item, is not a taxable item, or is exempt from taxation.

Sec. 151.052. COLLECTION BY RETAILER. (a) Except as provided by Subsection (d), a seller who makes a sale subject to the sales tax imposed by this chapter shall add the amount of the tax to the sales price, and when the amount of the tax is added:

- (1) it becomes a part of the sales price;
- (2) it is a debt of the purchaser to the seller until paid; and
- (3) if unpaid, it is recoverable at law in the same manner as the original sales price.

(b) The owner or former owner of tangible personal property, a factor of the owner or former owner, or an agent of the owner, former owner, or factor shall collect the sales tax and add the amount of the tax to the sales price of the tangible personal property if the person delivers the property to a consumer in this state or to another person for redelivery to a consumer in this state under a sale of the property that is not a sale for resale and that is made by a seller not engaged in business in this state.

(c) When several taxable items are sold together and at the same time, the sales tax is determined on the sum of the sales prices of the items sold exclusive of any item the sale of which is exempted by this chapter.

(d) For purposes of the printer's tax collection duty, it is presumed that printed materials that are distributed by the United States Postal Service singly or in sets addressed to individual recipients, other than the purchaser, and that are either produced at a printer's facility in this state or purchased in this state are for use in Texas and the printer must collect the tax imposed under this chapter. In order to overcome this presumption a purchaser of printed materials that are distributed by the United States Postal Service singly or in sets addressed to individual recipients, other than the purchaser, is required to issue an exemption certificate

to the printer if the printed materials are for distribution to both in-state and out-of-state recipients. The certificate must contain the statement that the printed materials are for multistate use and that the purchaser agrees to pay to this state all taxes that are or may become due to the state on the taxable items purchased under the exemption certificate. In this subsection, "printed materials" is defined to be materials that are produced by web offset or rotogravure printing processes. A printer is relieved of the obligation of collecting the taxes imposed by this chapter on printed materials that are distributed by the United States Postal Service singly or in sets addressed to individual recipients, other than the purchaser, but is required to file a report as provided by Section 151.407.

Sec. 151.053. SALES TAX BRACKETS. (a) If the sales price involves a fraction of a dollar, the sales tax to be added to the sales price shall be computed by multiplying the percentage rate of the sales tax times the amount of the sale. A fraction of one cent that is less than one-half of one cent is not collected and a fraction of one cent that is equal to one-half of one cent or more is collected as one cent of tax.

(b) The comptroller may publish schedules and brackets of amounts of taxes based on the formula provided by Subsection (a) of this section for use in the collection of the taxes imposed by this chapter.

Sec. 151.054. GROSS RECEIPTS PRESUMED SUBJECT TO TAX. (a) Except as provided by Subsection (d) of this section, all gross receipts of a seller are presumed to have been subject to the sales

tax unless a properly completed resale or exemption certificate is accepted by the seller.

(b) A sale is exempt if the seller receives in good faith from a purchaser, who is in the business of selling, leasing, or renting taxable items, a resale certificate stating that the tangible personal property or service is acquired for the purpose of selling, leasing, or renting it in the regular course of business or for the purpose of transferring it as an integral part of a taxable service performed in the regular course of business.

(c) A sale is exempt if the seller receives in good faith from a purchaser an exemption certificate stating qualifications for an exemption provided in Subchapter H of this chapter.

(d) A sale of liquor, wine, or malt beverages by the holder of a brewer's license, wholesaler's permit, general class B wholesaler's permit, local distributor's permit, or a general or branch distributor's license issued under the Alcoholic Beverage Code to the holder of a retail license or permit issued under the Alcoholic Beverage Code is presumed to be a sale for resale. In a sale to which this section applies, the seller is not required to receive a resale certificate from the purchaser.

(e) Properly completed resale or exemption certificates should be in the possession of the seller at the time the nontaxable transaction occurs. If the seller is not in possession of these certificates within 90 days from the date written notice requiring possession of them is given to the seller by the comptroller or a later date agreed to by the comptroller and the seller, deductions claimed by the seller that require delivery of the certificates shall be disallowed. A deduction may not be granted on the basis of certificates delivered to the comptroller after the 90-day period or, if applicable, the date agreed to by the comptroller and the seller.

(f) Before allowing a deduction, the comptroller may verify the reason or basis for exemption claimed in a resale or exemption certificate delivered to the comptroller during the period provided by Subsection (e).

Sec. 151.055. SALES OF ITEMS ACQUIRED FOR LEASE OR RENTAL.

(a) If a person purchases tangible personal property by means of a sale for resale for the purpose of renting or leasing the property for use but subsequently sells the property in an occasional sale before the person has collected and paid to the state an amount of sales tax on rental or lease charges equal to the amount of sales tax that would have been due if the person had not acquired the property at a sale for resale, the person at the time of the occasional sale shall include in his receipts from taxable sales the amount by which the purchase price of the item at the occasional sale exceeds the amount received from renting or leasing the property.

(b) If tangible personal property is rented or leased under an agreement that provides that all or a portion of the rental or lease payments may be credited against the purchase price of the item, the lessor shall collect the sales tax on the sales price, including the sum of all lease or rental payments for the term of the lease or rental, at the time the purchaser takes possession of the property or when the first payment is due, whichever period is the earlier. If the purchaser-lessee returns the taxable item to the seller-lessor before the end of the lease or rental period without having acquired title to the property, the seller-lessor may take a credit against other taxes due under this chapter or claim a refund as provided by this code for an amount equal to the amount of the taxes paid on the unpaid portion of the sales price.

Sec. 151.056. PROPERTY CONSUMED IN CONTRACTS TO IMPROVE REAL PROPERTY. (a) A contractor is the consumer of tangible personal property furnished by him and incorporated into the property of his customer if the contract between the contractor and his customer contains a lump-sum price covering both the performance of the service and the furnishing of the necessary incidental material.

(b) A contractor is the seller of tangible personal property furnished by him and incorporated into the property of his customer, from whom he shall collect the tax, if the contract between the contractor and his customer contains separate amounts for the performance of the service and for the furnishing of the necessary incidental material. The tax rate is applied to the price of the materials as agreed in the contract or the price of the materials to the contractor, whichever is the greater.

(c) If a contractor has paid the sales tax to his supplier when the tangible personal property is purchased, the contractor may credit the amount of the tax paid to the supplier against the tax imposed as provided in Subsection (b) of this section with respect to a subsequent sale of the property.

(d) In this section, "contractor" means a person who makes an improvement on real estate and who, as a necessary or incidental part of the service, incorporates tangible personal property into the property improved.

(e) This section does not apply to the use or consumption of tangible personal property as a necessary or incidental part of a taxable service.

(f) A contractor is not eligible for the exemption provided by Section [151.318](#) on items used in the performance of a contract to improve real property.

(g) In this subsection, "ready mix concrete contractor" means a person who manufactures or produces ready mixed concrete for construction purposes and incorporates the ready mixed concrete in the property improved. A ready mix concrete contractor performing a contract must separate and individually invoice the customer for each yard of ready mixed concrete produced and

consumed for the improvement of real property and collect and remit the tax imposed under this chapter on the ready mixed concrete produced and consumed. The tax rate is applied to the price of the materials determined by the greater of the invoice price or fair market value of ready mixed concrete incorporated into the project. This subsection does not apply to an invoice submitted by a ready mix concrete contractor for a public works project.

(1) the combined rate of all applicable local use taxes authorized or governed by Title 3; or

(2) at the remote seller's election, the single local use tax rate published in the Texas Register as required by Subsection (d).

(c) A remote seller who elects under Subsection (b)(2) to use the single local use tax rate shall notify the comptroller of the election before using that rate. The election applies to all sales of taxable items made by the remote seller unless the remote seller revokes the election by notifying the comptroller. Notice to the comptroller under this subsection must be in the form and manner provided by the comptroller.

(d) The single local use tax rate effective in a calendar year is equal to the estimated average rate of local sales and use taxes imposed in this state during the preceding state fiscal year, as determined under Subsection (e). Before the beginning of a calendar year, the comptroller shall publish in the Texas Register notice of the single local use tax rate that will be in effect for that calendar year.

(e) As soon as practicable after the end of a state fiscal year, the comptroller shall determine the estimated average rate of local sales and use taxes imposed in this state during the preceding state fiscal year by:

The comptroller may adopt rules regarding the procedure and proof required for the refund.

(g) A person storing, using, or consuming in this state a taxable item purchased from a remote seller is not liable for any additional amount of local use tax authorized or governed by Title 3 if the remote seller elects under Subsection (b)(2) to use the single local use tax rate and the person pays to the remote seller the amount of local use tax computed on the purchase using the single local use tax rate.

Sec. 151.061. SOURCING OF CHARGES FOR MOBILE TELECOMMUNICATIONS SERVICES. (a) In this section:

(1) "Home service provider" means the facilities-based carrier or reseller with which the customer contracts for the provision of mobile telecommunications services.

(2) "Place of primary use" means the street address that is representative of where the customer's use of the mobile telecommunications service primarily occurs. That location must be the residential street address or the primary business street address of the customer that is within the licensed service area of the home service provider.

(3) "Electronic database" means a database provided by the state or by a designated database provider to home service providers. Such electronic database shall, allowing for de minimis deviations, designate for each street address in the state, including, to the extent practical, any multiple postal street addresses applicable to one street location, the appropriate taxing jurisdictions, and the appropriate code for each taxing jurisdiction, for each level of taxing jurisdiction, identified by one nationwide numeric code. The nationwide standard numeric codes shall contain the same number of numeric digits, with each digit or combination of digits referring to the same level of taxing jurisdiction throughout the United States using a format similar to FIPS 55-3 or other appropriate standard approved by the Federation of Tax Administrators and the Multistate Tax Commission or their successors. Each address shall be provided in standard postal format. Such electronic database shall also provide the appropriate code for each street address with respect to political subdivisions which are not taxing jurisdictions when reasonably

needed to determine the proper taxing jurisdictions.

(b) This section applies to state and local sales and use taxes administered and computed under this title or Title 3 and to which this title or Title 3 applies, including this chapter.

(c) The federal Mobile Telecommunications Sourcing Act (4 U.S.C. Sections 116-126) governs the sourcing of charges for mobile telecommunications services. In accordance with that Act:

(1) mobile telecommunications services provided in a taxing jurisdiction to a customer, the charges for which are billed by or for the customer's home service provider, shall be deemed to be provided by the customer's home service provider; and

(2) all charges for mobile telecommunications services that are deemed to be provided by the customer's home service provider in accordance with this Act are authorized to be subjected to tax, charge, or fee by the taxing jurisdictions whose territorial limits encompass the customer's place of primary use, regardless of where the mobile telecommunications services originate, terminate, or pass through, and no other taxing jurisdiction may impose taxes, charges, or fees on charges for such mobile telecommunications services.

(d) If a customer believes that an amount of tax or an assignment of place of primary use or taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider in writing. The customer shall include in the written notification:

(1) the customer's street address for the customer's place of primary use;

(2) the account name and number for which the customer requests the correction;

(3) a description of the error asserted by the customer; and

(4) any other information that the home service provider reasonably requires to process the request.

(e) Not later than the 60th day after the date the home service provider receives a request under Subsection (d), the home service provider shall review the provider's records and the electronic database or enhanced zip code to determine the correct

amount of the tax imposed or the assignment of the customer's place of primary use or taxing jurisdiction, as appropriate. If the home service provider determines that the amount of tax imposed or the assignment of place of primary use or taxing jurisdiction is incorrect, the home service provider shall correct the error and refund or credit any amount of tax erroneously collected from the customer. The home service provider shall correct the error and refund or credit the amount of tax erroneously collected from the customer for a period of up to four years. If the home service provider determines that the amount of tax imposed or the assignment of place of primary use or taxing jurisdiction is correct, the home service provider shall provide a written explanation to the customer.

(f) The procedures prescribed by Subsections (d) and (e) are the first course of remedy available to a customer requesting a correction of assignment of place of primary use or of taxing jurisdiction or a refund of or other compensation for taxes erroneously collected by the home service provider.

(g) The state may provide an electronic database, described in Subsection (a)(3), to a home service provider or, if the state does not provide such an electronic database to home service providers, the designated database provider may provide an electronic database to a home service provider.

(h) The state or the designated database provider that provides or maintains an electronic database described in Subsection (a)(3) shall provide notice of the availability of the then current electronic database, and any subsequent revisions thereof, by publication in the manner normally employed by the state.

(i) A home service provider using the data contained in an electronic database described in Subsection (a)(3) shall be held harmless from any tax, charge, or fee liability that otherwise would be due solely as a result of any error or omission in such database provided by the state or designated database provider. The home service provider shall reflect changes made to such database during a calendar quarter not later than 30 days after the end of such calendar quarter.

(j) If neither the state nor the designated database provider provides an electronic database as described in Subsection (a)(3), a home service provider shall be held harmless from any tax, charge, or fee liability in the state that otherwise would be due solely as a result of an assignment of a street address to an incorrect taxing jurisdiction if, subject to Subsection (n), the home service provider employs an enhanced zip code to assign each street address to a specific taxing jurisdiction for each level of taxing jurisdiction and exercises due diligence at each level of taxing jurisdiction to ensure that each such street address is assigned to the correct taxing jurisdiction. If an enhanced zip code overlaps boundaries of taxing jurisdictions of the same level, the home service provider must designate one specific jurisdiction within such enhanced zip code for use in taxing the activity for such enhanced zip code for each level of taxing jurisdiction. Any enhanced zip code assignment changed in accordance with Subsection (n) is deemed to be in compliance with this section. For purposes of this section, there is a rebuttable presumption that a home service provider has exercised due diligence if such home service provider demonstrates that it has:

(1) expended reasonable resources to implement and maintain an appropriately detailed electronic database of street address assignments to taxing jurisdictions;

(2) implemented and maintained reasonable internal controls to promptly correct misassignments of street addresses to taxing jurisdictions; and

(3) used all reasonably obtainable and usable data pertaining to municipal annexations, incorporations, reorganizations, and any other changes in jurisdictional boundaries that materially affect the accuracy of such database.

(k) Subsection (j) applies to a home service provider that is in compliance with the requirements of Subsection (j), if an electronic database as defined in Subsection (a)(3) is not provided until the later of:

(1) 18 months after the nationwide standard numeric code described in Subsection (a)(3) has been approved by the Federation of Tax Administrators and the Multistate Tax Commission;

or

(2) 6 months after the state or a designated database provider in the state provides such database as prescribed in Subsection (a)(3).

(1) A home service provider shall be responsible for obtaining and maintaining the customer's place of primary use as defined in Subsection (a)(2). Subject to Subsection (n), and if the home service provider's reliance on information provided by its customer is in good faith, a taxing jurisdiction shall:

(1) allow a home service provider to rely on the applicable residential or business street address supplied by the home service provider's customer; and

(2) not hold a home service provider liable for any additional taxes, charges, or fees based on a different determination of the place of primary use for taxes, charges, or fees that are customarily passed on to the customer as a separate itemized charge.

(m) Except as provided in Subsection (n), a taxing jurisdiction shall allow a home service provider to treat the address used by the home service provider for tax purposes for any customer under a service contract or agreement in effect two years after the date of the enactment of the Mobile Telecommunications Sourcing Act (4 U.S.C. Sections 116-126) as that customer's place of primary use for the remaining term of such service contract or agreement, excluding any extension or renewal of such service contract or agreement, for purposes of determining the taxing jurisdictions to which taxes, charges, or fees on charges for mobile telecommunications services are remitted.

(n) The state may:

(1) determine that the address used for purposes of determining the taxing jurisdictions to which taxes, charges, or fees for mobile telecommunications services are remitted does not meet the definition of place of primary use under Subsection (a)(2) and give binding notice to the home service provider to change the place of primary use on a prospective basis from the date of notice of determination. Before the state gives such notice of determination, the customer shall be given an opportunity to

demonstrate in accordance with applicable state administrative procedures that the address is the customer's place of primary use; and

(2) determine that the assignment of a taxing jurisdiction by a home service provider under Subsection (j) does not reflect the correct taxing jurisdiction and give binding notice to the home service provider to change the assignment on a prospective basis from the date of notice of determination. The home service provider shall be given an opportunity to demonstrate in accordance with applicable state administrative procedures that the assignment reflects the correct taxing jurisdiction.

(o)(1) If a taxing jurisdiction does not otherwise subject charges for mobile telecommunications services to taxation and if these charges are aggregated with and not separately stated from charges that are subject to taxation, then the charges for nontaxable mobile telecommunications services may be subject to taxation unless the home service provider can reasonably identify charges not subject to such tax, charge, or fee from its books and records that are kept in the regular course of business.

(2) If a taxing jurisdiction does not subject charges for mobile telecommunications services to taxation, a customer may not rely upon the nontaxability of charges for mobile telecommunications services unless the customer's home service provider separately states the charges for nontaxable mobile telecommunications services from taxable charges or the home service provider elects, after receiving a written request from the customer in the form required by the provider, to provide verifiable data based upon the home service provider's books and records that are kept in the regular course of business that reasonably identifies the nontaxable charges.

SUBCHAPTER D. IMPOSITION AND COLLECTION OF USE TAX

Sec. 151.101. USE TAX IMPOSED. (a) A tax is imposed on the storage, use, or other consumption in this state of a taxable item purchased from a retailer for storage, use, or other consumption in

this state.

(b) The tax is at the same percentage rate as is provided by Section 151.051 of this code on the sales price of the taxable item. Acts 1981, 67th Leg., p. 1552, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.102. USER LIABLE FOR TAX. (a) The person storing, using, or consuming a taxable item in this state is liable for the tax imposed by Section 151.101 of this code, and except as provided by Subsection (b) of this section, the liability continues until the tax is paid to the state.

(b) A person storing, using, or consuming a taxable item in this state is not further liable for the tax imposed by Section 151.101 of this code if the person pays the tax to a retailer engaged in business in this state or other person authorized by the comptroller to collect the tax and receives from the retailer or other person a purchaser's receipt given as provided in Section 151.103 of this code.

Acts 1981, 67th Leg., p. 1552, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.103. COLLECTION BY RETAILER; PURCHASER'S RECEIPT.

(a) Except as provided by Section 151.052(d), a retailer engaged in business in this state who makes a sale of a taxable item for storage, use, or consumption in this state shall collect the use tax that is due from the purchaser and give the purchaser a receipt for the tax payment. When the amount of use tax is added:

- (1) it becomes a part of the sales price;
- (2) it is a debt of the purchaser to the seller until paid; and
- (3) if unpaid, it is recoverable at law in the same manner as the original sales price.

(b) The purchaser's receipt must be issued in the form and manner prescribed by the comptroller.

(c) When several taxable items are sold together and at the same time, the use tax is determined on the sum of the sales prices of the items sold exclusive of any item the storage, use, or other consumption of which is exempted by this chapter.

Sec. 151.104. SALE FOR STORAGE, USE, OR CONSUMPTION
PRESUMED. (a) A sale of a taxable item by a person for delivery in
this state is presumed to be a sale for storage, use, or consumption
in this state unless a resale or exemption certificate is accepted
by the seller.

(b) A sale is exempt if the seller receives in good faith
from a purchaser, who is in the business of selling, leasing, or
renting taxable items, a resale certificate stating that the
property is acquired for the purpose of selling, leasing, or
renting it in the regular course of business or for the purpose of
transferring it as an integral part of a taxable service performed
in the regular course of business.

(c) A sale is exempt if the seller receives in good faith
from a purchaser an exemption certificate stating qualifications
for an exemption provided in Subchapter H of this chapter.

(d) Properly executed resale or exemption certificates
should be in possession of the seller at the time the nontaxable
transaction occurs. If the seller is not in possession of these
certificates within 90 days from the date written notice requiring
possession of them is given to the seller by the comptroller or a
later date agreed to by the comptroller and the seller, deductions
claimed by the seller that require delivery of the certificates
shall be disallowed. A deduction may not be granted on the basis
of certificates obtained after the 90-day period or, if applicable,
the date agreed to by the comptroller and the seller.

(e) Before allowing a deduction, the comptroller may verify
the reason or basis for exemption claimed in a resale or exemption
certificate acquired by the seller during the period provided by

Subsection (d).

Sec. 151.106. REGISTRATION OF RETAILERS. (a) A retailer who sells a taxable item for storage, use, or consumption in this state shall register with the comptroller.

(b) The registration must include:

(1) the name and address of each agent of the retailer operating in the state;

permanently, temporarily, directly, or indirectly or through a subsidiary or agent by whatever name, an office, distribution center, sales or sample room or place, warehouse, storage place, or any other physical location where business is conducted;

(6) has a franchisee or licensee operating under its trade name if the franchisee or licensee is required to collect the tax under this section;

(7) holds a substantial ownership interest in, or is owned in whole or substantial part by, a person who maintains a location in this state from which business is conducted and if:

The agency relationship recognized by this subsection is for the sole purpose of providing a presence in this state for the imposition of a tax on out-of-state advertisers or sellers. The agent has no responsibility to report, or liability to pay, a tax for the out-of-state advertiser or seller and is not restricted by this subchapter from accepting ads from out-of-state advertisers or sellers.

Amended by Acts 1987, 70th Leg., 2nd C.S., ch. 5, art. 1, pt. 4, Sec. 20.

Sec. 151.152. RESALE CERTIFICATE: FORM. (a) A resale certificate must be substantially in the form prescribed by the comptroller.

(b) A resale certificate must:

(1) be signed by the purchaser or contain an electronic form of the purchaser's signature authorized by the comptroller and contain the purchaser's name and address;

(2) state the purchaser's tax permit number or that the purchaser's application for a tax permit is pending before the comptroller; and

(3) contain a description of the tangible personal property sold, leased, or rented by the purchaser in the regular course of business or transferred as an integral part of a taxable service performed in the regular course of business.

(c) A resale certificate from a person engaged in business in the United Mexican States reselling the taxable item in the United Mexican States, in addition to the information required in Subsection (b), must provide:

(1) the purchaser's United Mexican States federal identification number; and

(2) any other information required by the comptroller. Acts 1981, 67th Leg., p. 1553, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1995, 74th Leg., ch. 351, Sec. 2, eff. Sept. 1, 1995; Acts 2003, 78th Leg., ch. 1310, Sec. 101, eff. Oct. 1, 2003.

Sec. 151.153. RESALE CERTIFICATE: COMMINGLED FUNGIBLE GOODS. If a purchaser gives a resale certificate with respect to the purchase of fungible goods and then commingles the goods with other similar fungible goods for which a resale certificate was not given, sales from the mass of commingled fungible goods are deemed to be sales of goods covered by the resale certificate until the quantity of goods covered by the certificate equals the quantity of goods sold.

Acts 1981, 67th Leg., p. 1554, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.154. RESALE CERTIFICATE: LIABILITY OF PURCHASER.

(a) If a purchaser who gives a resale certificate makes any use of the taxable item other than retention, demonstration, or display while holding it for sale, lease, or rental in the regular course of business or for transfer as an integral part of a taxable service in the regular course of business, the purchaser shall be liable for payment of the sales tax on the value of the taxable item for any period during which the taxable item is used other than for retention, demonstration, or display.

(b) The value of an item of tangible personal property is the fair market rental value of the tangible personal property, which is the amount that a purchaser would pay on the open market to rent or lease the tangible personal property for his use. The value of a taxable service is the fair market value of the taxable service, which is the amount that a purchaser would pay on the open market to obtain the service for the use of the purchaser.

(c) If an item of tangible personal property has no fair market rental value or if a taxable service has no fair market value, the original purchase price shall be the measure of the tax.

(d) At any time, the person making the divergent use may cease paying tax on the fair market rental value or fair market value and may pay sales tax on the original purchase price without credit for taxes previously paid.

(e) A purchaser of a taxable item who gives a resale certificate is not liable for the tax imposed by this chapter if he donates the item to an organization exempted under Section 151.309 or 151.310(a)(1) or (2) of this code; except that any use by the purchaser of the taxable item other than retention, demonstration, or display shall be subject to taxes imposed by this section.

(f) A purchaser who issues a resale certificate for the purchase of a taxable item is liable for payment of the sales tax on the purchase price of the taxable item if the purchaser uses the item as a part of the excludable consideration on the purchase of another taxable item.

Sec. 151.155. EXEMPTION CERTIFICATE. (a) Except as provided by Section 151.3181 for property used in manufacturing, if a purchaser certifies in writing to a seller that a taxable item sold, leased, or rented to the purchaser will be used in a manner or for a purpose that qualifies the sale of the item for an exemption from the taxes imposed by this chapter, and if the purchaser then uses the item in some other manner or for some other purpose, the purchaser is liable for the payment of the sales tax on the value of the taxable item for any period during which the item is used in the divergent manner or for the divergent purpose.

(b) The value of an item of tangible personal property is the fair market rental value of tangible personal property, which is the amount that a purchaser would pay on the open market to rent or lease the property for his use. The value of a taxable service is the fair market value of the taxable service, which is the amount

that a purchaser would pay on the open market to obtain the service for the use of the purchaser.

(c) If an item of tangible personal property has no fair market rental value or if a taxable service has no fair market value, the original purchase price shall be the measure of tax.

(d) At any time, the person making the divergent use may cease paying tax on the fair market rental value or fair market value and may pay sales tax on the original purchase price without credit for taxes previously paid.

(e) A purchaser of a taxable item who gives an exemption certificate is not liable for the tax imposed by this chapter if he donates the taxable item to an organization exempted under Section 151.309 or 151.310(a)(1) or (2) of this code; except that any use by the purchaser of the taxable item other than retention, demonstration, or display shall be subject to taxes imposed by this section.

Sec. 151.1551. REGISTRATION NUMBER REQUIRED FOR TIMBER AND CERTAIN AGRICULTURAL ITEMS. (a) This section applies to an exemption provided by:

(1) Section 151.316(a)(6), (7), (8), (10), (11), (12), or (14);

(2) Section 151.316(b) for tangible personal property used in the production of agricultural products for sale;

(3) Section 151.3162(b) for tangible personal property used in the production of timber for sale;

(4) Sections 151.317(a)(5) and (11) for electricity used in agriculture or timber operations; and

(5) Section 151.3111 for services performed on tangible personal property exempted under Section 151.316(a)(6), (7), (8), (10), (11), or (12), 151.316(b), or 151.3162(b).

(b) To claim an exemption to which this section applies, a registration number issued by the comptroller must be stated on the exemption certificate provided by the purchaser of the item.

(c) A person is eligible to apply for a registration number if the person is engaged in the production of agricultural products or timber for sale or in an agricultural aircraft operation as defined by 14 C.F.R. Section 137.3.

(d) A person who is eligible may apply to the comptroller for a registration number. The application must:

(1) be on a form prescribed by the comptroller;

(2) if applicable, state the types of crops, livestock, or other agricultural products that are produced for sale on the farm or ranch on which the applicant will use or employ the item described by Subsection (a) or state that the item will be used in relation to a timber operation or an agricultural aircraft operation as defined by 14 C.F.R. Section 137.3;

(3) as applicable, state the name and address of the farm, ranch, timber operation, or other business owned or operated by the applicant in relation to which the applicant will use the item; and

(4) contain any other information required by the comptroller.

(e) The comptroller shall develop and implement a procedure by which an applicant may submit an application described by Subsection (d) electronically.

(f) The comptroller by rule shall establish a uniform date on which all registration numbers issued under this section must be renewed, regardless of the date on which a registration number is initially issued. The rules must require registration numbers to be renewed every four years.

(g) The comptroller may not issue a registration number that contains an individual's social security number.

(h) The comptroller, after written notice and a hearing, may revoke the registration number issued to a person who fails to comply with this chapter or with a rule adopted under this chapter. A person whose registration number the comptroller proposes to revoke under this section is entitled to 20 days' written notice of the time and place of the hearing on the revocation. The notice must state the reason the comptroller is seeking to revoke the person's registration number. At the hearing

the person must show cause why the person's registration number should not be revoked.

(i) The comptroller shall give written notice of the revocation of a registration number under Subsection (h) to the person to whom the number was issued. The notice may be personally served on the person or sent by mail to the person's address as shown in the comptroller's records.

(j) If the comptroller revokes a person's registration number under Subsection (h), the comptroller may not revive the registration number unless the comptroller is satisfied that the person will comply with this chapter and the rules adopted under this chapter. The comptroller may prescribe the terms under which a revoked registration number may be revived.

(k) Following the revocation of a registration number by the comptroller, the person who held the registration number must, on the next transaction with each seller to whom the person previously issued a claim for exemption with a registration number, notify that seller that the person's registration number is no longer valid. The failure of a person to notify a seller as required by this subsection is considered a failure and refusal to pay the taxes imposed by this chapter by the person required to make the notification.

(l) The comptroller shall develop and operate an online system to enable a seller of an item described by Subsection (a) to search and verify the validity of the registration number stated on an exemption certificate. A seller is not required to use the online system.

(m) An exemption certificate that states a registration number issued by the comptroller to claim an exemption to which this section applies is sufficient documentation of the seller's receipt of the certificate in good faith for purposes of Sections [151.054](#) and [151.104](#).

(n) The comptroller by rule shall establish procedures by which a seller may accept a blanket exemption certificate with a registration number issued by the comptroller to claim exemptions to which this section applies.

(o) A use of an item purchased using an exemption

certificate with a registration number issued under this section in a manner or for a purpose other than the manner or purpose that qualified the sale, lease, rental, or other consumption of the item for the exemption may result in the revocation of the number.

(p) A person eligible for a registration number who, at the time of purchasing, leasing, renting, or otherwise consuming an item for which the person may otherwise claim an exemption to which this section applies, has not obtained a registration number from the comptroller must pay the tax on the item to the seller at the time of the transaction. The person may then apply for a registration number and, on receipt of the number, may apply to the comptroller for a refund of the tax paid, subject to the statute of limitations. The comptroller by rule shall establish procedures for processing the refund requests. Tax collected by a seller under this subsection is not tax collected in error, and Section [111.104](#) does not apply to a refund request submitted under this subsection.

Sec. 151.156. TAX-FREE PURCHASES OF CERTAIN EXPORTED ITEMS.

(a) The comptroller by rule may establish procedures by which a maquiladora enterprise or its agent may make tax-free purchases in this state of tangible personal property that is exempted from the taxes imposed by this chapter because the property is immediately exported beyond the territorial limits of the United States.

(b) The comptroller may issue a permit to an enterprise that the comptroller authorizes to make tax-free purchases under this section and the comptroller's rules and may allow an authorized maquiladora enterprise to make a tax-free purchase by executing an exemption certificate or in any other manner the comptroller provides.

(c) To qualify to make tax-free purchases under this section, a maquiladora enterprise must apply to the comptroller and comply with any requirements the comptroller requires to administer this section and to prevent the evasion of state and local sales and use taxes. The comptroller may require a maquiladora enterprise to post a bond or other security in the amount the comptroller considers reasonable to ensure the payment of state and local sales and use taxes. The comptroller shall require a maquiladora enterprise authorized to make tax-free purchases under this section to make available to the comptroller on request its books and records relating to its maquiladora status, operations, and purchases.

(d) The comptroller shall require a maquiladora enterprise authorized to make tax-free purchases under this section to make a report of its tax-free purchases at least quarterly and may require the enterprise to include in a report any other information the comptroller requires.

(e) The comptroller may suspend or revoke the permit or other authorization of an enterprise to make tax-free purchases under this section without notice for good cause. In that event, the comptroller shall notify the enterprise as soon as practicable of the comptroller's action and shall provide the enterprise with an opportunity for a hearing on whether the enterprise qualifies to make tax-free purchases under this section.

(f) In this section, "maquiladora enterprise" means a business entity chartered by the government of the United Mexican States and authorized by that government to make duty-free imports of raw materials, component parts, or other property into Mexico to be used in manufacturing, processing, or assembling items by the business entity in Mexico primarily for export from Mexico.

Sec. 151.157. CUSTOMS BROKERS. (a) A customs broker, or an authorized employee of a customs broker, licensed by the comptroller under this section may issue documentation for the purpose of showing the exemption of tangible personal property under Section [151.307\(b\)\(2\)](#) only under procedures established by

this section, Section 151.1575, and by the comptroller by rule.

(a-1) The comptroller shall maintain a password-protected website that a customs broker, or an authorized employee of a customs broker, licensed under this section must use to prepare documentation to show the exemption of tangible personal property under Section 151.307(b)(2). The comptroller shall require a customs broker or authorized employee to use the website to actually produce the documentation after providing all necessary information. The comptroller shall use the information provided by a customs broker or authorized employee under this subsection as necessary to enforce this section and Section 151.307. The comptroller may provide an alternate method to prepare documentation to show the exemption of tangible personal property under Section 151.307(b)(2) in those instances when the password-protected website is unavailable due to technical or communication problems. A customs broker or authorized employee may use the alternate method only if the comptroller provides prior authorization for each use.

(b) The comptroller may issue a license to a customs broker for the purpose described by Subsection (a) for each place of business of the broker if the broker:

- (1) applies to the comptroller for the license;
- (2) pays the license fee to the comptroller in the amount required by Subsection (c);
- (3) posts the bond or security in the amount required by Subsection (d); and
- (4) complies with any rules of the comptroller to administer this section and to prevent the evasion of the tax under this chapter and local sales and use taxes.

(c) A customs broker must pay to the comptroller an annual license fee of \$300 for each place of business from which the customs broker intends to issue a certificate of export. The comptroller shall use the fees only for the administration of this section, including costs of materials, labor, and overhead.

(d) The amount of the bond or security required by Subsection (b)(3) is \$5,000, plus an additional \$1,000 for each place of business from which the customs broker intends to issue

exemption certificates. The security may be in the form of cash, a certificate of deposit, a letter of credit, or another instrument of value.

(e) A customs broker licensed under this section shall make available to the comptroller, on or after the 15th day after the date the broker receives written notice from the comptroller, the customs broker's books and records relating to the business of issuing documentation certifying the export of tangible personal property beyond the territorial limits of the United States for purposes of exempting the property from the taxes imposed by this chapter. The customs broker shall make available to the comptroller, without notice from the comptroller, the customs broker's books and records if the comptroller determines that the comptroller's ability to administer and enforce effectively the provisions of this chapter relating to documentation for the purpose of showing the exemption of tangible personal property under Section [151.307\(b\)\(2\)](#) is jeopardized by providing notice. The customs broker shall keep the books and records described by this subsection for at least two years after the date of the last entry that they contain. The customs broker shall report quarterly to the comptroller:

(1) the total value of the tangible personal property and the total amount of the corresponding tax for which the customs broker issued certificates of export; and

(2) the total amount of tax refunded in accordance with certificates of export.

(f) The comptroller may suspend or revoke a license issued under this section if the customs broker does not comply with Section [151.1575\(c\)](#) or issues documentation that is false. The comptroller may determine the length of suspension or revocation necessary for the enforcement of this chapter and the comptroller's rules. A proceeding to suspend or revoke a license under this subsection is a contested case under Chapter [2001](#), Government Code. Judicial review is by trial de novo. The district courts of Travis County have exclusive original jurisdiction of a suit under this section.

(f-1) In addition to any other penalty provided by law, the

comptroller may require a customs broker to pay to the comptroller the amount of any tax refunded and the amount of any penalty imposed under Section 151.1575(c) if the customs broker did not comply with this section or the rules adopted by the comptroller under this section.

(g) A customs broker may authorize a person to act as an independent contractor to certify in accordance with Section 151.1575(a)(1) that tangible personal property has been exported outside of the United States only if the authorization is part of the written contract and the comptroller in writing approves the authorization. A customs broker may not authorize a person under this subsection to prepare documentation for the purpose of showing the exemption for tangible personal property under Section 151.307(b)(2).

decision that is the subject of review and does not affect the enforceability of that decision.

(i) The comptroller shall impose a penalty of \$500 for each occurrence on a customs broker who fails to file the report required by this section.

The determination shall state that if payment is not made on or before the last day that the deficiency may be paid without incurring further penalty, the security or a part of the security may be forfeited.

(b) If the security filed by the person is a surety bond, the comptroller shall send a copy of the determination to each surety on the bond and shall demand payment from both the person filing the bond and each surety. A surety's obligation under the bond is not affected by whether the surety has a record of the receipt of a copy

- (2) an organization qualifying for an exemption from federal income taxes under Section 501(c)(3), (4), (8), (10), or (19), Internal Revenue Code, if the item sold, leased, rented, stored, used, or consumed relates to the purpose of the exempted organization and the item is not used for the personal benefit of a private stockholder or individual;
- (3) a nonprofit organization engaged exclusively in providing athletic competition among persons under 19 years old if

no financial benefit goes to an individual or shareholder;

(4) a company, department, or association organized for the purpose of answering fire alarms and extinguishing fires or for the purpose of answering fire alarms, extinguishing fires, and providing emergency medical services, the members of which receive no compensation or only nominal compensation for their services rendered, if the taxable item is used exclusively by the company, department, or association; or

(5) a chamber of commerce or a convention and tourist promotional agency representing at least one Texas city or county if the chamber of commerce or the agency is not organized for profit and no part of its net earnings inures to a private shareholder or other individual.

(b) The sale of, or contracting for the sale of, concessions at an event conducted by an organization exempted under Subsection (a)(3) of this section does not prevent the application of the exemption to that organization.

(c) An organization that qualifies for an exemption under Subsection (a)(1) or (a)(2) of this section, and each bona fide chapter of the organization, may hold two tax-free sales or auctions under this subsection during a calendar year and each tax-free sale or auction may continue for one day only. The sale of a taxable item the sales price of which is \$5,000 or less by a qualified organization or chapter of the organization at a tax-free sale or auction is exempted from the sales tax imposed by Subchapter C of this chapter, except that a taxable item manufactured by or donated to the qualified organization or chapter of the organization may be sold tax free regardless of the sales price to any purchaser other than the donor. The storage, use, or consumption of a taxable item that is acquired from a qualified organization or chapter of the organization at a tax-free sale or auction and that is exempted under this subsection from the taxes imposed by Subchapter C of this chapter is exempted from the use tax imposed by Subchapter D of this chapter until the item is resold or subsequently transferred.

tax-free sales or auctions during a calendar year. Each tax-free sale or auction may continue for not more than 72 hours. The storage, use, or consumption of a taxable item that is acquired from a qualified organization at a tax-free sale or auction and that is exempted under this subsection from the taxes imposed by Subchapter C is exempted from the use tax imposed by Subchapter D until the item is resold or subsequently transferred. If an organization that qualifies for an exemption under Subsection (a)(4) jointly holds a tax-free sale or auction with one or more other exempt organizations, the tax-free sale or auction is considered to be one of the organization's 10 tax-free sales or auctions authorized by this subsection during that calendar year.

(d) If two or more organizations jointly hold a tax-free sale or auction, each organization may hold one additional tax-free sale or auction during the calendar year in which the joint sale or auction is held. The employment of and payment of a reasonable fee to an auctioneer to conduct a tax-free auction does not disqualify an otherwise qualified organization from receiving the exemption provided by Subsection (c).

(e) A nonprofit hospital or hospital system that qualifies for an exemption under Subsection (a)(2) shall provide community benefits that include charity care and government-sponsored indigent health care as set forth in Subchapter D, Chapter 311, Health and Safety Code.

(5) by an educational, religious, law enforcement association, or charitable organization.

(d) To qualify for the exemptions in Subsections (a)(2)-(9), the gas or electricity must be sold to the person using the gas or electricity in the exempt manner. For purposes of this subsection, the use of gas or electricity in an exempt manner by an independent contractor engaged by the purchaser of the gas or electricity to perform one or more of the exempt activities identified in Subsections (a)(2)-(9) is considered use by the purchaser of the gas or electricity.

(e) Natural gas or electricity used during a regular monthly

billing period for both exempt and taxable purposes under a single meter is totally exempt or taxable based on the predominant use of the natural gas or electricity measured by that meter. The comptroller may prescribe by rule the procedures by which a purchaser must establish the predominant use of the natural gas or electricity.

(c) The exemption does not include:

(1) intraplant transportation equipment, including intraplant transportation equipment used to move a product or raw material in connection with the manufacturing process and specifically including all piping and conveyor systems, provided that the following remain eligible for the exemption:

(A) piping or conveyor systems that are a component part of a single item of manufacturing equipment or pollution control equipment eligible for the exemption under Subsection (a)(2), (a)(4), or (a)(5);

(B) piping through which the product or an intermediate or preliminary product that will become an ingredient or component part of the product is recycled or circulated in a loop between the single item of manufacturing equipment and the ancillary equipment that supports only that single item of manufacturing equipment if the single item of manufacturing equipment and the ancillary equipment operate together to perform a specific step in the manufacturing process; and

(C) piping through which the product or an

intermediate or preliminary product that will become an ingredient or component part of the product is recycled back to another single item of manufacturing equipment and its ancillary equipment in the same manufacturing process;

(2) hand tools;

(3) maintenance supplies not otherwise exempted under this section, maintenance equipment, janitorial supplies or equipment, office equipment or supplies, equipment or supplies used in sales or distribution activities, research or development of new products, or transportation activities;

(4) machinery and equipment or supplies to the extent not otherwise exempted under this section used to maintain or store tangible personal property; or

(5) tangible personal property used in the transmission or distribution of electricity, including transformers, cable, switches, breakers, capacitor banks, regulators, relays, reclosers, fuses, interruptors, reactors, arrestors, resistors, insulators, instrument transformers, and telemetry units not otherwise exempted under this section, and lines, conduit, towers, and poles.

(d) In this section, "manufacturing" includes each operation beginning with the first stage in the production of tangible personal property and ending with the completion of tangible personal property having the physical properties (including packaging, if any) that it has when transferred by the manufacturer to another.

(e) This section does not apply to any taxable item rented or leased for less than one year to a person engaged in manufacturing.

(f) For purposes of Subsection (c)(1), piping through which material is transported forward from one single item of manufacturing equipment and its ancillary support equipment to another single item of manufacturing equipment and its ancillary support equipment is not considered a component part of a single item of manufacturing equipment and is not exempt. An integrated group of manufacturing and processing machines and ancillary equipment that operate together to create or produce the product or

an intermediate or preliminary product that will become an ingredient or component part of the product is not a single item of manufacturing equipment.

(g) Repealed by Acts 1999, 76th Leg., ch. 1467, Sec. 4.01(3), eff. June 19, 1999.

(h) to (m) Repealed by Acts 1997, 75th Leg., ch. 1390, Sec. 3, eff. Oct. 1, 1997.

(o) The production of a publication for the dissemination of news of a general character and of a general interest that is printed on newsprint and distributed to the general public free of charge at a daily, weekly, or other short interval is considered "manufacturing" for purposes of this section.

(p) For the purposes of this section, the manufacturing of computer software begins with the design and writing of the code or program for the software and includes the testing or demonstration of the software.

(q) For purposes of Subsection (b), "semiconductor fabrication cleanrooms and equipment" means all tangible personal property, without regard to whether the property is affixed to or incorporated into realty, used in connection with the manufacturing, processing, or fabrication in a cleanroom environment of a semiconductor product, without regard to whether the property is actually contained in the cleanroom environment. The term includes integrated systems, fixtures, and piping, all property necessary or adapted to reduce contamination or to control airflow, temperature, humidity, chemical purity, or other environmental conditions or manufacturing tolerances, and production equipment and machinery. The term does not include the building or a permanent, nonremovable component of the building,

that houses the cleanroom environment. The term includes moveable cleanroom partitions and cleanroom lighting. "Semiconductor fabrication cleanrooms and equipment" are not "intraplant transportation equipment" as that term is used in Subsection (c)(1).

(q-1) For purposes of Subsection (b), "pharmaceutical biotechnology cleanrooms and equipment" means all tangible personal property, without regard to whether the property is affixed to or incorporated into realty, used in connection with the manufacturing, processing, or fabrication in a cleanroom environment of a pharmaceutical biotechnology product, without regard to whether the property is actually contained in the cleanroom environment. The term includes integrated systems, fixtures, and piping, all property necessary or adapted to reduce contamination or to control airflow, temperature, humidity, chemical purity, or other environmental conditions or manufacturing tolerances, and production equipment and machinery. The term does not include the building or a permanent, nonremovable component of the building that houses the cleanroom environment. The term includes moveable cleanroom partitions and cleanroom lighting. Sec. 151.3181. DIVERGENT USE OF PROPERTY USED IN

MANUFACTURING. (a) In this section:

(1) "Divergent use" means the use of property in a manner or for a purpose other than the manner or purpose that qualified the sale, lease, rental, use, or other consumption of the property for exemption under Section 151.318.

(2) "Property" means tangible personal property regardless of whether the tangible personal property is permanently affixed to or incorporated into realty after its purchase.

(b) Divergent use of property exempted under Section 151.318 will not result in sales and use tax being due on the property if the divergent use occurs after the fourth anniversary of the date the property is purchased.

(c) Except as provided by Subsection (d), divergent use of property exempted under Section 151.318 that occurs during any month before the fourth anniversary of the date the property is purchased results in sales and use tax being due for that month. The amount of the sales and use tax due for a month is equal to 1/48 of the purchase price of the property multiplied by the percentage of divergent use during that month multiplied by the sales and use tax rate applicable at the time of purchase.

(d) Divergent use of property exempted under Section 151.318 that occurs during a month before the fourth anniversary of the date the property is purchased does not result in sales and use tax being due for that month if the percentage of divergent use during that month does not exceed five percent of the total use of the property that month.

(e) The amount of divergent use during a month is:

(1) the total time the property operates for a divergent use during a month, measured in hours; or

(2) the total output of the property during divergent use during a month, measured in a manner applicable to that property.

(f) The total use of property is:

(1) the total time the property operates during a month, measured in hours; or

(2) the total output of the property during a month, measured in a manner applicable to that property.

(g) The percentage of divergent use for a month is determined by:

(1) dividing the amount of divergent use determined under Subsection (e)(1) by the amount of total use of the property determined under Subsection (f)(1); or

(2) dividing the amount of divergent use determined under Subsection (e)(2) by the amount of total use of the property determined under Subsection (f)(2).

(h) The use of "pharmaceutical biotechnology cleanrooms and equipment," as that term is defined by Section [151.318\(q-1\)](#), to manufacture, process, or fabricate a pharmaceutical biotechnology product that is not sold is not a divergent use if the use occurs during the certification process by the United States Food and Drug Administration.

Sec. 151.3182. CERTAIN PROPERTY USED IN RESEARCH AND DEVELOPMENT ACTIVITIES; REPORTING OF ESTIMATES AND EVALUATION.

(a) In this section:

(1) "Depreciable tangible personal property" means tangible personal property that:

(A) has a useful life that exceeds one year; and

(B) is subject to depreciation under:

(i) generally accepted accounting principles; or

(ii) Section 167 or 168, Internal Revenue Code.

(2) "Internal Revenue Code" has the meaning assigned by Section [171.651](#).

(3) "Qualified research" has the meaning assigned by Section 41, Internal Revenue Code.

(b) The sale, storage, or use of depreciable tangible personal property directly used in qualified research is exempted from the taxes imposed by this chapter if the property is sold,

Amended by Acts 2003, 78th Leg., ch. 1001, Sec. 5, eff. Jan. 1, 2004.

Sec. 151.407. SPECIAL USE TAX REPORTS. (a) The comptroller may require any person or class of persons who have in their possession or custody information relating to the sale of a taxable item, the storage, use, or consumption of which is subject to the use tax, to file a report.

(b) A report required under this section must:

(1) be filed at the time required by the comptroller;
and

(2) contain the name and address of the purchaser of the tangible personal property, the sales price of the property, the date of the sale, and other information required by the comptroller.

Acts 1981, 67th Leg., p. 1570, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.408. ACCOUNTING BASIS FOR REPORTS. A taxpayer whose regular books are kept on a cash basis, accrual basis, or some other generally recognized accounting basis that accurately reflects the operation of the business may file the tax reports required by this chapter on the same basis that is used for the taxpayer's regular books.

Acts 1981, 67th Leg., p. 1570, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.409. REPORTS AND PAYMENTS: WHERE MADE. A tax report or tax payment shall be delivered to the office of the comptroller.

Acts 1981, 67th Leg., p. 1570, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.410. METHOD OF REPORTING SALES TAX: GENERAL RULE. A seller shall compute the sales tax imposed by Subchapter C of this chapter to be paid to the comptroller by multiplying the percentage

rate of the sales tax times the total receipts of the seller from all sales of taxable tangible personal property and of taxable services.

Acts 1981, 67th Leg., p. 1571, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.411. METHOD OF REPORTING: SELLERS HAVING SALES BELOW TAXABLE AMOUNT. (a) If not less than 50 percent of the total receipts of a seller from the sale of taxable items come from separate transactions in which the sales price is an amount on which no tax is produced, the seller may exclude the receipts from those transactions when reporting and paying the sales tax.

(b) A seller may not exclude any receipts from sales as permitted under Subsection (a) of this section unless the seller has received from the comptroller before the filing of the tax report written approval allowing the exclusion, and all receipts from sales of taxable tangible personal property and taxable services are subject to the tax until the approval is granted.

(c) The comptroller shall approve the reporting and computation of the sales tax as permitted under Subsection (a) of this section by a seller if the seller qualifies for the exclusion and if the seller submits to the comptroller satisfactory evidence that the seller can and will maintain records adequate to substantiate the authorized exclusion.

Acts 1981, 67th Leg., p. 1571, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1984, 68th Leg., 2nd C.S., ch. 31, art. 13, Sec. 3, eff. Oct. 2, 1984; Acts 1986, 69th Leg., 3rd C.S., ch. 10, art. 1, Sec. 4, eff. Jan. 1, 1987; Acts 1987, 70th Leg., 2nd C.S., ch. 5, art. 1, pt. 3, Sec. 2.

Sec. 151.412. OPTIONAL METHOD OF REPORTING: PERCENTAGE OF SALES. (a) A seller who is a retail grocer, a seller who operates a separate grocery department having separate records that are separately auditable, or any other seller whose taxable receipts from the sale of taxable items are less than 10 percent of the total receipts of the seller may determine the total taxable receipts of the grocer, separate grocery department, or other seller by:

(1) adding the amount of all invoices for merchandise

sold to the seller during the preceding calendar or fiscal year to obtain the total sum of merchandise purchased;

(2) adding the amount of all invoices for exempt merchandise sold to the seller during the preceding calendar or fiscal year to obtain the total sum of exempt merchandise purchased;

(3) dividing the sum obtained under Subdivision (2) of this subsection by the sum obtained under Subdivision (1) of this subsection to obtain a percentage relationship;

(4) multiplying the percentage obtained under Subdivision (3) of this subsection times the total sales by the seller for the reporting period to obtain the total nontaxable sales of the seller; and

(5) subtracting the total nontaxable sales of the seller obtained under Subdivision (4) of this subsection from the total sales by the seller during the reporting period to obtain the total taxable receipts of the seller from sales of tangible personal property.

(b) A seller determining taxable receipts as provided by Subsection (a) of this section shall add to the total taxable receipts the sales prices of all purchases made by the seller that are subject to the use tax and on which the use tax has not been paid.

(c) If the comptroller audits a seller who qualifies for and uses the method of reporting allowed by this section and determines that the actual tax liability of the seller computed on the actual taxable receipts of the seller differs from the amount reported and paid under this section, the comptroller shall collect the difference due to the state, if any, or refund or credit the seller with the difference that is an overpayment to the state, if any.

(d) The comptroller may not assess a penalty or interest against a seller because of an underpayment of the actual tax due disclosed by an audit under Subsection (c) of this section unless the audit discloses wilful evasion of the tax or fraud. The state may not pay interest on an overpayment disclosed by an audit under Subsection (c) of this section.

(e) Under procedures adopted by and with the consent of the

comptroller, a seller eligible to determine its total taxable receipts under this section may add to the amount provided by Subdivision (2) of Subsection (a) of this section an additional amount that represents that portion of the amount of all invoices for merchandise sold to the seller during the preceding calendar or fiscal year that was not considered exempt merchandise for purposes of Subdivision (1) of Subsection (a) of this section but that became exempt under Section 151.3141 of this code when sold.

Acts 1981, 67th Leg., p. 1571, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Amended by Acts 1987, 70th Leg., c. 1116, Sec. 2, eff. Oct. 1, 1987.

Sec. 151.413. OPTIONAL METHOD OF REPORTING: SMALL GROCERS.

(a) A seller who is a retail grocer and whose annual total receipts do not exceed \$100,000 may pay the taxes imposed by this chapter by multiplying 15 percent times the total receipts of the seller to obtain the amount of taxable receipts.

(b) A state audit of a retailer electing to report his taxable receipts as provided by this section is limited to determining whether or not the grocer is eligible to use this method. No additional tax may be assessed or a refund or credit granted because of a showing that the tax liability of the retail grocer electing this method of reporting differs or would differ under any other method of reporting.

(c) A retail grocer who elects to report under this section shall continue to report as provided by this section for three years unless the grocer's total receipts for a year exceed \$100,000.

(d) If a retail grocer electing to report under this section has gross receipts in excess of \$100,000 for a year, the grocer is ineligible to continue reporting under this section beginning on the first day of the calendar month after the month in which the limitation was exceeded, shall report the ineligibility to the comptroller, and shall immediately cease to use the method of reporting permitted by this section.

(e) Subsection (b) of this section does not apply to audits or the tax liability of a retail grocer who fails to report his ineligibility to the comptroller as required by Subsection (d) of this section.

Acts 1981, 67th Leg., p. 1572, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.414. "RETAIL GROCER" DEFINED. In this subchapter, "retail grocer" means a retail vendor who sells food for human consumption off the premises, together with household supplies and nondurable household goods.

Acts 1981, 67th Leg., p. 1572, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.415. ASSESSMENT OF PENALTIES AND INTEREST AGAINST SELLER USING OPTIONAL METHOD OF REPORTING. The comptroller may assess a penalty and interest against a seller using an optional method of reporting under Section 151.412 or Section 151.413 of this code if the seller fails to file a tax report on or before its due date or fails to remit the correct amount of tax due with the report. This section prevails over Section 151.412(d) and Section 151.413(b) of this code.

Acts 1981, 67th Leg., p. 1572, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.416. COMMINGLED RECEIPTS AND TAX. A seller who has an accounting system under which the taxes collected under this chapter are commingled with the receipts from the sales of taxable items may compute his taxable receipts by:

(1) subtracting from the total receipts of the seller the receipts from the sales of items that are exempted or are specifically excluded from the taxes imposed by this chapter to obtain a remainder consisting of the commingled receipts from taxable sales and the taxes collected; and

(2) dividing this remainder by one plus the sales tax rate expressed as a decimal fraction to obtain a quotient that is the taxable receipts that may be reported under Section 151.410 of this code.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Amended by Acts 1984, 68th Leg., 2nd C.S., ch. 31, art. 13, Sec. 4, eff. Oct. 2, 1984; Acts 1986, 69th Leg., 3rd C.S., ch. 10, art. 1, Sec. 3, eff. Jan. 1, 1987; Acts 1987, 70th Leg., 2nd C.S., ch. 5, art. 1, pt. 3, Sec. 3.

Sec. 151.417. DIRECT PAYMENT OF TAX BY PURCHASER. (a) The holder of a direct payment permit issued by the comptroller may give a blanket exemption certificate to sellers who sell, lease, or rent taxable items to the holder of the direct payment permit. The blanket exemption certificate covers all future sales of taxable items to the permit holder and relieves the seller of the obligation of collecting the taxes imposed by this chapter from the permit holder.

(b) A blanket exemption certificate given under this section must contain the direct payment permit number and the statement that the direct payment permit holder agrees to accrue and pay to this state all taxes that are or may become due on the taxable items sold under the exemption certificate to the permit holder.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.4171. OPTIONAL REPORTING METHOD: PERCENTAGE-BASED. (a) In this section, "percentage-based reporting method" means a method by which a taxpayer categorizes purchase transactions according to standards specified in the letter of authorization, reviews an agreed-on sample of invoices in that category to determine the percentage of taxable transactions, and uses that percentage to calculate the amount of tax to be reported.

(b) The comptroller may authorize the holder of a direct payment permit to use a percentage-based reporting method. The authorized percentage must be used for a three-year period specified by the comptroller, unless the authorization is revoked by the comptroller.

(c) The comptroller may revoke the authorization to report under this section if the comptroller determines that the percentage being used is no longer representative because of a change:

(1) in law, including a change in the interpretation of a law or rule; or

(2) in the taxpayer's business operations.

(d) The decision of the comptroller to deny or revoke

authorization under this section is not appealable.

(e) In deciding whether to authorize reporting under this section, the comptroller may categorize transactions by dollar amount, by type of taxable item purchased, by the purpose for which the taxable item will be used, or by other standards appropriate to the taxpayer's operations.

(f) The comptroller by rule may specify additional procedures that must be followed and conditions that must be met before the comptroller authorizes a taxpayer to report under this section.

Added by Acts 1999, 76th Leg., ch. 457, Sec. 2, eff. Oct. 1, 1999.

Sec. 151.418. ISSUANCE OF DIRECT PAYMENT PERMIT. (a) The comptroller shall issue a direct payment permit to an applicant for the permit who qualifies as provided by Section 151.419 of this code.

(b) The comptroller is the sole judge of an applicant's qualifications, and the comptroller's refusal to issue a permit to an applicant is not appealable.

(c) An applicant for a direct payment permit who has been denied the issuance of a permit may:

(1) request permission from the comptroller to submit an amended application; or

(2) submit a new application for a direct payment permit after a reasonable period after the denial of the original application.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.419. APPLICATION FOR DIRECT PAYMENT PERMITS: QUALIFICATIONS. (a) A person desiring a direct payment permit must file with the comptroller a written application for the permit.

(b) The application must be accompanied with:

(1) an agreement that is signed by the applicant or a responsible officer of an applicant corporation, that is in a form prescribed by the comptroller, and that provides that the applicant agrees to:

(A) accrue and pay all taxes imposed by

Subchapter D of this chapter on the storage and use of all taxable items sold to or leased or rented by the permit holder unless the items are exempted from the taxes imposed by this chapter;

(B) pay the imposed taxes monthly on or before the 20th day of the month following the end of each calendar month; and

(C) waive the discount permitted by Section 151.423 of this code on the payment of all taxes under the direct payment permit only;

(2) a description, in the amount of detail that the comptroller requires, of the accounting method by which the applicant proposes to differentiate between taxable and exempt transactions; and

(3) records establishing that the applicant is a responsible person who annually purchases taxable items that have a value when purchased of \$800,000 or more excluding the value of taxable items for which resale certificates were or could have been given.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1983, 68th Leg., p. 849, ch. 197, Sec. 1, eff. May 24, 1983; Acts 1983, 68th Leg. p. 1363, ch. 281, Sec. 3, eff. Oct. 1, 1983.

Sec. 151.420. REVOCATION OF DIRECT PAYMENT PERMIT. (a) A person to whom a direct payment permit has been issued holds the permit as a matter of revocable privilege and not as a matter of right. The comptroller on his own initiative may cancel a direct payment permit, and the cancellation is not appealable.

(b) A person whose direct payment permit is canceled by the comptroller is entitled to written notice of the cancellation, which shall be sent by the comptroller by registered mail.

Acts 1981, 67th Leg., p. 1574, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.421. VOLUNTARY RELINQUISHMENT OF DIRECT PAYMENT PERMIT. (a) The holder of a direct payment permit may notify the comptroller that the direct payment permit is to be voluntarily relinquished.

(b) A direct payment permit and the direct payment agreement remain valid and enforceable until the comptroller issues a termination notice.

Acts 1981, 67th Leg., p. 1574, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.422. CANCELLATION OR TERMINATION OF DIRECT PAYMENT PERMIT: DUTY OF PERMIT HOLDER. (a) On the receipt of a notice issued under Section 151.420 of this code canceling a direct payment permit or of a notice issued under Section 151.421 of this code terminating a direct payment permit, the person who held the permit shall immediately notify each seller to whom a blanket exemption certificate has been given that the exemption certificate is no longer valid.

(b) The failure of a person to notify a seller as required by Subsection (a) of this section is a failure and refusal to pay the taxes imposed by this chapter by the person required to make the notification.

Acts 1981, 67th Leg., p. 1574, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.423. REIMBURSEMENT TO TAXPAYER FOR TAX COLLECTIONS. A taxpayer may deduct and withhold one-half of one percent of the amount of taxes due from the taxpayer on a timely return as reimbursement for the cost of collecting the taxes imposed by this chapter. The comptroller shall provide a card with each form distributed for the collection of taxes under this chapter. The card may be inserted by the taxpayer with the tax payment to provide for contribution of all or part of the reimbursement provided by this section for use as grants under Subchapter M, Chapter 56, Education Code. If the taxpayer chooses to contribute the reimbursement for the grants, the taxpayer shall include the amount of the reimbursement contribution with the tax payment. The comptroller shall transfer money contributed under this section for grants under Subchapter M, Chapter 56, Education Code, to the appropriate fund.

Sec. 151.424. DISCOUNT FOR PREPAYMENTS. (a) A taxpayer who prepays the taxpayer's tax liability on the basis of a reasonable estimate of the tax liability for a quarter in which a prepayment is made or for a month in which a prepayment is made may deduct and withhold 1.25 percent of the amount of the prepayment in addition to the amount permitted to be deducted and withheld under Section [151.423](#) of this code. A reasonable estimate of the tax liability must be at least 90 percent of the tax ultimately due or the amount of tax paid in the same quarter, or month, if a monthly prepayer, in the last preceding year. Failure to prepay a reasonable estimate of the tax will result in the loss of the entire prepayment discount.

(b) In order to qualify for the deduction permitted by Subsection (a) of this section, the taxpayer must make the tax prepayment:

(1) on or before the 15th day of the second month of the calendar quarter for which the prepayment is made if the taxpayer pays the tax quarterly; or

(2) on or before the 15th day of the month for which the prepayment is made if the taxpayer pays the tax monthly.

(c) A taxpayer who prepays the tax liability as permitted by this section must file a report when due as provided by this chapter. The amount of a prepayment made by a taxpayer under this section shall be credited against the amount of actual tax liability of the taxpayer as shown on the tax report of the taxpayer. If there is a tax liability owed by the taxpayer in excess of the prepayment credit, the taxpayer shall send to the comptroller the remaining tax liability at the time of filing the quarterly or monthly report. The taxpayer is entitled to the deduction permitted under Section [151.423](#) of this code on the amount of the remaining tax liability.

(d) If the amount of a prepayment exceeds the actual tax liability, the excess of the prepayment shall be credited against future tax liability of the taxpayer or refunded to the taxpayer as provided by Subchapter [C](#) of Chapter [111](#) of this code.

Amended by Acts 1983, 68th Leg., p. 1364, ch. 281, Sec. 5, eff. Oct.
1, 1983.

Sec. 151.425. FORFEITURE OF DISCOUNT OR REIMBURSEMENT. If a taxpayer fails to file a report required by this chapter when due or to pay the tax when due, the taxpayer forfeits any claim to a deduction or discount allowed under Section 151.423 or Section 151.424 of this code.

Acts 1981, 67th Leg., p. 1575, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.426. CREDITS AND REFUNDS FOR BAD DEBTS, RETURNED MERCHANDISE, AND REPOSSESSIONS. (a) A seller may withhold the payment of the tax on a portion of the sales price of a taxable item that remains unpaid by the purchaser if:

(1) during the reporting period in which the item was sold, leased, or rented the seller determines that the unpaid portion will remain unpaid;

(2) the seller enters the unpaid portion of the sales price in the seller's books as a bad debt; and

(3) the bad debt is claimed as a deduction for federal tax purposes during the same or a subsequent reporting period.

(b) If the portion of a debt determined to be bad under Subsection (a) of this section is paid, the seller shall report and pay the tax on the portion during the reporting period in which the payment is made.

(c) Subject to Subsection (e), a retailer or any person who extends credit to a purchaser under a retailer's private label credit agreement, or an assignee or affiliate of either, is entitled to credit or reimbursement for taxes paid on the portion of:

(1) an account determined to be worthless and actually charged off for federal income tax purposes; or

(2) the remaining unpaid sales price of a taxable item when the item is repossessed under a conditional sales contract.

(d) A seller is entitled to credit for the amount of taxes paid on the amount of a refund or credit made to a purchaser under a

bona fide agreement in which the sales price of a taxable item is renegotiated. This credit applies to a refund or credit made under an agreement in settlement of a claim for an alleged breach of warranty on a taxable item sold by the seller to the person with whom the agreement is made.

(e) A person is entitled to a credit or reimbursement provided by Subsection (c) only if:

(1) the retailer:

(A) has a valid sales or use tax permit; and

(B) remits the tax for which the credit or reimbursement is sought;

(2) all payments on an account are prorated between taxable and nontaxable charges; and

(3) the retailer or person claiming the credit or reimbursement provides detailed records outlining:

(A) the amount the purchaser contracted to pay;

(B) taxable and nontaxable charges;

(C) the tax collected and remitted;

(D) the unpaid portion of the sales price assigned; and

(E) the taxpayer number of the seller who collected and remitted the tax.

(f) A person whose volume and character of uncollectible accounts warrants an alternative method of substantiating the reimbursement or credit may:

(1) maintain records other than the records specified in Subsection (e) if:

(A) the records fairly and equitably apportion taxable and nontaxable elements of a bad debt and compute the amount of sales tax imposed and remitted with respect to the taxable charges remaining unpaid on the debt; and

(B) the comptroller approves the procedures used; or

(2) implement a system to report its future tax responsibilities based on a historical percentage calculated from a sample of transactions if:

(A) the system utilizes records provided by the

person claiming the credit or reimbursement; and

(B) the comptroller approves the procedures used.

(g) The comptroller may revoke the authorization to report under Subsection (f)(2) if the comptroller determines that the percentage being used is no longer representative because of:

(1) a change in law, including a change in the interpretation of an existing law or rule; or

(2) a change in the taxpayer's business operations.

(h) A person claiming a credit or reimbursement under this section shall remit tax on any payments received on an account that has been written off and claimed as a bad debt.

(i) A person who is not a retailer may claim a credit or reimbursement authorized by Subsection (c) only for taxes imposed by Section [151.051](#) or [151.101](#).

(j) For purposes of this section, "affiliate" means any entity or entities that would be classified as a member of an affiliated group under 26 U.S.C. Section 1504.

Sec. 151.427. DEDUCTION FOR PROPERTY ON WHICH THE TAX IS PAID AND HELD FOR RESALE. (a) A seller who has paid the tax imposed by this chapter on the sales price of tangible personal property acquired for storage or use may deduct the amount of the tax paid if the seller resells, leases, or rents the item to another in the regular course of business before the seller has made any use of the

property other than retaining, displaying, or demonstrating it while holding it for sale in the regular course of business.

(b) If a deduction is taken under Subsection (a) of this section, the person who sold the property to the seller may not receive a credit or refund with respect to the sale of the property to the seller.

(c) The deduction allowed by Subsection (a) of this section must be taken in accordance with any rule on the deduction made by the comptroller.

Acts 1981, 67th Leg., p. 1576, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.428. INTEREST CHARGED BY RETAILER ON AMOUNTS OF TAXES FINANCED. (a) A retailer who sells taxable items on credit or under any other deferred payment agreement and charges interest or time price differential on the amount of the credit extended for the payment of the sales price of the item and the amount of all sales taxes, and who remits the tax and files tax reports to the comptroller on the basis of the cash system of accounting, shall pay to the comptroller at the time of making each tax report under this chapter an amount calculated according to whichever of the following yields the greater amount:

(1) one-half of the amount of interest or time price differential received by the retailer on credit extended to the purchaser for the payment of the amount of all sales taxes imposed; or

(2)(A) the amount of interest or time price differential received by the retailer on credit extended to the purchaser for the payment of the amount of all sales taxes imposed, less

(B) an amount of interest or time price differential at a rate of nine percent per year received on credit extended by the retailer to the purchaser for the payment of the sales tax.

(b) The deduction provided by Paragraph (B) of Subdivision (2) of Subsection (a) of this section is allowed only if the rate of interest or time price differential charged by the retailer on the credit extended for payment of the sales tax and the method of

computing the interest or the time price differential are uniform with the rate charged by the retailer on the credit extended on the sales price and the method of computing the interest or time price differential.

(c) The reporting, collection, refund, and penalty provisions of this chapter and Subtitle B of this title apply to the payments required by this section, except that Sections 151.423 and 151.424 of this code do not apply to this section.

(d) The payments required by this section are in addition to other taxes imposed by this chapter, Chapter 321 of this code, Subchapter I, Chapter 451, Transportation Code, and Subchapter I, Chapter 452, Transportation Code.

(e) The revenue received under this section is allocated as provided by Section 151.801 of this code.

Sec. 151.429. TAX REFUNDS FOR ENTERPRISE PROJECTS.

(a) An enterprise project is eligible for a refund in the amount provided by this section of the taxes imposed by this chapter on purchases of all taxable items purchased for use at the qualified business site related to the project or activity.

(b) Subject to the limitations provided by Subsection (c) of this section, an enterprise project qualifies for a refund of taxes under this section based on the amount of capital investment made at the qualified business site, the project's designation level, and the refund per job with a maximum refund to be included in a computation of a tax refund for the project. A capital investment at the qualified business site of:

(1) \$40,000 to \$399,999 will result in a refund of up to \$2,500 per job with a maximum refund of \$25,000 for the creation or retention of 10 jobs;

(2) \$400,000 to \$999,999 will result in a refund of up to \$2,500 per job with a maximum refund of \$62,500 for the creation or retention of 25 jobs;

(3) \$1,000,000 to \$4,999,999 will result in a refund of up to \$2,500 per job with a maximum refund of \$312,500 for the creation or retention of 125 jobs;

The comptroller shall annually certify whether that level of employment of qualified employees has been maintained. On certifying that such a level has not been maintained, the comptroller shall assess that portion of the refund attributable to any such decrease in employment, including penalty and interest from the date of the refund.

The comptroller shall deposit the taxes in trust in a separate suspense account of the qualified hotel project. A suspense account is outside the state treasury, and the comptroller may make a rebate, refund, or payment authorized by this section without the necessity of an appropriation. The comptroller shall rebate, refund, or pay to each qualified hotel project eligible taxable proceeds to which the project is entitled under this section at least monthly.

If a defense readjustment project qualifies in a state fiscal year for a refund of taxes in an amount in excess of the limitation provided by this subsection, it may apply for a refund of those taxes in a subsequent year, subject to the \$250,000 limitation for each year. However, a defense readjustment project may not apply for a refund under this section after the end of the state fiscal year immediately following the state fiscal year in which the defense readjustment project's designation as a defense readjustment project expires or is removed. The total amount that may be refunded to a defense readjustment project under this section may not exceed the amount determined by multiplying \$250,000 by the number of state fiscal years during which the defense readjustment project created one or more jobs for qualified employees.

(f) For the purposes of Subsection (a), items bought by a project after the date it is designated as a project, or within 90 days before the date of designation, may be considered eligible for a refund.

(g) The refund provided by this section is conditioned on the defense readjustment project maintaining at least the same level of employment of qualified employees as existed at the time it qualified for a refund for a period of three years from that date. The comptroller shall annually certify to the Legislative Budget Board whether that level of employment of qualified employees has been maintained. On certifying that such a level has not been maintained, the comptroller shall assess that portion of the refund attributable to any such decrease in employment, including penalty and interest from the date of the refund.

(h) Notwithstanding Section [171.103](#) or [171.1032](#), a receipt from a service performed by a defense readjustment project in a readjustment zone is not a receipt from business done in this state.
