Sec. 402.001. DEFINITIONS. In this chapter:

(1) "Advisory board" means the Hearing Instrument Fitters and Dispensers Advisory Board.

(2) "Commission" means the Texas Commission of Licensing and Regulation.

(3) "Department" means the Texas Department of Licensing and Regulation.

(3-a) "Executive director" means the executive director of the department.

(4) "Fitting and dispensing hearing instruments" means the measurement of human hearing by the use of an audiometer or other means to make selections, adaptations, or sales of hearing instruments. The term includes the making of impressions for earmolds to be used as a part of the hearing instruments and any necessary postfitting counseling for the purpose of fitting and dispensing hearing instruments.

(5) "Hearing instrument" means any wearable instrument or device designed for, or represented as, aiding, improving, or correcting defective human hearing. The term includes the instrument's parts and any attachment, including an earmold, or accessory to the instrument. The term does not include a battery or cord.

(6) "License" means a license issued by the department under this chapter to a person authorized to fit and dispense hearing instruments.

(7) "Sale" includes a transfer of title or of the right to use by lease, bailment, or other contract. The term does not include a sale at wholesale by a manufacturer to a person licensed under this chapter or to a distributor for distribution and sale to a person licensed under this chapter.
Sec. 402.003. APPLICABILITY OF CHAPTER.

(a) Except as provided by Subsections (a-1) and (b) and Section 402.451(a), this chapter applies only to a person who engages or offers to engage in fitting and dispensing hearing instruments.

(a-1) This chapter does not apply to:

1. a person engaged in the practice of measuring human hearing as a part of the academic curriculum of an accredited institution of higher learning if the person or the person's employees do not sell hearing instruments;
2. a physician licensed by the Texas Medical Board;
3. a person with a master's degree or doctorate in audiology from an accredited college or university who does not sell hearing instruments, to the extent the person engages in the measurement of human hearing by the use of an audiometer or by any other means to make selections and adaptations of or recommendations for a hearing instrument and to make impressions for earmolds to be used as part of a hearing instrument;
4. an audiologist or an audiology intern licensed under Chapter 401, except as may otherwise be provided by the following provisions, which refer to Chapter 401:
   (A) Section 402.051(a)(1);
   (B) Section 402.202(b);
   (C) Section 402.252; and
   (D) Section 402.255(a); and
5. a student of audiology in an accredited college or
university program, if the student's activities and services are part of the student's supervised course of study or practicum experience.

(b) A student described by Subsection (a-1)(5) is subject to Chapter 401.

SUBCHAPTER B. HEARING INSTRUMENT FITTERS AND DISPENSERS ADVISORY BOARD

Sec. 402.051. ADVISORY BOARD MEMBERSHIP. (a) The advisory board consists of nine members appointed by the presiding officer of the commission with the approval of the commission as follows:

(1) six members licensed under this chapter who have been engaged in fitting and dispensing hearing instruments for at least five years preceding appointment, not more than one of whom may be licensed under Chapter 401;

(2) one member who is actively practicing as a physician licensed by the Texas Medical Board and who:

(A) is a citizen of the United States; and

(B) specializes in the practice of otolaryngology; and

(3) two members of the public.

(b) Appointments to the advisory board shall be made without regard to the race, creed, sex, religion, or national origin of the appointee.

Sec. 402.1021. RULES FOR HEARING INSTRUMENTS. With the
assistance of the advisory board and the Speech-Language Pathologists and Audiologists Advisory Board, the commission shall adopt rules to establish requirements for each sale of a hearing instrument for purposes of this chapter and Chapter 401. The rules must:

(1) address:
   (A) the information and other provisions required in each written contract for the purchase of a hearing instrument;
   (B) records that must be retained under this chapter or Chapter 401; and
   (C) guidelines for the 30-day trial period during which a person may cancel the purchase of a hearing instrument; and

(2) require that the written contract and 30-day trial period information provided to a purchaser of a hearing instrument be in plain language designed to be easily understood by the average consumer.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1062 (S.B. 663), Sec. 9, eff. September 1, 2011.

Sec. 402.103. FALSE, MISLEADING, OR DECEPTIVE ADVERTISING. (a) Repealed by Acts 2015, 84th Leg., R.S., Ch. 838, Sec. 1.222(86), eff. September 1, 2015. (b) Repealed by Acts 2015, 84th Leg., R.S., Ch. 838, Sec. 1.222(86), eff. September 1, 2015. (c) For purposes of Section 51.204, an advertisement is false, misleading, or deceptive if the advertisement:

(1) contains a misrepresentation of fact;

(2) contains a false statement as to the license holder's professional achievements, education, skills, or qualifications in the hearing instrument dispensing profession;

(3) makes a partial disclosure of relevant fact, including the advertisement of:

(A) a discounted price of an item without identifying in the advertisement or at the location of the item:

(i) the specific product being offered at the discounted price; or

(ii) the usual price of the item; and

(B) the price of a specifically identified hearing instrument, if more than one hearing instrument appears in the same advertisement without an accompanying price;

(4) contains a representation that a product innovation is new, if the product was first offered by the manufacturer to the general public in this state not less than 12 months before the date of the advertisement;

(5) states that the license holder manufactures hearing instruments at the license holder's office location unless the next statement discloses that the instruments are manufactured by a specified manufacturer and remanufactured by the license holder; or
Sec. 402.104. POWERS AND DUTIES REGARDING EXAMINATION. (a) The department shall develop and maintain an examination that may include a written or practical test. The department shall administer or arrange for the administration and validation of the examination.

(b) Repealed by Acts 2019, 86th Leg., R.S., Ch. 377 (H.B. 2699), Sec. 6(1), eff. September 1, 2019.

(c) Repealed by Acts 2019, 86th Leg., R.S., Ch. 377 (H.B. 2699), Sec. 6(1), eff. September 1, 2019.

(d) The practical test must be administered by one or more qualified proctors selected and assigned by the department.

(e) The commission by rule shall establish the qualifications for a proctor. The rules must:

(1) require a proctor to be licensed in good standing as a hearing instrument fitter and dispenser;

(2) specify the number of years a proctor must be licensed as a hearing instrument fitter and dispenser; and

(3) specify the disciplinary actions or other actions that disqualify a person from serving as a proctor.
SUBCHAPTER D. PUBLIC INTEREST INFORMATION AND COMPLAINT PROCEDURES

Sec. 402.152. COMPLAINTS. (a) Each license or permit holder under this chapter shall at all times prominently display in the person's place of business a sign containing:

(1) the name, mailing address, e-mail address, and telephone number of the department; and

(2) a statement informing consumers that a complaint against a license or permit holder may be directed to the department.

(b) Each written contract for services in this state of a license holder must contain the department's name, mailing address, e-mail address, and telephone number.

Sec. 402.204. CONTENTS OF EXAMINATION. (a) The examination must consist of written and practical tests that are objective in method and applied in a consistent manner.

(b) The examination must cover the following subjects as they relate to the fitting and dispensing of hearing instruments:

1. basic physics of sound;
2. structure and function of hearing instruments;
3. fitting of hearing instruments;
4. pure tone audiometry, including air conduction testing and bone conduction testing;
5. live voice and recorded voice speech audiometry;
6. masking when indicated for air conduction, bone conduction, and speech;
7. recording and evaluation of audiograms and speech audiometry to determine the hearing instrument candidacy;
8. selection and adaptation of hearing instruments, testing of hearing instruments, and verification of aided hearing instrument performance;
9. taking of earmold impressions;
10. verification of hearing instrument fitting and functional gain measurements using a calibrated system;
11. anatomy and physiology of the ear;
12. counseling and aural rehabilitation of the hearing impaired for the purpose of fitting and dispensing hearing instruments;
13. use of an otoscope for the visual observation of the entire ear canal; and
14. laws, rules, and regulations of this state and the United States.

(c) The examination may not test knowledge of the diagnosis or treatment of any disease of or injury to the human body.
Sec. 402.205. EXAMINATION PROCEDURES. (a) The department or the department's authorized representative shall give each applicant due notice of the date and place of the examination and the subjects, areas, and skills that will be included in the examination. A change may not be made in those subjects, areas, and skills after the date of the examination has been announced and publicized.

(b) An examination shall be conducted in writing and by other means the department determines adequate to ascertain the qualifications of applicants.

(c) An applicant who previously failed an examination or test may retake the examination or test.

(d) An applicant who previously failed a practical test may be retested only on those portions of the practical test that the applicant failed.

Sec. 402.209. APPLICATION BY LICENSE HOLDER FROM ANOTHER STATE. (a) A person licensed to fit and dispense hearing instruments in another state may apply for a license under this chapter by submitting a completed application on a form prescribed by the department.

(b) Repealed by Acts 2015, 84th Leg., R.S., Ch. 838 (S.B. 202), Sec. 1.222(95), eff. September 1, 2015.

(c) An applicant for a license under this section shall provide as part of the application:

(1) written verification that the applicant is licensed in good standing as a fitter and dispenser of hearing instruments in another state;

(2) written verification that:

(A) the requirements to obtain a license to fit
and dispense hearing instruments in the state in which the applicant is licensed include passing an examination approved by the commission by rule; or

(B) the applicant holds a certification from a professional organization approved by the commission by rule;

(3) a written statement from the licensing entity in the state in which the applicant is licensed that details any disciplinary action taken by the entity against the applicant; and

(4) a statement of the applicant's criminal history acceptable to the department.

(d) The department may deny an application under this section based on the applicant's criminal history or history of disciplinary action.

(e) If the department approves an application, the applicant may take the practical test and a written test of Texas law administered by the department or the department's authorized representative.

(f) The department may allow an applicant under this section who satisfies all application requirements other than the requirement under Subsection (c)(2) to take the examination.

(g) Repealed by Acts 2015, 84th Leg., R.S., Ch. 838 (S.B. 202), Sec. 1.222(95), eff. September 1, 2015.

Sec. 402.210. CRIMINAL HISTORY RECORD INFORMATION REQUIREMENT FOR LICENSE ISSUANCE. (a) The department shall require that an applicant for a license submit a complete and legible set of fingerprints, on a form prescribed by the department, to the department or to the Department of Public Safety for the purpose of obtaining criminal history record information from the Department of Public Safety and the Federal Bureau of Investigation.

(b) The department may not issue a license to a person who does not comply with the requirement of Subsection (a).

(c) The department shall conduct a criminal history check of each applicant for a license using information:

(1) provided by the individual under this section; and

(2) made available to the department by the Department of Public Safety, the Federal Bureau of Investigation, and any other criminal justice agency under Chapter 411, Government Code.

(d) The department may:

(1) enter into an agreement with the Department of Public Safety to administer a criminal history check required under this section; and

(2) authorize the Department of Public Safety to collect from each applicant the costs incurred by the Department of Public Safety in conducting the criminal history check.

Sec. 402.252. SUPERVISION STATEMENT. (a) An application for a temporary training permit must be accompanied by the statement of a person licensed to fit and dispense hearing instruments under this chapter or Chapter 401, other than a person licensed under Section 401.311 or 401.312.

(b) The statement must be on a form prescribed by the department and state that:

(1) the person will supervise the applicant in all work done by the applicant under the temporary training permit;

(2) the person will notify the department not later than the 10th day after the date of the applicant's termination of supervision by the person; and

(3) if the person is licensed under Chapter 401, the person will comply with all provisions of this chapter and rules
adopted under this chapter that relate to the supervision and training of a temporary training permit holder.

Sec. 402.254. GUIDELINES FOR TRAINING OF TEMPORARY TRAINING PERMIT HOLDERS. (a) The commission by rule shall establish formal and practical education guidelines for the training of temporary training permit holders.

(b) The guidelines must include directions to the supervisor about:

(1) the subject matter to be taught;

(2) the length of the training;

(3) the extent of a temporary training permit holder’s contact with the public; and

(4) the responsibility of the supervisor for direct and indirect supervision of all aspects of the training.
(c) The training period begins on the date of issuance of the temporary permit. A temporary training permit holder must complete at least 150 hours of directly supervised practicum that includes:

(1) 25 contact hours of pure tone air conduction, bone conduction, and speech audiometry, recorded and live voice, with 15 of the required hours being with actual clients;

(2) 25 client contact hours of hearing instrument evaluations, including sound-field measurements with recorded and live voice;

(3) 20 contact hours of instrument fittings with actual clients;

(4) 10 contact hours of earmold orientation types, uses, and terminology;

(5) five contact hours of earmold impressions and otoscopic examinations of the ear;

(6) 15 contact hours of troubleshooting of defective hearing instruments;

(7) 20 contact hours of case history with actual clients;

(8) 10 contact hours regarding the laws governing the licensing of persons fitting and dispensing hearing instruments and federal Food and Drug Administration and Federal Trade Commission regulations relating to the fitting and dispensing of hearing instruments; and

(9) 20 contact hours of supplemental work in one or more of the areas described by Subdivisions (1) through (8).

(d) A contact hour consists of 55 minutes.

(e) On completion of the directly supervised practicum required under Subsection (c), the temporary training permit holder shall complete the permit holder's training under the indirect supervision of the permit holder's supervisor.

Sec. 402.255. SUPERVISOR REQUIREMENTS. (a) A supervisor of a temporary training permit holder must:

(1) be licensed to fit and dispense hearing instruments under this chapter or Chapter 401, other than Section 401.311 or 401.312;

(2) currently practice in an established place of business; and

(3) be responsible for the direct supervision and education of a temporary training permit holder.

(b) A supervisor as appropriate shall directly and indirectly supervise a temporary training permit holder. A supervisor shall provide direct supervision by being located on the premises and available to the temporary training permit holder for prompt consultation. A supervisor shall provide indirect supervision by reviewing daily a temporary training permit holder's patient contact and daily work.

(c) A supervisor shall:

(1) be responsible for day-to-day supervision of the temporary training permit holder and be ultimately responsible for the service to a client treated by the permit holder;

(2) provide to the permit holder materials and equipment necessary for appropriate audiometric and hearing instrument evaluation and fitting procedures;

(3) supplement the permit holder's background information with reading lists and other references;

(4) conduct in-service training for the permit holder;

(5) act as a consultant to the permit holder by providing time for conferences for the permit holder and providing a variety of resource materials, approaches, and techniques that are based on sound theory, successful practice, or documented research;

(6) establish goals with the permit holder that are realistic, easily understandable, and directed toward the successful completion of the training requirements;

(7) observe the permit holder during the practicum, confer with the permit holder after the permit holder's contact with clients, and provide an opportunity for comment on the
practicum experience in writing or through conferences, during and after the practicum experience;

(8) establish that the supervisor is solely responsible for the practicum and daily supervision of the permit holder;

(9) assist and encourage the permit holder's use of supportive professional sources;

(10) know and adhere to state and federal laws relating to hearing instrument fitting and dispensing; and

(11) assist the permit holder in fulfilling licensing requirements of this chapter.

(d) The supervisor shall maintain a log of the contact hours by practicum category on a form prescribed by the department. After the temporary training permit holder has completed 150 contact hours, the supervisor and the permit holder shall submit verification of compliance to the department.

(e) A supervisor may not supervise more than two temporary training permit holders at one time.

Sec. 402.256. AUTHORITY OF TEMPORARY TRAINING PERMIT HOLDER. (a) A temporary training permit holder may provide routine fitting and dispensing of hearing instruments that have been ordered by the supervisor. The supervisor is the sole judge of whether the permit holder has the qualifications necessary to perform routine fitting and dispensing. A supervisor is accountable to the department for the actions and misdeeds of a temporary training permit holder acting at the supervisor's discretion.

(b) A temporary training permit holder may not:
(1) own, manage, or independently operate a business that engages in the fitting or sale of hearing instruments; or

(2) advertise or otherwise represent that the permit holder holds a license under this chapter.

Sec. 402.303. CONTINUING EDUCATION. (a) The commission by rule shall adopt requirements for the continuing education of a license holder, including online continuing education requirements and a requirement that a license holder complete 20 hours of continuing education every two years. The department may not renew a license unless the license holder demonstrates compliance with the continuing education requirements established by the commission by rule.

(b) A license holder shall provide written proof of attendance or completion of an approved course on a form prescribed by the department.

(c) The department may waive compliance with the continuing education requirement for license renewal for a license holder who provides evidence of hardship or inability to meet the requirement. The waiver may be granted after review by the department on an annual basis.

(d) The commission shall adopt rules to establish
reasonable requirements for continuing education sponsors and courses and to clearly define what constitutes a manufacturer or nonmanufacturer sponsor. The department shall review and approve continuing education sponsor and course applications. The department may request assistance from licensed members of the advisory board in approving a sponsor or course. The department must provide a list of approved continuing education sponsors and continuing education courses, including online courses. The list must be revised and updated periodically. Any continuing education activity must be provided by an approved sponsor. The department shall approve at least five hours of specific courses each year.

(e) A license holder may not receive more than five continuing education credit hours for attendance at a course sponsored by a manufacturer.

(e-1) The department must allow a license holder to report at least 10 hours of online continuing education credit hours in a single reporting period.

(f) Repealed by Acts 2015, 84th Leg., R.S., Ch. 838, Sec. 1.222(98), eff. September 1, 2015.

Sec. 402.304. ALTERNATIVE TO CONTINUING EDUCATION REQUIREMENT. A license holder may be credited with continuing education credit hours for a published book or article written by the license holder that contributes to the license holder's professional competence. The department may grant credit hours based on the degree to which the published book or article advances knowledge regarding the fitting and dispensing of hearing instruments. A license holder may claim in a reporting period not
Sec. 402.305. CONTINUING EDUCATION EXEMPTIONS. The department may renew the license of a license holder who does not comply with the continuing education requirements of Section 402.303 or 402.304 if the license holder:

(1) was licensed for the first time during the 24 months before the reporting date; or

(2) submits proof from an attending physician that the license holder suffered a serious or disabling illness or physical disability that prevented compliance with the continuing education requirements during the 24 months before the reporting date.

Sec. 402.352. INFORMATION ON PROSPECTIVE AMPLIFICATION CANDIDATES. A license holder shall try to obtain, personally or through a proper referral, at least the following information on each prospective candidate for amplification:

(1) the candidate's pertinent case history;
(2) otoscopic inspection of the outer ear, including canal and drumhead;
(3) evaluation of hearing acuity using pure tone techniques through air and bone conduction pathways through a calibrated system;
(4) an aided and unaided speech reception threshold and ability to differentiate between the phonemic elements of language through speech audiometry, using a calibrated system or other acceptable verification techniques; and
(5) verification of satisfactory aided instrument performance by use of appropriate sound-field speech, noise, or tone testing, using a calibrated system.

Sec. 402.353. SOUND-LEVEL MEASUREMENTS. (a) If audiometric testing is not conducted in a stationary acoustical enclosure, sound-level measurements must be conducted at the time of the testing to ensure that ambient noise levels meet permissible standards for testing threshold to 20 dB based on the most current
American National Standards Institute "ears covered" octave band criteria for Permissible Ambient Noise Levels During Audiometric Testing.

(b) A dBA equivalent level may be used to determine compliance.

(c) The commission shall adopt rules necessary to enforce this section.

Sec. 402.402. SALE TO MINOR. (a) A licensed hearing instrument fitter and dispenser may not sell a hearing instrument to a person under 18 years of age unless the prospective user or a parent or guardian of the prospective user has presented to the hearing instrument fitter and dispenser a written statement, signed
by a licensed physician specializing in diseases of the ear, that 
states that the patient's hearing loss has been medically evaluated 
and that the patient may be considered a candidate for a hearing 
instrument.

(b) The physician's evaluation must have taken place within 
the preceding six months.

Acts 1999, 76th Leg., ch. 388, Sec. 1, eff. Sept. 1, 1999.

Sec. 402.403. WRITTEN CONTRACT. The owner of a hearing 
instrument fitting and dispensing practice shall ensure that each 
client receives a written contract at the time of purchase of a 
hearing instrument that contains:

(1) the signature of the license holder who dispensed 
the hearing instrument;

(2) the printed name of the license holder who 
dispensed the hearing instrument;

(3) the address of the principal office of the license 
holder who dispensed the hearing instrument;

(4) the license number of the license holder who 
dispensed the hearing instrument;

(5) a description of the make and model of the hearing 
instrument;

(6) the amount charged for the hearing instrument;

(7) a statement of whether the hearing instrument is 
new, used, or rebuilt;

(8) notice of the 30-day trial period under Section 
402.401; and

(9) the name, mailing address, e-mail address, and 
telephone number of the department.

Sec. 402.404. SURETY BONDING. (a) A sole proprietor,
partnership, corporation, or other legal entity engaged in the fitting and dispensing of hearing instruments shall file with the department security in a form provided by Subsection (b) in the amount of $10,000 and conditioned on the promise to pay all:

(1) taxes and contributions owed to the state and political subdivisions of the state by the entity; and

(2) judgments that the entity may be required to pay for:

   (A) negligently or improperly dispensing hearing instruments; or

   (B) breaching a contract relating to the dispensing of hearing instruments.

(b) The security may be a bond, a cash deposit, or another negotiable security acceptable to the department.

(c) A bond required by this section remains in effect until canceled by action of the surety, the principal, or the department. A person must take action on the bond not later than the third anniversary of the date the bond is canceled.

SUBCHAPTER K. LICENSE DENIAL AND DISCIPLINARY PROCEDURES

Sec. 402.501. GROUNDS FOR LICENSE DENIAL AND DISCIPLINARY ACTION. The commission or executive director may refuse to issue or renew a license, revoke or suspend a license or permit, place on probation a person whose license or permit has been suspended, or reprimand a license or permit holder who:

(1) makes a material misstatement in furnishing information to the department or to another state or federal agency;

(2) violates this chapter or a rule adopted under this chapter;

(3) is convicted of a felony or misdemeanor that includes dishonesty as an essential element or of a crime directly related to the practice of fitting and dispensing hearing
instruments;

(4) makes a misrepresentation for the purpose of obtaining or renewing a license, including falsifying the educational requirements under this chapter;

(5) is professionally incompetent or engages in malpractice or dishonorable, unethical, or unprofessional conduct that is likely to deceive, defraud, or harm the public;

(6) aids or assists another person in violating this chapter or a rule adopted under this chapter;

(7) does not provide information in response to a written request made by the department within 60 days;

(8) directly or indirectly knowingly employs, hires, procures, or induces a person not licensed under this chapter to fit and dispense hearing instruments unless the person is exempt under this chapter;

(9) aids a person not licensed under this chapter in the fitting or dispensing of hearing instruments unless the person is exempt under this chapter;

(10) is habitually intoxicated or addicted to a controlled substance;

(11) directly or indirectly gives to or receives from a person a fee, commission, rebate, or other form of compensation for a service not actually provided;

(12) violates a term of probation;

(13) wilfully makes or files a false record or report;

(14) has a physical illness that results in the inability to practice the profession with reasonable judgment, skill, or safety, including the deterioration or loss of motor skills through aging;

(15) solicits a service by advertising that is false or misleading;

(16) participates in subterfuge or misrepresentation in the fitting or dispensing of a hearing instrument;

(17) knowingly advertises for sale a model or type of hearing instrument that cannot be purchased;

(18) falsely represents that the service of a licensed physician or other health professional will be used or made
available in the fitting, adjustment, maintenance, or repair of a hearing instrument;

(19) falsely uses the term "doctor," "audiologist," "clinic," "clinical audiologist," "state licensed," "state certified," "licensed hearing instrument dispenser," "board certified hearing instrument specialist," "hearing instrument specialist," or "certified hearing aid audiologist," or uses any other term, abbreviation, or symbol that falsely gives the impression that:

(A) a service is being provided by a person who is licensed or has been awarded a degree or title; or

(B) the person providing a service has been recommended by a government agency or health provider;

(20) advertises a manufacturer's product or uses a manufacturer's name or trademark in a way that implies a relationship between a license or permit holder and a manufacturer that does not exist;

(21) directly or indirectly gives or offers to give, or permits or causes to be given, money or another thing of value to a person who advises others in a professional capacity as an inducement to influence the person to influence the others to:

(A) purchase or contract to purchase products sold or offered for sale by the license or permit holder; or

(B) refrain from purchasing or contracting to purchase products sold or offered for sale by another license or permit holder under this chapter;

(22) with fraudulent intent fits and dispenses a hearing instrument under any name, including a false name or alias;

(23) does not adequately provide for the service or repair of a hearing instrument fitted and sold by the license holder; or

(24) violates a regulation of the federal Food and Drug Administration or the Federal Trade Commission relating to hearing instruments.
