- (1) seriously jeopardize the patient's health;
- (2) seriously impair one or more bodily functions;
- (3) seriously harm an organ or other part of the body;
- (4) cause serious disfigurement; or

(5) charges for which recovery is barred under Section 146.003, Civil Practice and Remedies Code.

(e) A hospital lien described by Section 55.002(a) is not affected by a hospital's use of a method of classifying patients according to their ability to pay that is solely intended to obtain a lien for services provided to an indigent injured individual.

(f) An emergency medical services lien described by Section 55.002(c) is for the amount charged by the emergency medical services provider, not to exceed \$1,000, for emergency medical services provided to the injured individual during the 72 hours following the accident that caused the individual's injuries.
