CHAPTER 1. GENERAL PROVISIONS

Sec. 1.01. PURPOSE OF CODE. (a) This code is enacted as a part of the state's continuing statutory revision program, begun by the Texas Legislative Council in 1963 as directed by the legislature in Chapter 448, Acts of the 58th Legislature, 1963 (Article 5429b-1, Vernon's Texas Civil Statutes). The program contemplates a topic-by-topic revision of the state's general and permanent statute law without substantive change.

(b) Consistent with the objectives of the statutory revision program, the purpose of this code is to make the general and permanent alcoholic beverage law more accessible and understandable, by:

- (1) rearranging the statutes into a more logical order;
- (2) employing a format and numbering system designed to facilitate citation of the law and to accommodate future expansion of the law;
- (3) eliminating repealed, duplicative, unconstitutional, expired, executed, and other ineffective provisions; and
- (4) restating the law in modern American English to the greatest extent possible.

Acts 1977, 65th Leg., p. 393, ch. 194, Sec. 1, eff. Sept. 1, 1977.

(A) consider relevant information including the type of business being regulated and the level of regulatory activities associated with each certificate, permit, or license; and

(B) set different fees for the same original or renewal certificate, permit, or license if the commission determines the level of regulatory activities associated with a certificate, permit, or license varies; and

(2) ensure that the commission does not overly penalize any segment of the alcoholic beverage industry or impose an undue hardship on small businesses.

(b-2) The commission shall periodically review the amount of each fee collected under this code and adjust the amount of each fee to ensure that the commission's regulatory costs are fairly allocated among all certificate, permit, and license holders.

(c) The commission shall post on the commission's Internet website the maximum amount of the fee for each permit and license that a local governmental entity may levy and collect under Sections 11.38 and 61.36.

Sec. 6.03. CITIZENSHIP REQUIREMENTS. (a) It is the public policy of this state and a purpose of this section to require that, except as provided in Subsection (k) of this section or otherwise in this code, a permit or license may not be issued to a person who was not a citizen of this state for a one-year period preceding the date of the filing of the person's application for a license or permit. In that regard, the legislature makes the findings in Subsections (b) through (j) of this section.

(b) Between 1920 and 1933, the distribution and consumption of alcoholic beverages was prohibited in the United States. While the idealistic motives behind Prohibition were noble, a law enforcement nightmare ensued. Otherwise law-abiding citizens routinely violated the law by buying and consuming alcoholic beverages. The demand for the illegal products created an opportunity for criminal elements to develop a national network for the supply and distribution of alcoholic beverages to the populace. Massive criminal empires were built on illicit profits from these unlawful activities and organized crime openly flourished in Chicago, New York, New Orleans, and other cities.

(c) During Prohibition, the illegal enterprises used their national wholesale distribution networks to exert control over their customers. A common operating procedure was to sell alcoholic beverages to a speakeasy on liberal terms to ensnarl the owner in a web of debt and control with the aim of forcing the owner to engage in other illegal business enterprises on the premises including gambling, prostitution, and the distribution of illegal drugs.

(d) In 1935, when the sale of alcoholic beverages was legalized in this state following the adoption of the Twenty-first Amendment to the United States Constitution, the state was faced with building an entire framework for the distribution of alcoholic beverage products.

An important concern was that since criminals owned and controlled the existing illegal alcoholic beverage distribution system, criminals would attempt to own and control the newly legalized industry. In an effort to prevent this situation, comprehensive laws were adopted to ensure that an alcoholic beverage permit or license could be issued only to citizens of the state who had lived in this state for at least three years, thus, long enough to be known by their community and neighbors.

(e) Under the newly designed regulatory scheme, permits and licenses issued by the state did not grant the holder a right. Rather, the holder was granted a privilege that could be challenged at both the county and the state level if the character or qualifications of the applicant were suspect. Finally, strict cash and credit laws were adopted to prevent parties in the wholesale distribution system from controlling their retail customers through the leveraging of debt to accomplish other illicit gain.

(f) The alcoholic beverage laws adopted by the legislature in the 1930s to free the industry from the influence of organized crime have been successful in this state. The alcoholic beverage industry in this state is not dominated by organized crime. However, the legislature does find that organized crime continues to be a threat that should never be allowed to establish itself in the alcoholic beverage industry in this state.

(g) To accommodate the interests of the consuming public, the expansion of popular nationwide businesses, and the increasing state interest in tourism, and at the same time to guard against the threats of organized crime, unfair competition, and decreased opportunities for small businesses, the legislature finds that there is no longer need for the three-year residency requirements with regard to those segments of the industry that sell alcoholic beverages to the ultimate consumer only. The legislature finds that it is desirable to retain a one-year residency requirement for businesses that sell to the consumer packaged liquor and fortified wine capable of being used to supply legal or illegal bars and clubs. The legislature also finds it reasonable, desirable, and in the best interests of the state to provide a one-year residency requirement for businesses engaged in the wholesale distribution of malt beverages or wine or in the manufacture and distribution of distilled spirits and fortified wines at both the wholesale and the retail levels where those beverages, in unopened containers, are sold to

mixed beverage permittees and private club registration permittees as well as to the general public. Adequate protection is deemed to be provided by controlling those sources of supply for distilled spirits and fortified wines.

(h) It is also the public policy of this state and a purpose of this section to enforce strict cash and credit laws as a means of preventing those engaged in the distribution of alcoholic beverages from exerting undue influence over any level of the industry selling or serving alcoholic beverages to the ultimate consumer.

(i) It is also the public policy of this state and a purpose of this section to maintain and enforce the three-tier system (strict separation between the manufacturing, wholesaling, and retailing levels of the industry) and thereby to prevent the creation or maintenance of a "tied house" as described and prohibited in Section 102.01 of this code.

(j) The above-stated public policies, purposes of this section, and legislative findings are provided as guidelines for the construction of the following subsections of this section.

(k) A requirement under this code that 51 percent or more of the stock of a corporation be owned by a person or persons who were citizens of this state for a one-year period preceding the date of the filing of an application for a license or permit does not apply to a corporation organized under the laws of this state that applies for a license or permit under Chapters 25, 26, 28, 30, 32, 48, 50, 69, 71, and 74 if:

(1) all of the officers and a majority of directors of the applicant corporation have resided within the state for a one-year period preceding the date of the application and each officer or director possesses the qualifications required of other applicants for permits and licenses;

(2) the applicant corporation and the applicant's shareholders have no direct or indirect ownership or other prohibited relationship with others engaged in the alcoholic beverage industry at different levels as provided by Chapter 102 and other provisions of this code;

(3) the applicant corporation is not precluded by law, rule, charter, or corporate bylaw from disclosing the applicant's shareholders to the commission; and

(4) the applicant corporation maintains its books and records relating to its alcoholic beverage operations in the state at

its registered office or at a location in the state approved in writing by the commission.

(1) Corporations subject to Subsection (k) of this section that have substantially similar ownership may merge or consolidate. A fee of \$100 shall be paid to the commission for each licensed or permitted premises that is merged or consolidated into the surviving corporation. The surviving corporation succeeds to all privileges of the prior corporation that held the permits or licenses if the surviving corporation is qualified to hold the permits or licenses under this code. For the purposes of this subsection, corporations have substantially similar ownership if 90 percent or more of the corporations is owned by the same person or persons or by the same corporation or corporations or if the surviving corporation has maintained an ownership interest in the merged or consolidated corporations since the date the original permit or license was issued.

Sec. 6.04. GRACE PERIOD ON RENEWAL OF LICENSES AND PERMITS.

(a) Notwithstanding any other provision of this code, the holder of a license or permit issued under this code may renew the license or permit rather than reapply for an original license or permit if, not later than the 30th day after the date of the expiration of the license or permit, the holder files a renewal application and the required license or permit fee with the commission and pays a late fee as provided by rules of the commission.

(b) If an application is filed under Subsection (a), a violation of the law that occurs before the filing of a renewal application may be the basis for an administrative action against the holder of the license or permit.

(c) The holder of a license or permit who does not renew the license or permit before its expiration date may not operate until the holder files an application under Subsection (a).

(d) The commission shall adopt rules necessary to implement this section.

Sec. 11.49. PREMISES DEFINED; DESIGNATION OF LICENSED PREMISES. (a) In this code, "premises" means the grounds and all buildings, vehicles, and appurtenances pertaining to the grounds, including any adjacent premises if they are directly or indirectly under the control of the same person.

(b) Subject to the approval of the commission and except as provided in Subsection (c), an applicant for a permit or license may designate a portion of the grounds, buildings, vehicles, and appurtenances to be excluded from the licensed premises.

(b-1) If a designation under Subsection (b) has been made and approved as to the holder of a license or permit authorizing the sale of alcoholic beverages at retail or as to a private club registration permit, the sharing of space, employees, business facilities, and services with another business entity (including the permittee's lessor, which, if a corporation, may be a domestic or foreign corporation, but excluding a business entity holding any type of winery permit, a brewer's license, or a general or branch distributor's license), does not constitute a subterfuge or surrender of exclusive control in violation of Section 109.53 or the use or display of the license for the benefit of another in violation of Section 61.71(a)(14). This subsection and Subsection (b) do not apply to original or renewal package store permits, wine only package store permits, local distributor's permits, or any type of wholesaler's permit.

(c) An applicant for an original or renewal package store permit, wine only package store permit, local distributor's permit, or any type of wholesaler's permit may not take advantage of the right conferred by Subsection (b) of this section except as permitted

in Section 11.50 or 109.53 of this code.

(d) Any package store, wine only package store, wholesaler's, or local distributor's permittee who is injured in the permittee's business or property by another person (other than a person in the person's capacity as the holder of a wine and malt beverage retailer's permit, wine and malt beverage retailer's off-premise permit, private club registration permit, or mixed beverage permit or any person in the capacity of lessor of the holder of such a permit) by reason of anything prohibited in this section or Section 109.53 is entitled to the same remedies available to a package store permittee under Section 109.53. Except for actions brought against a person in the person's capacity as the holder of or as the lessor of the holder of a wine and malt beverage retailer's permit, wine and malt beverage retailer's off-premise permit, mixed beverage permit, or private club registration permit, the statute of limitations for any action brought under this section or Section 109.53 for any cause of action arising after the effective date of this Act is four years unless a false affidavit has been filed with the commission in which event the statute of limitations is 10 years for all purposes.

(e) When a designation under Subsection (b) is made by a wine and malt beverage retailer or a malt beverage retailer, selling primarily for off-premise consumption, or by a wine and malt beverage retailer's off-premise permittee, no more than 20 percent of the retail floor and display space of the entire premises may be included in the licensed premises, and all the retail floor and display space in the licensed premises must be compact and contiguous and may not be gerrymandered. However, the retail floor and display space included in the licensed premises may be in two separate locations within the retail premises if the total retail floor and display space included in the licensed premises does not exceed 20 percent of the floor and display space of the entire premises and each of the two portions of floor and display space included in the licensed premises is itself compact and contiguous and not gerrymandered. In addition to the one or two separate locations of retail floor and display space on the premises, the licensed premises may include the cash register and check-out portions of the premises provided that (1) no alcoholic beverages are displayed in the check-out or cash register portion of the premises, and (2) the area of the check-out and cash register portions of the premises are counted towards the total of 20 percent of the retail floor and display space that may be

dedicated to the sale and display of wine and malt beverages. A storage area that is not accessible or visible to the public may be included in the licensed premises but shall not be considered retail floor and display space for purposes of this section. The commission or administrator shall adopt rules to implement this subsection and to prevent gerrymandering.

Sec. 11.492. CHANGE OF LICENSE OR PERMIT FROM ON-PREMISE TO OFF-PREMISE. (a) A holder of a wine and malt beverage retailer's permit may change the permit to a wine and malt beverage retailer's off-premise permit, and a holder of a retail dealer's on-premise license may change the license to a retail dealer's off-premise license, in the manner provided by this section.

(b) Any time before the expiration of a wine and malt beverage retailer's permit or a retail dealer's on-premise license the permittee or licensee may file an application for a change of permit or license under Subsection (a). The applicant must make the application on a form provided by the commission and the application must be accompanied by the appropriate fee for the permit or license sought.

(c) The commission shall consider an application under this section in the same manner and according to the same criteria as it would consider a renewal application of the license or permit held by the permittee or licensee. Procedures applicable to an application for an original license or permit do not apply. The commission shall issue a new license or permit to an applicant if the commission

determines the applicant is eligible to hold the license or permit sought. The license or permit takes effect on the expiration of the old license or, if requested in the application, on approval. The former license is canceled on the effective date of the new license. The licensee or permittee is not entitled to a refund for the unexpired portion of a canceled license or permit.

Sec. 11.64. ALTERNATIVES TO SUSPENSION, CANCELLATION. (a) When the commission or administrator is authorized to suspend a permit or license under this code, the commission or administrator shall give the permittee or licensee the opportunity to pay a civil penalty rather than have the permit or license suspended, unless the basis for the suspension is a violation of Section 11.61(b)(14), 22.12, 28.11, 32.17(a)(2), 32.17(a)(3), 61.71(a)(5), 61.71(a)(6), 61.74(a)(14), 69.13, 71.09, 101.04, 101.63, 104.01(a)(4), 106.03, 106.06, or 106.15, the sale or offer for sale of an alcoholic beverage during hours prohibited by Chapter 105, consumption or the permitting of consumption of an alcoholic beverage on the person's licensed or permitted premises during hours prohibited by Chapter 105

or Section 32.17(a)(7), or an offense relating to prostitution, trafficking of persons, gambling, or controlled substances or drugs, in which case the commission or administrator shall determine whether the permittee or licensee may have the opportunity to pay a civil penalty rather than have the permit or license suspended. The commission shall adopt rules addressing when suspension may be imposed pursuant to this section without the opportunity to pay a civil penalty. In adopting rules under this subsection, the commission shall consider the type of license or permit held, the type of violation, any aggravating or ameliorating circumstances concerning the violation, and any past violations of this code by the permittee or licensee. In cases in which a civil penalty is assessed, the commission or administrator shall determine the amount of the penalty. The amount of the civil penalty may not be less than \$150 or more than \$25,000 for each day the permit or license was to have been suspended. If the licensee or permittee does not pay the penalty before the sixth day after the commission or administrator notifies him of the amount, the commission or administrator shall impose the suspension.

(b) In the case of a violation of this code by a permittee or a licensee, the commission or administrator may relax any provision of the code relating to the suspension or cancellation of the permit or license and assess a sanction the commission or administrator finds just under the circumstances, and the commission or administrator may reinstate the license or permit at any time during the period of suspension on payment by the permittee or licensee of a fee of not less than \$75 nor more than \$500, if the commission or administrator finds that any of the circumstances described in Subsection (c) exists.

(c) The following circumstances justify the application of Subsection (b):

(1) that the violation could not reasonably have been prevented by the permittee or licensee by the exercise of due diligence;

(2) that the permittee or licensee was entrapped;

(3) that an agent, servant, or employee of the permittee or licensee violated this code without the knowledge of the permittee or licensee;

(4) that the permittee or licensee did not knowingly violate this code;

(5) that the permittee or licensee has demonstrated good faith, including the taking of actions to rectify the consequences of the violation and to deter future violations; or

(6) that the violation was a technical one.

(d) Fees and civil penalties received by the commission under this section shall be deposited in the general revenue fund.

Sec. 11.641. AMOUNT OF CIVIL PENALTY. (a) The amount of the civil penalty under Section 11.64 must be appropriate for the nature and seriousness of the violation. In determining the amount of the civil penalty, the commission or administrator shall consider:

- (3) any aggravating or ameliorating circumstances concerning the violation, including those enumerated in Section 11.64(c);

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 61.01. LICENSE REQUIRED. A person may not brew malt beverages for the purpose of sale, import malt beverages into this state, distribute or sell malt beverages, or possess malt beverages for the purpose of sale without having first obtained an appropriate license or permit as provided in this code. Each licensee shall display the license at all times in a conspicuous place at the licensed place of business.

Amended by:

Acts 2019, 86th Leg., R.S., Ch. 1359 (H.B. 1545), Sec. 163, eff. September 1, 2021.

Sec. 61.02. NATURE OF LICENSE; SUCCESSION ON DEATH, BANKRUPTCY, ETC. (a) A license issued under this code is a purely personal privilege and is subject to revocation as provided in this code. It is not property, is not subject to execution, does not pass by descent or distribution, and ceases on the death of the holder.

(b) On the death of the licensee or of a person having an interest in the license, or on bankruptcy, receivership, or partnership dissolution, the receiver or successor in interest may apply to the county judge of the county where the licensed premises are located for certification that he is the receiver or successor in interest. On certification, unless good cause for refusal is shown, the commission or administrator shall grant permission, by letter or otherwise, for the receiver or successor in interest to operate the business during the unexpired portion of the license. The license may not be renewed, but the receiver or successor in interest may apply for an original license. A receiver or successor in interest operating for the unexpired portion of the license is subject to the provisions of this code relating to the suspension or cancellation of a license.

The commission may not prorate or refund any part of the fee for the secondary license or certificate if the application of this section results in the expiration of the license in less than two years.

(c) An action by the commission resulting in the suspension of a basic or primary license also acts to suspend any secondary license held by the holder of the basic or primary license.

(d) The commission by rule may require that the expiration date for an individual license holder's license is the first anniversary of the date on which the license is issued due to the license

holder's violation history.

(e) The commission may issue a license with an expiration date less than two years after the date the license is issued in order to maintain a reasonable annual distribution of renewal application review work and license fees. If the commission issues a license with an expiration date less than two years after the date the license is issued, the commission shall prorate the license fee on a monthly basis so that the license holder pays only that portion of the license fee that is allocable to the number of months during which the license is valid.

Except for rare or vintage wine that is acquired at auction and for which no certificate is available, the registration application must include a certificate of label approval issued by the United States Alcohol and Tobacco Tax and Trade Bureau for the product. Rare or vintage wine purchased at auction and registered by the commission under this

subsection must comply with all other provisions of this code, including provisions regarding the sale, purchase, importation, and distribution of that wine.

(b) On registration of a certificate of label approval issued by the United States Alcohol and Tobacco Tax and Trade Bureau, the commission shall approve the product under this section and issue a letter to that effect to the permittee unless the commission determines the product, despite having a valid federal certificate of label approval, would create a public safety concern, create a cross-tier violation, or otherwise violate this code. The commission may not require additional approval for the product unless there is a change to the label or product that requires reissuance of the federal certificate of label approval. The commission shall accept the certificate of label approval as constituting full compliance only with any applicable standards adopted under Section 5.38 regarding quality, purity, and identity of distilled spirits or wine.

(c) The commission may not register a product unless the application is accompanied by a fee set by the commission in an amount that is sufficient to cover the cost of administering this section. A copy of the registration shall be kept on file in the office of the commission.

(c-1) Not later than the 30th day after the date the commission receives an application for registration of a product under this section, the commission shall either approve or deny the registration application. CHAPTER 102. INTRA-INDUSTRY RELATIONSHIPS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 102.01. TIED HOUSE PROHIBITED. (a) In this section, "tied house" means any overlapping ownership or other prohibited relationship between those engaged in the alcoholic beverage industry at different levels, that is, between a manufacturer and a wholesaler or retailer, or between a wholesaler and a retailer, as the words "wholesaler," "retailer," and "manufacturer" are ordinarily used and understood, regardless of the specific names given permits under Subtitle A, Title 3, of this code.

(b) In considering an original or renewal application for a permit issued under Subtitle A, Title 3, of this code, the commission or administrator may make any investigation or request any additional information necessary to enforce this section and to provide strict adherence to a general policy of prohibiting the tied house and related practices. The activities prohibited by this section are unfair competition and unlawful trade practices.

(c) No person having an interest in a permit issued under Subtitle A, Title 3, of this code may secure or hold, directly or indirectly, an ownership interest in the business or corporate stocks, including a stock option, convertible debenture, or similar interest, in a permit or business of a permittee of a different level who maintains licensed premises in Texas.

(d) No person may act or serve as officer, director, or employee of the businesses of permittees at different levels.

(e) No permittee may own the premises, fixtures, or equipment of a permittee of a different level.

(f) No permittee may secure or in any manner obtain the use of any premises, fixtures, or equipment on the credit of a permittee of a different level.

(g) No permittee may loan to, or by means of his credit secure

a loan for, a permittee of a different level. If a permittee secures a loan from a source outside the state, there is a presumption of a tied house relationship or subterfuge, and the permittee securing the loan has the burden of showing that he has not violated this section.

(h) No permittee may enter with a permittee of a different level or with another person or legal entity into a conspiracy or agreement to control or manage, financially or administratively, directly or indirectly, in any form or degree, the business or interests of a permittee of a different level.

(i) No permittee may enter with another permittee into any type of profit-sharing agreement or any agreement relating to the repurchase of any assets or any agreement attempting to effectuate the shipment or delivery of an alcoholic beverage on consignment.

(j) On finding that a person has violated any provision of Subsections (c) through (i) of this section, the commission or administrator shall suspend for not less than six months or cancel the permit of any permittee involved. A person who held or had an interest in a permit cancelled under this subsection is ineligible to hold or have an interest in a permit for one year after the cancellation.

(k) This section does not apply to the application for renewal of a permit held by an applicant who was engaged in the legal alcoholic beverage business in this state under a charter or permit before August 24, 1935, or to an application for a nonresident seller's or wholesaler's permit held by an applicant who continuously has been the holder of a permit of that type since January 1, 1941.

(b) The liquor or malt beverages provided as a sample under Subsection (a) may not be more than:

- (1) 750 milliliters of any brand of distilled spirits;
- (2) three liters of any brand of wine; and
- (3) 72 ounces of any brand of malt beverage.

(c) The holder of a retail permit or license authorizing the sale of liquor or malt beverages or the permittee's or licensee's agent, servant, or employee may sample the alcoholic beverage provided under Subsection (a) on the permitted or licensed retail premises only if:

- (1) the holder of the wholesaler's permit or distributor's license is present; or
- (2) the wholesaler's or distributor's agent, servant, or employee is present.

(a) Except as provided in Subsections (b), (d), and (g), a person who owns or has an interest in the business of a distiller, rectifier, wholesaler, class B wholesaler, or winery, or the agent, servant, or employee of such a person, may not:

- (3) guarantee a financial obligation of a retailer;

that of having the potential of attracting purchases and promoting sales;

(6) pay or make an allowance to a retailer for a special advertising or distribution service;

(7) allow an excessive discount to a retailer; or

(8) offer a prize, premium, gift, or similar inducement to a retailer or to the agent, servant, or employee of a retailer.

(b) A permittee covered by Subsection (a) of this section may furnish to a retailer without cost advertising specialties showing the name of the product advertised. The total value of all advertising specialties for any one brand furnished to a retailer in any one calendar year may not exceed \$78. Not more than once a year, the administrator on the administrator's own motion or on the motion of the permittee may increase or decrease the total amount of advertising specialties permitted under this subsection by not more than six percent based on the consumer price index and previous adjustments, if any. For the purposes of this subsection, "consumer price index" means the annual average over a calendar year of the consumer price index (all items, United States city average) published monthly by the Bureau of Labor Statistics, United States Department of Labor, or its successor in function. Permittees covered by Subsection (a) of this section may not pool or combine their dollar limitations to provide a retailer with advertising specialties valued in excess of the maximum permitted under this subsection.

(d) A permittee covered under Subsection (a) may offer prizes, premiums, or gifts to a consumer. The use of rebates or coupons redeemable by the public for the purchase of alcoholic beverages is prohibited. The holder of a winery permit may furnish to a retailer without cost recipes, recipe books, book matches, cocktail napkins, or other advertising items showing the name of the winery furnishing the items or the brand name of the product advertised if the individual cost of the items does not exceed \$1.

(e) A permittee covered under Subsection (a) may conduct a sweepstakes promotion. A purchase or entry fee may not be required of any person to enter a sweepstakes event authorized under this subsection. A person affiliated with the alcoholic beverage industry

may not receive a prize from a sweepstakes promotion.

(f) Notwithstanding Subsection (a), Section 108.05, or any other provision of this code, a holder of a distiller's and rectifier's permit, winery permit, nonresident seller's permit, brewer's license, or nonresident brewer's license may, in order to promote the brand name of the permittee's or licensee's products, contract with a person licensed under Subtitle A-1, Title 13, Occupations Code (Texas Racing Act), for on-site advertising signs, for advertising in programs, and to supplement purses for races even though the licensees under that subtitle or the owners or operators of the racing facilities also hold a mixed beverage permit or other permit or license under this code. In addition, a permittee or licensee described by this subsection may contract for off-site advertising promoting specific races. A part of the cost of an advertisement or promotion authorized by this section may not be charged to or paid, directly or indirectly, by the holder of a wholesaler's permit, general class B wholesaler's permit, local distributor's permit, or general distributor's license, except through the price paid by that holder for products purchased from the holder's supplier.

(g) Subsection (a) does not prohibit a permittee covered under Subsection (a) from prearranging or preannouncing a promotional activity otherwise permitted by this code with a retailer about a promotional activity to be held on the retailer's premises.

Upon the death of one of the partners of a partnership operating the business of a distributor, a brewer may not deny the surviving partner or partners of such partnership the right to become a successor-in-interest to the agreement between the brewer and such partnership. In determining fair market value, consideration shall be given to all elements of value, including goodwill and going concern value.

(b) In the event that the brewer and the distributor are unable to mutually agree on whether or not good cause exists for cancellation under Section 102.74 or on the reasonable compensation to be paid for the value of the distributor's business, as defined herein, the matter may, at the option of either the distributor or brewer, be submitted to three arbitrators, one of whom shall be named in writing by each party and the third of whom shall be chosen by the two arbiters so selected. Should the arbiters selected fail to choose a third arbiter within 10 days, a judge of a district court in the county in which the distributor's principal place of business is located shall select the third arbiter. Arbitration shall be conducted in accordance with Chapter 171, Civil Practice and Remedies Code. Arbitration costs shall be paid one-half by the distributor and one-half by the brewer. Under those circumstances, the commission may issue orders and make disposition of the alcoholic beverages as it finds just and reasonable.

(b) It is a defense to prosecution or to the imposition of a civil or administrative penalty for a violation under this chapter that:

(a) In a suit for forfeiture of a vehicle seized under Section 103.03 of this code, the state shall have the burden of proving that the vehicle was used to transport an illicit beverage and that all intervenors under Subsection (b) of this section, if any, knowingly violated some provision of this code.

(b) Any person with an ownership or security interest in the vehicle may intervene in the suit for forfeiture to establish his rights. An intervenor under the provisions of this section has the burden of proving that he has a valid ownership or security interest in the vehicle.

(c) If the state fails to prove that the vehicle was used to transport an illicit beverage, the court shall render judgment returning the vehicle to the owner.

(d) If the state proves that the vehicle was used to transport an illicit beverage and that all intervenors, if any, knowingly violated some provision of this code, the court shall render judgment forfeiting the vehicle to the state.

(e) If the state proves that the vehicle was used to transport an illicit beverage but fails to prove that any intervenor knowingly violated some provision of this code, the court shall render judgment delivering possession of the vehicle to the innocent intervenor with the highest priority to possession of the vehicle.

(a) In any suit for forfeiture of proceeds in escrow from any sale of illicit beverages or of property other than vehicles, or both, seized under Section 103.03 of this code, any person who has a security interest in any of the seized property may intervene to establish his rights.

(b) An intervenor under the provisions of this section shall have the burden of proving that he has a valid security interest in the property and that he had no knowledge that the property in which he has a security interest had been used or was to be used in violation of this code at the time the security interest was created.

(c) If an intervenor under this section establishes a security interest and a lack of knowledge of unlawful use of the property, the court, in the judgment forfeiting the property, shall issue an order of sale directed to the sheriff or any constable of the county in which the property was seized. The order shall command the sheriff or constable to conduct a sale at the courthouse door of all or part of the property, whichever the court considers proper, in the same manner as personal property is sold under execution.

(d) The proceeds of a sale under Subsection (c) of this section shall be applied first to the payment of the costs of suit and the expenses incident to the sale. After the costs of suit and expenses of sale have been approved by the court that tried the suit, any remaining proceeds shall be applied toward payment of creditors secured by the property, according to their priorities. After all secured creditors are satisfied, any remaining proceeds shall be paid

to the commission to be allocated in accordance with the provisions of Section 103.23 of this code.

(e) If all intervenors under this section fail to establish a valid security interest or lack of knowledge of unlawful use of the property, the court, in the judgment forfeiting the property, shall order disposal of the property in accordance with the provisions of Section 103.20 of this code.

The confiscated liquor fund may be appropriated to the commission to defray the expenses of accumulating evidence pertaining to violations of this code; assembling, storing, transporting, selling, and accounting for confiscated alcoholic beverages, containers, devices, and property; and any other purposes deemed necessary by the commission in administering and enforcing this code. Sec. 106.115. ALCOHOL AWARENESS PROGRAM; LICENSE SUSPENSION.

(a) On the placement of a minor on deferred disposition for an offense under Section 49.02, Penal Code, or under Section 106.02, 106.025, 106.04, 106.041, 106.05, or 106.07, the court shall require the defendant to successfully complete one of the following programs:

(2) a substance misuse education program under Section 521.374(a)(1), Transportation Code, that is regulated under Chapter 171, Government Code.

(a-1) On conviction of a minor of an offense under Section 49.02, Penal Code, or Section 106.02, 106.025, 106.04, 106.041, 106.05, or 106.07, the court, in addition to assessing a fine as provided by those sections, shall require a defendant who has not been previously convicted of an offense under one of those sections to successfully complete an alcohol awareness program or a substance misuse education program. If the defendant has been previously convicted once or more of an offense under one or more of those sections, the court may require the defendant to successfully complete an alcohol awareness program or a substance misuse education program.

(a-2) If the defendant is younger than 18 years of age, the court may require the parent or guardian of the defendant to attend the program described by Subsection (a) with the defendant.

(b) Repealed by Acts 2021, 87th Leg., R.S., Ch. 948 (S.B. 1480), Sec. 19(1), eff. September 1, 2021.

(b-1) If the defendant resides in a county with a population of 75,000 or less and access to an alcohol awareness program is not readily available in the county, the court may allow the defendant to

take an online alcohol awareness program approved by the Texas Department of Licensing and Regulation or require the defendant to perform not less than eight hours of community service related to alcohol abuse prevention or treatment instead of attending the alcohol awareness program. Community service ordered under this subsection is in addition to community service ordered under Section 106.071(d).

(b-2) For purposes of Subsection (b-1), if the defendant is enrolled in an institution of higher education located in a county in which access to an alcohol awareness program is readily available, the court may consider the defendant to be a resident of that county. If the defendant is not enrolled in such an institution of higher education or if the court does not consider the defendant to be a resident of the county in which the institution is located, the defendant's residence is the residence listed on the defendant's driver's license or personal identification certificate issued by the Department of Public Safety. If the defendant does not have a driver's license or personal identification certificate issued by the Department of Public Safety, the defendant's residence is the residence on the defendant's voter registration certificate. If the defendant is not registered to vote, the defendant's residence is the residence on file with the public school district on which the defendant's enrollment is based. If the defendant is not enrolled in public school, the defendant's residence is determined by the court.

(b-3) Repealed by Acts 2023, 88th Leg., R.S., Ch. 627 (H.B. [4417](#)), Sec. 3(1), eff. June 11, 2023.

(c) The court shall require the defendant to present to the court, within 90 days of the date of final conviction, evidence in the form prescribed by the court that the defendant, as ordered by the court, has satisfactorily completed an alcohol awareness program or performed the required hours of community service. For good cause the court may extend this period by not more than 90 days. If the defendant presents the required evidence within the prescribed period, the court may reduce the assessed fine to an amount equal to no less than one-half of the amount of the initial fine.

(d) If the defendant does not present the required evidence within the prescribed period, the court:

(1) shall order the Department of Public Safety to:

(A) suspend the defendant's driver's license or permit for a period not to exceed six months or, if the defendant does not

have a license or permit, to deny the issuance of a license or permit to the defendant for that period; or

(B) if the defendant has been previously convicted of an offense under one or more of the sections listed in Subsection (a), suspend the defendant's driver's license or permit for a period not to exceed one year or, if the defendant does not have a license or permit, to deny the issuance of a license or permit to the defendant for that period; and

(2) may order the defendant or the parent, managing conservator, or guardian of the defendant to do any act or refrain from doing any act if the court determines that doing the act or refraining from doing the act will increase the likelihood that the defendant will present evidence to the court that the defendant has satisfactorily completed an alcohol awareness program or performed the required hours of community service.

(e) The Department of Public Safety shall send notice of the suspension or prohibition order issued under Subsection (d) by first class mail to the defendant. The notice must include the date of the suspension or prohibition order, the reason for the suspension or prohibition, and the period covered by the suspension or prohibition.

(c) If the court finds that the applicant was not convicted of any other violation of this code while he was a minor, the court shall order the conviction, together with all complaints, verdicts, sentences, prosecutorial and law enforcement records, and other documents relating to the offense, to be expunged from the

applicant's record. After entry of the order, the applicant shall be released from all disabilities resulting from the conviction, and the conviction may not be shown or made known for any purpose.

(d) Any person placed under a custodial or noncustodial arrest for not more than one incident in violation of this code while a minor and who was not convicted of the violation may apply to the court in which the person was charged to have the records of the arrest expunged. Any device, scheme or plan which surrenders control of the employees, premises or business of the permittee to persons other than the permittee shall be unlawful. No minor, unless accompanied by his or her parent, guardian, adult husband or adult wife, or other adult person into whose custody he or she has been committed for the time by some court, shall knowingly be allowed on the premises of the holder of a package store permit. The prohibition against the presence of a minor on the premises of the

holder of a package store permit does not apply to the presence on the premises of the holder or a person lawfully employed by the holder. Any package store permittee who shall be injured in the permittee's business or property by another package store permittee by reason of anything prohibited in this section may institute suit in any district court in the county wherein the violation is alleged to have occurred to require enforcement by injunctive procedures and/or to recover threefold the damages sustained by the permittee; plus costs of suit including a reasonable attorney's fee. Except for the right to sell malt beverages contrary to the local option status of the area, the licensee may engage in all activities authorized by the license, including the brewing, possessing, storing, and packaging of malt beverages, and transporting the malt beverages to an area where the sale of malt beverages is legal.
