Sec. 162.002. TAX LIABILITY ON LEASED VEHICLES. (a) A user or interstate trucker is liable for the tax on motor fuel imported into this state in fuel supply tanks of leased motor vehicles and used on the public highways of this state to the same extent and in the same manner as motor fuel imported in the user's or interstate trucker's own motor vehicles and used on the public highways of this state, unless the person who owns the leased motor vehicles is liable under Subsection (b). If the owner of the leased motor vehicles is liable, the user or interstate trucker may exclude the leased motor vehicles from the person's return.

(b) A person who, in the regular course of business and for consideration, leases motor vehicles and equipment to motor carriers or others for interstate operation may be considered to be the user or interstate trucker under this chapter if the person supplies or pays for the motor fuel consumed in those leased motor vehicles or equipment, and the person may be issued a license as an interstate trucker by the comptroller. An application for an interstate trucker license may be accompanied by one copy of the form-lease or service contract entered into with various lessees. On receipt of the interstate trucker license, the person may assign to each motor vehicle leased for interstate operation a photocopy

of the license to be carried in the cab compartment of the motor vehicle. The photocopy of the license must have typed or printed on the back the unit or motor number of the motor vehicle to which it is assigned and the name of the lessee. The lessor is responsible for the proper use of the photocopy of the license issued to the lessor and for its return with the motor vehicle to which it is assigned. Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.003. COOPERATIVE AGREEMENTS WITH OTHER STATES.

(a) The comptroller may enter into a cooperative agreement with another state for the collection of motor fuel taxes, the exchange of information, the auditing of users of motor fuel used in fleets of motor vehicles operated or intended for interstate operation, and the auditing of importers and exporters. An agreement or amendment of an agreement takes effect according to its terms, except that an agreement or amendment may not take effect until the proposed agreement or amendment is published in the Texas Register.

(b) An agreement may provide for:

- (1) determining the base state for motor fuel users;
- (2) user, importer, and exporter records requirements;
- (3) audit procedures;
- (4) exchange of information;
- (5) persons eligible for tax licensing;
- (6) licensing and license revocation procedures, permits, penalties, and fees;
- (7) defining qualified motor vehicles;
- (8) determining bonding procedures, types, and amounts;
- (9) specifying reporting requirements and periods;
- (10) defining refund procedures and limitations, including the payment of interest;
- (11) defining uniform penalties, fees, and interest rates;
- (12) determining methods for collecting motor fuel taxes and for collecting and forwarding motor fuel taxes, other than penalties, due to another jurisdiction;

(13) the temporary remittal of funds equal to the amount of the taxes and interest due to another jurisdiction but not otherwise collected, subject to appropriation of funds for that purpose; and

(14) other provisions to facilitate the administration of the agreement.

(c) The comptroller may, as required by the terms of an agreement, forward to an officer of another state any information in the comptroller's possession relating to the manufacture, receipts, sale, use, transportation, or shipment of motor fuel by any person. The comptroller may disclose to an officer of another state the location of officers, motor vehicles, and other real and personal property of users, importers, and exporters of motor fuel.

(d) An agreement may provide for each state to audit the records of a person based in this state to determine if the motor fuel taxes due each state that is a party to the agreement are properly reported and paid. An agreement may provide for each state to forward the findings of an audit performed on a person based in this state to each other state in which the person has taxable use of motor fuel, from which the person imports motor fuel into this state, or to which the person exports motor fuel from this state. For a person who is not based in this state and who has taxable use of motor fuel in this state or an import into or export out of this state, the comptroller may use an audit performed by another state that is a party to an agreement with this state to make an assessment of motor fuel taxes against the person.

(e) An agreement entered into under this section does not affect the authority of the comptroller to audit any person under any other law.

(f) An agreement entered into under this section prevails over an inconsistent rule of the comptroller. Except as otherwise provided by this section, a statute of this state prevails over an inconsistent provision of an agreement entered into under this section.

(g) The comptroller may segregate in a separate fund or account the amount of motor fuel taxes, other than penalties, estimated to be due to other jurisdictions, motor fuel taxes

subject to refund during the fiscal year, licensing fees, and other costs collected under the agreement. On a determination of an amount held that is due to be remitted to another jurisdiction, the comptroller may issue a warrant or make an electronic transfer of the amount as necessary to carry out the purposes of the agreement. An auditing cost, membership fee, and other cost associated with the agreement may be paid from interest earned on funds segregated under this subsection. Any interest earnings in excess of the costs associated with the agreement shall be credited to general revenue.

(h) The legislature finds that it is in the public interest to enter into motor fuel tax agreements with other jurisdictions that may provide for the temporary remittal of amounts due other jurisdictions that exceed the amounts collected and for cooperation with other jurisdictions for the collection of taxes imposed by this state and other jurisdictions on motor fuel that is imported into or exported out of this state. The comptroller shall ensure that reasonable measures are developed to recover motor fuel taxes and other amounts due this state during each biennium.

(i) The comptroller shall attempt to enter into a cooperative agreement with each state that borders this state to provide for the collection of taxes imposed by this state and the bordering state on motor fuel that is imported into this state from or exported from this state to the bordering state. The comptroller is encouraged to attempt to enter into similar cooperative agreements with states that do not border this state.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.004. MOTOR FUEL TRANSPORTATION: REQUIRED DOCUMENTS. (a) A person may not transport in this state any motor fuel by barge, vessel, railroad tank car, or transport vehicle unless the person has a shipping document for the motor fuel that complies with this section.

(a-1) A terminal operator or operator of a bulk plant shall give a shipping document to the person who operates the barge, vessel, railroad tank car, or transport vehicle into which motor fuel is loaded at the terminal rack or bulk plant rack.

(b) A shipping document shall contain the following

information and any other information required by the comptroller:

(1) the terminal control number of the terminal or physical address of the terminal or bulk plant from which the motor fuel was received;

(2) the name of the purchaser;

(3) the date the motor fuel was loaded;

(4) the net gallons loaded, or the gross gallons loaded if the fuel was purchased from a bulk plant;

(5) the destination state of the motor fuel, as represented by the purchaser of the motor fuel or the purchaser's agent; and

(6) a description of the product being transported.

(c) In the event of an extraordinary circumstance, including an act of God, that temporarily interferes with the ability to issue an automated machine-generated shipping document, a manually prepared shipping document that contains all of the information required by Subsection (b) shall be substituted for the machine-generated shipping document.

(d) A terminal operator or bulk plant operator may rely on the representation made by the purchaser of motor fuel or the purchaser's agent concerning the destination state of the motor fuel. A purchaser is liable for any tax due as a result of the purchaser's diversion of motor fuel from the represented destination state.

(e) A person to whom a shipping document was issued shall:

(1) carry the shipping document in the barge, vessel, railroad tank car, or other transport vehicle for which the document was issued when transporting the motor fuel described in the document;

(2) show the shipping document on request to any law enforcement officer, representative of the comptroller, or other authorized individual, when transporting the motor fuel described;

(3) deliver the motor fuel to the destination state printed on the shipping document unless the person:

(A) notifies the comptroller and the destination state, if a diversion program is in place, before transporting the motor fuel into a state other than the printed destination state,

that the person has received instructions after the shipping document was issued to deliver the motor fuel to a different destination state;

(B) receives from the comptroller and destination state, if a diversion program is in place, a diversion number authorizing the diversion; and

(C) writes on the shipping document the change in destination state and the diversion number; and

(4) give a copy of the shipping document to the person to whom the motor fuel is delivered.

(f) The purchaser is responsible for paying the applicable destination state taxes along with filing a refund with the origin state. The supplier may not refund any taxes due to the diversion of a product.

(g) The person to whom motor fuel is delivered by barge, vessel, railroad tank car, or transport vehicle may not accept delivery of the motor fuel if the destination state shown on the shipping document for the motor fuel is a state other than this state, except that the person may accept that delivery if the document contains a diversion number authorized by the comptroller and destination state, if applicable. The person to whom the motor fuel is delivered shall examine the shipping document to determine that the destination state is this state, and shall retain a copy of the shipping document at the delivery location or another place until the fourth anniversary of the date of delivery.

(h) This section does not apply to motor fuel that is delivered into the fuel supply tank of a motor vehicle.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 1227 (S.B. [1495](#)), Sec. 8, eff. September 1, 2009.

Sec. 162.005. CANCELLATION OR REFUSAL OF LICENSE. (a) The comptroller may cancel or refuse to issue or reissue a motor fuel license to any person who has violated or has failed to comply with a provision of this chapter or a rule of the comptroller.

(b) Before a license may be canceled, or the issuance or

reissuance refused, the comptroller shall give the license holder or license applicant not less than 10 days' notice of a hearing at the office of the comptroller in Austin or at a specified comptroller's field office, granting the license holder or applicant an opportunity to show cause before the comptroller why the proposed action should not be taken. If a license is in effect, the license remains in force pending the determination of the show-cause hearing. Notice must be in writing and may be mailed by United States registered mail or certified mail to the license holder or applicant at the person's last known address, or may be delivered by the comptroller to the license holder or applicant, and no other notice is necessary. In case of service by mail of a notice required by this chapter, the service is complete at the time of deposit in the United States Post Office.

(c) The comptroller may prescribe rules of procedure and evidence for the hearings in accordance with Chapter 2001, Government Code.

(d) If, after the hearing or the opportunity to be heard, the license is canceled or the issuance or reissuance refused by the comptroller, all taxes that have been collected or that have accrued, although the taxes are not then due and payable to the state, except by the provisions of this chapter, shall become due and payable concurrently with the notice of cancellation of the license. The license holder shall within five days make a report covering the period not covered by preceding reports filed by the license holder and ending with the date of cancellation, and shall remit and pay to the comptroller all taxes that have been collected and that have accrued from the sale, use, or distribution of motor fuel in this state.

(e) The comptroller may revoke a license if the license holder purchases for export motor fuel on which the tax was not paid under this chapter and subsequently diverts or causes the motor fuel to be diverted to a destination in this state or to any destination other than the originally designated state or country without first obtaining a diversion number.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.006. SUMMARY SUSPENSION OF LICENSE. (a) The comptroller may suspend a person's license without notice or a hearing for the person's failure to comply with this chapter or a rule adopted under this chapter if the person's continued operation constitutes an immediate and substantial threat to the collection of taxes imposed by this chapter and attributable to the person's operation.

(b) If the comptroller summarily suspends a person's license, proceedings for a preliminary hearing before the comptroller or the comptroller's representative must be initiated simultaneously with the summary suspension. The preliminary hearing shall be set for a date that is not later than the 10th day after the date of the summary suspension, unless the parties agree to a later date.

(c) At the preliminary hearing, the license holder must show cause why the license should not remain suspended pending a final hearing on suspension or revocation.

(d) Chapter [2001](#), Government Code, does not apply to a summary suspension under this section.

(e) To initiate a proceeding to suspend summarily a person's license, the comptroller shall serve notice on the license holder informing the license holder of the right to a preliminary hearing before the comptroller or the comptroller's representative and of the time and place of the preliminary hearing. The notice must be personally served on the license holder or an officer, employee, or agent of the license holder, or sent by certified or registered mail, return receipt requested, to the license holder's mailing address as it appears on the comptroller's records. The notice must state the alleged violations that constitute the grounds for summary suspension. The suspension is effective at the time the notice is served. If the notice is served in person, the license holder shall immediately surrender the license to the comptroller or to the comptroller's representative. If notice is served by mail, the license holder shall immediately return the license to the comptroller.

(f) Section [162.005](#), governing hearings for license cancellation or refusal to issue a license under this chapter,

governs a final administrative hearing under this section.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.007. ENFORCEMENT OF LICENSE CANCELLATION, SUSPENSION, OR REFUSAL. (a) The comptroller may examine any books and records incident to the conduct of the business of a person whose license has been canceled or suspended on the person's failure to file the reports required by this chapter or to remit all taxes due. If necessary, the comptroller shall issue an audit deficiency determination for any tax amount due. If the amount is not paid on or before the 15th day after the deficiency determination becomes final, the bond or other security required under this chapter shall be forfeited. The demand for payment shall be addressed to both the surety or sureties and the person who owes the delinquency.

(b) If the forfeiture of the bond or other security does not satisfy the delinquency, the comptroller shall certify the taxes, penalty, and interest delinquent to the attorney general, who may file suit against the person or the person's surety, or both, to collect the amount due. After being given notice of an order of cancellation or summary suspension, it shall be unlawful for any person to continue to operate the person's business under a canceled or suspended license. The attorney general may file suit to enjoin the person from operating under the canceled or suspended license until the comptroller reissues a license.

(c) An appeal from an order of the comptroller canceling or suspending or refusing the issuance or reissuance of a license may be taken to a district court of Travis County by the aggrieved license holder or applicant. The trial shall be de novo under the same rules as ordinary civil suits, except that:

(1) an appeal must be perfected and filed within 30 days after the effective date of the order, decision, or ruling of the comptroller;

(2) the trial of the case shall begin within 10 days after its filing; and

(3) the order, decision, or ruling of the comptroller may be suspended or modified by the court pending a trial on the

merits.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.008. INSPECTION OF PREMISES AND RECORDS. For the purpose of determining the amount of tax collected and payable to this state, the amount of tax accruing and due, and whether a tax liability has been incurred under this chapter, the comptroller may:

(1) inspect any premises where motor fuel, crude petroleum, natural gas, derivatives or condensates of crude petroleum, natural gas, or their products, methyl alcohol, ethyl alcohol, or other blending agents are produced, made, prepared, stored, transported, sold, or offered for sale or exchange;

(2) examine the books and records required to be kept and records incident to the business of any license holder or person required to be licensed, or any person receiving, possessing, delivering, or selling motor fuel, crude oil, derivatives or condensates of crude petroleum, natural gas, or their products, or any blending agents;

(3) examine and either gauge or measure the contents of all storage tanks, containers, and other property or equipment; and

(4) take samples of any and all of these products stored on the premises.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.009. AUTHORITY TO STOP AND EXAMINE. To enforce this chapter, the comptroller or a peace officer may stop a motor vehicle that appears to be operating with or transporting motor fuel to examine the shipping document, cargo manifest, or invoices required to be carried, examine a license or copy of a license that may be required to be carried, take samples from the fuel supply or cargo tanks, and make any other investigation that could reasonably be made to determine whether the taxes have been paid or accounted for by a license holder or a person required to be licensed. The comptroller, a peace officer, an employee of the attorney general's office, an employee of the Texas Commission on Environmental

Quality, or an employee of the Texas Department of Licensing and Regulation may take samples of motor fuel from a storage tank or container to:

(1) determine if the fuel contains hazardous waste or is adulterated; or

(2) allow the comptroller to determine whether taxes on the fuel have been paid or accounted for to this state.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Amended by:

Acts 2019, 86th Leg., R.S., Ch. 1219 (S.B. [2119](#)), Sec. 8, eff. September 1, 2020.

Sec. 162.010. IMPOUNDMENT AND SEIZURE. (a) If after examination or other investigation, the comptroller believes that the owner or operator of a motor vehicle or cargo tank, or a person receiving, possessing, delivering, or selling gasoline or diesel fuel, has not paid all motor fuel taxes due, or does not have a valid license entitling that person to possess or transport tax-free motor fuel, the comptroller or peace officer may impound the fuel, the motor vehicle, cargo tank, storage tank, equipment, paraphernalia, or other tangible personal property used for or incident to the storage, sale, or transportation of that motor fuel. Unless proof is produced within three working days after the beginning of impoundment that the owner, operator, or other person has paid the taxes established by the comptroller to be due on the gasoline or diesel fuel stored, sold, used, or transported and any other taxes due to this state, or that the owner, operator, or other person holds a valid license to possess or transport tax-free motor fuel, the comptroller may demand payment of all taxes, penalties, and interest due to this state, and all costs of impoundment.

(b) If the owner or operator does not produce the required documentation or required license or pay the taxes, penalties, interest, and costs due within three working days after the beginning of the impoundment, the comptroller may seize the impounded property to satisfy the tax liability.

(c) The comptroller may seize:

(1) all motor fuel on which taxes are imposed by this

chapter that is found in the possession, custody, or control of any person for the purpose of being sold, transported, removed, or used by the person in violation of this chapter;

(2) all motor fuel that is removed or is deposited, stored, or concealed in any place with intent to avoid payment of taxes;

(3) any automobile, truck, tank truck, boat, trailer conveyance, or other vehicle used in the removal or transportation of the motor fuel to avoid payment of taxes; and

(4) all equipment, paraphernalia, storage tanks, or tangible personal property incident to and used for avoiding the payment of taxes and found in the place, building, or vehicle where the motor fuel is found.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.011. SALE OF SEIZED PROPERTY. (a) The comptroller may sell property seized under Section [162.010](#).

(b) Notice of the time and place of a sale shall be given to the delinquent person in writing by certified mail at least 20 days before the date set for the sale. The notice shall be enclosed in an envelope addressed to the person at the person's last known address or place of business. It shall be deposited in the United States mail, postage prepaid. The notice shall also be published once a week for two consecutive weeks before the date of the sale in a newspaper of general circulation published in the county in which the property seized is to be sold. If there is no newspaper of general circulation in the county, notice shall be posted in three public places in the county 14 days before the date set for the sale. The notice must contain a description of the property to be sold, a statement of the amount due, including interest, penalties, and costs, the name of the delinquent, and the further statement that unless the amount due, interest, penalties, and costs are paid on or before the time fixed in the notice for the sale, the property, or as much of it as may be necessary, will be sold at public auction in accordance with the law and the notice.

(c) At the sale, the comptroller shall sell the property and shall deliver to the purchaser a bill of sale for personal property

and a deed for real property sold. The bill of sale or deed vests the interest or title of the person liable for the amount in the purchaser. The unsold portion of any property seized may be left at the place of sale at the risk of the person liable for the amount.

(d) The proceeds of a sale shall be allocated according to the following priorities:

(1) the payment of expenses of seizure, appraisal, custody, advertising, auction, and any other expenses incident to the seizure and sale;

(2) the payment of the tax, penalty, and interest; and

(3) the repayment of the remaining balance to the person liable for the amount unless a claim is presented before the sale by any other person who has an ownership interest evidenced by a financing statement or lien, in which case the comptroller shall withhold the remaining balance pending a determination of the rights of the respective parties.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.012. PRESUMPTIONS. (a) A person licensed under this chapter or required to be licensed under this chapter, or other user, who fails to keep a record, issue an invoice, or file a return or report required by this chapter is presumed to have sold or used for taxable purposes all motor fuel shown by an audit by the comptroller to have been sold to the license holder or other user. Motor fuel unaccounted for is presumed to have been sold or used for taxable purposes. If an exporter claims an exemption under Section [162.104\(a\)\(4\)](#) or [162.204\(a\)\(4\)](#) and fails to report subsequent tax-free sales in this state of the motor fuel for which the exemption was claimed as required by Section [162.1155](#) or [162.2165](#), or to produce proof of payment of tax to the destination state or proof that the transaction was exempt in the destination state, the exporter is presumed to have not paid the destination state's tax or this state's tax on the motor fuel and the comptroller shall assess the tax imposed by this chapter on the motor fuel against the exporter. The comptroller may fix or establish the amount of taxes, penalties, and interest due this state from the records of deliveries or from any records or

information available. If a tax claim, as developed from this procedure, is not paid, after the opportunity to request a redetermination, the claim and any audit made by the comptroller or any report filed by the license holder or other user is evidence in any suit or judicial proceedings filed by the attorney general and is prima facie evidence of the correctness of the claim or audit. A prima facie presumption of the correctness of the claim may be overcome at the trial by evidence adduced by the license holder or other user.

(b) In the absence of records showing the number of miles actually operated per gallon of motor fuel consumed, it is presumed that not less than one gallon of motor fuel was consumed for every four miles traveled. An interstate trucker may produce evidence of motor fuel consumption to establish another mileage factor. If an examination or audit made by the comptroller from the records of an interstate trucker shows that a greater amount of motor fuel was consumed than was reported by the interstate trucker for tax purposes, the interstate trucker is liable for the tax, penalties, and interest on the additional amount shown or the trucker is entitled to a credit or refund on overpayments of tax established by the audit.

Sec. 162.013. VENUE OF TAX COLLECTION SUITS. The venue of a suit, injunction, or other proceeding at law available for the establishment or collection of a claim for delinquent taxes, penalties, or interest accruing under this chapter and the enforcement of the terms and provisions of this chapter is in Travis

County or in any other county having venue under existing venue statutes.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.014. OTHER MOTOR FUEL TAXES PROHIBITED. The taxes imposed by this chapter are in lieu of any other excise or occupation tax imposed by a political subdivision of this state on the sale, use, or distribution of gasoline, diesel fuel, compressed natural gas, liquefied natural gas, or liquefied gas.

Acts 2017, 85th Leg., R.S., Ch. 6 (S.B. [1120](#)), Sec. 1, eff. May 10, 2017.

Sec. 162.015. ADDITIONAL TAX APPLIES TO INVENTORIES. (a) On the effective date of an increase in the rates of the taxes imposed by this chapter, a distributor or dealer that possesses for the purpose of sale 2,000 or more gallons of gasoline or diesel fuel at each business location on which the taxes imposed by this chapter at a previous rate have been paid shall report to the comptroller the volume of that gasoline and diesel fuel, and at the time of the report shall pay a tax on that gasoline and diesel fuel at a rate equal to the rate of the tax increase.

(b) On the effective date of a reduction of the rates of taxes imposed by this chapter, a distributor or dealer that possesses for the purpose of sale 2,000 or more gallons of gasoline or diesel fuel at each business location on which the taxes imposed by this chapter at the previous rate have been paid becomes entitled to a refund in an amount equal to the difference in the amount of taxes paid on that gasoline or diesel fuel at the previous rate and at the rate in effect on the effective date of the reduction in the tax rates. The rules of the comptroller shall provide for the method of claiming a refund under this chapter and may require that the refund for the dealer be paid through the distributor or supplier from whom the dealer received the fuel.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.016. IMPORTATION AND EXPORTATION OF MOTOR FUEL.

(a) A person may not import motor fuel to a destination in this state or export motor fuel to a destination outside this state by any means unless the person possesses a shipping document for that fuel. The shipping document must include:

(1) the name and physical address of the terminal or bulk plant from which the motor fuel was received for import or export;

(2) the name of the carrier transporting the motor fuel;

(3) the date the motor fuel was loaded;

(4) the type of motor fuel;

(5) the number of gallons:

(A) in temperature-adjusted gallons if purchased from a terminal for export or import; or

(B) in temperature-adjusted gallons or in gross gallons if purchased from a bulk plant;

(6) the destination of the motor fuel as represented by the purchaser of the motor fuel and the number of gallons of the fuel to be delivered, if delivery is to only one state;

(7) the name and physical address of the purchaser of the motor fuel;

(8) the name of the person responsible for paying the tax imposed by this chapter, as given to the terminal by the purchaser if different from the licensed supplier or distributor;

(9) the destination state of each portion of a split load of motor fuel if the motor fuel is to be delivered to more than one state; and

(10) any other information that, in the opinion of the comptroller, is necessary for the proper administration of this chapter.

(b) The shipping documents shall be provided to the importer or exporter.

(c) If motor fuel is to be delivered to more than one state, the terminal shall document the split loads by issuing shipping documents that list the destination state of each portion of the motor fuel.

(d) A seller, transporter, or receiver of motor fuel shall:

(1) retain a copy of the shipping document until at least the fourth anniversary of the date the fuel is received; and

(2) provide a copy of the document to the comptroller or any law enforcement officer not later than the 10th working day after the date a request for the copy is received.

(e) An importer or exporter shall keep in the person's possession the shipping document when transporting motor fuel imported into this state or for export from this state. The importer or exporter shall show the document to the comptroller or a peace officer on request. The comptroller may delegate authority to inspect the document to other governmental agencies. The importer or exporter shall provide a copy of the shipping document to the person that receives the fuel when it is delivered.

(f) The importer or exporter may deliver motor fuel only to the destination state or states indicated on the shipping document.

(g) An importer or exporter who wants to divert the delivery of a single cargo tank of motor fuel from the destination state printed on the shipping document must obtain a diversion number from the comptroller before diverting the delivery. The importer, exporter, or motor fuel transporter must write the diversion number on the shipping document issued for the fuel. A diversion number is required for each diverted delivery. The comptroller may appoint a person to assign diversion numbers or may delegate that authority to another person.

(h) An importer that acquires motor fuel for import by cargo tank must obtain an import verification number from the comptroller before importing the motor fuel. The importer must write the import verification number on the shipping document issued for the fuel. The importer must obtain a separate import confirmation number for each cargo tank delivery of motor fuel into this state. The comptroller may appoint a person to assign import verification numbers or may delegate that authority to another person.

(i) Each terminal or bulk plant shall post a notice in a conspicuous location proximate to the point of receipt of shipping papers that describes the duties of importers and exporters under this section. The comptroller may prescribe the language, type,

style, and format of the notice.

SUBCHAPTER B. GASOLINE TAX

Sec. 162.101. POINT OF IMPOSITION OF GASOLINE TAX. (a) A tax is imposed on the removal of gasoline from the terminal using the terminal rack, other than by bulk transfer. The supplier or permissive supplier is liable for and shall collect the tax imposed by this subchapter from the person who orders the withdrawal at the terminal rack.

(b) A tax is imposed at the time gasoline is imported into this state, other than by a bulk transfer, for delivery to a destination in this state. The supplier or permissive supplier is liable for and shall collect the tax imposed by this subchapter from the person who imports the gasoline into this state. If the seller is not a supplier or permissive supplier, then the person who imports the gasoline into this state is liable for and shall pay the tax.

(c) A tax is imposed on the removal of gasoline from the bulk transfer/terminal system in this state. The supplier is liable for and shall collect the tax imposed by this subchapter from the person who orders the removal from the bulk transfer terminal system.

(d) A tax is imposed on gasoline brought into this state in a motor fuel supply tank or tanks of a motor vehicle operated by a person required to be licensed as an interstate trucker. The interstate trucker is liable for and shall pay the tax.

(e) A tax is imposed on the blending of gasoline at the point gasoline blended fuel is made in this state outside the bulk transfer/terminal system. The blender is liable for and shall pay the tax. The number of gallons of gasoline blended fuel on which the tax is imposed is equal to the difference between the number of gallons of blended fuel made and the number of gallons of previously taxed gasoline used to make the blended fuel.

(e-1) A tax is imposed on gasoline that is otherwise exempt from taxation under Section 162.104(a)(4) or (7) if the gasoline is sold into a truck or railcar in this state to a person who does not hold a license under Section 162.105(1), (2), (3), (4), or (6). The person who sold the gasoline is liable for and shall collect and remit the tax.

(e-2) A tax is imposed on gasoline that is otherwise exempt from taxation under Section 162.104(a)(4) or (7) if before export the gasoline is sold in this state to a person who holds a license under Section 162.105(1), (2), (3), (4), or (6) and the gasoline is delivered to a destination in this state. The person that redirected the delivery of the gasoline to a destination in this state is liable for and shall pay the tax.

(e-3) A tax is imposed on gasoline that is otherwise exempt from taxation under Section 162.104(a)(7) if the gasoline is sold into a marine vessel in this state to a person who does not hold a license under Section 162.105(1), (2), (3), (4), or (6) unless the exporter of record is licensed under Section 162.105(1), (2), (3), (4), or (6). The person who sold the gasoline is liable for and shall collect and remit the tax.

(f) A terminal operator in this state is considered a supplier for the purpose of the tax imposed under this subchapter unless at the time of removal:

(1) the terminal operator has a terminal operator's license issued for the facility from which the gasoline is withdrawn;

(2) the terminal operator verifies that the person who removes the gasoline has a supplier's license; and

(3) the terminal operator does not have a reason to believe that the supplier's license is not valid.

(g) In each subsequent sale of gasoline on which the tax has been paid, the amount of the tax shall be added to the selling price so that the tax is paid by each person receiving the gasoline until it is paid ultimately by the person using or consuming the gasoline.

(h) Gasoline is considered to be used when it is delivered into a fuel supply tank.

Sec. 162.102. TAX RATE. The gasoline tax rate is 20 cents for each net gallon or fractional part on which the tax is imposed under Section [162.101](#).

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.1025. SEPARATE STATEMENT OF TAX COLLECTED FROM PURCHASER. (a) In each subsequent sale of gasoline on which the tax has been paid, the tax imposed by this subchapter shall be collected from the purchaser so that the tax is paid ultimately by the person who uses the gasoline. Gasoline is considered to be used when it is delivered into a fuel supply tank.

(b) The tax imposed by this subchapter must be stated separately from the sales price of gasoline and identified as gasoline tax on the invoice or receipt issued to a purchaser. Backup gasoline tax may be identified as gasoline tax. The tax must be separately stated and identified in the same manner on a shipping document, if the shipping document includes the sales price of the gasoline.

(c) Except as provided by Subsection (d), the sales price of gasoline stated on an invoice, receipt, or shipping document is presumed to be exclusive of the tax imposed by this subchapter. The seller or purchaser may overcome the presumption by using the seller's records to show that the tax imposed by this subchapter was included in the sales price.

(d) Subsection (b) does not apply to a sale of gasoline by a licensed dealer to a person who delivers the gasoline at the dealer's place of business into a fuel supply tank or into a

container having a capacity of not more than 10 gallons.

Added by Acts 2009, 81st Leg., R.S., Ch. 1227 (S.B. 1495), Sec. 11, eff. September 1, 2009.

Sec. 162.103. BACKUP TAX; LIABILITY. (a) A backup tax is imposed at the rate prescribed by Section 162.102 on:

(1) a person who obtains a refund of tax on gasoline by claiming the gasoline was used for an off-highway purpose, but actually uses the gasoline to operate a motor vehicle on a public highway;

(2) a person who operates a motor vehicle on a public highway using gasoline on which tax has not been paid;

(3) a person who sells to the ultimate consumer gasoline on which tax has not been paid and who knew or had reason to know that the gasoline would be used for a taxable purpose;

(4) a person, other than a person exempted under Section 162.104, who acquires gasoline on which tax has not been paid:

(A) in an original or subsequent sale; or

(B) from any source in this state; and

(5) a person who acquires gasoline by any unlawful means, including by purchase through the unauthorized use of a credit card, a debit card, or other money, regardless of whether tax was previously paid on the gasoline or was added to the selling price of the gasoline.

(b) If the motor vehicle described by Subsection (a)(2) is owned or leased by a person other than the operator, the tax shall be paid by either the operator or the motor vehicle's owner or lessee.

(c) The tax imposed under Subsection (a)(3) is also imposed on the ultimate consumer.

(d) A person who sells gasoline in this state, other than by a bulk transfer, on which tax has not been paid for any purpose other than a purpose exempt under Section 162.104 shall at the time of sale collect the tax from the purchaser or recipient of gasoline in addition to the selling price and is liable to this state for the taxes imposed in the manner provided by this chapter.

(e) The tax liability imposed by this section is in addition to any penalty imposed under this chapter.

Sec. 162.104. EXEMPTIONS. (a) The tax imposed by this subchapter does not apply to gasoline:

(1) sold to the United States for its exclusive use, provided that the exemption does not apply with respect to fuel sold or delivered to a person operating under a contract with the United States;

(2) sold to a public school district in this state for the district's exclusive use;

(3) sold to a commercial transportation company or a metropolitan rapid transit authority operating under Chapter [451](#), Transportation Code, that provides public school transportation services to a school district under Section [34.008](#), Education Code, and that uses the gasoline only to provide those services;

(4) exported by either a licensed supplier or a licensed exporter from this state to any other state, provided that the bill of lading indicates the destination state and the supplier collects the destination state tax;

(5) moved by truck or railcar between licensed suppliers or licensed permissive suppliers and in which the gasoline removed from the first terminal comes to rest in the second terminal, provided that the removal from the second terminal rack is subject to the tax imposed by this subchapter;

(6) delivered or sold into a storage facility of a licensed aviation fuel dealer from which gasoline will be delivered

solely into the fuel supply tanks of aircraft or aircraft servicing equipment, or sold from one licensed aviation fuel dealer to another licensed aviation fuel dealer who will deliver the aviation fuel exclusively into the fuel supply tanks of aircraft or aircraft servicing equipment;

- (1) collect the tax due to this state on the gasoline;
- (2) waive any defense that this state lacks

jurisdiction to require the supplier to collect the tax due to this state on the gasoline under this subchapter;

(3) report and pay the tax due on the gasoline in the same manner as if the removal had occurred at a terminal located in this state;

(4) keep records of the removal of the gasoline and submit to audits concerning the gasoline as if the removal had occurred at a terminal located in this state; and

(5) report sales by the permissive supplier to a person who is not licensed in this state.

(c) A permissive supplier must acknowledge in the person's license application that this state imposes the requirements listed in Subsection (b) under this state's general police power and that the permissive supplier submits to the jurisdiction of this state only for purposes related to the administration of this chapter.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.108. LICENSE APPLICATION PROCEDURE. (a) To obtain a license under this subchapter, an applicant shall file an application using a form adopted by the comptroller. The application must contain:

(1) the name under which the applicant transacts or intends to transact business;

(2) the applicant's principal office, residence, or place of business in this state, or other location of the applicant;

(3) if the applicant is not an individual, the names of the principal officers of an applicant corporation, or the names of the members of an applicant partnership, and the office, street, or post office addresses of each; and

(4) other information required by the comptroller.

(b) An applicant for a license as a supplier, permissive supplier, or terminal operator must have a federal certificate of registry issued under 26 U.S.C. Section 4101 that authorizes the applicant to enter into federal tax-free transactions of gasoline in the bulk terminal/transfer system. An applicant that is required to have a federal certificate of registry must include the registration number of the certificate on the application for a

license. An applicant for a license as an importer, an exporter, or a distributor who has a federal certificate of registry issued under 26 U.S.C. Section 4101 must include the registration number of the certificate on the application for a license.

(c) An applicant for a license as an importer or distributor must list on the application each state from which the applicant intends to import gasoline and, if required by a listed state, must be licensed or registered for gasoline tax purposes in that state. If a listed state requires the applicant to be licensed or registered, the applicant must provide the applicant's license or registration number from that state.

(d) An applicant for a license as an exporter must designate an agent located in this state for service of process and provide the agent's name and address. An applicant for a license as an exporter or distributor must list on the application each state to which the applicant intends to export gasoline received in this state by means of a transfer that is outside the bulk transfer/terminal system and must be licensed or registered for gasoline tax purposes in that state. The applicant must provide the applicant's license or registration number from that state.

(e) An applicant for a license as a motor fuel transporter must list on the application each state from which and to which the applicant intends to transport motor fuel and, if required by a listed state, must be licensed or registered for gasoline tax purposes in that state. If a listed state requires the applicant to be licensed or registered, the applicant must provide the applicant's license or registration number from that state.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.109. ISSUANCE AND DISPLAY OF LICENSE. (a) If the comptroller approves a license application, the comptroller shall issue a license to the applicant. A license must be posted in a conspicuous place or kept available for inspection at the principal place of business of the license holder. A copy of the license must be kept at each place of business or other place of storage from which gasoline is sold, distributed, or used and in each motor vehicle used by the license holder to transport gasoline purchased

by the license holder for resale, distribution, or use.

(b) A person holding an interstate trucker's license shall reproduce the license and carry a photocopy with each motor vehicle being operated into or from this state.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.110. LICENSES AND TRIP PERMITS; PERIODS OF VALIDITY. (a) The license issued to a supplier, permissive supplier, distributor, importer, exporter, terminal operator, blender, or motor fuel transporter is permanent and is valid during the period the license holder has in force and effect the required bond or security and furnishes timely reports and supplements as required, or until the license is surrendered by the holder or canceled by the comptroller. The comptroller shall cancel a license under this subsection if a purchase, sale, or use of gasoline has not been reported by the license holder during the previous nine months.

(b) The license issued to an aviation fuel dealer is permanent and is valid until the license is surrendered by the holder or canceled by the comptroller.

(c) The license issued to an interstate trucker is valid from the date of its issuance through December 31 of each calendar year or until the license is surrendered by the holder or canceled by the comptroller. The comptroller may renew the license for each ensuing calendar year if the license holder furnishes timely reports as required.

(d) A trip permit is valid for the period stated on the permit as determined by the comptroller.

(e) A license issued under this subchapter is not transferable.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.111. BOND AND OTHER SECURITY FOR TAXES. (a) The comptroller shall determine the amount of security required of a supplier, permissive supplier, distributor, exporter, importer, or blender, taking into consideration the amount of tax that has or is expected to become due from the person, any past history of the

person as a license holder under this chapter or its predecessor, and the necessity to protect this state against the failure to pay the tax as the tax becomes due.

(b) If it is determined that the posting of security is necessary to protect this state, the comptroller may require a license holder to post a bond. A license holder shall post a bond equal to two times the maximum amount of tax that could accrue on tax-free gasoline purchased or acquired during a reporting period. The minimum bond is \$30,000. The maximum bond is \$600,000 unless the comptroller believes there is undue risk of loss of tax revenues, in which event the comptroller may require one or more bonds or securities in a total amount exceeding \$600,000.

(c) A license holder who has filed a bond or other security under this subchapter is entitled, on request, to have the comptroller return, refund, or release the bond or security if in the judgment of the comptroller the person has for four consecutive years continuously complied with the conditions of the bond or other security filed under this subchapter. However, if the comptroller determines that the revenues of this state would be jeopardized by the return, refund, or release of the bond or security, the comptroller may elect not to return, refund, or release the bond or security and may reimpose a requirement of a bond or other security as the comptroller determines necessary to protect the revenues of this state.

(d) A bond must be a continuing instrument, must constitute a new and separate obligation in the penal sum named in the bond for each calendar year or portion of a year while the bond is in force, and must remain in effect until the surety on the bond is released and discharged.

(e) Instead of filing a surety bond, an applicant for a license may substitute the following security:

(1) cash in the form of United States currency in an amount equal to the required bond to be deposited in the suspense account of the state treasury;

(2) an assignment to the comptroller of a certificate of deposit in any bank or savings and loan association in this state that is a member of the Federal Deposit Insurance Corporation in an

amount at least equal to the bond amount required; or

(3) an irrevocable letter of credit to the comptroller from any bank or savings and loan association in this state that is a member of the Federal Deposit Insurance Corporation in an amount of credit at least equal to the bond amount required.

(f) If the amount of an existing bond becomes insufficient or a security becomes unsatisfactory or unacceptable, the comptroller may require the filing of a new or of an additional bond or security.

(g) A surety bond or other form of security may not be released until it is determined by examination or audit that a tax, penalty, or interest liability does not exist. The cash or securities shall be released within 60 days after the comptroller determines that liability does not exist.

(h) The comptroller may use the cash or certificate of deposit security to satisfy a final determination of delinquent liability or a judgment secured in any action by this state to recover gasoline taxes, costs, penalties, and interest found to be due to this state by a person in whose behalf the cash or certificate security was deposited.

(i) A surety on a bond furnished by a license holder shall be released and discharged from liability to this state accruing on the bond on the 31st day after the date on which the surety files with the comptroller a written request to be released and discharged. The request does not relieve, release, or discharge the surety from a liability that already accrued or that accrues before the expiration of the 30-day period. The comptroller, promptly on receipt of the request, shall notify the license holder who furnished the bond, and unless the license holder, before the expiration date of the existing security, files with the comptroller a new bond with a surety company duly authorized to do business under the laws of this state, or other authorized security, in the amount required by this section, the comptroller shall cancel the license in the manner provided by this chapter.

(j) The comptroller shall notify immediately the issuer of a letter of credit of a final determination of the license holder's delinquent liability or a judgment secured in any action by this

state to recover gasoline taxes, costs, penalties, and interest found to be due this state by a license holder in whose behalf the letter of credit was issued. The letter of credit allowed as security for the remittance of taxes under this subchapter shall contain a statement that the issuer agrees to respond to the comptroller's notice of liability with amounts to satisfy the comptroller's delinquency claim against the license holder.

(k) A license holder may request an examination or audit to obtain release of the security when the license holder relinquishes the license or when the license holder wants to substitute one form of security for an existing one.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.112. LICENSE HOLDER STATUS LIST. (a) The comptroller, on or before December 20 of each year, shall make available to all license holders an alphabetical list of licensed suppliers, permissive suppliers, distributors, aviation fuel dealers, importers, exporters, blenders, and terminal operators. A supplemental list of additions and deletions shall be made available to the license holders each month. A current and effective license or the list furnished by the comptroller is evidence of the validity of the license until the comptroller notifies license holders of a change in the status of a license holder.

(b) A licensed supplier, permissive supplier, or distributor who sells gasoline tax-free to a person whose supplier's, permissive supplier's, or aviation fuel dealer's license has been canceled or revoked under this chapter is liable for any tax due on gasoline sold after receiving notice of the cancellation or revocation.

(c) The comptroller shall notify all license holders under this chapter when a canceled or revoked license is subsequently reinstated and include in the notice the effective date of the reinstatement. Sales to the supplier, permissive supplier, or aviation fuel dealer after the effective date of the reinstatement may be made tax-free.

(a) Each licensed distributor and licensed importer shall remit to the supplier or permissive supplier, as applicable, the tax imposed by Section [162.101](#) for gasoline removed at a terminal rack. A licensed distributor or licensed importer may elect to defer payment of the tax to the supplier or permissive supplier until two days before the date the supplier or permissive supplier is required to remit the tax to this state. The distributor or importer shall pay the taxes by electronic funds transfer.

(b) A supplier, a permissive supplier, or its representative that conducts electronic transactions to draft an account of a licensed distributor or licensed importer for the payment of taxes due under this section shall provide at least two days' notice using an electronic means of the amount to be drafted from the account of the licensed distributor or licensed importer and the number of the account to be drafted from.

(c) If the supplier or permissive supplier cannot secure from the licensed distributor or licensed importer payment of taxes due for gasoline removed from the terminal during the previous reporting period and the supplier elects to take a credit against a subsequent payment of gasoline tax to this state for the taxes not remitted to the supplier or permissive supplier by the licensed distributor or licensed importer, the supplier or permissive supplier shall notify the comptroller of the licensed distributor's

or licensed importer's failure to remit tax in conjunction with the report requesting a credit.

(d) The supplier or permissive supplier, after requesting a credit under this section, shall terminate the ability of the licensed distributor or licensed importer to defer the payment of gasoline tax. The supplier or permissive supplier may not reinstate the right of the licensed distributor or licensed importer to defer the payment of gasoline tax until the first anniversary of the date the supplier or permissive supplier requested the credit, subject to Subsection (d-1).

(d-1) A supplier or permissive supplier may reinstate the right of a licensed distributor or licensed importer to defer the payment of gasoline tax before the date prescribed by Subsection (d) if the comptroller determines that:

(1) the supplier or permissive supplier erroneously requested the credit that resulted in the termination of the licensed distributor's or licensed importer's right to defer payment; or

(2) the licensed distributor or licensed importer failed to pay gasoline taxes due because of circumstances that may have been outside the distributor's or importer's control.

(e) A licensed distributor or licensed importer who makes timely payments of the gasoline tax imposed under this subchapter is entitled to retain an amount equal to 1.75 percent of the total taxes to be paid to the supplier or permissive supplier to cover administrative expenses.

(f) The license of a distributor, exporter, or importer who fails to pay the full amount of tax required by this subchapter is subject to cancellation as provided by Section [162.005](#).

Sec. 162.1155. DUTY TO REPORT SUBSEQUENT SALES OF TAX-FREE GASOLINE PURCHASED FOR EXPORT. (a) A person who purchases or removes gasoline tax-free under Section 162.104(a)(4) or (7) and before export sells the gasoline in this state tax-free to a person who holds a license under Section 162.105(1), (2), (3), (4), or (6) shall report that transaction to the comptroller as required by this section. Sec. 162.125. REFUND OR CREDIT FOR CERTAIN TAXES PAID.
(a) A license holder may take a credit on a return for the period in which the sale occurred if the license holder paid tax on the purchase of gasoline and subsequently resells the gasoline without collecting the tax to:

(1) the United States government for its exclusive use, provided that a credit is not allowed for gasoline used by a person operating under contract with the United States;

(2) a public school district in this state for the district's exclusive use;

(3) an exporter licensed under this subchapter if the seller is a licensed supplier or distributor and the exporter subsequently exports the gasoline to another state;

(4) a licensed aviation fuel dealer if the seller is a licensed distributor;

(5) a commercial transportation company or a metropolitan rapid transit authority operating under Chapter 451, Transportation Code, that provides public school transportation services to a school district under Section 34.008, Education Code, and that uses the gasoline exclusively to provide those services; or

(6) a nonprofit food bank that delivers or will deliver the gasoline into the fuel supply tank of a motor vehicle with a gross vehicle weight rating of at least 25,000 pounds that is owned by the nonprofit food bank and used to deliver food.

(b) For truck or railcar movements between licensed suppliers or licensed permissive suppliers in which the gasoline removed from the first terminal comes to rest in the second terminal and tax was paid on the first removal, the license holder who receives the gasoline in the second terminal may take the credit.

(c) A license holder may take a credit on a return for the period in which the purchase occurred, and a person who does not hold a license under this subchapter, other than a license as an aviation fuel dealer, may file a refund claim with the comptroller if the license holder or person paid tax on gasoline and the license holder or person:

(1) is the United States government and the gasoline is for its exclusive use, provided that a credit or refund is not allowed for gasoline used by a license holder or person operating under a contract with the United States;

(2) is a public school district in this state and the gasoline is for the district's exclusive use;

(3) is a commercial transportation company that provides public school transportation services to a school district under Section 34.008, Education Code, and the gasoline is used

exclusively to provide those services;

(4) uses the gasoline in off-highway equipment, in stationary engines, or for other nonhighway purposes and not in a motor vehicle operated or intended to be operated on the public highways;

(5) uses the gasoline in a motor vehicle that is operated exclusively off the public highways, except for incidental travel on the public highways as determined by the comptroller, provided that a credit or refund may not be allowed for the portion used in the incidental highway travel; or

(6) is a licensed aviation fuel dealer who delivers the gasoline into the fuel supply tanks of aircraft or aircraft servicing equipment.

(d) A license holder may take a credit on a return for the period in which the purchase occurred if the license holder paid tax on gasoline and the license holder is a licensed interstate trucker who uses the gasoline outside this state in commercial vehicles operated under an interstate trucker license, provided that a credit or refund claimed under this subsection must be taken or filed within the limitation period provided by Section [162.128](#).

(e) A license holder may take credit on a return for the period in which the purchase occurred, and a person who does not hold a license may file a refund claim with the comptroller, if the license holder or person paid tax on gasoline and the gasoline is used in this state by auxiliary power units or power take-off equipment on any motor vehicle, if that use can be accurately measured while the motor vehicle is stationary by any metering or other measuring device or method designed to measure the fuel separately from fuel used to propel or idle the motor vehicle. The comptroller may approve and adopt the use of any device as a basis for determining the quantity of gasoline consumed in those operations for tax credit or tax refund. The climate-control air conditioning or heating system of a motor vehicle that has a primary purpose of providing for the convenience or comfort of the operator or passengers is not a power take-off system, and a credit or refund may not be allowed for the gasoline tax paid on any portion of the gasoline that is used for that purpose. A credit or refund may not

be allowed for the gasoline tax paid on that portion of the gasoline used for idling.

(f) A person who paid tax on the purchase of gasoline may claim a credit or seek a refund with the comptroller if 100 or more gallons of gasoline is subsequently exported or lost by fire, theft, or accident. A credit or refund claimed under this subsection must be taken or filed within the limitation period provided by Section [162.128](#).

(g) A transit company that paid tax on the purchase of gasoline may seek a refund with the comptroller in an amount equal to one cent per gallon for gasoline used in transit vehicles.

(g-1) A volunteer fire department exempt from the tax imposed under this subchapter that paid tax on the purchase of gasoline is entitled to a refund of the tax paid, and the volunteer fire department may file a refund claim with the comptroller for that amount.

(g-2) A nonprofit entity exempted under Section [162.104](#)(a)(9) from the tax imposed under this subchapter that paid tax on the purchase of gasoline is entitled to a refund of the tax paid, and the entity may file a refund claim with the comptroller for that amount.

(h) The right to receive a refund or take a credit under this section is not assignable.

(i) The comptroller may adopt rules specifying procedures and requirements that must be followed to claim a credit or refund under this section.

(j) A license holder may take a credit on a return for the tax included in the retail purchase price of gasoline for the period in which the purchase occurred when made by one of the following purchasers, if the purchase was made by acceptance of a credit card not issued by the license holder, the credit card issuer did not collect the tax from the purchaser, and the license holder reimbursed the credit card issuer for the amount of tax included in the retail purchase price:

(1) the United States government for its exclusive use;

(2) a public school district in this state for the

district's exclusive use;

(3) a commercial transportation company that provides public school transportation services to a public school district under Section 34.008, Education Code, for its exclusive use to provide those services;

(4) a nonprofit electric cooperative corporation organized under Chapter 161, Utilities Code; and

(5) a nonprofit telephone cooperative corporation organized under Chapter 162, Utilities Code.

Sec. 162.126. REFUND FOR BAD DEBTS; CREDIT FOR NONPAYMENT.

(a) A licensed distributor may file a refund claim with the comptroller if:

(1) the distributor has paid the taxes imposed by this subchapter on gasoline sold on account;

(2) the distributor determines that the account is uncollectible and worthless; and

(3) the account is written off as a bad debt on the accounting books of the distributor.

(b) A licensed supplier or permissive supplier may take a credit on the monthly report to be filed with the comptroller if:

(1) on a previous report, the supplier or permissive supplier paid the taxes imposed by this subchapter on gasoline sold on account;

(2) the person to whom the supplier or permissive

supplier sold the gasoline has not remitted the tax to the supplier or permissive supplier; and

(3) at the time of the transaction, the person to whom the supplier or permissive supplier sold the gasoline held a license issued by the comptroller.

(c) The return on which the refund is claimed or the credit is taken must state, if applicable, the license number of the person whose account has been written off as a bad debt, or who failed to remit the tax, and any other information required by the comptroller. The amount of the refund or credit that may be claimed under Subsection (a) or (b) may equal but may not exceed the amount of taxes paid on the gasoline to which the written-off account or unpaid taxes apply.

(d) If, after a refund is received under Subsection (a) or a credit is taken under Subsection (b), the account on which the refund or credit was based is paid, or if the comptroller otherwise determines that the refund or credit was not authorized by Subsection (a) or (b), the unpaid taxes shall be paid by the distributor receiving the refund or the supplier or permissive supplier taking the credit, plus a penalty of 10 percent of the amount of the unpaid taxes and interest at the rate provided by Section [111.060](#) beginning on the day the refund was issued.

(e) This section does not apply to a sale of gasoline that is delivered into the fuel supply tank of a motor vehicle or motorboat and for which payment is made through the use and acceptance of a credit card.

(f) A refund under this section must be claimed at the time the account is written off as a bad debt, but may only be claimed before the expiration of the applicable limitation period as provided by Chapter [111](#).

(g) The comptroller may take action against a person in relation to whom a distributor, supplier, or permissive supplier has made a refund claim or taken a credit for collection of the tax owed and for penalty and interest as provided by Chapter [111](#).

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.127. CLAIMS FOR REFUNDS. (a) A refund claim must

be filed on a form provided by the comptroller, be supported by the original invoice issued by the seller, and contain:

- (1) the stamped or preprinted name and address of the seller;
- (2) the name of the purchaser;
- (3) the date of delivery of the gasoline;
- (4) the date of the issuance of the invoice, if different from the date of fuel delivery;
- (5) the number of gallons of gasoline delivered;
- (6) the amount of tax, either separately stated from the selling price or stated with a notation that the selling price includes the tax; and
- (7) the type of vehicle or equipment, such as a motorboat, railway engine, motor vehicle, off-highway vehicle, or refrigeration unit or stationary engine, into which the fuel is delivered.

(b) The purchaser must obtain the original invoice from the seller of the gasoline not later than the 30th day after the date the gasoline is delivered to the purchaser. If the delivery of gasoline is made through an automated method in which the purchase is automatically applied to the purchaser's account, one invoice may be issued at the time of billing that covers multiple purchases made during a 30-day billing cycle.

(c) A distribution log filed with the comptroller to support the number of gallons of gasoline removed from a bulk user's own bulk storage must contain the name and address of the bulk user making the delivery stamped or preprinted on it and for each individual delivery from the bulk storage:

- (1) the date of delivery;
- (2) the number of gallons of gasoline delivered;
- (3) the signature of the bulk user; and
- (4) the type or description of off-highway equipment into which the gasoline was delivered, or the type of licensed motor vehicle into which the gasoline was delivered, including the state highway license plate number or vehicle identification number and odometer or hubmeter reading.

(d) A distributor or person who does not hold a license who

files a valid refund claim with the comptroller shall be paid by a warrant issued by the comptroller. For purposes of this section, a distributor meets the requirement of filing a valid refund claim if the distributor designates the gallons of gasoline sold or used that are the subject of the refund claim on the monthly report submitted by the distributor to the comptroller.

(e) A person who files a claim for a tax refund on gasoline used for a purpose for which a tax refund is not authorized or who files an invoice supporting a refund claim on which the date, figures, or any material information has been falsified or altered forfeits the person's right to the entire amount of the refund claim filed unless the claimant provides proof satisfactory to the comptroller that the incorrect refund claim filed was due to a clerical or mathematical calculation error.

(f) After examination of the refund claim, the comptroller, before issuing a refund warrant, shall deduct from the amount of the refund the two percent deducted originally by the license holder on the first sale or distribution of the gasoline.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.1275. REFUND FOR CERTAIN METROPOLITAN RAPID TRANSIT AUTHORITIES. (a) Except as otherwise provided by this section, a metropolitan rapid transit authority operating under Chapter 451, Transportation Code, that is a party to a contract governed by Section 34.008, Education Code, is entitled to a refund of taxes paid under this subchapter for gasoline used to provide services under the contract and may file a refund claim with the comptroller for the amount of those taxes.

(b) The refund claim under Subsection (a) must contain information regarding:

- (1) vehicle mileage;
- (2) hours of service provided;
- (3) fuel consumed;
- (4) the total number of student passengers per route;

and

- (5) the total number of non-student passengers per route.

(c) If in any month of a school year the number of non-student passengers is greater than five percent of the total passengers for any single route under a contract governed by Section 34.008, Education Code, the metropolitan rapid transit authority is not entitled to a refund of taxes paid under this subchapter for the route for that month.

(d) A metropolitan rapid transit authority that requests a refund under this section shall maintain all supporting documentation relating to the refund until the sixth anniversary of the date of the request.

Added by Acts 2007, 80th Leg., R.S., Ch. 931 (H.B. 3314), Sec. 13, eff. July 1, 2007.

Sec. 162.1276. REFUND FOR CERTAIN NONPROFIT FOOD BANKS.

(a) A nonprofit food bank is entitled to and may file a claim with the comptroller for a refund in the amount provided by this section of taxes paid under this subchapter for gasoline delivered into the fuel supply tank of a motor vehicle with a gross vehicle weight rating of at least 25,000 pounds that is owned by the nonprofit food bank and used to deliver food.

(b) The amount of the refund under Subsection (a) is equal to the amount of tax paid under this subchapter for gasoline that qualifies for the refund and is purchased by the nonprofit food bank.

(c) A nonprofit food bank that requests a refund under this section shall maintain all supporting documentation relating to the refund until the sixth anniversary of the date of the request.

Added by Acts 2023, 88th Leg., R.S., Ch. 536 (H.B. 3599), Sec. 4, eff. September 1, 2023.

Sec. 162.128. WHEN GASOLINE TAX REFUND OR CREDIT MAY BE FILED. (a) Except as otherwise provided by this section, a claim for a refund must be filed with the comptroller before the first anniversary of the first day of the calendar month following the purchase, use, delivery, or export, or loss by fire, theft, or accident of gasoline, whichever period expires latest.

(b) If the amount of credit that an interstate trucker is

entitled to take under Section [162.125](#) exceeds the amount of tax due on that reporting period, the excess credit amount may be claimed on any of three successive quarterly returns following the period in which the credit was established, or the interstate trucker may seek a refund from the comptroller on or before the due date of the third successive quarterly return following the period in which the credit was established. A credit that is not claimed within the period prescribed by this subsection expires.

(c) If the comptroller assesses a supplier or permissive supplier for a tax-free sale that is taxable, and the supplier or permissive supplier subsequently collects the tax from the purchaser, the purchaser may file a refund claim before the first anniversary of the date the supplier's or permissive supplier's deficiency assessment becomes final if the purchaser used the gasoline in an exempt manner.

(d) A supplier, permissive supplier, distributor, importer, exporter, or blender that determines taxes were erroneously reported and remitted or that paid more taxes than were due this state because of a mistake of fact or law may take a credit on the monthly tax report on which the error has occurred and tax payment made to the comptroller. The credit must be taken before the expiration of the applicable period of limitation as provided by Chapter [111](#).

(e-1) A tax is imposed on diesel fuel that is otherwise exempt from taxation under Section 162.204(a)(4) or (7) if the diesel fuel is sold into a truck or railcar in this state to a person who does not hold a license under Section 162.205(a)(1), (2), (3), (4), or (6). The person who sold the diesel fuel is liable for and shall collect and remit the tax.

(e-3) A tax is imposed on diesel fuel that is otherwise

exempt from taxation under Section [162.204](#)(a)(7) if the diesel fuel is sold into a marine vessel in this state to a person who does not hold a license under Section [162.205](#)(a)(1), (2), (3), (4), or (6), unless the exporter of record is licensed under Section [162.205](#)(a)(1), (2), (3), (4), or (6). The person who sold the diesel fuel is liable for and shall collect and remit the tax.

(f) The terminal operator in this state is considered a supplier for the purpose of the tax imposed under this subchapter unless at the time of removal:

(1) the terminal operator has a terminal operator's license issued for the facility from which the diesel fuel is withdrawn;

(2) the terminal operator verifies that the person who removes the diesel fuel has a supplier's license; and

(3) the terminal operator does not have a reason to believe that the supplier's license is not valid.

(g) In each subsequent sale of diesel fuel on which the tax has been paid, the amount of the tax shall be added to the selling price so that the tax is paid by each person receiving the diesel fuel until it is paid ultimately by the person using or consuming the diesel fuel.

(h) Diesel fuel is considered to be used when it is delivered into a fuel supply tank.

Sec. 162.202. TAX RATE. The diesel fuel tax rate is 20 cents for each net gallon or fractional part on which the tax is imposed under Section [162.201](#).

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.2025. SEPARATE STATEMENT OF TAX COLLECTED FROM PURCHASER. (a) In each subsequent sale of diesel fuel on which the tax has been paid, the tax imposed by this subchapter shall be collected from the purchaser so that the tax is paid ultimately by the person who uses the diesel fuel. Diesel fuel is considered to be used when it is delivered into a fuel supply tank.

(b) The tax imposed by this subchapter must be stated separately from the sales price of diesel fuel and identified as diesel fuel tax on the invoice or receipt issued to a purchaser. Backup diesel fuel tax may be identified as diesel fuel tax. The tax must be separately stated and identified in the same manner on a shipping document, if the shipping document includes the sales price of the diesel fuel.

(c) Except as provided by Subsection (d), the sales price of diesel fuel stated on an invoice, receipt, or shipping document is presumed to be exclusive of the tax imposed by this subchapter. The seller or purchaser may overcome the presumption by using the seller's records to show that the tax imposed by this subchapter was included in the sales price.

(d) Subsection (b) does not apply to a sale of diesel fuel by a licensed dealer to a person who delivers the diesel fuel at the dealer's place of business into a fuel supply tank or into a container having a capacity of not more than 10 gallons.

Sec. 162.203. BACKUP TAX; LIABILITY. (a) A backup tax is imposed at the rate prescribed by Section [162.202](#) on:

(1) a person who obtains a refund of tax on diesel fuel by claiming the diesel fuel was used for an off-highway purpose, but actually uses the diesel fuel to operate a motor vehicle on a public highway;

(2) a person who operates a motor vehicle on a public highway using diesel fuel on which tax has not been paid;

(3) a person who sells to the ultimate consumer diesel

fuel on which a tax has not been paid and who knew or had reason to know that the diesel fuel would be used for a taxable purpose;

(4) a person, other than a person exempted under Section [162.204](#), who acquires diesel fuel on which tax has not been paid:

(A) in an original or subsequent sale; or

(B) from any source in this state; and

(5) a person who acquires diesel fuel by any unlawful means, including by purchase through the unauthorized use of a credit card, a debit card, or other money, regardless of whether tax was previously paid on the diesel fuel or was added to the selling price of the diesel fuel.

(b) If the motor vehicle described by Subsection (a)(2) is owned or leased by a person other than the operator, the tax shall be paid by either the operator or the motor vehicle's owner or lessee.

(c) The tax imposed under Subsection (a)(3) is also imposed on the ultimate consumer.

(d) A person who sells diesel fuel in this state, other than by a bulk transfer, on which tax has not been paid for any purpose other than a purpose exempt under Section [162.204](#) shall at the time of sale collect the tax from the purchaser or recipient of diesel fuel in addition to the selling price and is liable to this state for the taxes imposed in the manner provided by this chapter.

(e) The tax liability imposed by this section is in addition to any penalty imposed under this chapter.

Sec. 162.204. EXEMPTIONS. (a) The tax imposed by this subchapter does not apply to:

(1) diesel fuel sold to the United States for its exclusive use, provided that the exemption does not apply to diesel fuel sold or delivered to a person operating under a contract with the United States;

(2) diesel fuel sold to a public school district in this state for the district's exclusive use;

(3) diesel fuel sold to a commercial transportation company or a metropolitan rapid transit authority operating under Chapter 451, Transportation Code, that provides public school transportation services to a school district under Section 34.008, Education Code, and that uses the diesel fuel only to provide those services;

(4) diesel fuel exported by either a licensed supplier or a licensed exporter from this state to any other state, provided that the bill of lading indicates the destination state and the supplier collects the destination state tax;

(5) diesel fuel moved by truck or railcar between licensed suppliers or licensed permissive suppliers and in which the diesel fuel removed from the first terminal comes to rest in the second terminal, provided that the removal from the second terminal rack is subject to the tax imposed by this subchapter;

(6) diesel fuel delivered or sold into a storage facility of a licensed aviation fuel dealer from which the diesel fuel will be delivered solely into the fuel supply tanks of aircraft or aircraft servicing equipment, or sold from one licensed aviation fuel dealer to another licensed aviation fuel dealer who will deliver the diesel fuel exclusively into the fuel supply tanks of aircraft or aircraft servicing equipment;

(7) diesel fuel exported to a foreign country if the bill of lading or shipping documents indicate the foreign destination and the fuel is actually exported to the foreign country;

(8) dyed diesel fuel sold or delivered by a supplier to another supplier and dyed diesel fuel sold or delivered by a supplier or distributor into the bulk storage facility of a dyed

diesel fuel bonded user or to a purchaser who provides a signed statement as provided by Section [162.206](#);

(9) the volume of water, fuel ethanol, renewable diesel, biodiesel, or mixtures thereof that are blended together with taxable diesel fuel when the finished product sold or used is clearly identified on the retail pump, storage tank, and sales invoice as a combination of diesel fuel and water, fuel ethanol, renewable diesel, biodiesel, or mixtures thereof;

(10) dyed diesel fuel sold by a supplier or permissive supplier to a distributor, or by a distributor to another distributor;

(11) dyed diesel fuel delivered by a license holder into the fuel supply tanks of railway engines, motorboats, or refrigeration units or other stationary equipment powered by a separate motor from a separate fuel supply tank;

(13) diesel fuel used by a person, other than a political subdivision, who owns, controls, operates, or manages a commercial motor vehicle as defined by Section [548.001](#), Transportation Code, if the fuel:

(A) is delivered exclusively into the fuel supply tank of the commercial motor vehicle; and

(B) is used exclusively to transport passengers for compensation or hire between points in this state on a fixed route or schedule;

(14) diesel fuel sold to a volunteer fire department in this state for the department's exclusive use;

(15) diesel fuel sold to a nonprofit entity that is organized for the sole purpose of and engages exclusively in providing emergency medical services and that uses the diesel fuel exclusively to provide emergency medical services, including rescue and ambulance services; or

(16) diesel fuel sold to a nonprofit food bank and delivered into:

(A) the fuel supply tank of a motor vehicle with a gross vehicle weight rating of at least 25,000 pounds that is owned by the nonprofit food bank and used to deliver food; or

(B) a storage facility from which diesel fuel will be delivered solely into the fuel supply tanks of motor vehicles described by Paragraph (A).

(b) The exemption provided by Subsection (a)(4) does not apply to diesel fuel that is transported and delivered outside this state in the motor fuel supply tank of a motor vehicle other than an interstate trucker.

(c) Repealed by Acts 2017, 85th Leg., R.S., Ch. 601 (S.B. 1557), Sec. 13(2), eff. January 1, 2018.

(d) Subsection (a)(4) applies only if the destination state recognizes, by agreement with this state or by statute or rule, a supplier in this state as a valid taxpayer for the motor fuel being exported to that state from this state. The comptroller shall publish a list that specifies for each state, other than this state, whether that state does or does not qualify under this subsection.

(e) Repealed by Acts 2017, 85th Leg., R.S., Ch. 601 (S.B. 1557), Sec. 13(2), eff. January 1, 2018.

(f) The exemption provided by Subsection (a)(4) does not apply to a sale by a distributor.

(g) In lieu of claiming the exemption and complying with the labeling requirements provided by Subsection (a)(9), a person to whom Section 162.201 applies may elect to collect and remit the tax otherwise imposed under this subchapter on the materials described by Subsection (a)(9) as if the materials were taxable diesel fuel. The labeling requirements provided by Subsection (a)(9) do not apply to a dealer who sells taxable diesel fuel blended with materials described by Subsection (a)(9) on which tax has been paid as provided by this subsection. Materials described by Subsection (a)(9) on which tax has been paid as provided by this subsection are not exempt from tax under Subsection (a)(9) on a subsequent sale, and a license holder or other purchaser is not entitled to a refund or credit under Subsection (a)(9) for a purchase of taxable diesel fuel blended with those materials.

Sec. 162.205. PERSONS REQUIRED TO BE LICENSED. (a) A person shall obtain the appropriate license or licenses issued by the comptroller before conducting the activities of:

(1) a supplier, who may also act as a distributor, importer, exporter, blender, motor fuel transporter, or aviation fuel dealer without securing a separate license, but who is subject to all other conditions, requirements, and liabilities imposed on those license holders;

(2) a permissive supplier, who may also act as a distributor, importer, exporter, blender, motor fuel transporter, or aviation fuel dealer without securing a separate license but who is subject to all other conditions, requirements, and liabilities imposed on those license holders;

(3) a distributor, who may also act as an importer, exporter, blender, or motor fuel transporter without securing a separate license, but who is subject to all other conditions, requirements, and liabilities imposed on those license holders;

(4) an importer, who may also act as an exporter, blender, or motor fuel transporter without securing a separate license, but who is subject to all other conditions, requirements, and liabilities imposed on those license holders;

(5) a terminal operator;

(6) an exporter;

(7) a blender;

(8) a motor fuel transporter;

(9) an aviation fuel dealer;

(10) an interstate trucker; or

(11) a dyed diesel fuel bonded user.

(b) A person must obtain a license as a dyed diesel fuel bonded user to purchase dyed diesel fuel in amounts that exceed the limitations prescribed by Section 162.206(c). This subsection does not affect the right of a purchaser to purchase not more than the number of gallons of dyed diesel fuel prescribed by Section 162.206(c) each month for the purchaser's own use using a signed statement.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 1227 (S.B. 1495), Sec. 22, eff. September 1, 2009.

Sec. 162.206. STATEMENT FOR PURCHASE OF DYED DIESEL FUEL.

(a) The first removal of diesel fuel from a terminal in this state is taxable, except the sale of dyed diesel fuel may be made without collecting the tax if the purchaser furnishes to a licensed supplier or distributor a signed statement that includes an end user number issued by the comptroller. A person who wants to use a signed statement to purchase dyed diesel fuel must apply to the comptroller for an end user number to be used in conjunction with a signed statement. A licensed supplier or distributor may not make a tax-free sale of any diesel fuel to a purchaser using a signed statement unless the purchaser has an end user number issued by the comptroller under this section. A taxable sale or removal of dyed diesel fuel may not be made under this chapter, except as prescribed by Subsection (d).

(b) A sale of dyed diesel fuel may be made without collecting the tax if the purchaser furnishes to a licensed supplier or distributor a signed statement, including an end user number issued by the comptroller, that stipulates that:

(1) all of the dyed diesel fuel purchased on the signed statement will be consumed by the purchaser and will not be resold; and

(2) none of the dyed diesel fuel purchased on the signed statement will be delivered or permitted to be delivered into the fuel supply tank of a motor vehicle operated on the public highways of this state.

(c) A person may not make a tax-free purchase and a licensed supplier or distributor may not make a tax-free sale to a purchaser of any dyed diesel fuel under this section using a signed statement for the first sale or purchase and for any subsequent sale or purchase in a calendar month for more than:

(1) 10,000 gallons of dyed diesel fuel;

(2) 25,000 gallons of dyed diesel fuel if the purchaser stipulates in the signed statement that all of the fuel will be consumed by the purchaser in the original production of, or to increase the production of, oil or gas and furnishes the licensed supplier or distributor with a letter of exception issued by the comptroller; or

(3) 25,000 gallons of dyed diesel fuel if the purchaser stipulates in the signed statement that all of the fuel will be consumed by the purchaser in agricultural off-highway equipment.

(c-1) The monthly limitations prescribed by Subsection (c) apply regardless of whether the dyed diesel fuel is purchased in a single transaction during that month or in multiple transactions during that month.

(d) Any gallons purchased or sold in excess of the limitations prescribed by Subsection (c) constitute a taxable purchase or sale. A purchaser that exceeds the limitations prescribed by Subsection (c) shall be required to obtain a dyed diesel fuel bonded user license.

(e) The signed statement and end user number from the

purchaser relieves the licensed supplier or distributor from the burden of proof that the sale of dyed diesel fuel for a nonhighway purpose was not taxable to the purchaser and remains in effect unless:

(1) the statement is revoked in writing by the purchaser or licensed supplier or distributor;

(2) the comptroller notifies the licensed supplier or distributor in writing that the purchaser may no longer make tax-free purchases; or

(3) the licensed supplier or distributor is put on notice by making taxable sales of dyed diesel fuel to a purchaser who has previously furnished a signed statement to the licensed supplier or distributor.

(f) For purposes of Subsection (e)(3), a licensed supplier or distributor is not put on notice when taxable sales of dyed diesel fuel are made in accordance with Subsection (d).

(g) The statement must be signed by the purchaser or the purchaser's representative.

(g-1) For purposes of this section, the purchaser is considered to have temporarily furnished the signed statement to the licensed supplier or distributor if the supplier or distributor verifies that the purchaser has an end user number issued by the comptroller. The licensed supplier or distributor shall use the comptroller's Internet website or other materials provided or produced by the comptroller to verify this information until the purchaser provides to the supplier or distributor a completed signed statement.

(h) The comptroller by rule may allow separate operating divisions of a corporation to give separate signed statements as if the divisions were different legal entities.

(i) The comptroller may adopt necessary forms and rules to administer and enforce this section.

(j) A taxable use of any part of the dyed diesel fuel purchased under a signed statement shall, in addition to application of any criminal penalty, forfeit the right of the person to purchase dyed diesel fuel tax-free for a period of one year from the date of the offense. Any tax, interest, and penalty

found to be due through false or erroneous execution or continuance of a promissory statement by the purchaser, if assessed to the licensed supplier or distributor, is a debt of the purchaser to the licensed supplier or distributor until paid and is recoverable at law in the same manner as the purchase price of the fuel.

(k) Properly completed signed statements should be in the possession of the licensed supplier or distributor at the time the sale of dyed diesel fuel occurs. If the licensed supplier or distributor is not in possession of the signed statements within 60 days after the date written notice requiring possession of them is given to the licensed supplier or distributor by the comptroller, exempt sales claimed by the licensed supplier or distributor that require delivery of the signed statements shall be disallowed. If the licensed supplier or distributor delivers the signed statements to the comptroller within the 60-day period, the comptroller may verify the reason or basis for the signed statements before allowing the exempt sales. An exempt sale may not be granted on the basis of signed statements delivered to the comptroller after the 60-day period.

(l) On receipt of notice transmitted by an electronic means of a final judgment entered by a court against a purchaser of dyed diesel fuel for failure to pay an amount owed to a licensed supplier or distributor for the purchase of dyed diesel fuel, the comptroller shall revoke the end user number issued to the purchaser. The comptroller shall provide the notice described by Subsection (e)(2) to the licensed supplier or distributor if the purchaser's end user number is revoked.

(m) The comptroller may reinstate an end user number that is revoked under Subsection (l) on receipt of proof transmitted by an electronic means and satisfactory to the comptroller that the purchaser whose end user number was revoked has satisfied the judgment described by Subsection (l), including all costs and other amounts awarded in the judgment.

Sec. 162.207. TRIP PERMITS. (a) Instead of an annual interstate trucker's license, a person bringing a motor vehicle described by Section 162.001(36) into this state for commercial purposes may obtain a trip permit. The trip permit must be obtained before or at the time of entry into this state.

(b) Not more than five trip permits for each person may be issued during a calendar year.

(c) A fee for each trip permit shall be collected from the applicant and shall be in the amount of \$50 for each vehicle for each trip.

(d) A report is not required with respect to the vehicle.

(e) Operating a motor vehicle without a valid interstate trucker's license or trip permit may subject the operator to a penalty under Section 162.402.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.208. PERMISSIVE SUPPLIER REQUIREMENTS ON OUT-OF-STATE REMOVALS. (a) A person may elect to obtain a permissive supplier license to collect the tax imposed under this subchapter for diesel fuel that is removed at a terminal in another state and has this state as the destination state.

(b) With respect to diesel fuel that is removed by the licensed permissive supplier at a terminal located in another state and that has this state as the destination state, a licensed permissive supplier shall:

(1) collect the tax due to this state on the diesel fuel;

(2) waive any defense that this state lacks jurisdiction to require the supplier to collect the tax due to this state on the diesel fuel under this subchapter;

(3) report and pay the tax due on the diesel fuel in the same manner as if the removal had occurred at a terminal located in this state;

(4) keep records of the removal of the diesel fuel and

submit to audits concerning the diesel fuel as if the removal had occurred at a terminal located in this state; and

(5) report sales by the permissive supplier to a person who is not licensed in this state.

(c) A permissive supplier must acknowledge in the supplier's license application that this state imposes the requirements listed in Subsection (b) under this state's general police power and that the permissive supplier submits to the jurisdiction of this state only for purposes related to the administration of this chapter.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.209. LICENSE APPLICATION PROCEDURE. (a) To obtain a license under this subchapter, an applicant shall file an application using a form adopted by the comptroller. The application must contain:

(1) the name under which the applicant transacts or intends to transact business;

(2) the applicant's principal office, residence, place of business in this state, or other location of the applicant;

(3) if the applicant is not an individual, the names of the principal officers of an applicant corporation, or the names of the members of an applicant partnership, and the office, street, or post office addresses of each; and

(4) other information required by the comptroller.

(b) An applicant for a license as a supplier, permissive supplier, or terminal operator must have a federal certificate of registry issued under 26 U.S.C. Section 4101 that authorizes the applicant to enter into federal tax-free transactions of diesel fuel in the bulk terminal/transfer system. An applicant that is required to have a federal certificate of registry must include the registration number of the certificate on the application for a license. An applicant for a license as an importer, exporter, or distributor who has a federal certificate of registry issued under 26 U.S.C. Section 4101 must include the registration number of the certificate on the application for a license.

(c) An applicant for a license as an importer or distributor

must list on the application each state from which the applicant intends to import diesel fuel and, if required by a listed state, must be licensed or registered for diesel fuel tax purposes in that state. If a listed state requires the applicant to be licensed or registered, the applicant must provide the applicant's license or registration number from that state.

(d) An applicant for a license as an exporter must designate an agent located in this state for service of process and provide the agent's name and address. An applicant for a license as an exporter or distributor must list on the application each state to which the applicant intends to export diesel fuel received in this state by means of a transfer that is outside the bulk terminal/transfer system and must be licensed or registered for diesel fuel tax purposes in that state. The applicant must provide the applicant's license or registration number from that state.

(e) An applicant for a license as a motor fuel transporter must list on the application each state from which and to which the applicant intends to transport motor fuel and, if required by a listed state, must be licensed or registered for diesel fuel tax purposes in that state. If a listed state requires the applicant to be licensed or registered, the applicant must provide the applicant's license or registration number from that state.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.210. ISSUANCE AND DISPLAY OF LICENSE. (a) If the comptroller approves a license application, the comptroller shall issue a license to the applicant. A license must be posted in a conspicuous place or kept available for inspection at the principal place of business of the license holder. A copy of the license must be kept at each place of business or other place of storage from which diesel fuel is sold, distributed, or used, and in each motor vehicle used by the license holder to transport diesel fuel purchased by the license holder for resale, distribution, or use.

(b) A person holding an interstate trucker's license shall reproduce the license and carry a photocopy with each motor vehicle being operated into or from this state.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.211. LICENSES AND TRIP PERMITS; PERIODS OF VALIDITY. (a) The license issued to a supplier, permissive supplier, distributor, importer, terminal supplier, exporter, blender, motor fuel transporter, or dyed diesel fuel bonded user is permanent and is valid during the period the license holder has in force and effect the required bond or security and furnishes timely reports and supplements as required, or until the license is surrendered by the holder or canceled by the comptroller. The comptroller shall cancel a license under this subsection if a purchase, sale, or use of diesel fuel has not been reported by the license holder during the previous nine months.

(b) The license issued to an aviation fuel dealer is permanent and is valid until the license is surrendered by the holder or canceled by the comptroller.

(c) The license issued to an interstate trucker is valid from the date of its issuance through December 31 of each calendar year or until the license is surrendered by the holder or canceled by the comptroller. The comptroller may renew the license for each ensuing calendar year if the license holder furnishes timely reports as required.

(d) A trip permit is valid for the period stated on the permit as determined by the comptroller.

(e) A license issued under this subchapter is not transferable.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.212. BOND AND OTHER SECURITY FOR TAXES. (a) The comptroller shall determine the amount of security required of a supplier, permissive supplier, distributor, exporter, importer, blender, or dyed diesel fuel bonded user, taking into consideration the amount of tax that has or is expected to become due from the person, any past history of the person as a license holder under this chapter and its predecessor, and the necessity to protect this state against the failure to pay the tax as the tax becomes due.

(b) If it is determined that the posting of security is necessary to protect this state, the comptroller may require a

license holder to post a bond. A license holder shall post a bond equal to two times the maximum amount of tax that could accrue on tax-free diesel fuel purchased or acquired during a reporting period. The minimum bond is \$30,000, except that for a dyed diesel fuel bonded user the minimum bond is \$10,000. The maximum bond is \$600,000 unless the comptroller believes there is undue risk of loss of tax revenues, in which event the comptroller may require one or more bonds or securities in a total amount exceeding \$600,000.

(c) A license holder who has filed a bond or other security under this subchapter is entitled, on request, to have the comptroller return, refund, or release the bond or security if in the judgment of the comptroller the person has for four consecutive years continuously complied with the conditions of the bond or other security filed under this subchapter. However, if the comptroller determines that the revenues of this state would be jeopardized by the return, refund, or release of the bond or security, the comptroller may elect not to return, refund, or release the bond or security and may reimpose a requirement of a bond or other security as the comptroller determines necessary to protect the revenues of this state.

(d) A bond must be a continuing instrument, must constitute a new and separate obligation in the penal sum named in the bond for each calendar year or portion of a year while the bond is in force, and must remain in effect until the surety on the bond is released and discharged.

(e) Instead of filing a surety bond, an applicant for a license may substitute the following security:

(1) cash in the form of United States currency in an amount equal to the required bond to be deposited in the suspense account of the state treasury;

(2) an assignment to the comptroller of a certificate of deposit in any bank or savings and loan association in this state that is a member of the Federal Deposit Insurance Corporation in an amount at least equal to the bond amount required; or

(3) an irrevocable letter of credit to the comptroller from any bank or savings and loan association in this state that is a member of the Federal Deposit Insurance Corporation in an amount

of credit at least equal to the bond amount required.

(f) If the amount of an existing bond becomes insufficient or a security becomes unsatisfactory or unacceptable, the comptroller may require the filing of a new or additional bond or security.

(a) Except as otherwise provided by this section, a metropolitan rapid transit authority operating under Chapter [451](#), Transportation Code, that is a party to a contract governed by Section [34.008](#), Education Code, is entitled to a refund of taxes paid under this subchapter for diesel fuel used to provide services under the contract and may file a refund claim with the comptroller for the amount of those taxes.

(b) The refund claim under Subsection (a) must contain information regarding:

- (1) vehicle mileage;
- (2) hours of service provided;
- (3) fuel consumed;
- (4) the total number of student passengers per route;

and

- (5) the total number of non-student passengers per route.

(b) The amount of the refund under Subsection (a) is equal to the amount of tax paid under this subchapter for diesel fuel that qualifies for the refund and is purchased by the nonprofit food bank.

(a) A licensed distributor may file a refund claim with the comptroller if:

(1) the distributor has paid the taxes imposed by this subchapter on diesel fuel sold on account;

(2) the distributor determines that the account is uncollectible and worthless; and

(3) the account is written off as a bad debt on the accounting books of the distributor.

(b) A licensed supplier or permissive supplier may take a credit on the monthly report to be filed with the comptroller if:

(1) on a previous report, the supplier or permissive supplier paid the taxes imposed by this subchapter on diesel fuel sold on account;

(2) the person to whom the supplier or permissive supplier sold the diesel fuel has not remitted the tax to the supplier or permissive supplier; and

(3) at the time of the transaction, the person to whom the supplier or permissive supplier sold the diesel fuel held a license issued by the comptroller.

(c) The return on which the refund is claimed or the credit is taken must state, if applicable, the license number of the person whose account has been written off as a bad debt, or who failed to remit the tax, and any other information required by the comptroller. The amount of the refund or credit that may be claimed under Subsection (a) or (b) may equal but may not exceed the amount of taxes paid on the diesel fuel to which the written-off account or unpaid taxes apply.

(d) If, after a refund is received under Subsection (a) or a credit is taken under Subsection (b), the account on which the refund or credit was based is paid, or if the comptroller otherwise determines that the refund or credit was not authorized by Subsection (a) or (b), the unpaid taxes shall be paid by the distributor receiving the refund or the supplier or permissive supplier taking the credit, plus a penalty of 10 percent of the amount of the unpaid taxes and interest at the rate provided by Section [111.060](#) beginning on the day the refund was issued.

(e) This section does not apply to a sale of diesel fuel that is delivered into the fuel supply tank of a motor vehicle or motorboat and for which payment is made through the use and acceptance of a credit card.

(f) A refund under this section must be claimed at the time the account is written off as a bad debt, but may only be claimed before the expiration of the applicable limitation period as

provided by Chapter 111.

(g) The comptroller may take action against a person in relation to whom a distributor, supplier, or permissive supplier has made a refund claim or taken a credit for collection of the tax owed and for penalty and interest as provided by Chapter 111.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.229. CLAIMS FOR REFUNDS. (a) A refund claim must be filed on a form provided by the comptroller, be supported by the original invoice issued by the seller, and contain:

- (1) the stamped or preprinted name and address of the seller;
- (2) the name of the purchaser;
- (3) the date of delivery of the diesel fuel;
- (4) the date of the issuance of the invoice, if different from the date of fuel delivery;
- (5) the number of gallons of diesel fuel delivered;
- (6) the amount of tax, either separately stated from the selling price or stated with a notation that the selling price includes the tax; and
- (7) the type of vehicle or equipment into which the fuel is delivered.

(b) The purchaser must obtain the original invoice from the seller of diesel fuel not later than the 30th day after the date the diesel fuel is delivered to the purchaser. If the delivery of diesel fuel is made through an automated method in which the purchase is automatically applied to the purchaser's account, one invoice may be issued at the time of billing that covers multiple purchases made during a 30-day billing cycle.

(c) A distribution log filed with the comptroller to support the number of gallons of diesel fuel removed from a bulk user's own bulk storage must contain the name and address of the bulk user making the delivery stamped or preprinted on the log and, for each individual delivery from the bulk storage:

- (1) the date of delivery;
- (2) the number of gallons of diesel fuel delivered;
- (3) the signature of the bulk user; and

(4) the type or description of off-highway equipment into which the diesel fuel was delivered, or the type of licensed motor vehicle into which the diesel fuel was delivered, including the state highway license plate number or vehicle identification number and odometer or hubmeter reading.

(d) A distributor or person who does not hold a license who files a valid refund claim with the comptroller shall be paid by a warrant issued by the comptroller. For purposes of this section, a distributor meets the requirement of filing a valid refund claim if the distributor designates the gallons of diesel fuel sold or used that are the subject of the refund claim on the monthly report submitted by the distributor to the comptroller.

(e) A person who files a claim for a tax refund on diesel fuel used for a purpose for which a tax refund is not authorized or who files an invoice supporting a refund claim on which the date, figures, or any material information has been falsified or altered forfeits the person's right to the entire amount of the refund claim filed unless the claimant provides proof satisfactory to the comptroller that the incorrect refund claim filed was due to a clerical or mathematical calculation error.

(f) After examination of the refund claim, the comptroller, before issuing a refund warrant, shall deduct from the amount of the refund the two percent deducted originally by the license holder on the first sale or distribution of the diesel fuel.

Added by Acts 2003, 78th Leg., ch. 199, Sec. 1, eff. Jan. 1, 2004.

Sec. 162.230. WHEN DIESEL FUEL TAX REFUND OR CREDIT MAY BE FILED. (a) Except as otherwise provided by this section, a claim for a refund must be filed with the comptroller before the first anniversary of the first day of the calendar month following the purchase, use, delivery, or export, or loss by fire, theft, or accident of diesel fuel, whichever period expires latest.

(b) If the amount of credit that an interstate trucker is entitled to take under Section [162.227](#) exceeds the amount of tax due on that reporting period, the excess credit amount may be claimed on any of the three successive quarterly returns following the period in which the credit was established or the interstate trucker may

file a refund claim with the comptroller on or before the due date of the third successive quarterly return following the period in which the credit was established. A credit that is not claimed within the period prescribed by this subsection expires.

(c) If the comptroller assesses a supplier or permissive supplier for a tax-free sale that is taxable, and the supplier or permissive supplier subsequently collects the tax from the purchaser, the purchaser may file a refund claim before the first anniversary of the date the supplier's or permissive supplier's deficiency assessment becomes final if the purchaser used the diesel fuel in an exempt manner.

(d) A supplier, permissive supplier, distributor, importer, exporter, or blender that determines taxes were erroneously reported and remitted or that paid more taxes than were due to this state because of a mistake of fact or law may take a credit on the monthly tax report on which the error has occurred and tax payment made to the comptroller. The credit must be taken before the expiration of the applicable period of limitation as provided by Chapter 111.

Sec. 162.233. UNAUTHORIZED SALE OR USE OF DYED DIESEL FUEL.

(a) A person may not sell or hold for sale dyed diesel fuel for any use that the person knows or has reason to know is a taxable use of the diesel fuel.

- (2) the applicant's principal office, residence, or place of business in this state, or other location of the applicant;
- (3) if the applicant is not an individual, the names of

the principal officers of an applicant corporation, or the names of the members of an applicant partnership, and the office, street, or post office addresses of each; and

(4) other information required by the comptroller.

Added by Acts 2013, 83rd Leg., R.S., Ch. 990 (H.B. [2148](#)), Sec. 4, eff. September 1, 2013.

Sec. 162.360. ISSUANCE AND DISPLAY OF LICENSE. (a) If the comptroller approves a license application, the comptroller shall issue a license to the applicant. A license holder shall post the license in a conspicuous place or keep the license available for inspection at the license holder's principal place of business. A license holder shall keep a copy of the license at each place of business or other place of storage from which compressed natural gas or liquefied natural gas is sold or delivered.

(b) An interstate trucker's license holder shall reproduce the license and carry a photocopy with each motor vehicle being operated in or traveling to or from this state.

Added by Acts 2013, 83rd Leg., R.S., Ch. 990 (H.B. [2148](#)), Sec. 4, eff. September 1, 2013.

Sec. 162.361. BOND AND OTHER SECURITY FOR TAXES. (a) The comptroller shall determine the amount of security required of a dealer, taking into consideration the amount of tax that has or is expected to become due from the person, any past history of the person as a license holder under this chapter or its predecessor, and the necessity to protect this state against the failure to pay the tax as the tax becomes due.

(b) The comptroller may require a license holder to post a bond if the comptroller determines it is necessary for the license holder to post security to protect the revenues of this state. A license holder must post a bond equal to two times the maximum amount of tax that could accrue on compressed natural gas or liquefied natural gas produced, purchased, acquired, sold, or delivered during a reporting period. The minimum bond for a person described by Section [162.357](#)(a) is \$30,000. The comptroller shall prescribe the minimum bond for a person described by Section

162.357(b) or (c) who is not described by Section 162.357(a). The maximum bond is \$600,000 unless the comptroller believes there is undue risk of loss of tax revenues, in which event the comptroller may require one or more bonds or securities in a total amount exceeding \$600,000.

(c) A license holder who has filed a bond or other security under this subchapter is entitled, on request, to have the comptroller return, refund, or release the bond or security if in the judgment of the comptroller the person has for four consecutive years continuously complied with the conditions of the bond or other security filed under this subchapter. However, if the comptroller determines that the revenues of this state would be jeopardized by the return, refund, or release of the bond or security, the comptroller may elect not to return, refund, or release the bond or security and may reimpose a requirement of a bond or other security as the comptroller determines necessary to protect the revenues of this state.

(d) A bond must be a continuing instrument, must constitute a new and separate obligation in the penal sum named in the bond for each calendar year or portion of a year while the bond is in force, and must remain in effect until the surety on the bond is released and discharged.

(e) Instead of filing a surety bond, an applicant for a license may substitute the following security:

(1) cash in the form of United States currency in an amount equal to the required bond to be deposited in a suspense account of the state treasury;

(2) an assignment to the comptroller of a certificate of deposit in any bank or savings and loan association in this state that is a member of the Federal Deposit Insurance Corporation in an amount at least equal to the bond amount required; or

(3) an irrevocable letter of credit to the comptroller from any bank or savings and loan association in this state that is a member of the Federal Deposit Insurance Corporation in an amount of credit at least equal to the bond amount required.

(f) If the amount of an existing bond becomes insufficient or a security becomes unsatisfactory or unacceptable, the

comptroller may require the license holder to file a new or an additional bond or security.

(g) A surety bond or other form of security may not be released until the comptroller determines by examination or audit that a tax, penalty, or interest liability does not exist. The comptroller shall release the cash or securities not later than the 60th day after the date the comptroller determines that liability does not exist.

(h) The comptroller may use the cash or certificate of deposit security to satisfy a final determination of delinquent liability or a judgment secured in any action by this state to recover compressed natural gas or liquefied natural gas taxes, costs, penalties, and interest found to be due to this state by a person on whose behalf the cash or certificate of deposit security was deposited.

(i) The comptroller shall release and discharge from liability to this state a surety on a bond furnished by a license holder on the 31st day after the date on which the surety files with the comptroller a written request to be released and discharged. The request does not relieve, release, or discharge the surety from a liability that already accrued or that accrues before the expiration of the 30-day period. The comptroller, promptly on receipt of the request, shall notify the license holder who furnished the bond, and unless the license holder, before the expiration date of the existing security, files with the comptroller a new bond with a surety company authorized to do business under the laws of this state, or other authorized security, in the amount required by this section, the comptroller shall cancel the license in the manner provided by this chapter.

(j) The comptroller shall immediately notify the issuer of a letter of credit of a final determination of the license holder's delinquent liability or a judgment secured in any action by this state to recover compressed natural gas or liquefied natural gas taxes, costs, penalties, and interest found to be due this state by a license holder on whose behalf the letter of credit was issued. The letter of credit allowed as security under this section must contain a statement that the issuer agrees to respond

to the comptroller's notice of liability with amounts to satisfy the comptroller's delinquency claim against the license holder.

(k) A license holder may request an examination or audit to obtain release of the security when the license holder relinquishes the license or when the license holder wants to substitute one form of security for an existing one.

Added by Acts 2013, 83rd Leg., R.S., Ch. 990 (H.B. [2148](#)), Sec. 4, eff. September 1, 2013.

Sec. 162.362. RETURNS AND PAYMENTS; ALLOWANCES. (a) A licensed dealer, on or before the 25th day of the month following the end of each calendar quarter, shall file a report and remit the amount of tax due. A licensed dealer who has not made taxable deliveries during the reporting period shall file with the comptroller a report that includes those facts or that information.

(b) If a licensed dealer files a report and remits the tax due on or before the due date under Subsection (a), one percent of the tax due is allocated to the licensed dealer for the expense of collecting, accounting for, reporting, and timely remitting the taxes collected and for keeping the records. The licensed dealer shall deduct the allocated amount from the tax due when paying the tax to this state.

(c) A licensed interstate trucker, on or before the 25th day of the month following the end of each calendar quarter, shall file a report and remit the amount of tax due. A report shall be filed with the comptroller on forms provided for that purpose and must contain the number of miles traveled in this state, the number of miles traveled outside this state, and other information required by the comptroller. An interstate trucker who is required to file a report under this section and who has not made interstate trips or used compressed natural gas or liquefied natural gas in motor vehicles in this state during the reporting period shall file with the comptroller a report that includes those facts or that information.

(d) If a licensed interstate trucker files a report and remits the tax due on or before the due date under Subsection (c), one-half of one percent of the tax paid on compressed natural gas

and liquefied natural gas used in this state by the interstate trucker is allocated to the interstate trucker for the expense of accounting for, reporting, and timely remitting the taxes due and for keeping the records. The licensed interstate trucker shall deduct the allocated amount from the tax due when paying the tax to this state. If the allocated amount exceeds the amount of tax due, the interstate trucker may file a refund claim with the comptroller.

Added by Acts 2013, 83rd Leg., R.S., Ch. 990 (H.B. [2148](#)), Sec. 4, eff. September 1, 2013.

Sec. 162.363. RECORDS. (a) A dealer shall keep a record showing:

(1) compressed natural gas and liquefied natural gas inventories at the first of each month;

(3) all compressed natural gas and liquefied natural gas purchased or received, showing the name of the seller and the date of each purchase or receipt;

(4) all compressed natural gas and liquefied natural gas sold and delivered into the fuel supply tank of a motor vehicle, showing the date of the sale;

(5) all compressed natural gas and liquefied natural gas sold but not delivered into the fuel supply tank of a motor vehicle, showing the date of the sale;

(6) all compressed natural gas and liquefied natural gas delivered into the fuel supply tank of a motor vehicle not in connection with a sale, showing the date of the delivery;

(7) all compressed natural gas and liquefied natural gas delivered into the fuel supply tank of a motor vehicle or other equipment exempt from tax under Section [162.356](#) or sold to the operator of a motor vehicle or owner of equipment exempt from tax under Section [162.356](#), showing the name of the operator of the vehicle or the owner of the equipment and the date of the delivery or sale; and

(8) all compressed natural gas and liquefied natural

gas lost by fire, theft, or accident.

(b) An interstate trucker shall keep a record of:

(1) the total miles traveled in all states by all vehicles traveling to or from this state and the total quantity of compressed natural gas and liquefied natural gas consumed in those vehicles; and

(2) the total miles traveled in this state and the total quantity of compressed natural gas or liquefied natural gas purchased and delivered into the fuel supply tanks of motor vehicles in this state.

(c) The records required by this section must be kept until the fourth anniversary of the date they are created and are open to inspection at all times by the comptroller and the attorney general.

(d) In addition to the records specifically required by this subchapter, a license holder or a person required to hold a license shall keep any other records required by the comptroller.

Added by Acts 2013, 83rd Leg., R.S., Ch. 990 (H.B. [2148](#)), Sec. 4, eff. September 1, 2013.

Sec. 162.364. DUTIES OF PERSONS HOLDING TAX PAYMENTS.

(b) A dealer who receives a payment of tax under this subchapter may not apply the payment of tax to a debt that the person making the payment owes for compressed natural gas or liquefied natural gas purchased from the dealer.

(c) A person required to receive or collect a tax under this subchapter is liable for and shall pay the tax in the manner provided by this subchapter.

(a) A license holder may take a credit on a return for the period

in which the purchase occurred, and a person who does not hold a license under this subchapter may file a refund claim with the comptroller if the license holder or person paid tax on compressed natural gas or liquefied natural gas and the license holder or person:

(1) is the United States government and the fuel was delivered into the fuel supply tank of a motor vehicle operated exclusively by the United States, provided that a credit or refund is not allowed for fuel delivered into the fuel supply tank of a motor vehicle operated by a person operating under a contract with the United States;

(2) is a public school district in this state and the fuel was delivered into the fuel supply tank of a motor vehicle operated exclusively by the district;

(8) uses the fuel in off-highway equipment, in a stationary engine, in a motorboat, in an aircraft, in equipment used solely for servicing aircraft and used exclusively off-highway, in a locomotive, or for other nonhighway purposes and

not in a motor vehicle operated or intended to be operated on the public highways;

(9) uses the fuel in a motor vehicle that is operated exclusively off-highway, except for incidental travel on the public highways as determined by the comptroller, provided that a credit or refund may not be allowed for the portion used in the incidental highway travel; or

(10) is a nonprofit entity that is organized for the sole purpose of and engages exclusively in providing emergency medical services and the fuel was delivered into the fuel supply tank of a motor vehicle operated exclusively by the nonprofit entity to provide emergency medical services, including rescue and ambulance services.

(b) A licensed interstate trucker may take a credit on a return for the period in which the purchase occurred if the licensed interstate trucker paid tax on compressed natural gas or liquefied natural gas and uses the fuel outside this state in commercial vehicles operated under an interstate trucker license, provided that a credit taken under this subsection must be taken within the limitation period provided by Section [162.369](#).

(c) A transit company that paid tax on the purchase of compressed natural gas or liquefied natural gas may apply to the comptroller for and obtain a refund in an amount equal to one cent per gasoline gallon equivalent of compressed natural gas or diesel gallon equivalent of liquefied natural gas used in transit vehicles.

Sec. 162.366. CREDIT FOR BAD DEBT OR NONPAYMENT. (a) A licensed dealer may take a credit on a return filed under this subchapter if:

(1) the dealer paid the taxes imposed by this subchapter on compressed natural gas or liquefied natural gas sold on account;

(2) the dealer determines that the account is uncollectible and worthless; and

(3) the account is written off as a bad debt on the dealer's accounting books.

(b) The return on which the credit is taken must state, if applicable, the name of the person whose account has been written off as a bad debt or who failed to remit the tax and any other information required by the comptroller. The amount of the credit that may be taken under Subsection (a) may be equal to but may not exceed the amount of taxes paid on the compressed natural gas or liquefied natural gas to which the written-off account applies.

(c) If, after a credit is taken under Subsection (a), the account on which the credit was based is paid, or if the comptroller otherwise determines that the credit was not authorized by Subsection (a), the dealer who took the credit shall pay the unpaid taxes plus a penalty of 10 percent of the amount of the unpaid taxes and interest at the rate provided by Section [111.060](#) beginning on the day the report showing the credit was filed and ending on the date the taxes and penalty are paid.

(d) This section does not apply to a sale of compressed natural gas or liquefied natural gas for which payment is made through the use and acceptance of a credit card.

(e) A credit under this section must be taken at the time the account is written off as a bad debt, but may only be taken before the expiration of the applicable limitation period as provided by Chapter [111](#).

(f) The comptroller may take action against a person in relation to whom a dealer has taken a credit for collection of the tax owed and for penalty and interest as provided by Chapter [111](#).

(7) the type of vehicle or equipment into which the fuel is delivered.

(b) The purchaser or person who received the delivery of compressed natural gas or liquefied natural gas must obtain the original invoice from the dealer not later than the 30th day after the date the fuel is delivered. If the purchase or delivery of fuel is made through an automated method in which the purchase or delivery is automatically applied to the purchaser or recipient's account, one invoice may be issued at the time of billing that covers multiple purchases or deliveries made during a 30-day billing cycle.

(c) The comptroller shall pay a refund by warrant to a person who files a valid refund claim.

(d) A person who files a claim for a tax refund on compressed natural gas or liquefied natural gas used for a purpose for which a tax refund is not authorized or who files an invoice supporting a refund claim on which the date, figures, or any material information has been falsified or altered forfeits the person's right to the entire amount of the refund claim filed unless the claimant provides proof satisfactory to the comptroller that the incorrect refund claim filed was due to a clerical or mathematical

calculation error.

(e) After examining the refund claim and before issuing a refund warrant, the comptroller shall deduct from the amount of the refund the one percent originally deducted by the dealer under Section 162.362(b).

Added by Acts 2013, 83rd Leg., R.S., Ch. 990 (H.B. 2148), Sec. 4, eff. September 1, 2013.

Sec. 162.368. REFUND FOR CERTAIN METROPOLITAN RAPID TRANSIT AUTHORITIES. (a) Except as otherwise provided by this section, a metropolitan rapid transit authority operating under Chapter 451, Transportation Code, that is a party to a contract governed by Section 34.008, Education Code, is entitled to a refund of taxes paid under this subchapter for compressed natural gas or liquefied natural gas delivered into the fuel supply tank of a motor vehicle used to provide services under the contract and may file a refund claim with the comptroller for the amount of those taxes.

(b) The refund claim under Subsection (a) must contain information regarding:

- (1) vehicle mileage;
- (2) hours of service provided;
- (3) fuel consumed;
- (4) the total number of student passengers per route;

and

(5) the total number of non-student passengers per route.

(c) If in any month of a school year the number of non-student passengers is greater than five percent of the total passengers for any single route under a contract governed by Section 34.008, Education Code, the metropolitan rapid transit authority is not entitled to a refund of taxes paid under this subchapter for the route for that month.

(d) A metropolitan rapid transit authority that requests a refund under this section shall maintain all supporting documentation relating to the refund until the sixth anniversary of the date of the request.

(a) Except as otherwise provided by this section, a claim for a refund must be filed with the comptroller before the first anniversary of the first day of the calendar month following the purchase, use, or delivery of compressed natural gas or liquefied natural gas, whichever period expires latest.

(b) If the amount of credit that a licensed interstate trucker is entitled to take under Section 162.365(b) exceeds the amount of tax due on that reporting period, the excess credit amount may be claimed on any of three successive quarterly returns following the period in which the credit was established, or the licensed interstate trucker may seek a refund from the comptroller on or before the due date of the third successive quarterly return following the period in which the credit was established. A credit that is not claimed within the period prescribed by this subsection expires.

(c) If the comptroller assesses a dealer for a tax-free sale that is taxable, and the dealer subsequently collects the tax from the purchaser, the purchaser may file a refund claim before the first anniversary of the date the dealer's deficiency assessment becomes final if the purchaser used the fuel in an exempt manner.

(d) A dealer who determines taxes were erroneously reported and remitted or who paid more taxes than were due because of a mistake of fact or law may take a credit on the quarterly tax report on which the error occurred and the tax payment was made to the comptroller. The credit must be taken before the expiration of the applicable period of limitation as provided by Chapter 111.
