(b) The taxes shall be imposed in the manner provided by Sections 51.502 through 51.506, Water Code. A reference in Chapter 257 or in Chapter 1471, Government Code, to ad valorem taxes applies to a tax levied by the commissioners court under this section on a basis other than the ad valorem basis.

(c) Taxes for bonds issued on the full faith and credit of the county shall be assessed and collected by the county assessor-collector in the manner provided by law for the assessment and collection of other county taxes.

Sec. 256.052. ADOPTION OF SPECIAL ROAD TAX. (a) At an election held under this section, a county or political subdivision or defined district of a county may adopt the additional ad valorem tax not to exceed 15 cents on the $100 valuation of property provided by Section 9, Article VIII, Texas Constitution, for the further maintenance of the county roads.
(b) On a petition signed by a majority of the registered voters of a political subdivision or other specified portion of a county, the commissioners court of the county by order shall declare the political subdivision or specified portion of the county to be a defined district and shall record the order in the court's minutes. The petition must define by metes and bounds the territory requested to be included in the proposed defined district.

(c) The commissioners court shall order an election to adopt the tax if it receives a petition requesting the election that is signed by:

(1) at least 200 registered voters of the county, if the petition requests an election to approve a tax for the county; or

(2) at least 50 registered voters of the political subdivision or defined district, if the petition requests an election to approve a tax for a political subdivision or defined district.

(d) The commissioners court shall set the rate of the tax in the election order. The court shall order the election to be held on the first authorized uniform election date prescribed by Subchapter A, Chapter 41, Election Code, that occurs after the 20th day after the date the election is ordered.

(e) The county judge shall issue an election proclamation.

If the election is held in time, in the year of the election the court shall impose the tax at the same time as other county taxes. Otherwise, the court may impose the tax at any time before the tax roll is made out. If a greater rate is not imposed for a year, the court may lower the rate for the next year without a petition for that action.

(h) A petition calling for an election to adopt a tax under this section may not be granted on or before the first anniversary
of the date of an election held under this section at which the voters do not approve the adoption of the tax.

(b) A petition requesting an election to repeal the tax may not be granted on or before the second anniversary of the date of the election at which the tax is adopted.

(c) The commissioners court may grant a petition calling for an election to repeal the tax only if satisfactory proof is presented to the court that:

1. there is great dissatisfaction with the tax; and
2. it is probable that a majority of the residents of the county, political subdivision, or defined district who are qualified to vote for the tax would vote for repeal of the tax.

Sec. 256.054. ADDITIONAL COUNTY TAXES FOR COUNTY ROADS AND FLOOD CONTROL; BONDS. (a) A county may impose ad valorem taxes as provided by Section 1-a, Article VIII, Texas Constitution, for the construction and maintenance of farm-to-market and lateral roads or for flood control, not to exceed the maximum tax rate established by that section, only if the taxes are approved at an election held under this section.

(b) The commissioners court of the county may order an election under this section on its own motion. The court shall order an election under this section if it receives a petition requesting the election signed by a number of registered voters of the county equal to at least 10 percent of the number of voters who voted in the most recent general election in the county. The court may adopt the order only at a regular session of the court. The order must specify the maximum rate of the tax to be voted on.

(c) The proposition submitted to the voters at the election
may provide that the tax may be used for the construction and maintenance of farm-to-market and lateral roads, for flood control purposes, or for both, as determined by the commissioners court. At an election to adopt a tax for only one of those purposes, the ballot shall be printed to permit voting for or against the proposition: "Adopting a tax not exceeding ___ cents on each $100 valuation," specifying the purpose of the tax to be voted on. At an election to adopt a tax for each of those purposes, the ballot shall be printed to permit voting for or against the proposition: "Adopting a farm-to-market and lateral roads tax not exceeding ___ cents and a flood control tax not exceeding ___ cents on each $100 valuation."

(d) In addition to the notice of the election required by Section 4.003, Election Code, the county judge shall post a copy of the election order at a public place in each county election precinct not later than the 14th day before the date of the election.

(e) If a majority of the votes received in the election favor adoption of the tax, the commissioners court shall impose the tax each year in the same manner as other county ad valorem taxes.

(f) The commissioners court may call a subsequent election to change the maximum rate of a farm-to-market and lateral road tax or flood control tax previously adopted by the county in the manner provided by this section for an election to adopt a tax.

(g) The commissioners court of a county that adopts a tax as provided by this section may issue negotiable county bonds or county time warrants for the construction or improvement of farm-to-market and lateral roads or the construction of permanent improvements for flood control purposes if the bonds or warrants are authorized by a majority of the votes received in an election ordered by the commissioners court. The commissioners court shall submit each proposition separately at the election. The commissioners court shall issue the bonds or warrants and impose the taxes for those bonds or warrants as provided by Subtitles A and C, Title 9, Government Code.
