and subject to the limitations set forth in this subsection, a manufacturer or distributor may own an interest in an entity that holds a general distinguishing number if the entity:

- (1) is primarily engaged in the business of renting to other persons passenger vehicles or commercial motor vehicles that the entity owns; and

- (2) sells or offers for sale no vehicle other than a vehicle that the entity:

- (A) owns and has taken from service in its rental fleet; or

- (B) has taken in trade as part of a transaction involving the sale of a vehicle taken from service in its rental fleet.

(j) This section does not prohibit a manufacturer or distributor that owned, on or before January 1, 2007, an interest in a motor vehicle dealer engaged in the sale of used motor vehicles, and that has not agreed to or been ordered by a court order or ruling to comply with Subsection (c), from continuing to directly or indirectly own an interest in the motor vehicle dealer if the manufacturer's or distributor's ownership and control of the motor vehicle dealer does not increase after January 1, 2007. The exception provided by this subsection:

- (1) applies if the motor vehicle dealer is engaged in the business of selling or offering for sale only used trucks that have a gross vehicle weight rating of 16,000 pounds or more;

- (2) does not apply if the motor vehicle dealer sells a new motor vehicle;

(3) does not permit an increase in the manufacturer's or distributor's ownership interest in the motor vehicle dealer;

(4) does not grant an exception to this chapter other than the exception expressly provided by this subsection;

(5) applies regardless of whether there is a transfer or relocation of the motor vehicle dealer required by:

(A) an act of God;

(B) the exercise of eminent domain authority; or

(C) another reason approved by the division after a hearing conducted in the same manner as a contested case under Subchapter O; and

(6) does not apply if the manufacturer or distributor no longer owns the interest in the motor vehicle dealer that the manufacturer or distributor owned on or before January 1, 2007.

(k) A motor vehicle dealer under Subsection (j) violates that subsection if the dealer:

(1) sells or offers for sale a motor vehicle with a gross vehicle weight rating of less than 16,000 pounds, other than a motor vehicle the dealer has acquired as a trade-in in a transaction involving the retail sale of a motor vehicle with a gross vehicle weight rating of 16,000 pounds or more and if the trade-in motor vehicle will be sold or offered for sale only to a person who holds a general distinguishing number issued in the category described by Section 503.029(a)(6)(C), Transportation Code;

(2) performs or offers to perform new motor vehicle warranty repair; or

(3) sells or offers for sale a new motor vehicle.

(l) A manufacturer or distributor described by Subsection (j) violates that subsection if the manufacturer or distributor:

(1) sells, assigns, or otherwise transfers an interest in the motor vehicle dealer or a portion of its interest in the motor vehicle dealer to an unaffiliated manufacturer or distributor; or

(2) increases its ownership interest in the motor vehicle dealer.

(m) A person who violates Subsection (j), (k), or (l) is subject to:

- (1) a civil penalty under Section [2301.801](#);
- (2) a suit for injunctive relief under Section [2301.804](#); and
- (3) denial, revocation, or suspension of a license under Section [2301.651](#).

(n) For purposes of Subsections (j), (k), and (l), a reference to a motor vehicle dealer includes the physical premises, business facilities, and operations where motor vehicle sales occur.

(o) This subsection, Subsections (j) through (n), and the exception provided by Subsection (j) expire September 1, 2023.

Sec. 2301.477. MANUFACTURER DOING BUSINESS IN THIS STATE. A manufacturer whose products are offered for sale in this state under a franchise entered into between its distributor or representative and a dealer is bound by the terms of the franchise and this chapter as if the manufacturer had executed the franchise. Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003.

Sec. 2301.478. ACTION ON FRANCHISE. (a) Notwithstanding the terms of any franchise or any other law, an action or proceeding brought by a manufacturer, representative, converter, or distributor against a dealer must be brought in an appropriate forum in this state only, and the law of this state applies to the

action or proceeding.

(b) Each party to a franchise owes to the other party a duty of good faith and fair dealing that is actionable in tort.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003.

Sec. 2301.479. ADVERSE ACTION IN CONNECTION WITH EXPORT OF VEHICLE. (a) Except as otherwise provided by this section, a manufacturer, distributor, or representative may not take an adverse action against a franchised dealer because the franchised dealer sells or leases a vehicle that is later exported to a location outside the United States.

(b) A franchise provision that allows a manufacturer, distributor, or representative to take adverse action against a franchised dealer because the franchised dealer sells or leases a vehicle that is later exported to a location outside the United States is enforceable only if, at the time of the original sale or lease, the dealer knew or reasonably should have known that the vehicle would be exported to a location outside the United States.

(c) A franchised dealer is presumed to have no actual knowledge that a vehicle the dealer sells or leases will be exported to a location outside the United States if, under the laws of a state of the United States:

- (1) the vehicle is titled;
- (2) the vehicle is registered; and
- (3) applicable state and local taxes are paid for the vehicle.

(d) The presumption under Subsection (c) may be rebutted by direct, clear, and convincing evidence that the franchised dealer had actual knowledge or reasonably should have known at the time of the original sale or lease that the vehicle would be exported to a location outside the United States.

(e) Except as otherwise permitted by this section, a franchise provision that allows a manufacturer, distributor, or representative to take adverse action against a franchised dealer because the franchised dealer sells or leases a vehicle that is later exported to a location outside the United States is void and unenforceable.

Added by Acts 2009, 81st Leg., R.S., Ch. 684 (H.B. 2640), Sec. 8, eff. September 1, 2009.

Sec. 2301.480. DISCLOSURE OF CERTAIN INFORMATION. A manufacturer, distributor, or representative may not require that a franchised dealer provide to the manufacturer, distributor, or representative information regarding a customer, except to the extent that a specific item of information is necessary:

(1) for the sale or delivery of a new motor vehicle to a customer;

(2) for reasonable marketing purposes;

(3) to validate a claim and make payment under an incentive program;

(4) to support a dealer's claim for reimbursement for repairs performed under a manufacturer's warranty; or

(5) to satisfy a product recall or safety obligation.

Added by Acts 2011, 82nd Leg., R.S., Ch. 137 (S.B. 529), Sec. 11, eff. September 1, 2011.

Sec. 2301.481. PROPERTY USE AGREEMENT. (a) A manufacturer, distributor, or representative may not require that a dealer enter into a property use agreement as a condition of the manufacturer, distributor, or representative:

(1) entering into a franchise;

(2) approving a franchised dealer's application to add a line-make;

(3) approving a franchised dealer's application to relocate a franchise; or

(4) approving a sale or transfer of a dealer, dealership, or franchise.

(b) The following provisions in a property use agreement are void and unenforceable:

(1) a limitation on the franchised dealer's ability to add a line-make; or

(2) a provision that binds a franchised dealer's successor.

(c) A property use agreement expires on the earlier of:

(1) the date provided by the property use agreement;
or

Sec. 2301.482. CERTAIN PROPERTY USE AGREEMENTS.

(a) Notwithstanding Section 2301.481(b)(1), and subject to this section, a dealer may enter into a property use agreement for cash consideration that grants the manufacturer or distributor the exclusive rights to direct the use of the dealership.

(b) In the event the dealer breaches the terms of the property use agreement described by Subsection (a) by altering the use of the property during the term of the agreement in violation of the agreement, the property use agreement is terminated and the dealer must reimburse the manufacturer or distributor in an amount determined by dividing the amount of the manufacturer's or distributor's cash consideration provided under Subsection (a) by the market value of the property identified in the original property use agreement at the time any necessary real estate has been purchased and any necessary construction has been completed, and multiplying the resulting quotient by the market value of the property at the time of the breach.

(c) For purposes of this section, the market value of property is to be determined by three appraisers chosen as follows:

(1) one selected by the affected manufacturer or distributor;

(2) one selected by the affected dealer; and

(3) one selected by mutual agreement of the manufacturer or distributor and the dealer.

Added by Acts 2011, 82nd Leg., R.S., Ch. 137 (S.B. 529), Sec. 11, eff. September 1, 2011.

Sec. 2301.483. SPECIFIC USE AGREEMENTS. (a) In this

section:

(1) "Necessary real estate" means real estate that is necessary for the proper operation of a dealership in the dealership's location as determined by the manufacturer's, distributor's, or representative's facility requirements or to comply with any applicable law or zoning requirement.

(2) "Owner" means a manufacturer, distributor, or representative, including an entity owned or controlled by a manufacturer, distributor, or representative.

(3) "Specific use agreement" means a property use agreement that is executed in conjunction with a sale or as part of the terms of a lease by an owner of real property to a transferee for use by the transferee as a dealership under the terms of a franchise executed or to be executed between the owner and the transferee.

(4) "Transferee" means a person who is a purchaser or lessee of real property subject to a specific use agreement.

(b) To the extent of any conflict between this section and another section of this chapter regarding a specific use agreement, this section controls. Notwithstanding any other section of this chapter and except as provided by this section, a specific use agreement may include provisions that allow an owner to:

(1) limit the transferee's ability to add a line-make after the transferee has opened a franchised dealership on the property to which the specific use agreement applies;

(2) prohibit the sale or sublease of the dealership property by the transferee to a person for a purpose other than the operation of a dealership under a franchise with the owner of the property; or

(3) make the limitations described by Subdivisions (1) and (2) applicable to any successor or sublessee of the transferee.

(c) An owner may not coerce or attempt to coerce an existing franchised dealer of the owner to relocate an existing dealership of the same line-make to property that is subject to a specific use agreement. If it is proven in a civil suit that a person entered into a specific use agreement containing a provision described by Subsection (b) as a result of coercion, the specific use agreement is void.

(d) A specific use agreement executed in conjunction with the sale of real property may apply only to the necessary real estate.

(e) A specific use agreement executed in conjunction with the sale of real property to an existing franchised dealer for the purpose of relocating an existing dealership of the same line-make to property that is the subject of the specific use agreement or to a person for the purpose of establishing a new dealership expires on the earliest of:

(1) the date established by the specific use agreement;

(2) the termination or discontinuance of the franchise between the parties to the specific use agreement as a result of the owner:

(A) discontinuing all line-makes applicable to the necessary real estate that are under the control of a manufacturer or distributor holding property use rights for the necessary real estate under the specific use agreement;

(B) ceasing to do business in this state; or

(C) changing the distributor or method of distribution of the owner's products in this state;

(3) the 10th anniversary of the date the dealership opens for business; or

(4) any time after the expiration of nine years from the date the dealership opens for business if the transferee has performed all the transferee's financial duties as provided by the contract and title to the property has passed to the transferee.

(f) Unless a specific use agreement associated with the sale of property expressly provides otherwise, there is no penalty for the full performance by the transferee and transfer of title to the transferee prior to the time set forth by the contract's terms.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1338 (S.B. 854), Sec. 1, eff. June 14, 2013.

(b) If Section [154.073](#), Civil Practice and Remedies Code, conflicts with another legal requirement for disclosure of communications or materials, the issue of confidentiality may be presented to the board to determine, in camera, whether the facts, circumstances, and context of the communications or materials sought to be disclosed warrant a protective order of the board or whether the communications or materials are subject to disclosure.

(b) Procedural time limits imposed by this chapter or under the authority of this chapter are tolled during mediation.

(c) Mediation does not affect any right of a person who is not a party to the mediation.

(d) The board shall stay proceedings involving the parties in mediation until the board receives the mediator's certification that mediation has concluded.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 5, eff. June 1, 2003.

Sec. 2301.529. OUTCOME OF MEDIATION. (a) If mediation resolves the dispute, the board shall enter an order incorporating the terms of the agreement reached in mediation.

This subsection does not authorize a fee for referring vehicle leases or prospective lessees.

(b) A vehicle lessor may not pay a fee to any person in return for the solicitation, procurement, or production by the person of a prospective lessee of a motor vehicle unless the person:

(b) In the interests of justice and giving deference to standard national business practices, the board may adopt a rule by which a lease may prohibit the lessee from taking the vehicle into a specific foreign country regardless of whether the lease prohibits the lessee from taking the vehicle into another foreign country. (a) A refund or replacement under this subchapter because a motor vehicle is alleged to not conform to an express warranty is not available to the owner of the vehicle unless the owner has exhausted the administrative remedies provided by this subchapter.

(b) A refund or replacement under this subchapter is not available to a party in an action against a seller under Chapter 2 or 17, Business & Commerce Code, but is available in an action against a manufacturer, converter, or distributor brought under Chapter 17, Business & Commerce Code, after the owner has exhausted the administrative remedies provided by this subchapter.

(c) If a final order is not issued before the 151st day after the date a complaint is filed under this subchapter, the department shall provide written notice by certified mail to the complainant and to the manufacturer, converter, or distributor of the expiration of the 150-day period and of the complainant's right to file a civil action. The department shall extend the 150-day period if a delay is requested or caused by the person who filed the complaint.

(d) Notwithstanding a requirement of this section that administrative remedies be exhausted, a person who receives notice under Subsection (c) may file a civil action against any person

(e) The failure to issue notice under Subsection (c) does not affect a person's right to bring an action under this chapter.

(f) This subchapter does not limit a right or remedy otherwise available to an owner under another law.

(g) A contractual provision that excludes or modifies a remedy provided by this subchapter is prohibited and is void as against public policy unless the exclusion or modification is made under a settlement agreement between the owner and the manufacturer, converter, or distributor.

(c) In a case involving a leased vehicle, the final order may terminate the lease and apportion allowances or refunds, including the reasonable allowance for use, between the lessee and
