The termination request must contain a verifiable statement of impossibility.

(b) On receipt of the request for termination, the council shall notify the qualified easement holder and conduct an inquiry. Not later than the 180th day after the date the council receives the request, the council shall notify the parties of the decision to grant or deny the request for termination. (2) "Fair market value" means the price as of the appraisal date that a buyer willing, but not obligated, to buy would pay for the land at its best and most beneficial use under any obtainable development zoning category.

(b) If a request for termination of an agricultural

conservation easement is granted under Section [84.005](#), the director shall order an appraisal of the fair market value and the agricultural value of the property subject to the easement. The landowner shall bear the cost of the appraisal.

(c) Not later than the 180th day after the date of the appraisal under Subsection (b), the landowner must pay to the qualified easement holder an amount equal to the difference between the fair market value and the agricultural value. The qualified easement holder shall pay to the fund any amounts received under this subsection, not to exceed the amount paid by the fund for purchase of the easement.

(d) Not later than the 30th day after the date of payment by the landowner under Subsection (c), the qualified easement holder shall terminate the easement.

(a) A department or agency of this state, a county, a municipality, another political subdivision, or a public utility may not approve any program or project that requires the use or taking through eminent domain of private land encumbered by an agricultural conservation easement purchased under this chapter unless the governmental entity or public utility acting through its governing body or officers determines that:

(1) there is no feasible and prudent alternative to the use or taking of the land; and

(2) the program or project includes all reasonable planning to minimize harm to the land resulting from the use or taking.

(b) A determination required by Subsection (a) may be made

only at a properly noticed public hearing.

(c) The governing body or officers of the governmental entity or public utility may consider clearly enunciated local preferences, and the provisions of this chapter do not constitute a mandatory prohibition against the use of the area if the determinations required by Subsection (a) are made.

(d) If, after making the determination required by Subsection (a), a department or agency of this state, a county, a municipality, another political subdivision, or a public utility acquires by eminent domain a fee simple interest in land encumbered by an agricultural conservation easement purchased under this chapter:

(1) the easement on the condemned property terminates;
and

(2) the entity exercising the power of eminent domain shall:

(A) pay for an appraisal of the fair market value, as that term is defined by Section [84.006](#), of the property subject to condemnation;

(B) pay to the qualified easement holder an amount equal to the amount paid by the holder for the portion of the easement affecting the property to be condemned;

(C) pay to the landowner an amount equal to the fair market value of the condemned property less the amount paid to the qualified easement holder under Paragraph (B); and

(D) pay to the landowner and the qualified easement holder any additional damages to their interests in the remaining property, as determined by the special commissioners under Section [21.042](#), Property Code.

(e) If, after making the determination required by Subsection (a), a department or agency of this state, a county, a municipality, another political subdivision, or a public utility acquires by eminent domain an interest other than a fee simple interest in land encumbered by an agricultural conservation easement purchased under this chapter:

(1) the entity exercising the power of eminent domain shall pay for an appraisal of the fair market value, as that term is

defined by Section [84.006](#), of the property subject to condemnation; and

(2) the special commissioners shall consider the fair market value as the value of the property for purposes of assessing damages under Section [21.042](#), Property Code.

(f) The qualified easement holder shall pay to the fund any amounts received under Subsections (d) and (e), not to exceed the amount paid by the fund for the purchase of the easement.
