(c) A surety that completes a public work contract or incurs a loss under a performance bond required under this chapter has a claim to the proceeds of the contract prior to all other creditors of the prime contractor to the full extent of the surety's loss. (b) A claim for specially fabricated material that has not been delivered or incorporated into the public work is limited to material that conforms to and complies with the plans, specifications, and contract documents for the material. The amount of the claim may not exceed the reasonable cost, less the fair salvage value, of the specially fabricated material.

(c) A claim for retainage in a notice under this subchapter is not valid for an amount greater than the amount of retainage specified in the public work contract between the payment bond beneficiary and the prime contractor or between the payment bond beneficiary and the subcontractor. A claim for retainage is never valid for an amount greater than 10 percent of the amount of that contract.

(b) A suit on a payment bond may not be brought by a payment bond beneficiary after the first anniversary of the date notice for a claim is mailed under this chapter.
